Fiscal Year 2017-18 Accountability Report

SUBMISSION FORM

AGENCY MISSION	The S.C. Commission on Higher Education is committed to promoting access, affordability, and quality in the state system of higher education through coordination, regulation, advocacy and oversight, as directed by the General Assembly.
-----------------------	---

AGENCY VISION	<p>The S.C. Commission on Higher Education values the:</p> <ul style="list-style-type: none"> • Importance of quality higher education • Accessibility of this education to the citizens of the state • Accountability of the institutions to their students and the General Assembly • Excellence on the part of its staff in performing its functions • Excellence on the part of the institutions in providing educational opportunities • Affordability of higher education in South Carolina to the citizens of the state
----------------------	--

Please select yes or no if the agency has any major or minor (internal or external) recommendations that would allow the agency to operate more effectively and efficiently.

RESTRUCTURING RECOMMENDATIONS:	Yes	No
	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Please identify your agency's preferred contacts for this year's accountability report.

AGENCY'S DISCUSSION AND ANALYSIS

Creation of Agency

The South Carolina Commission on Higher Education (CHE), established in 1967, serves as the coordinating board for South Carolina's 33 public institutions of higher learning. It acts both as an oversight entity on behalf of the General Assembly and an advocate for the citizens of South Carolina as they seek the opportunity to improve their lives, and those of their families, through higher education.

Composition of the Commission

The CHE is governed by a board of 15 members who are appointed by the Governor pursuant to S.C. Code §59-103-10 including: four statewide at-large members, with one appointed as chair; one member from each of the state's seven Congressional Districts; three members who serve as college and university trustees representing the public sectors of higher learning which include research institutions, four-year comprehensive teaching institutions, and technical colleges; and one member who serves as a president of an independent college representing the independent higher learning institutions. Appointees representing Congressional Districts are appointed by the Governor upon recommendation of a majority of the State Senators and House members comprising the District's legislative delegation. The remaining appointees are recommended and appointed based on the advice and consent of the Senate. Commissioners serve four-year terms with the exception of the institutional representatives who serve two-year terms. All members continue to serve until a replacement is named. All except the independent institution representative are voting members.

The Commission is currently comprised of the following members:

- Mr. Tim M. Hofferth, Chair – Chapin, Governor's Appointment at Large
- Mr. Kenneth W. Kirkland, Vice Chair – Greenville, Governor's Appointment at Large
- Ms. Dianne C. Kuhl – Greer, Governor's Appointment 4th Congressional District
- Mr. Paul O. Batson, III – Greer, Governor's Appointment Public Technical Colleges Sector
- The Honorable James A. Battle – Nichols, Governor's Appointment Research University Sector
- Mr. Devron H. Edwards – Chapin, Governor's Appointment at Large
- Dr. Bettie Rose Horne – Greenwood, Governor's Appointment 3rd Congressional District
- Mr. Richard A. Jones, Jr. – Greenville, Governor's Appointment at Large
- Vice Admiral Charles Munns, USN (ret.) – Aiken, Governor's Appointment 2nd Congressional District
- Mr. Kim F. Phillips – Gaffney, Governor's Appointment 5th Congressional District
- Ms. Terrye C. Seckinger – Mt. Pleasant, Governor's Appointment 1st Congressional District

The current committees consist of the Committee on Academic Affairs and Licensing, the Committee on Access & Equity and Student Services, the Committee on Finance and Facilities, the SCCORE Special Ad Hoc Committee, and the Board of Trustees Code of Conduct Special Ad Hoc Subcommittee.

AGENCY CODE:	H030	SECTION:	11

Organization of Commission

Functions of Academic Affairs Division

Academic Program Review. The CHE fulfills its statutory responsibility of academic program approval through regularly scheduled cycles each year for considering proposals. In FY 2017-18, 38 new academic degree programs were approved, well-aligned with state workforce needs as most of the programs approved were in the areas of business/management; engineering; and engineering technologies. Furthermore, in FY 2017-18, institutions modified 81 academic degree programs by changing curricula, concentrations or sites. Institutions terminated 48 programs, concentrations, and/or sites. In 2017-18, the Commission approved mission statement revisions for three institutions (Greenville Technical College, Trident Technical College, and University of South Carolina – Beaufort).

Program Productivity. The CHE ensures that academic programs offered by public colleges and universities are effective, relevant to the economy and do not unnecessarily duplicate program offerings. This is achieved—in part— through the Commission’s regular program productivity review. The evaluation and subsequent outcomes are reported via the Biennial Review of Program Productivity. During the 2012-2016 review, there were 1,087 programs eligible for review using the 2017 program productivity policy standards. Of those 1,087 programs, 152 programs (approximately 14%) were found to be noncompliant. Of the 152, 16 programs were approved for termination, and 18 for probation. Commission members on CAAL are reviewing the institutions’ information submitted and requests for their remaining programs to be considered as exemptions.

