

Prostate Cancer Study Committee

Meeting Notice

To: All Committee Members
From: Senate Medical Affairs Staff
Date: March 15, 2025
Subject: Committee Meeting

The Prostate Cancer Study Committee, established by Proviso [117.176](#) of the 2024-2025 Appropriations Act, will meet on **March 27 at 2:00 in Room 105 of the Gressette Building.**

Agenda

Because the significant rural population of the state has been cited as an important variable in addressing this issue, we have invited two hospital systems with a rural service footprint to address the committee. Both **McLeod Health** and **Spartanburg Regional Healthcare System** have indicated that they will be represented at this meeting. A third, participant, **Self Regional Healthcare**, indicated their support and will appear at a subsequent meeting. It is also possible that other participants might be added.

Public attendance and participation are welcome. Individuals desiring to address the committee may register through the following link --

A sign-up sheet will also be available at the meeting. All speakers are asked to limit comments to three minutes each. All public comment is received time permitting and at the discretion of the Chairman.

Individuals desiring to submit information to the committee may do so electronically,
