

Session 106 - (1985-1986)

H 3320 General Bill, By T.M. Burriss

A Bill to amend Act 188 of 1985, relating to the regulation of fire protection sprinkler systems, so as to provide that the requirement that an applicant have a nicet level III certificate holder who is at present in a full-time position or in a management position is waived until January 31, 1987, if the applicant in a sworn affidavit declares that at least one person who is now in a full-time position or in a management position is currently in the process of taking the test required to obtain nicet level III certification and to provide that a violation of this act or failure to comply with a cease and desist order is cause for revocation of a license instead of the state fire marshal's certificate.
