

Session 110 - (1993-1994)

S 1089 General Bill, By Peeler and Courtney

Similar (H 4511)

A Bill to provide that an assignment of a mortgage given to a farm credit system institution need not be recorded in order to perfect the assignment if the underlying note has been assigned or transferred according to state law and is in the possession of the assignee and to provide for the manner in which certain collateral assignments of notes and mortgages are valid, enforceable, and perfected.

01/27/94 Senate Introduced and read first time SJ-4

01/27/94 Senate Referred to Committee on Banking and Insurance SJ-4
