AGENCY’S DISCUSSION AND ANALYSIS

Vision

The South Carolina Military Department will be a premier organization of diverse Soldiers, Airmen, and Civilians who are Ready, Relevant, Resilient, and Responsible to our Communities, State, and Nation in time of need—led by Competent, Capable, Caring, and Professional (C3P) leaders.

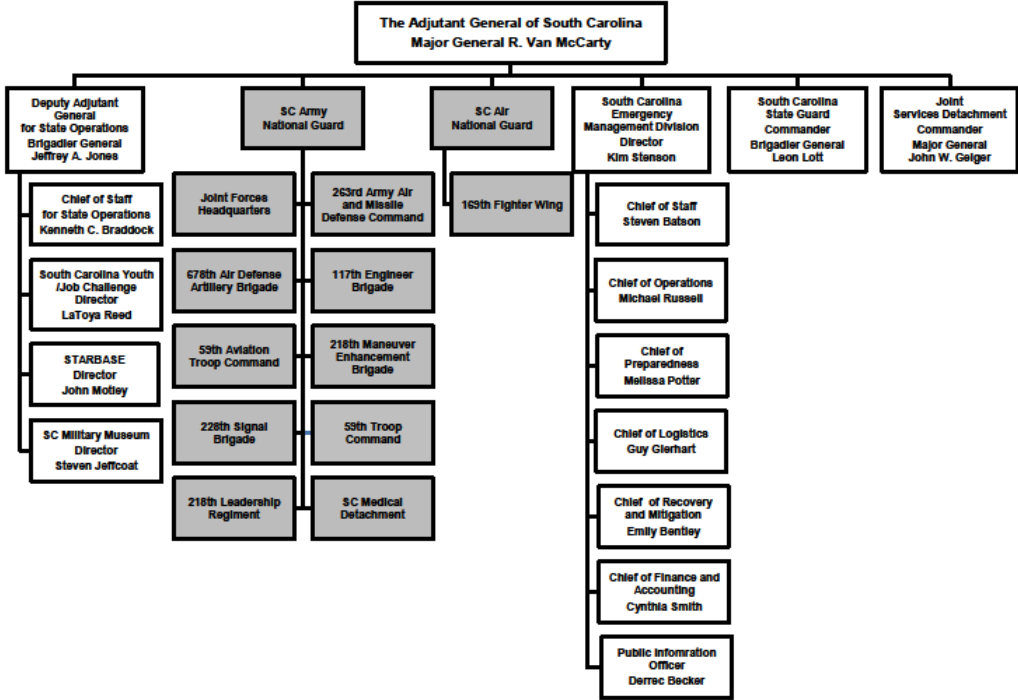

Values

- We believe in a climate built on trust, integrity, and selfless service, therefore we will empower agile and adaptive leaders to create a transparent environment of dignity and respect through the fostering of cohesive teams, shared understanding, and bold action.
- We believe we have a sacred obligation to uphold the reputation of those who came before us, therefore, we will build a culture that embodies the ideals of our military service and the values of our South Carolina roots to deploy, defend, and serve those who are unwilling or unable.
- We believe innovation and partnerships are key to building agile and adaptive forces, therefore, we will encourage and empower all levels of our workforce to improve the processes entrusted to them.

Goals

The guiding principles of the Office of the Adjutant General and S.C. Military Department are to promote a cohesive, disciplined, and resilient organizational culture, where our people are trained, knowledgeable, and mentor each other in a positive, supportive environment; maintain trained and ready forces for the defense of our country and emergency support of our communities by investing in innovative individual and collective training opportunities and world-class facilities; and strengthen and leverage current relationships while identifying opportunities for mutually beneficial partnerships to maximize future competitiveness. The agency continued to meet these goals in FY 19-20, both in terms of overall-mission readiness and service to the citizens of South Carolina. Aligned with its strategic plan, Palmetto Horizon 2018-2023, the S.C. Military Department continued working toward the achievement of the organization’s strategic goals:

- (1) Maintain and grow relevant force structure in the South Carolina National Guard
- (2) Establish a consolidated joint, interagency, intergovernmental, multinational Emergency Operations Center concept of operations
- (3) Provide for the safety, health, and wellbeing of the citizens, residents, and visitors of the State of South Carolina

A. Risk Assessment and Mitigation Strategies:

As it pertains to The State of South Carolina, the most significant negative impacts on the State and the public would occur if the Office of the Adjutant General failed in its responsibilities for the provision of emergency coordination and support. The main concerns are the ability to execute early or timely alerts and warnings, and the risk of complex disasters either exceeding or exhausting the Agency's and State's resources or capabilities.

