- (a) **Judicial Law Clerk for the Honorable James E. Brogdon, Jr.**
During the year that I clerked for Judge Brogdon, he was Chief Administrative Judge in both the Twelfth Judicial Circuit and the Third Judicial Circuit. I was able to research many issues involving both General Sessions and Common Pleas. I was able to see many trials from each branch. Also, Judge Brogdon was assigned two complex litigation civil cases while I clerked for him and that provided valuable experience in dealing with pre-trial matters such as discovery issues and summary judgment motions.
 - (b) **Assistant Solicitor Sixteenth Judicial Circuit**
I prosecuted a variety of criminal cases for just under three years. I handled both felony and misdemeanor cases. Began trying cases early on and served as lead attorney from the start.
 - (c) **Assistant Public Defender Sixteenth Judicial Circuit, York County**
I began my career as a criminal defense lawyer in June of 2002. I worked in that office for a little more than four years. In that job I represented criminal defendants charged with all manner of offenses from misdemeanors to murder cases. I served as lead counsel in many cases and I also helped other lawyers with their cases when necessary. During my time in the Sixteenth Judicial Circuit Public defender Office, we were fortunate to have many experienced attorneys to work with and gain experience from.
 - (d) **Assistant Public Defender Twelfth Judicial Circuit, Florence County**
My job responsibilities were the same in the Twelfth Judicial Circuit as they had been in the Sixteenth Judicial Circuit.
 - (e) **Assistant Public Defender Twelfth Judicial Circuit, Florence & Marion County**
In the fall of 2011 my responsibilities expanded to where I worked as a public defender in both counties of the Twelfth Judicial Circuit. That meant more cases, more trials and more time in court in general. It was at that time that was appointed lead counsel on a death penalty case.
 - (f) **Deputy Public Defender for the Twelfth Judicial Circuit**
In August of 2014 I was promoted to Deputy Public Defender for the Twelfth Judicial Circuit. I still have the same kind of case load but have also taken on some administrative duties and working with and advising younger attorneys in our office.
15. Please answer the following (if you are a judge and are not seeking a different type of judgeship, this question is inapplicable):
- (a) If you are a candidate for Family Court, please provide a brief written description of your experience within each of the following Family Court practice areas: divorce and equitable division of property, child custody, adoption, abuse and neglect, and juvenile justice. Include information about cases you have handled in each of these practice areas, or if you have not practiced in an area, describe how your background has prepared you to preside over such matters as a Family Court Judge.

- (b) If you are a candidate for Circuit Court, please provide a brief written description of your experience in criminal matters, including any cases handled over the past five years and include a brief description of the issues involved. Further, please provide a brief written description of your experience in civil matters, including any cases handled over the past five years and include a brief description of the types of matters handled, issues involved, and procedural history. Please include information such as the primary areas in civil court in which you practice, whether you represent plaintiffs or defendants, or both. You may go back further than five years if you feel it would assist the Commission with its assessment of your experience. If you lack experience in an area, describe how your background has prepared you to preside over such matters as a Circuit Court Judge, or how you would compensate for your lack of experience in this area.

I have been practicing criminal law in General Sessions Court since August of 1999. I was a prosecutor in the Sixteenth Judicial Circuit for a little under three years and during that time I prosecuted individuals charged with non-drug related criminal offenses that carried a penalty of up to fifteen years in prison. In August of 1999 I began work as an Assistant Public Defender in York County. As an Assistant Public Defender I represent indigent defendants charged with anything from lower level misdemeanors all the way up to armed robbery, burglary first degree and murder. In 2006, I was given an opportunity to come back home and work in the Twelfth Judicial Circuit. I accepted a position in the Florence County Public Defender's. IN 2011 I expanded my responsibilities by also serving as a public defender for Marion County and I have served both Florence and Marion Counties in that capacity since that time. I have continued defending indigent defendants charged with all types of offenses, however; I have a much larger concentration of A, B, and C felonies at this point. I have defended people in cases involving all levels of criminal activity including major drug trafficking, criminal sexual conduct and murder.

My civil experience from a practical standpoint has been through my involvement in post-conviction relief matters. As a criminal defense lawyer in a public defender's office I have been involved in a number of those hearings in the past five years. Also, as a trial attorney I am very familiar with the rules of evidence which are applicable to both branches of Circuit Court. Other than that I have taken two viewed two CLE's, one on E-Discovery and the other being the 2016 Tort Law Update. I have also viewed a civil trial from start to finish and have worked hard studying the Rules of Civil Procedure. I have also served as Co-Dean of the law school at Palmetto Boys State for the past fifteen years where the instruction includes civil court matters.

- (c) If you are a candidate for Master-In-Equity, please provide a brief written description of your experience in the Master's court, including any cases handled over the past five years and include a brief description of the issues involved. Please include the frequency of your appearances before a Master-In-Equity.
- (d) If you are a candidate for Administrative Law Judge, please provide a brief written description of your experience before an Administrative Law Judge, including any

issues discussed and the frequency of your appearances before the Administrative Law Judge Court.

16. What is your rating, if any, by any legal rating organization, such as, Best Lawyers, Chambers, Legal 500, Martindale-Hubbell, Who's Who Legal, Super Lawyers, etc.? If you are currently a member of the judiciary, list your last available rating, if any. I have not been rated by any of these organizations.

