Re: Requested Amendment to Personal Data Questionnaire

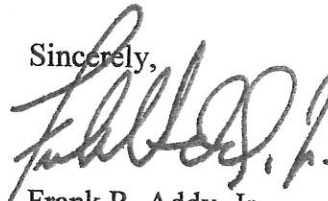

Dear Sir or Madam,

Please update page 3, question 10 of my PDQ relating to continuing legal educational seminars I have attended to reflect my attendance at the following CLE's subsequent to filing my PDQ dated August 4, 2015:

- (gg) SC Public Defender's Conference, 9/21/15
- (hh) SCDTAA Annual Conference, 11/6/15

Additionally, please update page 6, question 14 to reflect that I lectured at the September 21st Public Defender's Conference on the topic of Mental Health and also participated in a general panel discussion concerning circuit court criminal practice.

Thank you for your kind attention.

Sincerely,

Frank R. Addy, Jr.