Licensing. The CHE is the sole authority for licensing nonpublic postsecondary institutions operating or soliciting in South Carolina based in-state, out-of-state, or for recruitment only. Licenses are both site- and program-specific. CHE licenses both degree- and non-degree-granting institutions, which may be for-profit,

AGENCY NAME:			
AGENCY CODE:	H030	SECTION:	11

non-profit, or out-of-state public institutions. In FY 2018, CHE licensed 111 institutions operating 214 locations. Over 12,000 students are enrolled at licensed nonpublic postsecondary institutions in the state. CHE serves a consumer protection role for students enrolled at licensed institutions and responded to 17 complaints filed against licensed and exempt institutions. Lastly, CHE serves as a repository for student records from institutions that have closed and responded to 76 requests for student transcripts.

Transfer and Articulation: South Carolina Transfer and Articulation Center (SC TRAC). The CHE developed SC TRAC to enable students to locate information related to transfer and access transfer agreements. SC TRAC helps students save both time and money by facilitating the transfer of courses between institutions and by helping students better plan their degree completion progress. In FY 2017-18, the SC TRAC website had a total of 69,723 visitors and 868,583 new courses equivalencies were added by South Carolina public colleges and universities. Since the site’s launch in April 2010, there has been a 750% increase in course equivalencies between the institutions (555,260 at launch compared to 4,717,792 at the end of FY 2017-18). Furthermore, as of FY 2017-18, 17,507 students used the recently implemented Transfer Check feature to determine transferability toward specific degree program requirements at public four-year institutions.

State Authorization Reciprocity Agreement (SARA). The CHE is the portal agency for SARA activities in South Carolina. SARA is a voluntary, interstate reciprocity agreement that establishes comparable standards for interstate offering of postsecondary distance education. Its member states and U.S. territories recognize each other member’s participating institutions as eligible to enroll students in distance education programs. During FY 2018, 34 South Carolina institutions participated in SARA, including 13 from the Comprehensive and Research sectors, nine from the Technical College System, and 12 from the Independent sector. The total number of out-of-state students who enrolled in South Carolina institutions via distance education was 2,301, up from 1,752 the previous year. From January 1, 2014 – June 1, 2015, the three research institutions reported spending \$515,339 on state authorization activities; these costs were significantly reduced due to SARA, resulting in a substantial savings for all participating institutions.

SmartState. The SmartState Program (Program) is an unprecedented collaboration between industry, academia, and government. As required by statute, operational support, staff, and approval of all necessary funds for the operation of the SmartState Program Review Board is provided by the CHE. The Program has awarded \$197.6M to the three research universities to establish 51 Research Centers of Economic Excellence to create endowed professorships and facilitate establishment of research centers in areas that will eventually lead to enhanced economic opportunities for South Carolinians. In 15 years, the program has had a \$2.8B total economic impact on the state and created more than \$755M in labor income for South Carolinians that may not have existed otherwise. As of 2017, the SmartState Program has attracted more than \$1.5B in non-state investment and led to the creation of more than 13,900 jobs with salaries averaging \$75K a year.

Southern Regional Education Board Programs (SREB). The Academic Common Market (ACM) and the Regional Contract Program are two Southern Regional Education Board (SREB) initiatives that provide access to academic programs through discounted tuition to students residing in a participating member state. Since 1949, South Carolina’s membership has provided tuition-savings for residents in health professions, including optometry and veterinary medicine. Based on the most recent data available, during the 2017-2018 academic year, contract seats were awarded to 114 South Carolina students enrolled in the Regional Contract Program for approximately \$3,489,450. During the 2017- 2018 academic year, 121 South Carolina students were enrolled in the ACM programs with an average savings of \$8,910 per student and \$1,087,018 collectively. Academic Affairs staff serve as SREB state coordinators, trained to help determine student residency, program eligibility, and to provide guidance and services to in-state and out-of-state residents.

AGENCY NAME:			
AGENCY CODE:	H030	SECTION:	11

Service Learning Award. The Service Learning Award is part of the CHE’s on-going initiative to publicize statewide the service learning efforts of our colleges and universities and their students. In 2016-17, the Commission received 13 nominations for the award and selected one award winner: *Camp Catch Your Breath of the Midlands* nominated by Midlands Technical College.

