AGENDA

It has been prioritized by The South Carolina House of Representatives, in the 2025-2026 Session, to identify and decrease burdensome regulations on our various industries in South Carolina.

Therefore, we will begin holding public testimony hearings to identify these issues on Wednesday, November 19, 2025, at 10:30AM.

During these hearings, we will be taking public testimony from the Building/Construction Industry as well as from the Barber/Cosmetology Profession.

This will be a public testimony hearing only to gather information on these industries. Written testimony is encouraged and may be submitted to hlcicomm@schouse.gov. To ensure written testimony is provided to members prior to the meeting, it must be submitted no later than **Monday, November 17, 2025 @ 12:00 pm.**
