14. Describe chronologically your legal experience since graduation from law school and include a list of all law firms with which you have been associated. Describe the general character of your practice and divide it into periods with dates if its character has changed over the years.

May 15, 1981 to current: I have been a sole practitioner in Laurens, South Carolina. I have had a general practice with significant experience in Circuit Court-both criminal and civil. I have also been the Associate Probate Judge for Laurens County since March of 1984 which will be discussed later. If you are a judge and are not seeking a different type of judgeship, the following questions are inapplicable:

- (b) If you are a candidate for Circuit Court, please provide a brief written description of your experience in criminal matters, including any cases handled over the past five years and include a brief description of the issues involved. Further, please provide a brief written description of your experience in civil matters, including any cases handled over the past five years and include a brief description of the types of matters handled, issues involved, and procedural history. Please include information such as the primary areas in civil court in which you practice, whether you represent plaintiffs or defendants, or both. You may go back further than five years if you feel it would assist the Commission with its assessment of your experience. If you lack experience in an area, describe how your background has prepared you to preside over such matters as a Circuit Court Judge, or how you would compensate for your lack of experience in this area.

Criminal: I would incorporate by reference my response to Question 19 (c) and (d) concerning two significant cases in General Sessions that I have handled. I have represented criminal clients in General Sessions (and even Magistrate's Court) my entire practice. I typically will receive 8-12 court appointments a year and approximately at least this same number of privately-paid cases annually. I have represented clients charged with a variety of offenses, i.e. murder, felony, DUI, possession and distribution of drugs. The vast majority of criminal cases result in a guilty plea but I have experience throughout my 28 years in trying cases before a jury. A sampling is as follows: Assault and Battery of a High and Aggravated Nature, Resisting Arrest/CDV of an High and Aggravated Nature, Manufacturing Methamphetamine, and Lynching.

Civil: I would incorporate by reference my response to Question 19 (a), (b), and (e) concerning three significant cases in Common Pleas that I

have handled. I have extensive experience dealing with a wide variety of cases, both jury and non-jury. The two most recent cases that I have tried in Court were (1) a breach of contract/fraud case dealing with a sale of an antique automobile. I represented the Defendant. The case was tried before a jury with a verdict in favor of the Defendant. (2) A deed-set-aside case. I represented the Plaintiff. The case was tried non-jury with a verdict in favor of the Plaintiff. My practice has been more Plaintiff-oriented but I do represent Defendants. A sampling of what I currently have pending in my Common Pleas practice is as follows: Wrongful-death and Survival case representing the deceased's family, Mechanic's Lien foreclosure case representing the contractor, and a Fraud action over the sale of a piece of property representing the purchaser. I also represent The Palmetto Bank and The City of Laurens Commission of Public Works, which provides additional cases in the civil area.

15. What is your rating in Martindale-Hubbell? BV
Retired judges/justices and judges/justices applying for reelection to their current position may omit Questions 16-21. If a candidate is seeking a judgeship different than his or her current position, Questions 16-21 should be answered based on experience prior to serving on the bench.
16. What was the frequency of your court appearances during the last five years?
(a) federal: None
(b) state: Average of five times a week
17. What percentage of your practice involved civil, criminal, and domestic matters during the last five years?
(a) civil: 25%;
(b) criminal: 25%;
(c) domestic: 40%.
18. What percentage of your practice in trial court during the last five years involved matters that went to a jury, including those that settled prior to trial?
(a) jury: 5%;
(b) non-jury: 95%.
Did you most often serve as sole counsel, chief counsel, or associate counsel in these matters? Sole Counsel
19. List five of the most significant litigated matters you have personally handled in either trial or appellate court or before a state or federal agency. Give citations if the cases were reported and describe why these matters were significant.
(a) Charles Gray and Corey Gray vs. Georgia Pacific Corp., 97-CP-30-110, 111,112.
I represented the Plaintiffs. This case involved a horrible vehicle accident with these two brothers. They both sustained severe 2nd and 3rd degree burns over most of their bodies. Suit was filed and a settlement was reached in 1997. This case is significant for several reasons. One, novel computer technology was used by the Plaintiff in

the mediation process. Secondly, it is significant because the Plaintiffs were and are a living example of a true will to live and remain productive citizens, which they are today. Thirdly, significant discovery took place.

- (b) Glen Meadows, LLC, et. al. vs. The Palmetto Bank, et. al., 03-CP-23-4541.

I represented the Defendant Palmetto Bank. This case involved a suit by the Plaintiff-employer against three Banks. The Plaintiff had an employee who stole \$145,000.00 over several years by making out and endorsing numerous checks written on accounts with the Defendants. These checks were made payable to the Bank and each time a deposit was made to The Palmetto Bank. Extensive discovery took place. The case was significant because the law was very competitive between the UCC code and the requirements and duty of care placed upon a customer in contrast to the basic principals governing a banking institution's duty of care.

- (c) State of South Carolina vs. Allenna Ward, 07-GS-30-359, 362, 364, 365, 369.

