

AMENDMENT TO PERSONAL DATA QUESTIONNAIRE

34. Has a tax lien or other collection procedure ever been instituted against you by federal, state, or local authorities? Have you ever defaulted on a student loan? Have you ever filed for bankruptcy? If so, give details.

**Yes. A lien was filed against me and my husband in 2009. This was a result of fraud wherein the property management company had misappropriated funds. Once the lien was discovered to have been filed, we immediately contacted the company's attorney and a satisfaction was filed the next day. The property management company employee was subsequently arrested and plead guilty to felony wire fraud charges in federal court.**

47. Have you ever been sued by a client? Have you ever been a named party (personally or professionally) in or had a pecuniary interest in any civil or criminal proceedings? If so, give details, including, but not limited to, dates, and resolutions.

**I was recently made aware that I was a named party in Troy Waymer vs. Maite Murphy, 2013-CP-18-00186. I was never served with the pleadings in this case and it has been disposed of. I was further informed that I was a named party in Nathaniel Gold vs. Kenneth Hasty, 2018-CP-18-10-002534. Likewise, I have not been served in this action.**
