**Fiscal Year 2018–2019  
Accountability Report**

---

**SUBMISSION FORM**

<b>AGENCY MISSION</b>	The mission and purpose of the State Fiscal Accountability Authority is to provide fiscal oversight for the State of South Carolina and to meet the needs of the public sector by delivering quality, cost-effective insurance, procurement, and engineering services.
-----------------------	--

<b>AGENCY VISION</b>	To be known as an Agency that is responsive, provides exceptional customer service, and delivers products at an outstanding value.
----------------------	--

Does the agency have any major or minor recommendations (internal or external) that would allow the agency to operate more effectively and efficiently?

	Yes	No
<b>RESTRUCTURING RECOMMENDATIONS:</b>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Is the agency in compliance with S.C. Code Ann. § 2-1-230, which requires submission of certain reports to the Legislative Services Agency for publication online and the State Library? See also S.C. Code Ann. § 60-2-30.

	Yes	No
<b>REPORT SUBMISSION COMPLIANCE:</b>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

<b>AGENCY NAME:</b>	<b>State Fiscal Accountability Authority</b>		
<b>AGENCY CODE:</b>	<b>E550</b>	<b>SECTION:</b>	<b>104</b>

Is the agency in compliance with various requirements to transfer its records, including electronic ones, to the Department of Archives and History? See the Public Records Act (S.C. Code Ann. § 30-1-10 through 30-1-180) and the South Carolina Uniform Electronic Transactions Act (S.C. Code Ann. § 26-6-10 through 26-10-210).

<b>RECORDS MANAGEMENT COMPLIANCE:</b>	<b>Yes</b>	<b>No</b>
	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Is the agency in compliance with S.C. Code Ann. § 1-23-120(J), which requires an agency to conduct a formal review of its regulations every five years?

<b>REGULATION REVIEW:</b>	<b>Yes</b>	<b>No</b>
	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Please identify your agency's preferred contacts for this year's accountability report.

## AGENCY’S DISCUSSION AND ANALYSIS

In FY 2018-2019, the State Fiscal Accountability Authority (“SFAA” or the “Agency”) launched a number of initiatives designed to enhance its ability to provide fiscal oversight for the State of South Carolina and meet the needs of the public sector by delivering quality, cost-effective insurance, procurement, and engineering services, while simultaneously providing professional development growth opportunities for employees. A new monthly newsletter for procurement and engineering professionals, in-person forums and training opportunities for insurance and procurement professionals, offering agencies an opportunity to protect sensitive data with cyber liability insurance, and electronically archiving historical records from the Authority and prior Board, are a few examples of how SFAA continued to carry out its four-year old mission and vision. Additional accomplishments reflected in this Report further demonstrate the hard work and commitment to excellence of SFAA’s staff and leadership.

Established by the Restructuring Act of 2014, Act 121, SFAA is comprised of the Insurance Reserve Fund Division (IRF) and the Division of Procurement Services (DPS). The Agency is governed by a five-member Authority consisting of: the Governor, the Treasurer, the Comptroller General, the Chairman of the Senate Finance Committee, and the Chairman of the House Ways and Means Committee, all of whom serve ex-officio. Administrative and operational functions of the Agency are led by Executive Director Grant Gillespie, who was appointed by the Authority on December 15, 2015.

### Organization Chart

#### STATE FISCAL ACCOUNTABILITY AUTHORITY

July 2019

<b>AGENCY NAME:</b>	<b>State Fiscal Accountability Authority</b>		
<b>AGENCY CODE:</b>	<b>E550</b>	<b>SECTION:</b>	<b>104</b>

## Core Values and Organizational Culture

The Core Values listed below support the Vision, shape the culture, and reflect the actions of SFAA.

- Ethical—Honesty, Fairness, Integrity, Respect, and Loyalty
- Accountability—Leadership, Responsibility, and Transparency
- Professionalism—Committed and well-trained Workforce
- Quality Customer Service—Exceptional and Responsive
- Innovation—Adaptable and Proactive

The Agency continues to foster a positive work environment for its employees, encouraging innovative ideas and productive teamwork. The dedicated staff is responsive and committed to serving the needs of our customers.