Educator Preparation. The CHE works with the S.C. Department of Education to approve programs related to the preparation of teachers and other school professionals as well as on national initiatives through the Council of Chief State School Officers. The CHE oversees centers for educator recruitment, retention, advancement and professional development (including CERRA, Centers of Excellence and ITQ). Additionally, the CHE also partners with the State Higher Education Executive Officers (SHEEO) organization and private institutions to increase the number of African-American males pursuing education degrees.

Centers of Excellence. This is a competitive grants program conducted through CHE. Grantees establish a state-of-the art resource center in a specific area related to the improvement of teacher education. Through a five-year grant, Centers concentrate on assisting low-performing schools and districts by providing training and support to teachers in those schools and districts. Since the first Center of Excellence was funded in 1987, over 27 individual Centers have been funded across South Carolina. Six (6) Centers of Excellence remain active today.

Improving Teacher Quality (ITQ). CHE has been responsible for administering federal funds under a Title II program of The Elementary and Secondary Education Act. In 2001, the federal legislation was re-authorized under the No Child Left Behind Act (NCLB). The NCLB authorizes CHE to conduct a competitive awards program to provide support to increase student academic achievement through 18-month grants that are focused on: 1) improving teacher and principal quality; and 2) increasing the number of highly qualified teachers in the classroom and highly qualified principals and assistant principals in schools. With changes in federal programs, the final ITQ grants will close out in Fall 2018.

College and Career Readiness. The Commission’s commitment to a coordinated statewide system of economic development for South Carolina residents from PK-12 education to postsecondary education to workforce development (P-20W) is demonstrated through recent publications (since 2016) that are in process or distribution from state and national engagement include the following: (1) the S.C. Department of Education’s Educator Preparation Program Review and Guidelines, Personalized Learning, and the *Profile of the South Carolina Graduate* Competencies Stakeholder Workgroup; (2) the S.C. Department of Employment and Workforce’s (SCDEW) South Carolina Workforce Gap Analysis, Sector Partnerships, and Career Pathways development; (3) the joint CHE-SCDEW State Workforce Development Board study on employment and wages, (4) S.C. Technical College ACT score thresholds for transfer-level coursework (i.e., non- developmental/remedial) without additional testing; (5) the S.C. Department of Commerce Coordinating Council for Workforce Development and Data Sharing Committee in efforts to draft a governance bill for a Longitudinal Data System; and (6) the S.C. Education Oversight Committee’s Accountability Workgroup. During spring and summer 2018, CHE partnered with the EOC, SCDE, State Dept. of Commerce, the SC Arts Commission, and school district leaders to devise recommendations for the newly approved SC Every Student Succeeds Act (ESSA) plan’s assessment of statewide implementation of the Profile of the South Carolina Graduate. Discussions will continue to focus on valuating the breadth of the state’s demographic representation (rural, urban, suburban; Title I, college-bound; career-bound; race and ethnicity; and more), and the best means to measure students’ life and career preparedness characteristics, along with measures for college and career knowledge and skills.

Functions of Student Services Division

AGENCY NAME:			
AGENCY CODE:	H030	SECTION:	11

With over 118,000 students participating in the state scholarship and grant programs during the 2017-18 academic year, it is extremely important to provide up-to-date information to the constituents of the state. For FY 2017-18, staff held over 30 workshops, received over 5000+ phone calls, and thousands of emails regarding state scholarships, grants, residency, and college access programs.

Palmetto Fellows Scholarship (PF). The PF is the highest monetary scholarship awarded in the merit-based programs. Staff creates and disseminates the PF application, and receives student applications to determine academic eligibility. For FY 2017-18, CHE staff reviewed 3,696 new applications for PF eligibility, while 8,056 students participated in the program. Staff maintains all data, manages transfer requests, monitors students continued eligibility status, and updates the statewide database. Additionally, staff promulgates regulations and works with S.C. General Assembly to draft legislation on this scholarship program as well as the other scholarship programs.

LIFE and HOPE Scholarships. These are merit-based scholarships to residents attending eligible institutions in South Carolina. The LIFE scholarship can be used at two- and four-year institutions, while the HOPE Scholarship can be used at eligible four-year institutions only. Staff hosts annual trainings each year with institutional financial aid officers from around the state to ensure the program is implemented accurately at each institution. Staff works with school counseling personnel to train them on the scholarship requirements, and assists students, families and institutions with the eligibility questions or concerns. For the 2017-18 academic year, South Carolina institutions awarded \$107,034,351 in LIFE Scholarship funding to 39,775 eligible recipients, and awarded \$4,730,297 in HOPE Scholarship funding to 3,383 eligible recipients.

