Meeting Minutes

March 12, 2015

Committee Members in Attendance: Coretta Bedsole, Lydia Hennick, Douglas Wright, Lynn Stockman, Dr. Keith Guest, and Gloria Provost.

Committee Members via Telephone: David Elliot, Rhonda Goodman, Trop Sapp, Ken Welch and Krista Martin

Guests in Attendance: None

SCDHHS staff: Stephen Boucher, Maudra Brown, and Courtney Sanders.

- I. **Welcome and Introductions:** Coretta Bedsole, Chairwoman of the TAC called the meeting to order.
- II. **Purpose of the Transportation Advisory Committee (TAC):** The purpose of the TAC meetings is to meet quarterly to review performance reports and to make recommendations to resolve issues or complaints.
- III. **Meeting Minutes Approval:** The committee approved the meeting minutes for December 11, 2014.
- IV. **Transportation Advisory Committee Website – Update:** Courtney Sanders debuted the website; some discussion was conducted regarding listing the TAC email address (tac@scdhhs.gov), verbiage regarding creation, and updating list of Members.
- V. **Electronic Claim Submissions – Sub-Committee Update:** Doug Wright with Senior Solutions was the first provider to test the pilot program. Senior Solutions, Route Match, and LogistiCare of Atlanta worked very diligently to work out all 'kinks' related to the 837 file format of submissions. Daily emails are still being exchanged to ensure proper operation. The micromanaging of the program from LogistiCare will end in a couple of weeks and will function as a stand only program. Mr. Wright stated LogistiCare handled the technology well, and the pilot program rollout will be updated in the future. LogistiCare Provider Newsletter will update all Providers on rollout to other Providers.
- VI. **Non-Valid Complaints – Sub-Committee Update:** Doug Wright with Senior Solutions and Lydia Hennick with LogistiCare agreed February would be the first month of the pilot. Policy and Procedures regarding non-valid complaints will be sent to the State for review.

- VII. Stakeholder Input – Procurement Update:** Stephen Boucher spoke about the new RFP; The Department is currently observing the quiet period of the Procurement Process, and Meetings are being scheduled internally to discuss the RFP, answer all questions submitted, and publish an updated timeline for the RFP. TAC members requested a conference call prior to the next scheduled TAC Meeting to discuss any progress of the RFP. Mr. Boucher stated we would have to respond at a later date and time to the request.
- VIII. Program Monitoring Tools / Activities:**
- a. **Transportation Broker Performance Reports (October – December 2014) – Trips, Denials, and Complaints by Region (SFY 2015, SFY 2014):** Call Answered Speed, Call Abandonment, and Hold Times are becoming an increasing concern for the TAC. LogistiCare is currently expanding their operations in Greenville to hire, train, and house new Customer Service Representatives. Additionally, online booking is being offered with the assistance of veteran Customer Service Representatives when volume is low. The recording when members or providers are on hold reminds them of the online booking functionality. Answer Speed, Call Abandonment, and Hold Times are due to an increase in eligible Medicaid population and unduplicated beneficiaries; LogistiCare is working very closely with the State to correct these issues.

Same Day and Urgent hospital discharges were discussed regarding the three hour window allotted for pickup. Some providers are considered late, if they arrive too early. LogistiCare stated Providers will not be considered late if they arrive early.
 - b. **Transportation Provider Performance Reports:** No comments or discussion.
 - c. **Transportation Broker Accounts Payable Aging Report:** No comments or discussion.
 - d. **DHHS Internal Complaint Tracking:** No comments or discussion.
 - e. **Report of Injuries / Incidents:** Summary of Reported Injury and Incidents dating back to April of 2014 will be reported to the TAC Members when the Department finalized its new Policy and Procedure.
 - f. **Report of Meetings:** No comments or discussion.
 - g. **Program review and Field Observation Site Visits:** No comments or discussion.
- IX. Reporting Requirements for TAC Meetings:** The TAC Members were polled to determine what they wanted most from the TAC reporting, please see the list below:

Mr. Boucher addressed the TAC Members and informed them the reporting will be changed to better reflect the needs and outcomes of the TAC and will be presented during the next TAC Meeting on June 25, 2015. Ms. Bedsole and Courtney Sanders will schedule a meeting to discuss the new reporting requirements and recommendations for TAC.

XI Advisory Committee – Current Issues/Concerns: As discussed in the December 11, 2014 TAC Meeting, the creation of an email address where TAC Members would have priority and access to Stephen Boucher, Martha Mitchell, Ervin Yarrell, Maudra Brown, and Courtney Sanders was created and operational by March 12, 2015. The purpose of the email address tac@scdhhs.gov is to negate lack of communication and ensure availability of SCDHHS Staff to TAC Members. TAC Members requested that Deirdra Singleton, Deputy Director of Health Programs at the South Carolina Department of Health and Human Services be advised of all Transportation and TAC concerns, disparities, and advancements to ensure Stakeholders satisfaction.

Due to the new RFP being indefinitely extended the current Contract will continue and extensions be requested.

Ms. Coretta Bedsole discussed the membership requirement as mandated by the Legislation; please see below for the statute regarding TAC:

"The Department of Health and Human Services shall establish a Medicaid Transportation Advisory Committee composed of Medicaid service providers, local transportation providers, and Medicaid recipients, who require transportation services. At a minimum this advisory committee shall include representatives from the South Carolina Emergency Medical Services Association, South Carolina Hospital Association, South Carolina Health Care Association, South Carolina Nursing Home Association, South Carolina Medical Association, Rural Transportation Association, Office on Aging in the Lieutenant Governor's Office, Department of Health and Environmental Control, Public Service Commission, two Medicaid recipients or two family members of Medicaid recipients, and a member of the brokering company operating the Medicaid transportation system. The advisory committee shall meet at least quarterly to review issues and complaints concerning the Medicaid Transportation Brokerage System and shall make recommendations for the resolution of these issues and complaints. The advisory committee shall issue a report quarterly to the Governor, Senate, and House of Representatives. The Department of Health and Human Services shall provide the staff for the advisory committee. The advisory committee is abolished when the contract for the operation of the Medicaid Transportation Brokerage System expires or is terminated."

Based upon the understanding of the Statute, TAC ensured all required Organizations were represented on the Committee. The South Carolina Adult Day Coalition was added shortly after the formation of TAC and Doug Wright with Senior Solutions was appointed by Former Director Keck. TAC members discussed the ability to add non-legislatively mandated Groups and Coalitions; Corretta motioned for the ability to add members and the several TAC members

Summary of Reported Rider Injury and Incidents
October – December 2014

At the request of members of the Transportation Advisory Committee, SCDHHS will prepare a quarterly summary of our review of all rider injuries and incidents reported.

Notification Process

The brokers are required to report to SCDHHS all occurrences of injuries and other incidents, including all accidents, as soon as they are made aware of an occurrence. Notification to SCDHHS is required for all accidents regardless of reported injuries, all reports of injury or possible injury to Medicaid members, and all incidents involving Medicaid members that are out of the ordinary. Once SCDHHS is notified of the initial occurrence, follow up communications between SCDHHS and the broker continue as needed until the situation is fully investigated and the appropriate action is taken.

Summary Analysis of Injury and Incidents

Summary of Reported Rider Injury and Incidents for April – June 2014, July – September 2014, and October – December 2014 will be reported to the TAC Committee Members when the Department finalizes its new Policy and Procedures regarding Reported Rider Injury and Incidents. We appreciate your patience in this matter.
