Annual Report on Missed School Days for Academic Year 2024-25.....2

## **Annual Report on Missed School Days for Academic Year 2024-25**

Pursuant to S.C. Code of Laws § 59-1-425 (Supp. 2015), all districts must set aside three days in the annual academic calendar to be used as make-up days. The first three days missed due to snow, extreme weather, or other disruptions must be made up. If more than three days are missed, the local school board of trustees, by a majority vote, may waive no more than three days. The local school board of trustees may prefer to make up missed days and can do so by lengthening the school day by no less than one hour or by operating on Saturday. The State Board of Education has the authority to waive three additional make-up days beyond the three forgiven by the local school district upon request.

The law also states that the South Carolina Department of Education (SCDE) annually, before July 1, must provide the General Assembly with a detailed report of information from each district listing the (1) number of days missed and the reason, regardless of whether any days were missed, (2) days made up, and (3) number of days waived.

In the School Calendars, Make-up Days, and eLearning Days memorandum dated January 18, 2022, it is stated that “eLearning days are designed to offer more flexibility to avoid loss of instruction due to school closings or to manage necessary make-up days that are already included in the school calendar.” With the utilization of the eLearning days, students were provided a high degree of continuity with their classroom instruction while they were physically unable to attend.

On the next page is the record of missed school days reported by the South Carolina school districts for the 2024-25 school year.

<b>District</b>	<b>Date</b>	<b>Reason</b>	<b>Number of Schools</b>	<b>Days Missed</b>	<b>Days Waived by Local School Board</b>	<b>Days Waived by SBE</b>