In the area of alerts and warnings, the Agency is dependent on State and Federal agencies, counties, and external organizations to collect and provide timely information and alerts to the State for dissemination and decision-making. Short or no-notice events (e.g., earthquakes, train wrecks, chemical spills, etc.) could initially result in a slower, less coordinated response. In addition, delays or reluctance in decision-making at the local, county, State or Federal levels would negatively impact the Agency's (and State's) ability to provide timely and effective response and support. The Agency continues to mitigate this challenge by utilizing multiple strategies. State-level exercises and drills incorporate exercising alert and warning systems, as well as working to incorporate county and State agencies and leadership into the decision-making aspects of the exercises. SC Emergency Management Division (SCEMD) continues to exercise and validate their communications and alert and warning systems with the counties, State and Federal agencies. SCEMD continues to expand its use of social media, to include The South Carolina Emergency Manager Mobile App, and established media channels to message and inform the public to provide the public with the latest emergency information and assist in their emergency preparations. Additionally, after action improvement planning done following each major disaster declaration enables the Agency (and State) to improve alert and warning capabilities.

The State Emergency Operations Center (SEOC) is the State's coordination center for response and initial recovery actions for disasters or multi-county events, and for coordinating National Guard support to State agencies and counties after all other avenues have been exhausted. In the event of an extremely large or complex event, there is the potential for the resource requirements or length of response actions to exhaust both SEOC and National Guard personnel and resources, or to require resources exceeding the Agency's ability or availability. The Agency utilizes multiple, established, and well exercised strategies to mitigate this challenge. FEMA can provide access to Federal resources to assist the State once it has exhausted its resources. In addition, through the Emergency Management Assistance Compact (EMAC), the State and the National Guard can receive or send state-to-state assistance. Most recently, the Agency utilized these methods during responses to Hurricanes Florence and Irma, and numerous EMAC responses to other states. The State's response to the COVID-19 pandemic did not involve EMAC resources since the entire Nation was impacted simultaneously; however, this could impact the State's ability to acquire resources for the 2020 hurricane season.

In response to these areas, the Agency recommends the Legislature take action in three areas:

- Ensure the State Emergency Management Program is adequately funded. There is a potential for additional State fiscal support for emergency management programs in the event there is a decrease in Federal funding. Federal Emergency Management Program Grants (EMPG) currently funds almost 50% of SCEMD's budget. SCEMD passes at least 1/2 of the EMPG Program grant funds through to county programs through which the counties receive grant allocations ranging from \$56,270 to \$92,289. In the recent past, the President's annual budgets have proposed a 20% cut in EMPG funding which would equate to greater than a \$1 Million reduction in funding to SC. This would result in an average reduction in grants of more than \$12,000 per county. Reductions could eliminate or reduce county Community Emergency Response Team funding, restrict travel, exercises and training, and eliminate selected FTEs. Recent major disasters clearly show the need for a strong, robust State and local level emergency management system.
- Be prepared to provide financial assistance to counties and State agencies in the event Federal funding is not available. An event whose size or level of damage does not meet the threshold for a Federal declaration has the potential to have significant physical and financial impacts on county and local governments, and State Agencies' budgets. In addition, indications from FEMA demonstrate that the Federal government is moving toward reduced disaster funding and reduced Federal matching for future events. Neither the counties nor State agencies are in the position to absorb the increased costs.
- Promote and support county emergency management agencies and State agencies participation in State-level drills and exercises in order to exercise communications and decision-making systems, and increase and reinforce familiarity with emergency management systems and processes.

B. Restructuring Recommendations: None

Agency Personnel Strength

As of 30 June 2019, the Agency’s State Operations had 520 State employees. In addition, the SC State Guard has 863 volunteer members on its rolls and the Joint Services Detachment has 30 volunteer members.

The South Carolina National Guard (SCNG) was at 96.1% of authorized strength with 10,761 Service Members. The South Carolina Army National Guard (SCARNG) was authorized 9,414 Soldiers with 9,107 assigned (99.6%), and the South Carolina Air National Guard (SCANG) was authorized 1,347 Airmen with 1,231 assigned (92%).

South Carolina Emergency Management Division

SCEMD served as the State Coordinating entity for response and recovery from Hurricane Dorian, April 202 Severe Weather/Tornados and the on-going response to COVID-19. While recovery and mitigation program staff addressed short, intermediate and long-term needs, SCEMD continues to prepare for the next challenge, especially in light of COVID19. SCEMD continues to assist and process eligible reimbursements under the Stafford Act in support of on-going recovery operations from the 2015 Severe Flood, 2016 Hurricane Matthew and Pinnacle Mountain Wildfire, 2017 Hurricane Irma, 2020 February Severe Weather, and the 2020 April Tornadoes.

