

Session 106 - (1985-1986)

S*0892 (Rat #0474, Act #0430 of 1986) General Bill, By T.E. Garrison

A Bill to amend Act 188 of 1985, relating to the regulation of the planning, installation, and maintenance of fire protection sprinkler systems, so as to delete a provision establishing a misdemeanor offense and authorizing punishment therefor, delete a reference to "State Fire Marshal's Certificate" and replace it with a reference to "license", delete further language, add language providing that the requirement that an applicant have a Nicet Level III certificate holder who is at present a full-time owner, partner, officer, or in a management position is waived until January 31, 1987, under certain conditions, and add language providing that the provisions of Act 188 of 1985 do not apply to licensed mechanical contractors performing emergency repair work on existing fire protection sprinkler systems or existing water spray systems or existing water foam systems where the labor cost of the work does not exceed one thousand dollars or to person engaged in the planning, installation, repair, alteration, addition, maintenance, or inspection of a fire protection sprinkler system or water spray system or water foam system on their own property or that of their normal employer; and to provide that every dwelling unit within an apartment house having no fire protection system must be provided with an approved listed smoke detector installed in accordance with the manufacturer's recommendation and listing, including provisions for, among other things, the mounting of the smoke detector, liability for damage, promulgation of regulations by the South Carolina Fire Commission, and the effective date of applicability.-amended title
