

JUDICIAL MERIT SELECTION COMMISSION

ADDENDUM TO PDQ

CANDIDATE: George M. McFaddin, Jr.

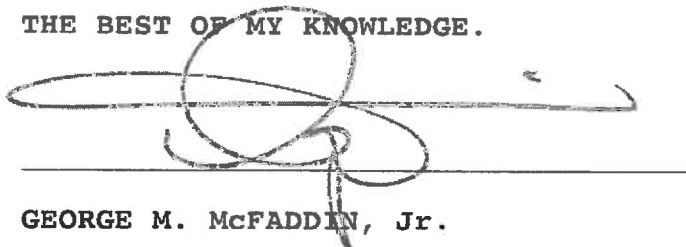

POSITION/SEAT: CIRCUIT COURT, AT-LARGE, SEAT 1

I have been asked to amend/answer questions 19 of the PDQ section or portion of the application. I clearly answered incorrectly out of confusion and perhaps haste. My error was not intentional or deliberate. I offer the responses below:

PDQ Question 19: WHAT PERCENTAGE OF YOUR PRACTICE IN TRIAL COURT DURING THE FIVE YEARS PRIOR TO YOUR ELECTION TO THE BENCH INVOLVED MATTERS THAT WENT TO A JURY, INCLUDING THOSE THAT SETTLED PRIOR TO TRIAL?"

My original recent answer was "civil and civil-25%. Of course, this was incorrect. The correct answer should be "Civil and criminal-25." I wish to add that I last practiced law in 1998 and to my recollection that would be a reasonably accurate answer. I regret my oversight.

I HEREBY CERTIFY THAT MY ANSWER ABOVE IS TRUE AND COMPLETE TO THE BEST OF MY KNOWLEDGE.

November 27, 2016

GEORGE M. McFADDIN, Jr.

In the early 1990s I taught torts, family law and trusts and estates at Central Carolina Technical College in the paralegal program. It was part-time work.
12. List all published books and articles you have written and give citations and the dates of publication for each.
I have not published any books or articles.
13. List all courts in which you have been admitted to practice and list the dates of your admission. Give the same information for administrative bodies that require a special admission to practice.
South Carolina, 21 November 1985.
US Federal District Court, 1993.

14. Describe chronologically your legal experience since graduation from law school and include a list of all law firms with which you have been associated. Describe the general character of your practice and divide it into periods with dates if its character has changed over the years.
- (a) After law school in 1985 I worked as a law clerk to the Honorable Rodney A. Peeples until July 1986. My job included docket management, research, writing orders, office work to include answering the telephone, setting hearings, and anything else I was told to do.
 - (b) I worked at the Bryan, Bahnmuller, King, Goldman and McElveen law firm in Sumter from July 1986 until June 1987. I was an associate and assisted with trial preparation, research, client intake, docket meetings, and anything else I was told to do.
 - (c) From June 1987 until May 1988 I worked as an associate with the Law Firm of John E. Miles. There I did the same as noted above in (b).
 - (d) From May 1988 until August 1990 I was an associate at the firm of Atkinson and Davis. My duties were the same as noted above in (b) and (c).
 - (e) From August 1990 until I became a full-time magistrate in 1998 I was a sole practitioner. I handled lots of family law cases. I served as the juvenile court public defender. For a short time, I was a public defender in the Court of General Sessions. I had a small personal injury practice. I also served for two years as the county prosecutor in Magistrate Court. After I left this practice to become a full-time magistrate, I never practiced law again. In 2002 I began my Family Court judgeship.
15. Please answer the following (if you are a judge and are not seeking a different type of judgeship, this question is inapplicable):
- (a) If you are a candidate for Family Court, please provide a brief written description of your experience within each of the following Family Court practice areas: divorce and equitable division of property, child custody, adoption, abuse and neglect, and juvenile justice. Include information about cases you have handled in each of these practice areas, or if you have not practiced in an area, describe how your background has prepared you to preside over such matters as a Family Court Judge.
 - (b) If you are a candidate for Circuit Court, please provide a brief written description of your experience in criminal matters, including any cases handled over the past five years and include a brief description of the issues involved. Further, please provide a brief written description of your experience in civil matters, including any cases handled over the past five years and include a brief description of the types of matters handled, issues involved, and procedural history. Please include information such as the primary areas in civil court in which you practice, whether you represent plaintiffs or defendants, or both. You may go back further than five years if you feel it would assist the Commission with its assessment of your experience. If you lack experience in an area, describe how your background has prepared you to preside over such matters as a Circuit Court Judge, or how you would compensate for your lack of experience in this area.
- Regarding criminal law and trial experience, as a Family Court judge I have presided over a lot of juvenile criminal trials, perhaps as many as 50 or more since 2002. Some have included Jackson v. Denno hearings. All have included evidentiary issues. Pre-trial matters have been included and relevant motions. I have presided over at least 6 waiver hearings involving usually homicides. As a magistrate from

