Include information about cases you have handled in each of these practice areas, or if you have not practiced in an area, describe how your background has prepared you to preside over such matters as a Family Court Judge.

I have experience in handling divorces (physical cruelty, one year separation, and adultery defense), although my experience is primarily with physical cruelty divorces because of the legal services case acceptance policy. I have significant experience in handling custody and adoption cases. My custody cases involve

disputes involving biological parents and non biological parents but usually when there is an allegation of abuse and DSS is not involved or custody is needed to secure some benefit on behalf of the child. My experience with adoption cases is primarily with relative special needs adoptions. I have experience representing defendants in abuse and neglect cases but lately due to limited resources we refer many of those cases to court appointed attorneys unless we are already representing a party in a divorce or custody case. I do not have significant experience handling juvenile justice cases but I believe the vast amount of work that I do for students in school discipline cases has more than prepared me to learn what I do not know in that area.

15. What is your rating, if any, by any legal rating organization, such as, Best Lawyers, Chambers, Legal 500, Martindale-Hubbell, Who's Who Legal, Super Lawyers, etc.? If you are currently a member of the judiciary, list your last available rating, if any.

None. Not Applicable.

16. What was the frequency of your court appearances during the past five years?

- (a) federal: 5%;
(b) state: 95%.

17. What percentage of your practice involved civil, criminal, domestic, and other matters during the past five years?

- (a) civil: 20%;
(b) criminal: 0%;
(c) domestic: 80%;
(d) other: 0%.

18. What percentage of your practice in trial court during the past five years involved matters that went to a jury, including those that settled prior to trial?

- (a) jury: 0%;
(b) non-jury: 100%.

Did you most often serve as sole counsel, chief counsel, or associate counsel in these matters? Sole Counsel.

19. List five of the most significant litigated matters you have personally handled in either trial or appellate court or before a state or federal agency. Give citations if the cases were reported and describe why these matters were significant.

- (a) Jane Doe, A High School Student in Richland County School District Two and her Parent, Mary Doe, vs. Richland County School District Two. Case Number: 2006-CP-40-6545. This case was significant to me because I represented a student that was expelled from school and accused of committing sexual offenses without any evidence. The parent unsuccessfully appealed to the board after simply stating persuasive legal grounds but she needed legal services to appeal to the court system. We prevailed in circuit court but the school district appealed the decision to the court of appeals. This case is evidence that things do not always work themselves out and there are times that the indigent need civil legal services to secure basic opportunities.
- (b) Martha Sue Payne vs. Mary and Ray Patterson, William Scott McFadden. Case Number 2005-DR-23-3223. This case was significant because I successfully defended a change of custody action among relatives for children that were previously abused and neglected. I also represented the third party in the previous

contested abuse and neglect case. The court granted my motion an involuntary dismissal at the conclusion of the Plaintiff's case.

- (c) Martha Sue Payne vs. Mary Patterson. Case Number: 2006-DR-23-4112. This case was significant to me because I was unsuccessful in appealing a visitation contempt case. It is important for people to have access to the legal system but the legal system should not be involved in every family dispute.
 - (d) Linda Elliott vs. Melinda Elliott and George Sijon. Case Number: 1999-DR-23-5640. This case was significant to me because I successfully defended a biological mother with very little means in a custody case against the maternal grandmother had great resources and the Guardian ad Litem's recommendation.
 - (e) Darla Yates vs. Eddie Crooks. Case Number: 2005-DR-39-418. This case was significant to me because I represented a client in a visitation Rule to Show Cause. There was an allegation of a history of abuse in a prior case that prevented my client from being able to represent herself.
20. List up to five civil appeals you have personally handled. Give the case name, the court, the date of decision, and the citation if the case was reported.
- (a) Jane Doe, A High School Student in Richland County School District Two and her Parent, Mary Doe, vs. Richland County School District Two. Decided March 25, 2009. 382 S.C. 656; 677 S.E.2d 610;
 - (b) Unpublished Opinion. Martha Sue Payne vs. Mary Patterson. Decided April 26, 2010.
21. List up to five criminal appeals that you have personally handled. Give the case name, the court, the date of decision and the citation if the case was reported. None. Not Applicable.

24. Have you ever held public office other than judicial office?
No. I have not held public office.

Not Applicable.

I applied for Family Court Judge, At Large, Seat 4 in the Fall of 2012 and was found qualified but not nominated by the Judicial Merit Selection Commission.
27. Have you ever been engaged in any occupation, business, or profession other than the practice of law, teaching of law, or holding judicial or other public office?
- (a) I worked as a front desk clerk at the Embassy Suites in Greenville, SC. The time period was approximately February 1999 until November or December of 1999.
 - (b) I also taught a LSAT preparation courses at Clemson University for Kaplan Test Preparation from 2000-01.
28. Are you now an officer or director or involved in the management of any business enterprise? No.
29. A complete, current financial net worth statement was provided to the Commission.
30. Describe any financial arrangements or business relationships you have, or have had in the past, that could constitute or result in a possible conflict of interest in the position you seek. Explain how you would resolve any potential conflict of interest.
I am not aware of any financial arrangements or business relationships that could result in a possible conflict of interest.

31. Have you ever been arrested, charged, or held by federal, state, or other law enforcement authorities for violation or for suspicion of violation of any federal law or regulation, state law or regulation, or county or municipal law, regulation, or ordinance, or any other law, including another country's law? 32. Have you, to your knowledge, ever been under federal, state, or local investigation for possible violation of a criminal statute? No.
33. Has a tax lien or other collection procedure ever been instituted against you by federal, state, or local authorities? Have you ever defaulted on a student loan? Have you ever filed for bankruptcy?