## Major Achievements During Fiscal Year 2018-19

### Division of Procurement Services (DPS)

The Division of Procurement Services (DPS) includes four operational sections — Office of State Procurement (OSP), Office of the State Engineer (OSE), Audit and Certification, and Business Operations and Strategic Planning.

In 2018, DPS developed new mission and vision statements for the Division entitled “A<sup>3</sup>” which stands for:

-  **Acquire** — We provide efficient, innovative, and responsive services to acquire information technology, construction, and goods and services through effective broad-based competition.
-  **Administer** — We provide guidance and oversight to promote integrity, ethical behavior, and increased public confidence in the acquisition process.
-  **Advise** — We provide training and advice to ensure compliance with law, policies and practices.

Guided by the A<sup>3</sup> principals, DPS continued to expand upon the services offered thereby improving the experience for the state’s procurement and engineering professionals. The following highlights some of the accomplishments achieved by DPS:

### 1. Office of State Procurement (OSP)

#### A. Legislative Changes to the SC Procurement Code

- Drafted and submitted proposed legislative changes to the SC Procurement Code, in conjunction with the Office of General Counsel, that resulted in the passage of 2019 Act 41.
- Began drafting proposed interim and permanent Procurement Regulations necessitated by the passage of 2019 Act 41, in conjunction with the Office of General Counsel.
- Developed a training schedule for procurement professionals regarding the changes 2019 Act 41 made to the Procurement Code and started presenting a series of webinars on June 25, 2019.

<b>AGENCY NAME:</b>	<b>State Fiscal Accountability Authority</b>		
<b>AGENCY CODE:</b>	<b>E550</b>	<b>SECTION:</b>	<b>104</b>

**B. Contract Management and Assistance**

- In FY 2018-19, the contract results provided by OSP are as follows:

Total Contracts Awarded		State Term Contracts		Agency Contracts	
807	\$1.72 Billion	393	\$1.02 Billion	414	\$0.69 Billion

- OSP established new State Term Contracts for Body Cameras/In car Video & SAA Storage, Mobile Device Protection Plan, Idera Software, and Automated External Defibrillators, to name a few. Also established new multi-agency/shared services contracts for Cloud Computing Services and Cyber Liability Insurance Brokerage Services.
- Collaborated with agencies to establish critical contracts including: Voting System Solution for SC Election Commission, IT Professional Services for Department of Administration, Dining Services for Winthrop University, GPS Monitoring Services for DJJ, SCDC and SCPPP, and Traffic Counting Services for the Department of Transportation.
- The State realized contractual savings due to strategies designed to reduce the budgetary impacts for state agencies and local governments allowing for greater return on investment. The State realized the following savings through cost avoidance strategies and negotiated savings:

Categories	Totals
Cost Avoidance Savings	\$15 million
Negotiated Savings	\$50.3 million
<b>Total Savings</b>	<b>\$65.3 million</b>

- In addition to the savings listed above, OSP also provided reverse auction services to agencies to drive down pricing in certain commodities which resulted in annual savings of \$2.36 million.

**2. Office of State Engineer (OSE)**

OSE’s primary role is to assist state agencies in acquiring construction services in the manner best suited to the agency’s needs. OSE is responsible to assure that all such acquisitions comply with state law. The State Engineer, as the Building Official and Deputy State Fire Marshal for construction of state buildings and facilities, is responsible for enforcement of all applicable building and fire codes. In addition, OSE serves as the administrator of the State-level Floodplain Management Program for State lands.