*** Retired justices/judges and justices/judges applying for re-election to their current position may omit Questions 17-22. If a candidate is seeking a judgeship different than his or her current position, Questions 17-22 should be answered based on experience prior to serving on the bench.**

17. What was the frequency of your court appearances during the five years prior to your election to the bench?
- (a) federal: I have not appeared in Federal Court any in the past five years.
 - (b) state: Every term of General Session Court for the Twelfth Judicial Circuit
18. What percentage of your practice involved civil, criminal, domestic, and other matters during the five years prior to your election to the bench?
- (a) civil: 0%
 - (b) criminal: 100%
 - (c) domestic: 0%
 - (d) other: 0%
19. What percentage of your practice in trial court during the five years prior to your election to the bench involved matters that went to a jury, including those that settled prior to trial?
- (a) jury: 10%
 - (b) non-jury: 90%
- Did you most often serve as sole counsel, chief counsel, or associate counsel in these matters? Sole counsel.
20. List five of the most significant litigated matters you have personally handled in either trial or appellate court or before a state or federal agency, prior to your election to the bench. Give citations if the cases were reported and describe why these matters were significant.
- (a) State v. Syllester D. Taylor (736 S.E. 2d 663, 2013): I handled this case at the trial level. It was trial in absence where I preserved all motions and eventually the conviction was reversed by the Court of Appeals. (694 S.E. 2d 60, 2010) The Supreme Court subsequently reversed the court of appeals in the above referenced site. However, even though Mr. Taylor eventually lost his appeal in the Supreme Court by a 3-2 decision, this case is an example of our legal system at work and even though Mr. Taylor was absent from his trial he was represented effectively and was not denied any opportunity or due process of law in spite of his absence.
- (b) State v. Tavario Brunson: This was a very high profile case in Florence County that I tried along with another attorney. The evidence against Mr. Brunson was quite overwhelming to include a recorded confession and a positive DNA match. Mr. Brunson

was convicted of murder and that result was never really in question. I believe this is an important case because it is an example of our Constitution at work. Mr. Brunson exercised his right to a Jury trial and even though the evidence was overwhelming he was provided an excellent defense and to this day I believe it is one of the most well tried cases that I have had the opportunity to be involved.

(c) State v. Montez Barker : This is a death penalty case in which I was appointed lead counsel. It is important by the nature of the offense and the fact that a man's life was literally on the line. Death Penalty cases take an extreme amount of work and dedication. You are working as a team with another attorney that has been appointed as second chair as well as fact and mitigation investigators not to mention my client's family was heavily involved as well. We were able to work hard and in the end were able to spare Mr. Barker's life by negotiating a plea for him where he would not face the death penalty. It takes a lot of work and relationship building to get a capital client to trust you enough to eventually agree that pleading guilty where you will be receiving a life sentence is in his best interest. That is what happened in this case and it is one of the most satisfying results I have ever had in a case.

(d) State v. Ralph Thompson: This was a case in York County where Mr. Thompson was charged with several counts of forgery. It was a case where Mr. Thompson gave a statement to police regarding where he had gotten the check. It was the kind of story that on its face sounded made up and that is exactly what the police and prosecutors believed he was doing. However, through my investigation of Mr. Thompson's story and the presentation we made at trial, it became very clear that Mr. Thompson had been telling the truth and the jury returned a not guilty verdict within ten minutes. It is important because it just shows that sometimes when people can't seem to get anyone to believe you, if you stick to the truth things can work out and justice can be served.

(e) State v. Calvin Jermaine Pompey Unpublished Opinion Number 2015-UP-280:

This was a case where Mr. Pompey was charged with murder in a shooting outside of a night club in Marion, SC. There had been an altercation inside the club and Mr. Pompey and the people he came with left and went to their car. An individual from the club who was involved in the altercation ran towards Mr. Pompey's vehicle and appeared to be reaching under his shirt giving the appearance of reaching for a weapon. Mr. Pompey was sitting in the passenger seat but had not had the opportunity to close the door. The deceased began entering the car to attack Mr. Pompey. Mr. Pompey got a handgun out of the glove compartment of the car and fired one shot, killing the individual. I made a motion to dismiss based under the Protection of Persons and Property Act. A hearing was held before The Honorable D. Craig Brown and Judge Brown found that Mr. Pompey was justified in his actions and that the state was barred from prosecuting him pursuant to the act. The state appealed and the Court of Appeals upheld Judge Brown's ruling in the above referenced unpublished opinion.

No.
35. Have you ever been sued, either personally or professionally, that is, have you ever been named as defendant or respondent in any court of law? If so, give details, including, but not limited to, dates and resolution.
Yes.
I was sued by a former client in Federal Court sometime prior to September 3, 2010. The case number was 1:10-cv-01890 JMC. On September 3, 2010 a Federal Magistrate issued a report recommending that the case be dismissed without prejudice and without service of process. The client's name is McIver Feagin, Jr. Because I was never served with process in the case prior to it being dismissed, I was unaware of the suit until the fall of 2012 when I had previously gone through the screening process for a Circuit Court Judgeship. When I was made aware of the suit in 2012, I had an opportunity to review the order from United States District Judge Michelle Childs. In that order, Judge Childs followed the magistrate's recommendation and dismissed the complaint without prejudice and without service of process. That order was signed on December 10, 2010. I do not know what the allegations contained in the complaint were as I have never had the opportunity to review that document and the case was disposed of without me ever having knowledge of or any involvement in the proceedings.
