Re: Amendments to Supreme Court Application

Dear Mrs. Brogden,

I wish to amend my application as follows:

1. To question 13 of the Personal Data Questionnaire, I have applied for admission to the United States Supreme Court and should be admitted prior to or on December 14, 2015 when I am attending an admission ceremony in Washington.
2. To question 44 of the Personal Data Questionnaire and question 26 of the Sworn Statement, I have purchased a roll of stamps (\$48) and plain paper to use for my application. I have used some of the 500 personal note cards I ordered when I joined the court of appeals in 2002. I would estimate my expenditure has not exceeded \$85.00.

Thank you for your assistance.

Sincerely,

A handwritten signature in black ink, consisting of a large, stylized 'A' followed by a horizontal line that loops back to the right.
