Introduction

Article 9 of Title 6, Chapter 29 of the South Carolina Code of Laws establishes Educational Requirements for Local Government Planning or Zoning Officials or Employees. These provisions apply to all members of locally-appointed Planning Commissions, Boards of Zoning Appeals, Architectural Review Boards and all professional employees engaged in planning and zoning activities.

Unless expressly exempted, each locally appointed official and professional employee must attend a minimum of six hours of orientation training in certain subjects and annually attend no fewer than three hours of continuing education in any of the subjects determined by the SAC.

The subjects for the education may include, but not be limited to, land use planning; zoning; floodplains; transportation; community facilities; ethics; public utilities; wireless telecommunications facilities; parliamentary procedure; public hearing procedure; administrative law; economic development; housing; public buildings; building construction; land subdivision; and powers and duties of the planning commission, board of zoning appeals, or board of architectural review.

An appointed official or professional employee who has one or more of the following qualifications is exempt from the educational requirements:

- (1) certification by the American Institute of Certified Planners;
- (2) a masters or doctorate degree in planning from an accredited college or university;
- (3) a masters or doctorate degree or specialized training or experience in a field related to planning as determined by the advisory committee; or
- (4) a license to practice law in South Carolina.

An appointed official is subject to removal from office or suspension or dismissal from employment if he fails to complete the requisite number of hours of orientation training and continuing education within the time allotted by State Code, or fails to file the certification form and documentation required by State Code.

It is the responsibility of the local governing body to track and file with the local clerk the proper certification forms for their individual planning or zoning officials or employees.

As amended by the Legislature during the 2004 Session, municipalities and counties with populations above 35,000 must be in compliance with these educational requirements by

January 1, 2006. Municipalities and counties with populations below 35,000 must be in compliance by January 1, 2007.

Sec. 6-29-1330 of the Code establishes an Advisory Committee composed of five members appointed by the Governor with the advice and consent of the Senate. The Code provides that the members shall include: a planner recommended by the South Carolina Chapter of the American Planning Association; a municipal official or employee recommended by the Municipal Association of South Carolina; a county official or employee recommended by the South Carolina Association of Counties; a representative recommended by the University of South Carolina's Institute for Public Service and Policy Research; and, a representative recommended by Clemson University's Department of Planning and Landscape Architecture.

This Committee, operating as the South Carolina Planning Education Advisory Committee (SCPEAC) is charged with:

- compiling and distributing a list of approved orientation and continuing education programs that satisfy the educational requirements in Section 6-29-1340;
- determining categories of persons with advanced degrees, training, or experience, that are eligible for exemption from the educational requirements in Section 6-29-1340; and
- making an annual report to the President Pro Tempore of the Senate and Speaker of the House of Representatives.

This 2005 Annual Report is set up to include those elements set forth in Sec. 6-29-1330(D)(3) of the Code. Specifically, this annual report provides a detailed account of the advisory committee's:

- (a) activities;
- (b) expenses;
- (c) fees collected; and
- (d) determinations concerning approved education programs and categories of exemption.

Activities

Confirmation of one member nominated for the Committee, and reconfirmation for second terms for three other members, was accomplished by the Senate during the 2005 Legislative Session.

A quarterly schedule of meetings was established, as allowed for under Section 6-29-1330(F) of the Code, but a lack of agenda items led to the cancellation of two of those meetings. A quarterly schedule of meetings has already been approved for 2006. All scheduled meetings are conducted in Columbia and rotate between the offices of the Municipal Association of South Carolina (MASC) and the South Carolina Association of Counties (SCAC).

Three telephone conference meetings were conducted in an effort to expedite approvals of proposed orientation programs. Every effort was made to facilitate participation by the public through posting of the meeting on our website and the State Register. Opportunities to “sit in” on the meetings were provided at offices in both Hilton Head Island (office of the Chairman) and in Columbia. The conference call phone number was also provided in the posted notices.

The first two orientation programs were approved for use by the Committee. These are discussed in greater detail below under the section entitled “Determinations Concerning Approved Education Programs and Categories of Exemptions.”

A set of operating bylaws was approved and posted on our webpage.

The Committee considered, but decided against providing advice to cities and counties regarding aspects of the law and its requirements. The Committee has no enforcement authority under the law, has no attorneys as members, and does not have access to any Staff. The best advice, it was determined, was to contact the City or County Attorney.

Thanks to the efforts of Paula Benson, of the Senate Judiciary Committee Staff, maintenance and upkeep of the Committee’s website was assumed by the South Carolina Legislative Printing, Information and Technology Systems Department. The website can be accessed at www.scpeac.org or at www.scstatehouse.net/scpeac/links.htm.