Lottery Tuition Assistance Program (LTAP). These funds are awarded to eligible students at two-year institutions. Staff works with the eligible institutions and students to ensure scholarship requirements are understood. For the 2017-18 academic year, South Carolina institutions awarded \$22,149,859 in LTAP funding to 28,820 eligible recipients. The LTAP also supports many high school students attempting college-level coursework through Dual Enrollment programs across the state.

Appeals. Students may file an appeal with CHE due to an extenuating circumstance to retain or regain the scholarship. Staff reviews documentation, calculates the student GPA and prepares a file for each submitted appeal. If there is a second appeal, staff prepares a formal case file for each individual student, provides training for appeal committee members, and presents the case file for review. For the 2017-18 academic year, CHE dispensed with 150 PF, LIFE and HOPE Scholarship appeals.

Need-Based Grant (NGB). The South Carolina NGB program provides funding for the state's neediest students. These funds are available for students attending eligible two- and four-year institutions in South Carolina. The award amount is up to \$2,500 per academic year, and is awarded based on the results of the Free Application for Federal Student Aid (FAFSA). Through a formulated calculation, CHE staff determines the award amount that each institution receives each year, while the Colleges & Universities determine the actual award amount the student may receive. The funding is awarded on a first come, first serve basis, based on the submission date of the completed FAFSA by the student. Students participating in eligible College Transition Programs (CTP), as well as eligible Foster Care Youth can receive additional South Carolina NGB funding. CHE Staff is responsible for working closely with the five CTPs, the S.C. Department of Social Services and higher education institutions to ensure appropriate awarding. For FY 2017-18, 28,379 students participated in the South Carolina NGB program, up from 27,411 students the previous year.

South Carolina National Guard College Assistance Program (CAP). The CAP provides financial assistance for eligible SC Air and Army National Guard members. Staff, in coordination with the South Carolina National

AGENCY NAME:			
AGENCY CODE:	H030	SECTION:	11

Guard and college and university representatives, maintains the CAP database to confirm and verify eligibility for CAP awards, processes invoices from eligible South Carolina colleges and universities, reviews each recipient for eligibility upon receipt of CAP invoices, and provides regulatory guidance regarding the program. For the 2017-18 academic year, 631 Air and Army Guard members were awarded CAP funds which exceeded \$2.2 million dollars.

College Goal South Carolina (College Goal). College Goal South Carolina (College Goal). College Goal provides an opportunity for students and guardians to receive free financial aid assistance while completing and submitting the Free Application for Federal Student Aid (FAFSA). Staff updates and administers the registration process for College Goal South Carolina events, through the SCCANGO.org website, designs promotional materials, recruits institutions as sites for College Goal, hosts meetings to provide training to institutions seeking to host, and develops manuals for students and families to use as guides through the financial aid process. The number of completed FAFSAs in South Carolina during the 2018 cycle was 34,025, which represented a 18% increase from the 28,812 submitted in the previous year. In 2018 College Goal events were hosted in 42 sites throughout South Carolina.

College Application Month South Carolina (CAM). The goal of CAM is to provide a forum for all South Carolina seniors to complete and file college applications. Staff perform similar activities as the College Goal program but with the focus on college applications instead of the FAFSA. In 2017, 231 high schools held College Application Month programs and 22,617 students received assistance completing over 41,902 applications to colleges throughout the state of South Carolina.

College Decision Day South Carolina. College Decision Day is a program that celebrates the college decision of a graduating high school senior. Staff recruits and provides support to high schools each year to host College Decision Day South Carolina events across South Carolina. From March to May 2018, 119 high schools hosted Decision Day programs in South Carolina.

Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP). This federal discretionary program provides over \$22 million to the state of South Carolina over a 7-year period and serves over 3,000 students within 22 middle schools and high schools along the I-95 corridor. Staff ensures the annual award of \$3.49 million is used appropriately by managing up to 40 GEAR UP personnel housed across the state, and by ensuring college and career readiness services are being provided to students at each school. In comparison to the class of 2015-2016, the GEAR UP students saw an increase of 14% in their graduation with an overall graduation rate of 97% in 2016-2017. A total of 1,676 GEAR UP students completed the FAFSA, which is a 20% higher FAFSA completion rate than the class of 2015-2016. A minimum of 22 college application and college goal events occurred in each GEAR UP school. The 2016-2017 FAFSA completion totals were the final numbers reported due to students enrolling in postsecondary education during the 2017-2018 school year. In 2017-2018, during YR 7 and the final year of the grant, the GEAR UP program partnered with over 20 Higher Education Institutions to provide intensive services to the GEAR UP students who matriculated to postsecondary education. The services provided to the GEAR UP students in their first year of college included 1) comprehensive mentoring; 2) academic counseling and advising; 3) financial aid counseling; 4) GEAR UP freshman orientation classes; 5) career workshops; 6) career exploration field trips; and; 6) academic tutoring.

