Session 109 - (1991-1992)

H*4281 (Rat #0570, Act #0467 of 1992) General Bill, By J.J. Snow

A Bill to amend Section 46-13-40, Code of Laws of South Carolina, 1976, relating to the registration of pesticides and related devices, so as to change the registration renewal date and revise the fees; to amend Section 46-13-60, as amended, relating to the standards for certification of applicators of pesticides, so as to provide additional requirements when the license of an applicator whose financial responsibility lapses, expires, or ceases to comply is suspended and delete the reference to canceled licenses; to amend Section 46-13-100, relating to evidence of financial responsibility for a commercial applicator's license, so as to provide for coverage of the application of pesticides by the applicator or his agents or employees, revise the amount and evidence required for financial responsibility, provide requirements for a surety bond or insurance policy, provide for aerial applicators, provide for self-insurance, and provide requirements for the insurance or bond coverage for commercial applicators; and to amend Section 46-13-210, relating to judicial review of action by the Director of the Division of Regulatory and Public Service Programs, College of Agricultural Sciences, Clemson University, so as to provide for review only of contested cases pursuant to the Administrative Procedures Act instead of the circuit court; to amend Section 46-13-10, relating to the citing and administration of the Pesticide Control Act, so as to change the administration from the Clemson University Board of Trustees to the State Crop Pest Commission; to direct the Code Commissioner to change references to "Board of Trustees of Clemson University" to "State Crop Pest Commission"; to amend the 1976 Code by adding Section 46-13-175 so as to authorize the Director to waive any provisions of Chapter 13, Title 46 to insure the availability of pesticides for minor uses; and to create a committee to review active pesticide usage, groundwater contamination, worker safety protection, and pesticide education programs.-amended title
