

Session 108 - (1989-1990)

H 4370 General Bill, By L.L. Taylor

A Bill to establish guidelines for the State in conducting or in supervising an environmental impact study and the approval of an environmental impact statement following such a study for proposed mining operations or related activity whenever the authority to conduct or to supervise the study is delegated by the Federal Environmental Protection Agency or by some other federal agency or instrumentality pursuant to federal statute or regulation.

01/11/90 House Introduced and read first time HJ-19

01/11/90 House Referred to Committee on Agriculture and Natural Resources HJ-20