State Approving Agency (SAA). For this federal contract, staff is responsible for approving and supervising education for GI Bill participants to include licensing and certification tests and training programs at colleges, universities, schools and training establishments in the state. As of April 2018, the estimated number of veterans/dependents receiving GI Bill benefits at educational institutions in South Carolina is 11,513. Staff also

AGENCY NAME:			
AGENCY CODE:	H030	SECTION:	11

conducts U.S. Department of Veterans Affairs (VA) Compliance Surveys to ensure both State and Federal criteria are met in accordance with the VA GI Bill program.

Functions of Fiscal Affairs Division

Agency Operations. The division is responsible for CHE’s financial and operational resources, which is currently approximately \$5 million for agency operations, with an additional \$355 million in pass through funds. This responsibility includes allocating and distributing various funds appropriated for higher education. Tasks include accounts payable and receivable, budget management, auditing lottery scholarship expenditures by institutions, grant management for two grants, and all other activities to ensure compliance with federal and state laws. Over 1,900 invoices, from a combination of direct costs but primarily in pass through funds to institutions and colleges, were reviewed and processed during the year, which totaled over \$352 million. Formal policies and procedures for internal processes were developed in FY 2016-17 to reduce risk and ensure adherence to established processes and best practices.

Data – CHEMIS. Data and accountability systems are hosted and maintained by CHE to ensure data is available to the public, policymakers and institutions. CHE facilitates institutional data submission as required by the U.S. Department of Education for purposes of the Federal Integrated Postsecondary Education Data System (IPEDS). In addition, data is provided for the SREB Data Exchange, Education Oversight Committee (EOC) reports, and ad hoc reporting. The data is used for research, responding to inquiries, and program administration requirements of the State, institutions, and agency.

Information Technology: CHE works in conjunction with The South Carolina Department of Administration, Division of Technology Operation (DTO) to ensure the security of information and privacy for data that our agency collects and is focused on ensuring adherence to the Family Educational Rights and Privacy Act (FERPA). Encryption and other forms of security have been adopted to minimize risk. The entire CHE staff completes annual Cyber Security Awareness, and InfoSec training.

Information Technology Initiatives: The South Carolina Commission on Higher Education (CHE) has completed the migration of its network to The Department of Administration, Division of Technology Operations (DTO). The migration has increased data security, increased the technology resources and mitigated risk. The CHE is working in coordination with DTO to ensure the highest level of security, data capacity and networking capabilities are utilized within the CHE’s networking infrastructure.

1. The CHE plans to upgrade the “Data Warehouse” to allow additional data sets to be collected. The upgrades will allow the CHE to implement the resources that are needed to upgrade our “Data Warehouse” to a universal platform which will allow the CHE to increase the state’s ability to harness the power of Institutional Data in the Higher Education decision making process.
2. CHE’S Network is undergoing applications and vulnerability scans in coordination with DTO and Deloitte.
3. The CHE is upgrading its copiers to ensures that all devices are secure and have the latest technology.
4. The CHE is currently rebuilding its application server to increase security, access and reporting of Institutional DATA.

AGENCY NAME:			
AGENCY CODE:	H030	SECTION:	11

Data – CHEMIS. Data and accountability systems are hosted and maintained by CHE to ensure data is available to the public, policymakers and institutions. CHE facilitates institutional data submission as required by the U.S. Department of Education for purposes of the Federal Integrated Postsecondary Education Data System (IPEDS). In addition, data is provided for the SREB Data Exchange, Education Oversight Committee (EOC) reports, and ad hoc reporting. The data is used for research, responding to inquiries, and program administration requirements of the State, institutions, and agency.

Capital Projects. CHE is statutorily tasked with reviewing and providing recommendations and comments on public higher education capital projects, leases and land purchases. A recommendation is forwarded to the JBRC and SFAA. Over 75 projects and 7 leases were reviewed and vetted in FY 2017-18. In addition, 61 permanent improvement projects were closed out. Staff reviews the A1 in comparison to the Statewide Permanent Improvement Reporting System (SPIRS) to ensure the expenditures are properly captured before closing the project out.