In preparation for the continuing education component of the Act, which takes effect for the largest communities in 2006, twelve letters were sent out to prospective training providers alerting them to the State requirements and inviting them to submit proposals. An RFP for both Orientation Training programs and Continuing Education programs is posted on our website.

Expenses

Postage, copying, and printing costs have been minimal and have been absorbed by the members’ sponsoring organizations or employers.

Costs for travel to meetings of the Committee have been borne by the individual members or their employers. No costs for overnight stays or meals have been incurred.

The Committee website is maintained by the South Carolina Legislative Printing, Information and Technology Systems Department at no cost to the Committee. The domain name, www.sspeac.org, was maintained because of the ease in relaying the information to those who inquire. The annual cost for maintaining this domain name is \$9.95 and is absorbed by the Chairman's employer, the Town of Hilton Head Island.

Meeting space for the quarterly meetings of the Committee is being donated, on a rotating basis, by the Municipal Association of South Carolina and the South Carolina Association of Counties. Limited refreshments are made available; as is done with other groups that use the facilities of these two associations.

Fees Collected

No fees have been collected.

Section 6-29-1330(G) of the Code provides for the imposition of a nominal fee to each entity applying for approval of an orientation or continuing education program. The Committee has chosen not to impose such a fee at this time.

Determinations Concerning Approved Education Programs and Categories of Exemptions

A Request for Proposals for both orientation programs and continuing education programs has been developed and made available on our webpage and through the State Register.

The Committee processed and approved, with conditions, two applications to provide an Orientation Program consistent with the terms and conditions set forth in the Act.

The South Carolina Association of Counties (SCAC) was the first to submit an application for a six hour orientation program to be provided via closed circuit television and as a DVD to be administered by a trained and approved Proctor. Initial approval was granted in April of 2005 with the specific program materials being reviewed and approved in advance of the first and second three-hour initial presentations.

The Municipal Association of South Carolina (MASC) teamed with the South Carolina Chapter of the American Planning Association (SCAPA) and the South Carolina Association of Regional Councils (SCARC) for the second application for an orientation training program. This training is to be provided entirely through use of a DVD and is also administered by a trained and approved Proctor. Initial approval was granted in August of 2005 and the specific program materials were reviewed and approved in October.

Initial talks had been conducted between the MASC/SCAPA/SCARC team and the SCAC. Both had agreed on a general program outline such that an individual seeking training might meet the requirements by attending parts of the presentations of one organization or other, depending on scheduling and availability. Each of the approved Orientation Programs is arranged around six (6) blocks of training.

The Committee applauded this level of coordination that was intended to provide maximum flexibility for citizen volunteers and staffs. The Committee made clear that credit for satisfying the orientation training requirements of the law could only be satisfied by attending all six of the training components. Sitting through multiple presentations of one or more of the training blocks would not suffice.

The Committee responded to several requests for individual exemptions from the Act by pointing out that we were only empowered to identify and exempt “categories of persons” (Sec. 6-29-1330(D)(2)). The Committee also considered several requests for additional categories of exemptions, beyond those already enumerated in Sec. 6-29-1350 of the Code, and declined to do so. The Committee felt that almost everyone can benefit from a refresher course (orientation training) as well as from a minimum amount of continuing education.

These telephone conference meetings may be conducted more frequently than quarterly. Three members of the advisory committee constitute a quorum. Decisions concerning the approval of education programs and categories of exemption must be made by majority vote with at least a quorum of members participating.

(G) The advisory committee may assess by majority vote of at least a quorum of the members a nominal fee to each entity applying for approval of an orientation or continuing education program; however, any fees charged must be applied to the operating expenses of the advisory committee and must not result in a net profit to the groups or associations that recommend the members of the advisory committee. **REQUEST FOR PROPOSALS FOR
EDUCATIONAL PROGRAMS**

**The South Carolina Advisory Committee on Educational Requirements for
Local Government Planning or Zoning Officials and Employees**
(SC Planning Education Advisory Committee--SCPEAC)

Request for Proposals

The SC Planning Education Advisory Committee (SCPEAC), established pursuant to Section 6-29-1310 (et. Seq.) South Carolina Code of Laws, seeks proposals by providers of educational programs and/or courses to be reviewed and considered for certification by the Advisory Committee.

