

Session 109 - (1991-1992)

H 4849 General Bill, By I.K. Rudnick, R.A. Barber, J.P. Harrelson, H.H. Keyserling and J.B. Williams

A Bill to establish within the office of the Governor fifteen departments each of which must be supervised by a Cabinet Head appointed by the Governor upon the advice and consent of the General Assembly, to place within these fifteen departments all agencies of the executive branch of state government with certain exceptions, to also place within these departments certain public authorities or entities established by state law the funding and revenues of which are not expended or appropriated by the General Assembly in the annual General Appropriations Act, to devolve the duties and functions of the governing boards of these agencies and entities upon the appropriate cabinet department with certain exceptions and to provide that these governing boards are abolished on the effective date of this Act, and to provide for administrative and technical matters in conjunction with the establishment of the executive cabinet of the Governor.

05/14/92 House Introduced and read first time HJ-293

05/14/92 House Referred to Committee on Judiciary HJ-294