1998 to 2002, I presided over a lot of magistrate level criminal trials. And, before becoming a magistrate, I served as a General Sessions public defender for a year and as the county juvenile public defender for four years.

As to civil matters, as a magistrate for four years, I presided over a number of civil trials, mostly automobile accident trials. Before becoming a magistrate in 1998, I practiced law and handled civil action and tried probably 10 to 12 trial to a verdict.

- (c) If you are a candidate for Master-In-Equity, please provide a brief written description of your experience in the Master's court, including any cases handled over the past five years and include a brief description of the issues involved. Please include the frequency of your appearances before a Master-In-Equity.
- (d) If you are a candidate for Administrative Law Judge, please provide a brief written description of your experience before an Administrative Law Judge, including any issues discussed and the frequency of your appearances before the Administrative Law Judge Court.

I am not aware of any rating. I have not practiced law since July 1998.

*** Retired justices/judges and justices/judges applying for re-election to their current position may omit Questions 17-22. If a candidate is seeking a judgeship different than his or her current position, Questions 17-22 should be answered based on experience prior to serving on the bench.**

- (a) federal: None.
 - (b) state: Almost weekly from 1990 to 1998.
18. What percentage of your practice involved civil, criminal, domestic, and other matters during the five years prior to your election to the bench?
- (a) civil: 20
 - (b) criminal: 25
 - (c) domestic: 50
 - (d) other: 5
19. What percentage of your practice in trial court during the five years prior to your election to the bench involved matters that went to a jury, including those that settled prior to trial?
- (a) jury: civil and civil cases – 25%
 - (b) non-jury: Family Court cases – 50%
- Did you most often serve as sole counsel, chief counsel, or associate counsel in these matters?
Sole counsel.

20. List five of the most significant litigated matters you have personally handled in either trial or appellate court or before a state or federal agency, prior to your election to the bench. Give citations if the cases were reported and describe why these matters were significant.

(a) I simply cannot recall the civil and criminal trials I was involved in from 1990 to 1998 with specificity. I tried several General Sessions trials including murder, involuntary manslaughter, criminal sexual conduct, and burglary. There were no novel issues.

On the civil side, I tried at least a dozen cases to a jury. All were auto wreck cases but one was a fraud case. None were significant.

- (b)
- (c)
- (d)
- (e)

21. List up to five civil appeals you have personally handled, prior to your election to the bench. Give the case name, the court, the date of decision, and the citation if the case was reported.

(a) None.

- (b)
- (c)
- (d)
- (e)

22. List up to five criminal appeals that you have personally handled, prior to your election to the bench. Give the case name, the court, the date of decision and the citation if the case was reported.

(a) State v. Boys, 302 S.C. 545, 397 S.E. 2d 529 (1990)

- (b)
- (c)
- (d)
- (e)

23. Have you ever held judicial office? If so, list the periods of your service, the courts involved, and whether you were elected or appointed. Describe the jurisdiction of each of the courts and note any limitations on the jurisdiction of each court.

(a) Magistrate, August 1998 to July 2002. General jurisdiction magistrate/summary court work to include civil, landlord and tenant, criminal and traffic cases.

(b) Family Court, July 2002 to present. Cases include divorces with all related issues, adoptions, child support enforcement, abuse and neglect child protection cases, vulnerable adult actions, and juvenile criminal cases.

24. If the answer to question 23 is yes, describe or list five of your most significant orders or opinions and give the citations if they were reported. Also list citations to any appellate review of these orders or opinions.

In all of the following I issued long written rulings instead of rulings from the bench. The rulings were in memorandum form and the lawyers incorporated into the formal orders the

rulings. The following were opinions from the appellate courts.