In FY 2018-19, OSE provided the following services:

Services Provided	Totals
Architectural/Engineering Approved Contract Awards	191
Construction Contracts and Contract Change Orders	130
Permanent Improvement Projects for Agencies	169
Building Permits	106
Certificates of Occupancy	73
Flood Permits	24

<b>AGENCY NAME:</b>	<b>State Fiscal Accountability Authority</b>		
<b>AGENCY CODE:</b>	<b>E550</b>	<b>SECTION:</b>	<b>104</b>

- OSE modified the Manual for Planning and Execution of State Permanent Improvements due to the passage of S530 (Act 41) in May 2019, that changed the SC Consolidated Procurement Code. New construction processes were quickly implemented and made available for agencies to use.
- In conjunction with SFAA-IT, continued development and implementation of an enterprise state-wide application that will allow the automation of forms and workflow for construction projects for all state agencies.
- OSE provided assistance to agencies during the construction of state facilities. Two of the largest state projects currently under construction are the Clemson Business School (\$87 M) and the State Veterans Nursing Homes in the Northeast and Northwest (\$60 M each).

### 3. Audit and Certification

Audit and Certification is responsible for conducting periodic audits of each agency's procurement operations to determine compliance with the South Carolina Procurement Code and regulations.

A. Audit status: Conducted audits and published reports of 14 agencies in FY 2018-19.

B. Statutorily required reports:

- Compiled six statewide quarterly reports based upon information received from all state governmental bodies for the following procurement types: Sole Source; Emergency; Trade-in Sale; Unauthorized; Ten Percent Rule; and Applied Preferences.
- Annual reports were prepared of sole source, emergency, and unauthorized procurements and presented to the State Fiscal Accountability Authority.

### 4. Launched *DisPatcheS* Newsletter

- Created new newsletter as a platform for information exchange between DPS and the South Carolina governmental procurement community.
- Published and distributed 10 editions to more than 1,300 recipients with a link to current and past editions on DPS's website.

### 5. Developed State-Wide Road Show Outreach

- Conducted Road Shows in four geographic regions of the state for 264 registrations in order to allow the DPS leadership team to provide information about who we are, services that we provide, explain recent department restructuring changes and solicit input about how DPS can better serve State Agencies, School Districts, and political subdivisions.

### 6. Increased training and professional development opportunities.

- Updated and lengthened all courses to be consistent with recommendations from consultant to make training more relevant and timely.
- Provided unique training and development offerings for 709 attendees of Materials Management courses and 264 attendees of OSE courses.
- Provided a 2-day negotiation training to all Procurement Managers.

<b>AGENCY NAME:</b>	<b>State Fiscal Accountability Authority</b>		
<b>AGENCY CODE:</b>	<b>E550</b>	<b>SECTION:</b>	<b>104</b>

**7. Provided emergency support for Hurricane Florence**

- OSE personnel staffed the Emergency Support Function – Public Works & Engineering in the State Emergency Operations Center during and after Hurricane Florence for 24 hours per day for 7 days.
- Sixteen OSP employees provided approximately 473.33 hours of support to Emergency Operations (ESF-7).

**8. Continued development of eCatalog Procurement Solution Project**

- Continued research, information, and requirements gathering to pre-RFP stages of eCatalog solution.
- Continued partnership engagement with SCEIS team and the Department of Administration to interface and implement the eCatalog system.

**Insurance Reserve Fund Division (IRF)**

The Insurance Reserve Fund (IRF) is a self-insurance mechanism operated by the State of South Carolina providing insurance to governmental entities at the lowest possible cost. All State agencies must purchase their insurance through the IRF and participation is optional for local governments. The Mission of the IRF is to provide property and liability insurance products that meet the needs of its governmental customers in a financially secure and responsible manner. The Insurance Reserve Fund currently insures more than \$40 billion in property values for State and local government entities. Some accomplishments achieved by the IRF in FY 2018-19 include the following:

**1. Effectively implemented the IRF Catastrophic (CAT) Plan to handle two catastrophic events**

- For the fourth consecutive year, the State experienced natural catastrophes with Hurricane Florence in September 2018 and Hurricane Michael in October 2018.
  - Hurricane Florence (estimated incurred loss of \$11.4 million) involved 73 claims with 1,054 individually insured segments. The IRF continues to process claims from Hurricane Florence.
  - Hurricane Michael (estimated incurred loss of \$300,000) involved 16 claims with multiple segments of damage and those claims are also still being processed.
- In February 2019, the IRF closed the last claims relating to Hurricane Matthew (\$25.4 million paid by IRF and \$15.4 million was recovered through reinsurance) and Hurricane Irma (\$4.3 million paid by IRF).

