QUESTIONNAIRE

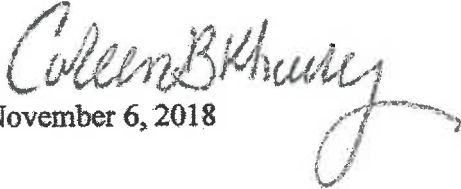

JULY 13, 2018

56. Are you active on or a member of a social media or Internet site or have you, to your knowledge, been featured or depicted on a social media or Internet site, such as, Facebook, LinkedIn, Twitter, etc.? If so, how would your use of social media or other similar types of Internet sites be affected if you were serving in a judicial capacity?

Please specify whether you are simply supplementing the prior answer or striking that answer and replacing it with what is provided in the amendment.

I am striking the answer and replacing it with:

I have a Pinterest account that I used for wedding rehearsal ideas when my children were getting married in 2016 and 2018. I now use the site to look up recipes or decorating suggestions. The use of this account does not affect my service as a judge. I have never had a Facebook, LinkedIn or Twitter account.
