Senate Agriculture and Natural Resources Regulation Subcommittee

Thursday, March 7, 2019
9:00 a.m.

Room 307, Gressette Building

The subcommittee will consider the following regulations:

Document No. 4838 - DHEC

Synopsis:

The Department of Health and Environmental Control ("Department") repeals R.61-67.1. The regulation describes the process the Department and the former South Carolina Budget and Control Board followed in administering the State Water Pollution Revolving Fund received in federal grants from the Environmental Protection Agency ("EPA"). In 1992, the General Assembly repealed S.C. Code Section 48-6-10 et seq. and replaced it with the South Carolina Water Quality Revolving Fund Authority Act (S.C. Code Section 48-5-10 et seq.). Passage of the South Carolina Water Quality Revolving Fund Authority Act ("Act") has rendered R.61-67.1 obsolete. The Act provides authority for the Department and the South Carolina Water Quality Revolving Fund Authority to administer the South Carolina clean water and drinking water revolving funds program and federal grants received as supplements to the revolving funds from the EPA. The South Carolina Water Quality Revolving Fund Authority comprises the members of the State Fiscal Accountability Authority, with administrative and implementation support from the South Carolina Rural Infrastructure Authority ("RIA").

Document No. 4859 - LLR

Synopsis:

The South Carolina Board of Veterinary Medical Examiners proposes to amend R.120-12 to comport with the requirements of 2016 Act No. 274 regarding animal shelters.