Financial Matrix/Dashboard. The financial matrix/dashboard was introduced in December 2016. The matrix/dashboard provides various indicators of an institution such as revenue, expenditures, and enrollment among other items and is based on institutions’ audited financial statements and other information submitted to the CHE by institutions. Institutions provide the matrix/dashboard and, based on the information available, CHE staff analyzes the information for use in evaluating the financial health and sustainability of institutions. The CHE has worked with the CFOs of the institutions to develop a list of relevant data for the institutions to submit to CHE to give a more reliable snapshot of the fiscal trends and sustainability of each institution. The outcome of these discussions was a proviso request last year, which was included in the Executive Budget and FY 2018-19 Appropriations Act passed by the Senate. The proviso was not included in either the FY 2018-19 Appropriations Act passed by the House or the final Act sent to the Governor. CHE will once again request inclusion of this proviso in the FY 2019-20 Appropriations Act.

Comprehensive Permanent Improvement Plan (CPIP). The CPIP includes all of an institution’s permanent improvement projects anticipated or proposed over the next five years. CHE is charged with prioritizing projects on the CPIP, and Year One projects are approved annually. For the FY 2017-18 CPIP, 16 projects in Year One were approved and 519 projects for Year One through Year Five were compiled.

Scholarships Compliance. Proviso 3.1 requires verification and audit by CHE for the expenditure of lottery funds. Per the proviso, institutions must be reviewed on a rotational schedule, not to exceed three years. That requires 18 institutions be reviewed in cycle one (FY 2018-19), 18 institutional in cycle two (FY 2019-2020), and 19 institutions in cycle three (FY 2020-21). Accordingly, a total of 18 compliance reviews were completed by CHE and six by an outside entity (in order to catch up on lagging audits) in FY 2017-18 that resulted in various recommendations, from improving procedures and records retention to return of funds for ineligible awards made.

Lottery Administration. Lottery funds are managed and distributed by CHE to each institution and college. These funds include the state’s Need-Based Grants, merit scholarship programs, and other types of student financial assistance. These disbursements totaled over \$311 million in FY 2017-18. Reconciliation and tracking of funds by institution level is maintained, and cash flow is optimized to ensure the timely receipt of lottery funds to the institutions. Through formulated calculations, the annual funding amount given to each institution is determined for the Need-Based Grants program. The lottery budget is continuously analyzed and forecasted to ensure adequate appropriations are allocated and available to the open-ended merit programs.

AGENCY NAME:		SECTION:	11
AGENCY CODE:	H030		

Higher Education Excellence Enhancement Program (HEEEP). One of the goals of HEEEP is to enhance excellence in higher education for low-income and educationally disadvantaged students. Funds are received from the lottery, and the eligibility of each institution is determined through a review PELL grant recipients and gender composition percentages of enrolled students. A contract is entered into and activity is monitored by CHE to ensure compliance of the contract. In FY 2018, audits of all nine of the eligible institutions were conducted. Although all were in compliance regarding their eligibility, there were reporting inconsistencies discovered with three institutions. CHE is currently working with these institutions to resolve those issues.

Reports. Published reports are completed annually to share data on higher education in SC. These reports include the Higher Education Statistical Abstract, Tuition and Fee Schedules, Grapevine survey, and reporting packages. These reports include statistics on enrollment, degrees awarded, faculty, tuition and fees, funding, and other factual data. CHE also conducted new research and published new reports on trends in higher education in the state including “Issues in Higher Education in South Carolina,” “Minority Enrollment Trends in South Carolina,” “Ten-Year South Carolina High School Graduate Enrollment Analysis,” “Inflation Comparison by Sector, S.C. vs. U.S.,” and “College Access and Affordability in South Carolina Based on Household Income.”

Risk Assessment and Mitigation Strategies

In 2015, the CHE performed a SWOT analysis and identified 164 unique statutory directives. Of these, 105 were assessed as “Green” – those where our existing resources allowed us to fully address the directive, 25 were assessed as “Yellow” – those where our existing resources allowed us to partially fulfill the directive, and 36 were assessed as “Red” – those where our existing resources did not permit us to address the directive or where the directive was no longer valid. Of the directives identified as not being fully met or not addressed at all or no longer valid, we identified 21 that could be deleted and 26 that could be amended (clarified). The remaining 14 were determined to be valid as written but could not be resourced within our existing budget.