**2. Renewed property reinsurance to limit losses**

IRF successfully renewed its property reinsurance buying capacity for a 100-year storm at its existing Self Insured Retention despite the IRF seeking significant reimbursements from the reinsurance markets in recent years due to catastrophic losses. This accomplishment is attributable to:

- The property reinsurance markets’ positive view of the IRF’s claim handling of recent catastrophic events which included weekly telephone conferences with reinsurance market adjusters and transparency in handling of claims;
- The strong insurance to value data IRF provides to the markets;
- Ongoing building valuation and appraisal contract work; and,
- The opportunity for IRF staff to meet face to face with London, Bermuda, and Domestic reinsurance markets in Charleston, SC.

<b>AGENCY NAME:</b>	<b>State Fiscal Accountability Authority</b>		
<b>AGENCY CODE:</b>	<b>E550</b>	<b>SECTION:</b>	<b>104</b>

**3. Ensured financial stability of the Fund**

The IRF addressed the need to maintain actuarially adequate rates to provide long term financial stability of the Fund by implementing a statewide rate increase for multiple lines of insurance. IRF completed customer outreach to provide alternatives to customers to minimize the impact of the rate increase on insureds’ budgets.

**4. Continued efficient management of the Second Injury Fund (SIF)**

- In conjunction with SFAA-IT, the IRF implemented a solution with a vendor for a new medical repricing database and application for the Second Injury Fund. The updated platform provides a more secure application and provides SIF with a tool to determine the accuracy of claims for reimbursement.
- Secured the bi-annual review of the SIF, in compliance with the Second Injury Fund Closure Plan, which determined the plan has adequate funds available to pay remaining claims.

**5. Received positive examination of operations**

The independent audit of the IRF Financial Statements was issued with an unmodified opinion by the independent auditors, with no control or compliance issues noted.

**6. Hosted training events to enhance the State’s Risk Management Practices**

- Risk Management Seminars in Spartanburg, Columbia, and Summerville on Boiler Safety Training providing education related to safe boiler operation and maintenance procedures.
- Seminar for IRF Ocean Marine policyholders addressing Maritime law, why protection and indemnity (P&I) is necessary, and how P&I differs from your Tort Liability Policy.
- Held meetings for insureds participating in the IRF Aviation Program to launch a new Drone program, as well as a present on risk management and an announce that a new three year guaranteed rate had been secured. This newly negotiated rate retained the profit sharing incentives for good loss experience.

**Agency-Wide**

**1. Management of activity related to the five-member Authority**

**A. Authority Meeting and Agenda Process**

The Authority held eight meetings during Fiscal Year 2018-19. Staff held agenda review meetings with internal and external staff and others, as needed, to develop the meeting agenda and address any matters prior to each meeting.

**B. Authority Records Archiving**

In collaboration with the SC Department of Archives and History, the Agency undertook a project to scan historical agendas and meeting documents from the Authority and its predecessor Board, and to convert the documents into formats that can be searched and retrieved by the public through the SC Department of Archives and History website.

**C. Coordination with Authority Members**

The Agency responded promptly to our members’ offices about pending and potential agenda items, such as procurement audits, major leases, composite bank accounts, and management and assignment of bond counsel.

<b>AGENCY NAME:</b>	<b>State Fiscal Accountability Authority</b>		
<b>AGENCY CODE:</b>	<b>E550</b>	<b>SECTION:</b>	<b>104</b>

**2. Assistance to Agency Head Salary Commission (AHSC)**

SFAA continued to provide staffing support and administrative functions for the Agency Head Salary Commission which primarily administers the agency head performance process.

**3. Strengthened operations through process improvements, cost-saving measures, and compliance with applicable laws.**

A. Implementation of Information Security and Privacy, required by Provisos 93.20 and 117.112:

- The SFAA InfoSec and Privacy Policy Team met monthly to review and when needed develop Agency policy and procedures to protect information privacy and improve electronic security. The Team made substantial progress in past years regarding procedure finalization, publication, and gap remediation. As of June 2019, approximately 95% of the procedures were completed or are in process.