- (a) Ragsdale v. Ragsdale, an unpublished opinion was issued under 2008-UP-291, Ct. App. in 2008. In this case, the central issue was the determination of whether certain improvements to the real estate were personal or real property. I determined the property was real property due to the non-removable nature of the property. The ruling was affirmed.
- (b) Lewis v. Lewis, 392 SC 381, 709 SE2d 650 (2011). In this case, the Court of Appeals reversed my ruling relating to the valuation of property, an antebellum house. The Supreme Court, on appeal from the Court of Appeals, reversed the Court of Appeals and reiterated that the family court judge has broad discretion when valuing property and that the family court gave proper weight and credibility to the valuation offered by an expert in the area of such property. This case is cited many times in Family Court opinions since 2011. (The case caption notes that Judge R. Wright Turbeville was involved. He was but only with regard to the temporary order, not my final ruling.)
- (c) Keefer v. Keefer, 294 SC 329, 716 SE2d 379 (Ct. App. 2011). In this case, the issue revolved around the interpretation of the parties' written agreement as it related to post-marriage retirement-related benefits. I ruled that the agreement was unambiguous and that the agreement did not include the benefits. The Court of Appeals affirmed noting that agreements are to be given the plain meaning of the agreement.
- (d) Argabright v. Argabright, 398 SC 176, 727 SE2d 748 (2012). Here the central issue was whether the Family Court should allow the mother's boyfriend, a registered sex offender, to be in the presence of mother's teenaged daughter. Mother wants the prior restraint lifted. I denied the request finding that mother, even as the child's parent could not ignore the prior restraint. The Supreme Court agreed and affirmed.
- (e) Crossland v. Crossland, 408 SC 443, 759 SE2d 419 (2014). In this case, I issued an order equally dividing the marital assets based upon the conduct of the husband, to a degree, along with the other property division factors. I also noted the years of contributions of the wife to the property. The Court of Appeals reversed most of my rulings but the Supreme Court reversed that court and reinstated my rulings.

25. Have you ever held public office other than judicial office? If so, list the periods of your service, the office or offices involved, and whether you were elected or appointed. Also, state whether or not you have timely filed your report with the State Ethics Commission during the period you held public office. If not, were you ever subject to a penalty? If so, give details, including dates.

I have not held any office other than a judgeship. In my prior three judicial elections if I had to file the forms I did. I am not aware of not doing so.

26. List all employment you had while serving as a judge (whether full-time or part-time, contractual or at will, consulting or otherwise) other than elected judicial office. Specify your dates of employment, employer, major job responsibilities, and supervisor.

I have had no employment other than as a judge. I did serve as a volunteer firefighter until July 2003 but the compensation was a per-call flat payment used to defray personal costs such as gasoline, clothing, etc.

27. Have you ever been an unsuccessful candidate for elective, judicial, or other public office? If so, give details, including dates.
No.

28. Have you ever been engaged in any occupation, business, or profession other than the practice of law, teaching of law, or holding judicial or other public office? If so, give details, including a description of your occupation, business, or profession, the dates of your employment, and the name of your business or employer.

From the age of 12 I have worked. From the age of 12 through my college graduation in 1978 I had these part-time or seasonal jobs: farm laborer, golf course laborer, funeral home assistant, EMS worker, firefighter, janitor, part-time teacher for paralegals, retail store clerk, car washer, and page at the State House. Upon graduation from college, I worked full-time the summer of 1978 as a firefighter. During graduate school I worked part-time at the State House as a page. After graduate school, I worked for the SC Judicial Department in the Court Administration division and the Finance and Personnel division. In the fall of 1982, I resumed work at the State House and worked as an assistant and later as chief page in the SC House of Representatives.

After law school, I was a law clerk to the Honorable Rodney A. Peebles for one year before returning to Sumter, SC to start my legal career.

29. Are you now an officer or director or involved in the management of any business enterprise? Explain the nature of the business, your duties, and the term of your service.
No.

30. Provide, as a separate attachment, a complete, current financial net worth statement that itemizes in detail:

- (a) the identity and value of all financial assets held, directly or indirectly, including, but not limited to, bank accounts, real estate, securities, trusts, investments, and other financial holdings; and
- (b) the identity and amount of each liability owed, directly or indirectly, which is in excess of \$1,000, including, but not limited to, debts, mortgages, loans, and other financial obligations.

(Your response to this question may state "see attached").

(A net worth statement is provided with this questionnaire and you must use this format for submission of your financial statement.)

Please see the attached information.

NOTE: The Commission may require written confirmation that financial obligations have been satisfied or that the parties have agreed upon a payment schedule.