This criminal case dealt with a teacher charged with criminal sexual misconduct with five underage students. There was a tremendous amount of publicity nationwide. I was one of the two lawyers representing this Defendant. The case was significant for several reasons. One, the vast majority of teachers charged in this state and other states were only involved with one student and this case had five. Secondly, it was significant simply because of the media attention it had from the day of the arrest to the sentencing.

- (d) State of South Carolina v. Comest S. Allen, 99-GS-30-661.

I represented the Defendant who had been charged with armed robbery. He had been in jail/prison the majority of his life. He was accused of going into a Subway restaurant in Clinton, S.C. at midnight (closing time) and robbing the store. The robbery was on surveillance video. The Defendant was very accustomed to the legal system so he continuously filed motions, briefs, objections, etc. contrary to my advice. This case was significant for several reasons. First, he required me to file a Motion with the Court to allow a "re-enactment" of the crime wherein he would be allowed to wear what the "person" was wearing and would act out exactly as the person on the video in an attempt to offer the comparison of the videos as not being him. To the shock of everyone, the Court granted the Motion. The "re-enactment" was done but never an issue. This is due to the fact the only real evidence that the State had (and it was not the video) was the identification by the store clerk. However, under legal principles, we were successful in getting the photo identification line-up and the resulting testimony/in-court identification suppressed. The trial Judge agreed with our defense that the identification was clearly tainted

hereby justifying a suppression of the clerk's testimony. Consequently, a motion for directed verdict was made and granted.

(e) Ernest Sullivan vs. John Walk, et. al., 06-CP-30-890.

A lady died and left a significant life insurance policy naming, not her husband-the Plaintiff, but an uncle-the Defendant. This lady died of cancer and made the beneficiary change from the husband to the uncle in the latter stages of her illness. I represented the Defendant uncle. He claimed that she made the change to him because she trusted him to insure that her three children (not all by the husband) would be taken care of. The significant issue in the case was whether or not she had the mental capacity to effectuate the change of beneficiary. Significant also was the fact that we had to recreate the last months of this cancer-stricken lady's life on the issue of competency. The case was resolved with the Plaintiff receiving nothing and the Defendant receiving the entire policy proceeds (he agreed to put a portion of the money in trust for the children). Also, it should be noted that a companion Interpleader action was filed by the Insurance Carrier.

20. List up to five civil appeals you have personally handled. Give the case name, the court, the date of decision, and the citation if the case was reported. If you are a candidate for an appellate court judgeship (please attach one copy of briefs filed by you in each matter).

(a) Shorb v. Shorb 372 S.C. 623 (Ct. App 2007)

I was the trial lawyer but associated another lawyer for the appeal. I was not shown as counsel but was copied with all correspondence from the Court of Appeals and I assisted counsel with the appeal. The case was novel on the issue of equitable division of Walmart stock options in a divorce. I represented the Wife who was awarded 55% of the Husband's stock options along with a monetary award concerning these options. The Wife prevailed on the amount of stock options awarded her by the trial court.

(b) South Carolina Department of Social Services vs, Defendants (Court of Appeals 2000-unpublished opinion)

I represented the father of a teenage daughter who accused him of sexual abuse. The significance of this case was the Court's defining "sexual abuse" to the facts of the case. We were successful in obtaining a reversal and remand in the case.

(c) Hellams v. Harnist 284 S.C. 256 (1985)

I represented the Defendants in this deed reformation case. I was successful in getting the Court to reverse the trial court's reformation of the subject deed. The case sets out good law with respect to deeds, mutual mistakes in deeds, and property descriptions. (Note: I

had only been out of law school four years when the appeal was decided).

(d) Bobby Tucker vs. Debra Wasson 90-759

This case was appealed by the mother in a visitation case. I represented the father. The issue being whether the father's previously ordered supervised visitation should be changed. The Lower Court ruled in favor of the father. The Court of Appeals affirmed. The case was significant for several reasons. During the time the case was tried, issues of visitation being supervised or unsupervised were fairly uncommon. Too, the Guardian ad Litem played a role in this case possibly somewhat differently than a Guardian ad Litem today.

(e) Flinn v. Crittenden, 287 S.C. 427 (1985)

I represented the Plaintiff in a nursing home liability suit against the Defendant nursing home. The Lower Court granted summary judgment in the Defendant's favor. The appellate court affirmed the ruling finding no liability. Justice Goolsby gave a strong dissent which is significant because it sets out a good review of nursing home liability

21. List up to five criminal appeals that you have personally handled. Give the case name, the court, the date of decision and the citation if the case was reported. If you are a candidate for an appellate court judgeship (please attach one copy of briefs filed by you in each matter). None

22. Have you ever held judicial office?

I have been the Associate Probate Judge for Laurens County since March of 1984 (25½ years) and appointed by the elected Probate Judge. Probate Courts in South Carolina have jurisdiction over Estates, Mental Commitments, Conservatorships and Guardianships. During my tenure on the bench, I have presided over numerous cases not only in Laurens County but across the State. I have had the honor and privilege of being appointed by the Supreme Court to preside over many cases in other counties for a variety of reasons. I have had the opportunity to preside over jury trials as well as non-jury cases during my tenure. Even though non-jury cases are the most prevalent in Probate Court, I would like to give some of the following examples of jury trials I have presided over (non-exclusive list). (Note: Probate jury trials are identical to Circuit Court jury trials in all respects. A jury trial in Probate Court is conducted either in conjunction with a term of Common Pleas Court in Circuit Court or a special Probate jury term is authorized by the Supreme Court. In either situation, a Circuit Court jury pool is utilized).

