# Executive Summary

As part of the State Election Commission's ongoing commitment to transparency and accountability, we are pleased to present the 2025 Annual Voter List Maintenance Report to the General Assembly. This report fulfills the Commission's statutory reporting requirements under S.C. Code § 7-5-350, while also providing information on key topics of interest to legislators and the public.

Free and fair elections are the cornerstone of our democracy, and the State Election Commission is charged with administering elections in a manner that ensures integrity, security, and public confidence in the electoral process. A critical component of this responsibility is the maintenance of accurate and up-to-date voter registration rolls, which helps protect the rights of eligible voters while safeguarding the election system as a whole.

Through this report, the Commission highlights its core responsibilities and ongoing efforts to carry out this mission.

Best,

Jenny Wooten  
Interim Director

# Overview

## FINANCIAL SUPPORT OF COUNTY BOARDS

The State of South Carolina has provided substantial financial support to county boards of voter registration and elections through the SEC's budgetary process. Since July 2019, the SEC has spent approximately \$109 million in county aid. This includes over \$78 million for voting equipment, \$26 million in reimbursed election expenses, and \$2.9 million in county board member stipends. Of these expenditures, only election expenses and board member stipends are mandated by state law. Had the state not purchased voting equipment and provided it directly to county governments, counties would have been required to procure their own equipment, and the full \$109 million would have been carried by county budgets.

### SEC Aid to Counties Since July 1, 2019

Voting Equipment	Election Expenses	Board Member Stipends	Total Aid to Counties
\$78,518,482.83	\$26,517,341.76	\$2,880,845.90	\$108,934,579.51

See the 2025 By the Numbers section for a county-by-county breakdown.

## TRAINING

---

### South Carolina State Certified Clerk Program

- + Conducted three cohorts of three-day extensive training with 65 clerks representing 21 counties.

### General Election Preparation

- + Conducted 20 training sessions across six counties to train poll managers and poll clerks.
- + Supported counties by serving as poll managers and office staff during City of North Augusta General Election, State House District 50 Primary, Spartanburg County Sheriff Special Election, State House District 88 Primary, and Municipal Election Day across 10 counties.

### South Carolina Association of Registration and Election Officials (SCARE)

- + Delivered training sessions to county board members, county directors, and county staff at the 2025 SCARE conference.

### Training Classes

- + Conducted two regional training sessions in Berkeley, Greenville, Georgetown, and Pickens.
- + Conducted 75 training classes for county board members, county directors, and county staff.

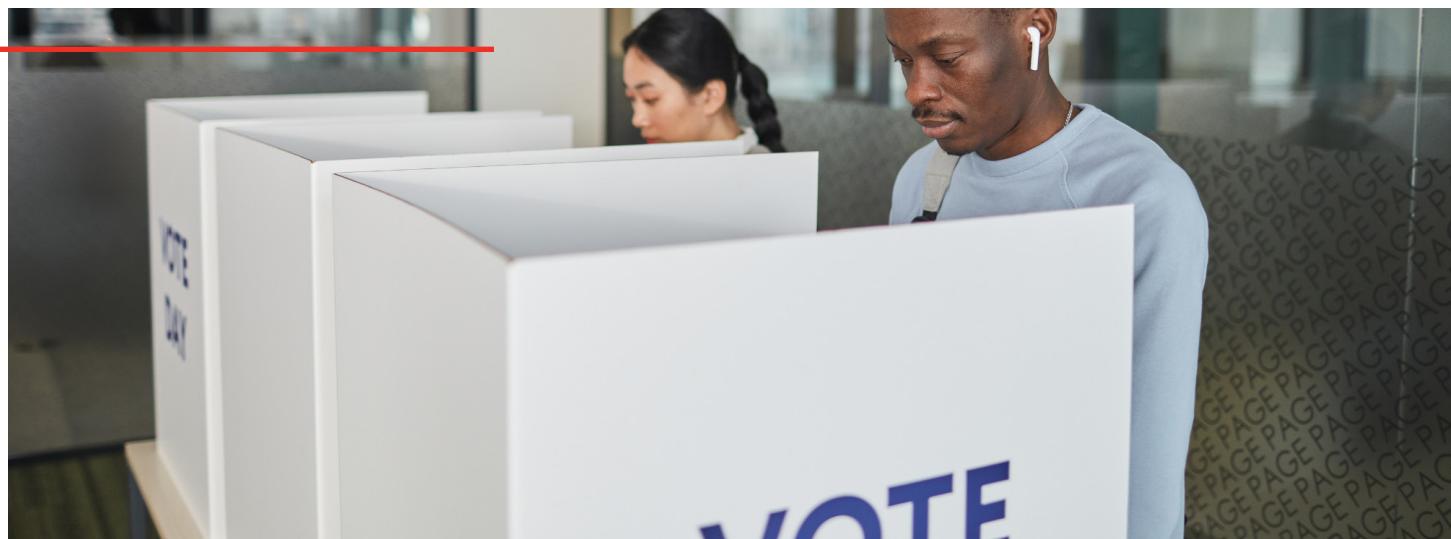

## ELECTION SECURITY

Elections face numerous threats from a wide variety of actors with various motives. The agency collaborates with a partnership of state, federal, and private cybersecurity professionals, as well as state and federal law enforcement, to take all reasonable measures to ensure the security of South Carolina's Election Infrastructure.

### Major 2025 Achievements:

- + Vulnerability Disclosure Program: The SEC continues to participate in the Vulnerability Disclosure Program (VDP). A VDP is a formalized process for identifying and remedying potential cyber vulnerabilities identified by external security researchers.
- + Endpoint Protection: The SEC continues to utilize CrowdStrike Endpoint Protection System to enhance the agency's ability to identify, detect, respond to, and remediate security incidents and alerts.
- + Physical Security Assessments of County Offices and Storage Facilities: The SEC, in collaboration with the Department of Homeland Security (DHS), continues to conduct physical security assessments of facilities across all 46 counties, on an as-needed basis or at the request of county offices.
- + Security Posture Baseline: The SEC continues to survey counties based on National Institute of Standards and Technology (NIST) standards to identify their current security posture.
- + The SEC has obtained membership in the Multi-State Information Sharing and Analysis Center (MS-ISAC) to ensure the continued delivery of critical information related to election security.

All executive branch agencies are required to complete their respective accountability reports soon after the start of each new fiscal year. Please note this report is not intended to replace accountability reports, which can be found on our website, [scvotes.gov](http://scvotes.gov). This report communicates the “state of elections” in South Carolina while providing an accurate account of this agency’s efforts to ensure South Carolina continues to have the most secure and accurate elections in the United States.