B. Information Technology improvements and cost-savings realization

SFAA-IT promoted efficiencies by completing a number of projects, including:

- Purchased Cyber Liability Insurance Coverage under the state’s new cyber insurance broker contract in order to protect SFAA from risk exposure for losses due to data breaches, unlawful electronic security breaches, fraud and related financial losses.
- SFAA-IT was able to enhance the business operations and improve efficiencies with an in-house team on previously mentioned projects such as the new OSE system.

C. Provided Updated In-house Purchasing Card Training (P-Card)

Provided P-Card Training for SFAA staff members on topics such as: Agency Roles and Responsibilities; Use of the P-Card, including allowable and prohibited purchases; Program Compliance and Internal Controls. In addition, the training included a Checklist of Questions for use during a P-Card Transaction and a list of applicable P-Card Resources, which can promote effectiveness and efficiencies.

D. SFAA workforce opportunities

- Implemented mandatory Driver Training for all SFAA employees to ensure consistent, accurate, and documented tracking of Driver Training status for all SFAA employees.
- The New Hire Assimilation process was expanded to include 30-Day and 60-Day follow-up assessments with the Office of Human Resources. These assessments build confidence in new employees that their job satisfaction is an agency priority, and allows the agency to gain first hand feedback from new hires in areas such as overall job satisfaction.

**4. Implemented Strategic Planning Initiatives**

A. Captured and documented SFAA business process functions

Substantial development of the mapping and documentation of business processes of the Authority in its roles as State Fiscal Oversight, the Agency Head Salary Commission and the Office of Finance.

B. Conducted bi-weekly Management meetings

The Senior Management team met on a bi-weekly basis to determine progress toward Agency goals and objectives.

<b>AGENCY NAME:</b>	<b>State Fiscal Accountability Authority</b>		
<b>AGENCY CODE:</b>	<b>E550</b>	<b>SECTION:</b>	<b>104</b>

C. Continued external communication plan

SFAA continued to carry out its communication initiative to let customers know who we are and services we provide. Road Shows were held throughout the State by DPS and Director Gillespie presented the new cyber liability insurance coverage option at the Cabinet Agencies meeting.

D. Strategic Planning Retreat

The SFAA Management Team held a strategic planning retreat in May 2019 to establish goals and plans for the Agency in the upcoming year.

**Risk Assessment and Mitigation Strategies**

A. Provide cost-effective property and liability insurance (Strategic Plan Goal No. 2)

- Potential Most Negative Impact — if this goal is not accomplished:

The IRF is challenged in the areas of staffing and continuity of service resulting from retirements and loss of staff due to competitive salary pressure.

There is an ongoing financial threat to the Fund due to catastrophic weather events in four consecutive years, loss of insureds and/or the risk of adverse selection triggered by rate increases, the increasing cost of claims settlements and litigation costs, changes to the reinsurance market that reduces the amount of available insurance and resultant rising property reinsurance costs, and declining investment income. This threat has been somewhat mitigated by the recent approval and implementation of rate changes, but also creates an additional challenge in the phasing in of the rates over a multi-year time span, which slows the positive impact of the increased income.

- Outside Help to Mitigate Impact

Request assistance from private insurance carriers; however, the cost may be prohibitive.

B. Provide innovative, cost effective and proactive acquisition services (Strategic Plan Goal No. 5)

- Potential Most Negative Impact — if this goal is not accomplished

Without a coordinated program dedicated to lowering costs by leveraging the State’s collective buying power, the State should expect to pay more for goods and services. In addition, there would be increased risk of poor performance and contract claims due to lack of statewide training and supported efforts and decreased transparency and accountability across the State’s acquisition system.

- Outside Help to Mitigate Impact

Request assistance from professional consulting firms, procurement trade groups and interstate linkages.

C. Options for General Assembly to Help Resolve Prior to Crisis:

- Continued support for improvements and performance demonstrated by these programs of SFAA.