Potential Negative Impacts. If the agency fails in accomplishing its goals and objectives, then the following potential negative impacts could arise:

- **Tuition Costs that are not Affordable.** By some measures South Carolina ranks first in tuition and fees at public colleges as a percentage of family income. Students are often unable to afford a four-year degree without taking on a high debt burden, which will potentially impact them for decades into the future. Compiling and analyzing comprehensive tuition comparisons across institutions provides transparency on tuition costs that allows active decisions for both the policymakers and students.
- **Course fees are not included in tuition costs.** These costs can be substantial but are not collected right now.
- **Capital Projects that do not fit in the Statewide Capital Improvement Plan**
- **Lack of Stability in the Higher Education System.** Financial stability of the system could be at risk if there is not a comprehensive review and monitoring of the factors affecting the financial health of institutions.
- **Decrease in Enrollments**
- **Inefficiencies in the Higher Education System.** Inefficiencies that manifest in duplication of academic programs.
- **Lack of Coordination of Postsecondary Efforts in Workforce Development that align with Needs of the Economy.** Adequate review and productivity monitoring of academic programs is necessary to ensure programs are producing and performing according to the purpose of the

AGENCY NAME:			
AGENCY CODE:	H030	SECTION:	11

programs and providing a workforce that is capable in succeeding in the global job market. Ultimately, this will lead to a workforce that is not qualified to meet the needs of the economy.

- **Financial Risks in Scholarship Program.** Over \$360M in lottery and scholarship funding is available for colleges and universities annually. Adequate monitoring and audit of these programs will ensure all appropriated funds are disbursed according state laws and regulations and that there is not fraud in these programs that puts the State in financial risk.

Support from the General Assembly in providing and maintaining sufficient financial resources to fulfill all statutory requirements will ensure negative impacts are minimized. Legislative and financial support in the areas of academic program review and productivity, financial monitoring, and scholarship auditing are critical to reducing any risk to the higher education system in South Carolina.

CHE provided a myriad of restructuring recommendations related to deletion or modification of existing statutes and provisos needed to provide clarity, best practices, and sustainability. These recommendations were summarized by legislative counsel to provide specifics needed to populate H.4833. The recommendations can be accessed [here](#).

19	59-101-190	State	Statute	The CHE must appoint five members to the Deans' Committee on Medical Education, one of whom must be a physician with experience in medical education, one of whom must be a representative of the business community, and three who are members of the Area Health Education Consortium medical education director's committee, who shall represent graduate medical education. The committee shall report to the CHE through the Committee on Academic Affairs. The CHE shall furnish adequate meeting space and professional and secretarial assistance for the committee.	Yes	Yes	Board, commission, or committee on which someone from our agency must/may serve	
20	59-101-210	State	Statute	A public institution of higher learning (excluding tech colleges) shall maintain a report of actual findings of violations of the institution's Conduct of Student Organizations by fraternity and sorority organizations, and shall submit a statement to the CHE within 14 days that the reports have been updated. The CHE shall place a link on its webpage to the institutions' updated reports.	No	Yes	Report our agency must/may provide	
21	59-101-340	State	Statute	25% of the funds appropriated by the General Assembly for the "Cutting Edge: Research Investment Initiative" must be allocated to the state's senior public colleges; if the number of quality proposals for funding does not require the full allocation, the balance must be distributed by the CHE to the state's public universities.	Yes	Yes	Distribute funding to another entity	
22	59-101-345	State	Statute	If equal division of appropriated funds between need-based grants and the Palmetto Fellows program exceeds the capacity to make awards in either program, the CHE has the authority to reallocate the remaining funds between the two programs. Public and independent institutions must give first priority for need-based grants to children and young adults in the custody of DSS and give the maximum allowable amount for that need-based grant; the CHE shall accept written verification from DSS that the child/young adult is in the custody of DSS.	Yes	Yes	Distribute funding to another entity	
23	59-101-350	State	Statute	The CHE shall submit an annual report to the Governor and the General Assembly, to be published prior to January 15th of each year. The CHE shall submit a draft to all public, post-secondary institutions and shall allow comment on the draft report. Each year, the four-year and two-year post-secondary institutions shall submit to the CHE data for inclusion in the report. Required data points are listed in statute. In the annual report, the CHE is required to report on the progress of institutions of higher education in implementing assessment programs, in their achievement of effectiveness goals, and on each institution's standard of achievement in regard to performance indicators for academic success listed in 59-103-30. The CHE shall cooperate with public, post-secondary institutions to develop a survey to determine alumni satisfaction. Information from the surveys must be included every two years in the annual report. The CHE shall make no funding decision, capital outlay decision, distribution or certification to any public, post-secondary institution that has not submitted the data required above. After discussion with the institutions, the CHE shall consult with the House Education and Public Works Committee and Senate Education Committee to develop the format for higher education reports described above.	Yes	Yes	Report our agency must/may provide

