

Session 107 - (1987-1988)

H 2822 General Bill, By Fair

A Bill to provide that sex education must be taught in the public schools of this State beginning with the 1988 school year, to provide for the manner in which and conditions under which this must be accomplished, and to provide that contraceptives or contraceptive information must not be a part of this instruction.

04/07/87 House Introduced and read first time HJ-1630

04/07/87 House Referred to Committee on Education and Public Works HJ-1631
