

## Session 108 - (1989-1990)

### H\*3169 (Rat #0729, Act #0590 of 1990) General Bill, By M. McLeod, J.M. Baxley, L. Blanding, G.A. Brown, Harvin and J.T. McElveen

A Bill to amend the Code of Laws of South Carolina, 1976, by adding Section 44-56-59 so as to make findings and declarations by the General Assembly with respect to the disposal of hazardous waste in this State and to amend Section 44-56-60, as amended, relating to the requirement for obtaining and issuing permits for hazardous waste treatment, storage, or disposal, so as to require the Department of Health and Environmental Control to evaluate annually technologies and methods to reduce the volume of hazardous waste and report its results to the General Assembly before the first day of February beginning in 1991, and to reduce over two years the amount of hazardous waste that may be disposed of annually by burial from one hundred thirty-five thousand tons to one hundred ten thousand tons, to authorize the Commissioner of the Department of Health and Environmental Control to allow land disposal in excess of the annual limit upon the appropriate certification, to require the operator of a hazardous waste disposal facility or site to reserve annually capacity to dispose of South Carolina generated hazardous waste at least equal to the in-state waste disposed of at that site or facility in the previous year, and to provide exceptions, and to prohibit the burial in a twelve-month period in this State of more out-of-state generated hazardous waste than was buried in the previous twelve months.-amended title
