

Session 106 - (1985-1986)

S*1167 Concurrent Resolution, By I.E. Lourie, Giese, C.T. Hinson, J.M. Long, Peeler and R.C. Shealy

A Concurrent Resolution commending the President of the United States for reasserting the rights of the free world to traverse international waters and for resisting the threats and intimidation of the globe's chief supporter of terrorism.
