Subject: [EXTERNAL SENDER] Tripp Anderson- SC Supreme Court race

Yesterday, the Judicial Screening Committee voted out Tripp Anderson to the upcoming South Carolina Supreme Court race. The Committee also screened out Circuit Court Judges Diane Goodstein and George C. James.

The election is in early January and all three candidates can now seek commitments. It's time we administrative lawyers get behind Tripp by writing/calling your legislators!

I attach in this regard (1) my letter; (2) the list of Legislators (I will send updated list next week); and (3) Tripp's personal data questionnaire, which may help you in writing a letter.

Timing is critical! If you want to help Tripp, now is the time to start calling and writing!!!

I will nag you unmercifully in the coming weeks so please let me know if you can't get involved and I will take you off my administrative law lawyers list