31. Describe any financial arrangements or business relationships you have, or have had in the past, that could constitute or result in a possible conflict of interest in the position you seek. Explain how you would resolve any potential conflict of interest.
None. If, however, a conflict existed, I would recuse myself from the matter.

32. Have you ever been arrested, charged, or held by federal, state, or other law enforcement authorities for violation or for suspicion of violation of any federal law or regulation, state law or regulation, or county or municipal law, regulation, or ordinance, or any other law, including another country's law? If so, give details but do not include traffic violations for which a fine of \$125 or less was imposed.
No.
33. Have you, to your knowledge, ever been under federal, state, or local investigation for possible violation of a criminal statute? If yes, explain.
No.
34. Has a tax lien or other collection procedure ever been instituted against you by federal, state, or local authorities? Have you ever defaulted on a student loan? Have you ever filed for bankruptcy? If so, give details.
Tax liens: There was a tax lien filed against me in 1998 or 1999 as a result of underpayment of state income tax. As I stated when I ran for judicial office first in 2001, I was not aware of the lien. I immediately paid the amount due to clear the lien. I was questioned about this by the commission in 2001.
Student loan defaults: No defaults. I paid all of my loans ahead of time.
Bankruptcy: I have never filed for bankruptcy.
35. Have you ever been sued, either personally or professionally, that is, have you ever been named as defendant or respondent in any court of law? If so, give details, including, but not limited to, dates and resolution.
As a judge I was sued in state court by a disgruntled litigant who was apparently a member of the Sovereign Citizens who denounce all government to include court jurisdiction. It was filed under case number 2006-CP-43-1754. He was angry because at his divorce hearing, I divided the marital estate evenly. He felt this was unfair stating his wife was not entitled to that. The case was removed to US Federal Court where Judge Matthew Perry dismissed it. Attorney Mark W. Buyck, Jr., of Florence, SC represented me.
36. Have you ever, in South Carolina or any other jurisdiction, as a lawyer, judge, or other professional, been sanctioned or disciplined for lawyer, judicial, or other professional misconduct or has any jurisdiction found that you committed any misconduct? If so, give the details and describe any final disposition.
[Yes and no responses are redacted for all candidates unless there is a public discipline.]
37. Have you ever been investigated by the Department of Social Services? If so, give the details and the resolution. Has your name ever been enrolled on the Central Registry of Child Abuse and Neglect? If so, give the details.
No.
38. If you are in private practice, are you covered by malpractice insurance and, if so, how long have you carried malpractice insurance? If applicable, have you ever been covered

by a tail policy? If so, please explain when you were covered by a tail policy. Also, if applicable, indicate your coverage and deductible for your current malpractice policy.

I have not been in private practice since 1998 when I was covered by a malpractice policy. I do not recall having a tail policy. I have never been sued or had a malpractice claim filed against me stemming from my law practice that ended in July 1998.

39. Are you active on or a member of a social media or Internet site or have you, to your knowledge, been featured or depicted on a social media or Internet site, such as, Facebook, LinkedIn, Twitter, etc.? If so, how would your use of social media or other similar types of Internet sites be affected if you were serving in a judicial capacity?

I was active on Facebook from early July 2010 until I deactivated in 2013. I never "friended" any lawyers or persons who might come before me in court. If that happened I did not remain on the case. I joined LinkedIn and rarely, if ever, view it or reply to any invitations.

40. Are you now or have you ever been employed as a "lobbyist," as defined by S.C. Code § 2-17-10(13), or have you acted in the capacity of a "lobbyist's principal," as defined by S.C. Code § 2-17-10(14)? If so, give the dates of your employment or activity in such capacity and specify by whom you were directed or employed.

I have never been employed as a lobbyist.

41. Since filing with the Commission your letter of intent to run for judicial office, have you accepted lodging, transportation, entertainment, food, meals, beverages, money, or any other thing of value as defined by S.C. Code § 2-17-10(1) from a lobbyist or lobbyist's principal? If so, please specify the item or items you received, the date of receipt, and the lobbyist or lobbyist's principal involved.

I have not.

42. S.C. Code § 8-13-700 provides, in part, that "[n]o public official, public member, or public employee may knowingly use his official office, membership, or employment to obtain an economic interest for himself, a member of his immediate family, an individual with whom he is associated, or a business with which he is associated." Please detail any knowledge you have of any formal charges or informal allegations against you or any other candidate for violations of these provisions. Include the disposition, if any, of such charges or allegations.

I am not aware of any charges or allegations.

