58. Provide any other information that may reflect positively or negatively on your candidacy, or which you believe should be disclosed in connection with consideration of you for nomination for the position you seek. This information may include how your life experiences have affected or influenced the kind or type of judge you have been or plan to be.

There have been several life experiences which have affected the kind of judge I am. I strongly believe that a judge's personal life experiences come into play when exercising the wide discretion afforded a judge in making decisions and rulings.

I grew up in Lexington, South Carolina. I am 1 of 4 children. My father was a concrete finisher, and my mother was a physical therapist. I have two (2) older sisters and one (1) younger brother. My oldest sister, Barbara, died when she was in the 7th grade of cancer. My older sister, Tracy, is a 7th grade school teacher. My younger brother, Hayne, is a concrete finisher. I married the late Thomas H. Williamson, III, who died in November 1996 from cancer. I have one (1) son from this marriage, Capers, who is now 25 years old. He graduated from The Citadel Military College of South Carolina, earning a Bachelor of Arts Degree in Criminal Justice and a Master's Degree in Sports Management. He currently represents the United States as a professional javelin through for Team USA, USA Track & Field. Capers was 4 years old when his father passed away. I remarried in 2007, 11 years after Tom passed away. I was a single mother to Capers during the majority of his childhood. I remarried Spero Conits, and he and I have one daughter together [REDACTED] who is now 8 years old, and a rising 3rd grader at St. Mary's Catholic School.

My father operated his own concrete finishing company, and he worked extremely hard. Although he did not have more than a high school education, his hard work provided us with a comfortable lifestyle. I learned from my father the value and reward of hard work. My father had an incredibly strong work ethic, and he did not let the fact that he did not attend college hold him back or affect his self-esteem in any manner. I gained self-esteem and confidence from my father.

My mother is a soft-spoken, kind person. She literally sees nothing but the good in every person, even those who were not always nice to her. She treats everyone as if they are wonderful, special, and deserving. I have learned the true value of every person from my mother, and the fact that every person is worthy of fair and decent treatment.

I have learned the hardship of being a single parent from the tragedy of Tom's death. I have a unique perspective of the impact being without a parent can have on a child, as I watched Capers grow up without a father. I have an understanding of the difficulties of single parenthood, and I believe this understanding helps me make good decisions for parents and children leaving Family Court. I also understand how critically important it is for children to have healthy relationships with both parents. I believe I am especially vigilant in promoting and protecting a child's relationship to both parents.

I have the experience of blending children and families from prior marriages. I have three (3) grown step-children from my first marriage, and 3 grown step-children from my current

marriage, one of whom primarily resided in my home during the school year. I have a real understanding of the challenges and issues facing families as they blend together and move forward as a new family unit.

As a Family Court judge, I understand the value of every person who comes before me. I try to look at the totality of the circumstances involving litigants and their situations. I believe in the basic goodness of people, and I believe most people generally do the best they can do. I am concerned with the long-term impact of my rulings; and I try to make sure that people leave my courtroom with a sense of being treated fairly and hope for their future. I know how short and unpredictable life can be, having lost a sister and a husband to cancer. These life experiences have afforded me a true appreciation of what is important and what ultimately doesn't matter at all. I have a special place in my heart for the parent/child relationship, having watched Capers miss Tom and learn to grow up without him.

If re-elected I will continue to do all I can to ensure that children have the opportunity to have a meaningful relationship with both parents, even in situations of divorce. I will strive to offer real solutions of permanency, stability, and safety to our children who are abused or neglected. I will continue to offer guidance and hope to our juvenile offenders as they seek to re-establish themselves and move on to become productive citizens despite poor or unhealthy choices. It has always been my hope to better the lives and situations of the divorce litigants who come before me so that they may leave Family Court with a sense of fairness and justice and the necessary encouragement to lead productive and meaningful lives.
