13. Describe your personal policy for the acceptance of food, meals, beverages, lodging, transportation, entertainment, social hospitality, or other things of value from an attorney, a group of attorneys, or from other individuals.

I do not accept food, meals, lodging, etc., from individual attorneys or from law firms. Whenever I should happen to dine with an attorney, I make sure to pay for that meal.

Pertaining to social hospitality, there have been occasions, usually surrounding playing golf, where at a particular Country Club if I was playing with an attorney, a sandwich may have been eaten before or during the golf round where money is not accepted at the Country Club but tickets are required to be signed. On those occasions, I have attempted to determine the amount of the food and reimburse the attorney.

Concerning lodging, meals and hospitality by a group of attorneys, I have accepted invitations when the entire judiciary has been invited. As an example, the South Carolina Bar Association normally invites the entire judiciary to their Annual Convention and waives the registration fee. I normally attend the South Carolina Bar Convention. Additionally, the South Carolina Association for Justice annually invites the entire judiciary to its convention and normally waives the registration fee and covers two to three nights of hotel reservations and a banquet. When possible, I normally attend that Convention.

When I realize that I am not being singled out individually and the entire judiciary is being treated alike, not by an individual attorney or a law firm but an entire association, I do not believe that the Canons of Judicial Ethics are being violated.

14. Have you ever accepted anything of value from an attorney or litigant in a matter currently or previously before you or your court? If so, please give the details, including the name of the attorney or litigant and the thing of value you received.

My brother-in-law and former law partner, E.S. Swearingen, used to practice law in Florence. I have accepted gifts from him; however, under the Canons of Judicial Ethics, no cases with which he was involved were ever assigned before me.

Concerning litigants, I am not aware of receiving anything from a litigant.

15. Describe any interest you or a member of your immediate family has in real property:
- (a) in which there is a potential conflict of interest with your involvement in a South Carolina state or local public agency;
  - (b) in which there have been public improvements of \$200 or that adjoins property in which there have been public improvements of \$200; or
  - (c) which was sold, leased, or rented to a state or local public agency in South Carolina.

List the interest you hold and the value and location of the property. Identify as applicable the:

- (a) nature of any potential conflict of interest;
- (b) nature and value of any public improvements; and
- (c) South Carolina state or local public agency which purchased or is leasing or renting such property.

Attach a copy of any contract or agreement.

None.

16. Identify any personal property interest you or a member of your immediate family sold, leased, or rented to a South Carolina state or local public agency. Identify the property, its amount or value, and the name of the agency. Attach a copy of any contract or agreement.

None.

17. Since your last screening, have you been arrested, charged, or held by federal, state, or other law enforcement authorities for violation or for suspicion of violation of any federal law or regulation, state law or regulation or county or municipal law, regulation or ordinance, or any other law, including another country's law? If so, give details but do not include traffic violations for which a fine of \$125 or less was imposed.

[All answers have been received and considered by the Commission, and as noted above, any expunged matters are redacted from the record.]

18. Since your last screening, have you, to your knowledge, been under federal, state, or local investigation for possible violation of a criminal statute? If yes, explain.

No.

19. Since your last screening, have you been sued, either personally or professionally? If so, give details.

No.

20. Since your last screening, have you, as a lawyer, judge, or other professional, in South Carolina or any other jurisdiction, been sanctioned for lawyer, judicial, or other professional misconduct or been found to have committed such misconduct? If so, give the details and describe any final disposition.

[Yes and no responses are redacted for all candidates unless there is a public discipline].

21. Since your last screening, have you been criticized, whether informally or in a matter taken to a disciplinary authority, for the manner in which you treated litigants or attorneys before you on the bench? If so, give the details and the reasons why you believe you were the target of such criticism.

No.

22. Are you active on or a member of a social media or Internet site or have you, to your knowledge, been featured or depicted on a social media or Internet site, such as, Facebook, LinkedIn, Twitter, etc.? If so, how would your use of social media or other similar types of Internet sites be affected if you were serving in a judicial capacity?

I am not active on Facebook and have not communicated on it. My wife has a page, and I am sure that my picture has occurred on it. I did sign up for Twitter which is primarily used during the week of Palmetto Boys State to communicate with other staff members. I am also on LinkedIn at the encouragement of my daughter, but I cannot recall communicating with anyone.

If I was on Facebook or communicated through Twitter or LinkedIn, I believe that a judge has to be extremely careful with whom he makes contact in order to avoid any appearance of impropriety.

23. Provide any other information which may reflect positively or negatively on your candidacy, or which you believe should be disclosed in connection with consideration of you for nomination for the position you seek.

For the past fourteen years, I have coordinated and put together the New Judge School for the incoming Family Court Judges. During that period, I have had the privilege of working with fifty-three brand new judges out of the total of sixty on the Bench. Hopefully in some way I have shaped their thoughts on what it takes to be a Family Court Judge.
