

Session 107 - (1987-1988)

H 3383 General Bill, By T.E. Huff

A Bill to amend Section 44-29-20, Code of Laws of South Carolina, 1976, relating to transportation and handling of human remains infected by a dangerous, contagious, or infectious disease, so as to require the person or entity having possession of medical records acknowledging and indicating an infectious disease, instead of the human remains, to inform any funeral director, ambulance driver, or any other person or entity who is to transport the remains that they are infected by a dangerous, contagious, or infectious disease prior to the transportation of the remains known to be infected by these diseases into, through, or out of this State or any municipality or county within this State.
