

Session 110 - (1993-1994)

H*4669 Resolution, By W.D. Keyserling and Richardson

A House Resolution to commend the Governor and others for their leadership in attracting tourists, retirees, and new businesses to the State; to reaffirm the commitment of the General Assembly to continue to improve the attractiveness and image of the State and to reaffirm its desire to provide the leadership of the State with the resources needed to show that South Carolina is unwavering in its commitment to protect and enhance the State's natural resources and quality of life.

02/02/94 House Introduced and adopted HJ-18