Title 6, Chapter 29, South Carolina Local Government Comprehensive Planning Enabling Act Of 1994, Article 9 requires a minimum 6-credit orientation program and minimum 3 credits of continuing education (CE) annually for those who are not exempt pursuant to Section 6-29-1350 . Appointed officials (planning commissioners, board of zoning appeals members, or board of architectural review members) and professional employees (planning professionals, zoning administrator or official, or a deputy or assistant to the above) are required to comply with the educational provisions—with compliance for municipalities and counties above 35,000 population by January 1, 2006 and below 35,000 by January 1, 2007. See Section 6-29-1310 (et. Seq.) for further details.

Technology offers opportunities to enhance traditional learning models by increasing access to educational opportunities for officials or employees. Educational proposals from an array of providers and through different formats will be considered, dependent upon quality control provisions. All formats must include “faculty” presentations or professional planners as discussant leaders; no self-educational methods will be authorized at this time.

Credit Hours are based on actual minutes of education including reasonable question and answer periods during the class.

DURING THE INITIAL IMPLEMENTATION PHASE OF THE REQUIREMENTS FOR ORIENTATION/CONTINUING EDUCATION, ALL PROPOSALS WILL BE REVIEWED BY THE ADVISORY COMMITTEE AND APPLICANTS WILL BE INFORMED OF THE ACTION TAKEN WITHIN 30 DAYS OF RECEIPT BY THE SCPEAC CHAIRMAN. This RFP covers the array of application forms for:

- Appendix A--Uniform Application for Orientation Program Proposals
- Appendix B--Uniform Application for Approved Sponsors of Continuing Education
- Appendix C--Uniform Application For Accreditation of Continuing Education Course(s)

ORIENTATION PROGRAM PROPOSALS

Proposals will be taken separately for the Orientation and Continuing Education programs. The SCPEAC allows for more flexibility with respect to various proposals for continuing education. Pursuant to its responsibilities to compile and distribute a list of approved orientation programs/courses, the Committee has established minimal requirements for applicants to provide orientation programs. While the Committee will accept individual proposals for modules within the orientation program, the Committee will give priority to those sponsors submitting a complete orientation program proposal.

A 6-credit orientation program should cover at least the following topics:

- Overview of the Comprehensive Planning Act
- Description of Zoning and Land Development Regulations
- Description of Related Regulations such as Capital Improvements Programs, Development Agreements, Design Regulations
- Description of the roles and responsibilities of the Council, Planning Commission, Zoning Officer, Boards of Zoning Appeals and Architectural Review, and Appellate Processes—concepts of legislative, administrative, and quasi-judicial functions
- Legal Issues for Planning and Zoning
- Freedom of Information, Conflicts of Interest Provisions, Section 1983 Liability, and related Ethics

See Appendix A for the Uniform Application for Orientation Program Proposals.

APPROVED SPONSORS OF CONTINUING EDUCATION

The Committee has determined that conferences or training sessions of the SC. Chapter of the American Planning Association meet the requirements for Continuing Education and are approved as a sponsor. Programs provided by Planning Accreditation Board (PAB)-accredited planning schools are also approved as sponsors by the SCPEAC. In the region, those include Clemson University , Georgia Tech, University of North Carolina-Chapel Hill, University of Florida , Florida State, among approximately 65 other accredited schools. See the list of PAB approved planning schools at http://showcase.netins.net/web/pab_fi66/ (go to documents, accredited schools).

Any organization or entity may apply to the SCPEAC for designation as an approved sponsor of on-going educational programs, provided that all their courses are related to planning and zoning issues. Organizations which occasionally provide courses pertaining to any legitimate direct planning and zoning function(s) should have an application for each course to be approved for continuing education credit—see Appendix C.

An approved sponsor must:

- Develop and implement methods to evaluate its course offerings to determine their effectiveness and how they meet the needs of planning and zoning officials and staff.
- Submit information concerning the course or activity within 30 days of its presentation including the brochure description, description of presentation method and types of materials; upon request, submit complete course materials. Submit to the Chairman of the SCPEAC:

Mr. Steve Riley, AICP
SCPEAC Chairman
Town Manager
One Town Center Court
Hilton Head Island , SC 29928

- Identify the instructor(s) and brief background description; upon request, provide resume(s).
- Submit to all reasonable requests and abide by all regulations promulgated by the SCPEAC and Article 9.

The Committee has the authority to audit and review programs.

See Appendix B--Uniform Application for Approved Sponsors of Continuing Education.

ACCREDITATION OF CONTINUING EDUCATION COURSE(S)

Article 9 requires a minimum of 3 credits of continuing education on a variety of subjects as listed in Section 6-29-1340 , Subsection (C). Individual courses/activities need to be approved by the SCPEAC including the provision of an Approved Course Number.

See Appendix C--Uniform Application for Accreditation of Continuing Education Course