177	Proviso 1A.6. Part 1	State	Proviso	Of the funds appropriated for the Teacher Recruitment Program, the CHE shall distribute a total of 92% to the Center for Educator Recruitment, Retention, and Advancement (CERRA-South Carolina) for a state teacher recruitment program, of which at least 78% must be used for the Teaching Fellows Program specifically to provide scholarships for future teachers, and of which 22% must be used for other aspects of the state teacher recruitment program, including the Teacher Cadet Program and \$166,302 which must be used for specific programs to recruit minority teachers; and shall distribute 8% to SC State University to be used only for the operation of a minority teacher recruitment program and therefore shall not be used for the operation of their established general education programs. Working with districts with an absolute rating of At-Risk or Below Average, CERRA will provide shared initiatives to recruit and retain teachers to schools in these districts. CERRA will report annually by October 1 to the EOC and the Department of Education on the success of the recruitment and retention efforts in these schools. The CHE shall ensure that all funds are used to promote teacher recruitment on a statewide basis, shall ensure the continued coordination of efforts among the three teacher recruitment projects, shall review the use of funds and shall have prior program and budget approval. The SC State University program, in consultation with the CHE, shall extend beyond the geographic area it currently serves. Annually, the CHE shall evaluate the effectiveness of each of the teacher recruitment projects and shall report its findings and its program and budget recommendations to the House and Senate Education Committees, the State Board of Education and the Education Oversight Committee by October 1 annually, in a format agreed upon by the EOC and the Department of Education.	Yes	Yes	Distribute funding to another entity	
178	Proviso 1A.6. Part 2	State	Proviso	With the funds appropriated, CERRA shall also appoint and maintain the South Carolina Teacher Loan Advisory Committee. The Committee shall be composed of one member representing each of the following: (1) CHE; (2) State Board of Education; (3) EOC; (4) CERRA; (5) South Carolina Student Loan Corporation; (6) South Carolina Association of Student Financial Aid Administrators; (7) a local school district human resources officer; (8) a public higher education institution with an approved teacher education program; and (9) a private higher education institution with an approved teacher education program. The members of the committee representing the public and private higher education institutions shall rotate among those institutions and shall serve a two-year term on the committee. The committee must be staffed by CERRA, and shall meet at least twice annually. The committee's responsibilities are limited to: (1) establishing goals for the Teacher Loan Program; (2) facilitating communication among the cooperating agencies; (3) advocating for program participants; and (4) recommending policies and procedures necessary to promote and maintain the program.	Yes	No		
179	Proviso 1A.47	State	Proviso	CERRA must complete periodic evaluations of the institutions currently hosting a Teaching Fellows (TF) program and ensure that the TF programs at the current host institutions continue to meet the requirements for a TF program as set forth by the CERRA Board of Directors. Further, CERRA will continue implementing a long-range plan for approving additional TF programs at other public, four-year institutions who wish to be considered to host a TF program, provided the proposed programs meet the requirements set forth by the CERRA Board of Directors. CERRA will publish TF program criteria and requirements prominently on its website. Any institution who applies but is not selected to host a TF program will be informed in writing of the basis for the selection decision and be offered technical support if the institution elects to reapply. Any institution that applies but is not selected to host a TF program may appeal to the CHE.	Yes	No

190	Proviso 11.8.	State	Proviso	For the current academic year, youth in the custody of DSS and attending a higher education institution in South Carolina are eligible for additional need-based grants funding of up to \$2,000 above the \$2,500 maximum. Foster youth must apply for these funds no later than May 1 of the preceding year. All other grants, both state and federal, for which these foster youth are eligible must be applied first to the cost of attendance prior to using the additional need-based grant funding. If the cost of attendance for a foster youth is met with other grants and scholarships, then no additional need-based grant may be used. DSS, in cooperation with the CHE will track the numbers of recipients of this additional need-based grant to determine its effectiveness in encouraging more foster youth to pursue a secondary education. No more than \$100,000 may be expended from currently appropriated need-based grants funding for this additional assistance.	Yes	Yes	Other service or product our agency must/may provide	Specific need-based scholarship qualifications
191	Proviso 11.9.	State	Proviso	For the current FY, the age limitation for those children of certain war veterans who may be admitted to any state-supported college, university, or post high school technical education institution free of tuition is suspended for eligible children that successfully appeal the Division of Veterans Affairs on the grounds of a serious extenuating health condition.	No	No		
192	Proviso 11.10.	State	Proviso	In the current FY before fall awards are made, to continue eligibility for LIFE and Palmetto Fellows Enhancement Stipends, students shall certify and the institutions shall verify that the student is meeting all requirements as stipulated by the policies established by the institution and the academic department to be enrolled as a declared major in an eligible program and is making academic progress toward completion of the student's declared eligible major. These determinations are subject to the verification and audit of the CHE. Institutions shall return funds determined to have been awarded to ineligible students.