Examples:

(1) Barnett Estate-Anderson County: Six day jury trial with five lawyers and numerous lay and expert witnesses. Since this was the only case for

that week of Circuit Court, I did all the initial jury pool qualification before the jury pool was voir dired for the particular case.

- (2) Owings Estate-Laurens County: Four day jury trial with five lawyers and numerous lay and expert witnesses. The same is true in this case concerning jury pool qualification.
- (3) Lester Estate-Newberry County: Two day jury trial in September 2008. A special term of court was scheduled with a Circuit Court jury pool summoned and used. As in the above cases, I presided over all aspects of the trial including jury qualification, jury voir dire, pre-trial and post-trial matters.
- (4) Smith Estate-Laurens County: A several day jury trial is scheduled for a special term of Probate Court later in the 2009 year.
- (5) Fulmer Estate-Newberry County: A several day jury trial is scheduled for a special term of Probate Court in September 2009.

The point being to the above summary of jury trial Judicial experiences is that I exercised the same role as that of a Circuit Court Judge and did everything that is required of a Circuit Court Judge presiding over a civil jury trial. It should also be noted that the Probate Court handles a wide variety of civil issues. The rules of evidence are the same in Probate Court as in Circuit Court. The Probate Court follows the South Carolina Rules of Civil Procedure.

23. If the answer to question 22 is yes, describe or list five of your most significant orders or opinions and give the citations if they were reported. Also list citations to any appellate review of these orders or opinions.

- (a) Melvin Weathers v. Robert P. Bolt as Administrator of the Estate of Virginia B. Morris, 293 S.C. 486.

The Primary issue in this case was whether the Plaintiff had a common-law marriage with the decedent thus allowing him to inherit from the Estate. I ruled against the Plaintiff and my Order was appealed to Circuit Court and then to the Court of Appeals. Both appellate Courts affirmed my ruling.

- (b) Department of Health and Human Services vs. Moses L. Miller, Personal Representative of the Estate of Genobia Washington, 2005-UP-154

There were several issues in this case: 1. Jurisdiction of the DHHS claim; 2. The distinction between a Medicaid lien for nursing home services and a Medicaid lien for medical services provided as a result of an accident; 3. The right of the Court to sua sponte reopen the record. Both the Circuit Court and Court of Appeals affirmed my ruling.

- (c) In the Matter of Mildred Williams, 97-ES-30-035

An emergency action was filed by a banking institution seeking a Protective Order and seeking a declaration as to the competency of Ms. Williams with respect to a very substantial investment account held by the bank. Several hearings were held in the case. At one time eight lawyers were involved. Ms. Williams also filed an extraordinary Writ of

Prohibition in the S.C. Supreme Court (case number unknown) objecting to my jurisdiction over the case. This Writ action was ultimately dismissed. The merits of the case before my court were ultimately dismissed after the competency issue was resolved.

(d) In the Matter of Merrilee O. DeVinney, 01-GC-100/104

This case involved a very significant and somewhat novel issue related to the effect, if any, of a trust on a spouse's claim to an elective share in the Estate. My Order was appealed to the Court of Appeals.

(e) In the Matter of the Estate of Bobby Gene Barnett, 03-ES-04-174

This case is ongoing which involves a large Estate and a substantial controversy among the family members along with a companion case involving two bonding companies which had bonds in place when a prior Personal Representative was in office. There have been 15-20 separate hearings along with a six day jury trial on the issue of the validity of the Last Will and Testament.

24. Have you ever held public office other than judicial office?

Since I am appointed by the elected Probate Judge, I have been required to file an Annual Report with the State Ethics Commission and I have always been timely without penalty.

Several years ago, a disgruntled "litigant" (actually it was a non-lawyer who was trying to represent a party in a Probate Court case) sued me in my judicial capacity because I would not allow him to make an appearance in the case. The case was dismissed with prejudice in the Circuit Court. (Note: This person has had a history of filing lawsuits against judges and lawyers all without any success).
36. Are you now or have you ever been employed as a "lobbyist," as defined by S.C. Code § 2-17-10(13), or have you acted in the capacity of a "lobbyist's principal," as defined by S.C. Code § 2-17-10(14)? No

48. Provide any other information that may reflect positively or negatively on your candidacy, or which you believe should be disclosed in connection with consideration of you for nomination for the position you seek.