43. S.C. Code § 8-13-765 provides, in part, that "[n]o person may use government personnel, equipment, materials, or an office building in an election campaign." Please detail any knowledge you have of any formal charges or informal allegations against you or any other candidate for violations of these provisions. Include the disposition, if any, of such charges or allegations.

I am not aware of any charges or allegations.

44. Itemize (by amount, type, and date) all expenditures, other than those for travel and room and board, made by you, or on your behalf in furtherance of your candidacy for the position you seek. If you have spent over \$100, have you reported your expenditures to the House and Senate Ethics Committees?
As of 27 July 2016 there are no expenditures.
45. List the amount and recipient of all contributions made by you or on your behalf to members of the General Assembly since the announcement of your intent to seek election to a judgeship.
None.
46. Have you directly or indirectly requested the pledge of any member of the General Assembly as to your election for the position for which you are being screened or have you been offered a conditional pledge of support by any legislator pending the outcome of your screening? Have you received the assurance of any public official or public employee that they will seek the pledge of any member of the General Assembly as to your election for the position for which you are being screened? If so, give details.
Note: The flash drive with your application materials contains (1) Section 2-19-70(c); (2) JMSC Rule 24, and (3) informal opinions and letters concerning pledging prohibitions, with which third parties acting on your behalf, as well as you, must comply.
No, absolutely not.
47. Have you requested any third parties to contact members of the General Assembly on your behalf before the final and formal screening report has been released? If so, give details. Are you aware of any third parties contacting members of the General Assembly on your behalf? If so, give details.
No.
48. Are you familiar with the 48-hour rule, which prohibits a candidate from seeking pledges until after the draft report becomes final, which occurs on the day and time specified on the Commission's published screening schedule?
Yes.
49. Have you or has anyone acting on your behalf solicited or collected funds to aid in the promotion of your candidacy? If so, please specify the amount, solicitor, donor, and date of the solicitation.
No.
50. Since submitting your letter of intent to become a candidate, have you or has anyone acting on your behalf contacted any member of the Judicial Merit Selection Commission about your candidacy or intention to become a candidate? If so, give details.
No.
51. List all bar associations and professional organizations of which you are a member and give the titles and dates of any offices you have held in such groups.

(a) Sumter County Bar (member only 1986 to 1998)

(b) SC Bar (member only since 1985)

No other organizations.

52. List all civic, charitable, educational, social, and fraternal organizations of which you are or have been a member during the past five years and include any offices held in such a group, any professional honors, awards, or other forms of recognition received and not listed elsewhere.

I have not been a member of any such organizations.

53. Provide any other information that may reflect positively or negatively on your candidacy, or which you believe should be disclosed in connection with consideration of you for nomination for the position you seek. This information may include how your life experiences have affected or influenced the kind or type of judge you have been or plan to be.

I came to this job in 2002 drenched in humility and I strive to remain in that same condition. I know where I came from in life. I am the product of a blue-collar family. I am not perfect. My life is riddled with errors and mistakes. I try to learn from my mistakes. I am thankful to have a good job and I try to earn it each day. I realize that my rulings, even the single rulings, will affect lives, sometimes forever. I often agonize over rulings, especially so when children are involved. I have been "down and out" financially and I have had serious health problems (back and shoulder surgeries). These episodes keep me grounded and, I hope, in touch with those who appear before me.

Also, twice a year since the start of 2008, I have been holding Adoption Days twice yearly. Doing so allows foster care children eligible for adoption to be adopted on an expedited basis. At the end of 2015 approximately 400 foster care children will have been adopted at these Adoption Day events. I hold these days on non-court or on my vacation days.

54. List the names, addresses, and telephone numbers of five (5) persons, including your banker, from whom you are providing references. Also, provide the Commission with original letters of recommendation from each person listed herein, including their signature (preferably in blue ink). The Commission will not accept a photocopy or electronic submission of a letter of recommendation and failure to include all five (5) original letters of recommendation in your packet when you submit it will render your packet incomplete. Please do not have references mail your reference letters to the Commission directly. *You must return the five (5) original letters of recommendation to the Commission with your application packet.*

(b) Martha Greenway, 210 Serenity Circle, Mayesville, SC 29104. (803) 495-2186

(e) Walter S. Wilson, Jr., PO Box 2395, Sumter, SC 29150. (803) 773-1838

55. Describe any interest you or a member of your immediate family has in real property:

- (a) in which there is a potential conflict of interest with your involvement in a South Carolina state or local public agency;
