

Session 107 - (1987-1988)

S 1154 General Bill, By Moore

Similar (H 3890)

A Bill to provide that prior to authorization of the expenditure of any oil overcharge refund monies pursuant to certain provisions of law, the Joint Legislative Committee on Energy shall review and make a recommendation as to the approval and adoption of this State's energy policy and the specific uses for proposed energy conservation programs, provide that the use of the funds be within certain restrictions, grant the Committee continuous energy program oversight regarding the actual expenditure and use of the oil overcharge funds, provide for certain evaluation, provide for the reporting of certain cost savings, provide for the deposit of these funds and their disbursement, and require the state auditor to conduct an annual financial compliance audit.

02/02/88 Senate Introduced and read first time SJ-6

02/02/88 Senate Referred to Committee on Finance SJ-6