I have not had a tax lien or other collection procedure by federal, state or local authorities. Over ten years ago, at the beginning of my career at legal services, I defaulted on a small student loan before my loans were consolidated. I secured additional employment. The loan was reinstated and years later it was consolidated with other student loans. I have never filed for bankruptcy.

I have always been covered by malpractice insurance with all of the attorneys at SC Legal Services.

38. Are you active on or a member of a social media or Internet site or have you, to your knowledge, been featured or depicted on a social media or Internet site, such as, Facebook, LinkedIn, Twitter, etc.?

I have Facebook and Twitter accounts. I do not participate in any communication that reflects negatively upon me or the legal profession. Also my privacy settings are monitored and I do not accept friend requests from clients. My Twitter account is used to share public information and some public outreach events for my law firm. I am aware of the additional restraints that need to be placed on the use of social media when serving in a judicial capacity to avoid the appearance of impropriety, the creation of conflicts of interest, to avoid political activity, and to maintain impartiality. I do not have a LinkedIn account and I am aware that if I were serving in a judicial capacity I would not be able to have a LinkedIn account. Also I would have to monitor friend requests to avoid conflicts of interests regarding members of the Bar and potential litigants.

39. Are you now or have you ever been employed as a "lobbyist," as defined by S.C. Code § 2-17-10(13), or have you acted in the capacity of a "lobbyist's principal," as defined by S.C. Code § 2-17-10(14)? No.
40. Since filing with the Commission your letter of intent to run for judicial office, have you accepted lodging, transportation, entertainment, food, meals, beverages, money, or any other thing of value as defined by S.C. Code § 2-17-10(1) from a lobbyist or lobbyist's principal? No.
41. S.C. Code § 8-13-700 provides, in part, that "[n]o public official, public member, or public employee may knowingly use his official office, membership, or employment to obtain an

economic interest for himself, a member of his immediate family, an individual with whom he is associated, or a business with which he is associated.”

I do not have any such knowledge.

I do not have any such knowledge.

43. Itemize (by amount, type, and date) all expenditures, other than those for travel and room and board, made by you, or on your behalf in furtherance of your candidacy for the position you seek.

I have not made expenditures in furtherance of my candidacy.

44. List the amount and recipient of all contributions made by you or on your behalf to members of the General Assembly since the announcement of your intent to seek election to a judgeship.

I have not made any campaign contributions nor am I aware of any made on my behalf to members of the General Assembly since the announcement of my intent to seek election to a judgeship.

45. Have you directly or indirectly requested the pledge of any member of the General Assembly as to your election for the position for which you are being screened? Have you received the assurance of any public official or public employee that they will seek the pledge of any member of the General Assembly as to your election for the position for which you are being screened?. No.

47. Have you or has anyone acting on your behalf solicited or collected funds to aid in the promotion of your candidacy? If so, please specify the amount, solicitor, donor, and date of the solicitation.

51. Provide any other information that may reflect positively or negatively on your candidacy, or which you believe should be disclosed in connection with consideration of you for nomination for the position you seek.

Family and school law have always been natural interests of mine. Family relationships and educational experiences play an important role in everyone's development. My formal education was driven by a curiosity and desire to learn more about those relationships and to help others with those relationships and experiences. I blindly pursued a legal career to help and to serve the public. This does not mean that I am more susceptible to bribery than others. It is evidence to the contrary. Values like sound character, integrity, honesty, fairness, respect, and a dedication to public service are my family's business and they shaped my life experiences well before I began expressing personal opinions.

As a child, my family attended Nazarene Baptist Church in Mullins, SC, and everyone in my family was actively involved in our church. For me a large part of learning to read and reading comprehension was reading aloud in Sunday School and answering questions. It was important to sound the words out correctly and know what you were talking about when you answered questions or your peers might laugh, at your expense. I quickly learned the difference between good and evil and right and wrong. Of course, growing up in a safe rural community with relatively stable families also helped.

A family courtroom was the first courtroom I observed when I was interested in going to law school. Judge Timothy Pogue allowed me to volunteer in his law firm because I wanted to go to law school but I did not know a lawyer. Judge Pogue had the juvenile defender contract and he was the Marion County DSS attorney so I learned a lot about family court before I went to law school.

I assisted with the administration of justice in family court when I volunteered to help complete Order of Protection paperwork while I was a college student at Winthrop. This experience gave me insight into part of the pro se process in family court.

When I was in law school I spent a lot of time in family court working for the Richland County Guardian ad Litem program. I became familiar with abuse and neglect and termination of parent rights cases as well as the role of the Guardian and litem in and outside of court. I observed judges, lawyers, and Guardian ad Litem in many abuse and neglect and termination of parental rights trials. There were several family court judges in Richland County so I got to observe different judges addressing issues in and weighing concerns in many cases.

The first day I walked into a courtroom to represent a client as a member of the Bar, I was in a family court courtroom in a DSS vulnerable adult case before Judge Robert

Jenkins. As a legal services attorney most of my courtroom experience has been overwhelmingly in family court.

At this point in my practice, many of my significant cases are confidential and closed matters to protect the identity of minor children but I achieved a lot in publicly reported cases. I have also had the privilege of consulting with many legal service attorneys in numerous cases, court appearances, and appellate work.

I believe my personal and professional experiences will continue to serve the public well if I am a successful candidate for Family Court.