- **Hurricane Dorian**

On August 31, 2019, the Governor declared a State of Emergency. SCEMD established daily county conference calls, initiated contracts supporting evacuation plans and staging efforts, and began processing resource and EMAC requests. Hurricane Dorian had previously impacted the Bahamas as a Category 5 hurricane with maximum sustained winds of 185 mph which resulting in at least 50 fatalities and catastrophic infrastructure damage. Dorian moved west and then turned north paralleling the Florida and Georgia coastlines. The Governor ordered the evacuation of threatened zones in all eight coastal counties. From 4-5 September, Dorian weakened slightly while remaining close to the SC coast without making landfall. The entire SC coastal area experienced high winds and heavy rain while some areas also experienced storm surge and localized flooding. However, the State was spared from catastrophic damage.

- **COVID-19**

On March 13, 2020, the Governor declared a State of Emergency in response to the spread of COVID-19. The SEOC increased readiness level to OPGON 2 and began seven-day a week operations with the primary focus on sourcing of PPE and contingency planning for medical surge at healthcare facilities. With response operations are still ongoing, this incident represents SC’s longest activation with a record number of requests (over 3,300 on 7/24/2020) for logistical support. Cost estimates for State and local governments and eligible private non-profits’ emergency protective measures currently exceed \$174 Million while total Federal aid exceeds several \$Billion for various Agencies

- **April Severe Weather Event**

During the night of April 12 and into the morning of April 13, several severe storms impacted SC generating at least 28 tornadoes in the State. Local coroners confirmed nine storm-related fatalities in four counties, and there were 290,000 customers statewide without power. More than 1,500 homes were damaged, over 200 destroyed and over 200 with major damage. The SEOC, already activated for COVID-19, supported the response and recovery effort. The President approved a major disaster declaration for Individual Assistance for 9 counties totaling almost \$5 Million in Federal support. Eight counties, with damages totaling over \$28.7 Million, received a Public Assistance declaration to assist eligible governments and private non-profits.

- **Additional 2018-2019 SCEMD Highlights:**

- Monitored all tropical cyclone activity to include 18 named storms in the Atlantic Basin during the 2019 Hurricane Season, and provided updates to counties and State Agencies.
- During response operations for Hurricane Dorian, SCEMD coordinated a total of 6 EMAC assistance missions to the State from Texas, West Virginia, Kentucky, Louisiana, Tennessee and Indiana. These EMAC deployments provided Search and Rescue assistance during the coastal response operation.
- SCEMD represented the State as the FEMA Region IV EMAC Lead State. In this role, SCEMD served on the EMAC National Executive Task Force and coordinated multi-state support and exercises. SCEMD rotated out of this two-year mission in March 2020.
- Assisted applicants and processed eligible reimbursements under the Stafford Act in support of on-going recovery operations from the 2014 Ice Storm (now closed), 2015 Severe Flood, 2016 Hurricane Matthew and Pinnacle Mountain Wildfire, 2017 Hurricane Irma, 2018 Hurricane Florence and 2019 Hurricane

Dorian. Since 2014, SCEMD has processed over \$1 Billion in eligible infrastructure damage claims and mitigation actions.

- Assisted in implementing FEMA’s Individual Assistance (IA) Program which provided over 1,000 eligible South Carolinians with almost \$5 Million to assist with basic recovery after the April 2019 tornadoes.
- Processed more than \$22 Million in mitigation project reimbursements. The Mitigation Staff supported municipal, county, and State Agencies in developing of 50 Hazard Mitigation Projects for future funding associated with Hurricane Florence and 9 approved Pre-Disaster Mitigation Program projects. The Mitigation planning team supported the review and approval of 5 local hazard mitigation plans resulting in 100% Mitigation Plan coverage across the State for the first time in over 5 years.
- Conducted planning workshops with Federal, State, local, tribal, and non-governmental agencies to enhance planning and support for the SC Emergency Operations Plan, and updated 11 other comprehensive plans.
- Along with partner State agencies, affected counties and the State Emergency Response Team (SERT), coordinated and conducted FEMA evaluated Radiological Emergency Preparedness exercises with the V.C. Summer Nuclear Station as well as two medical service drills with Lexington Medical Center and Darlington Carolina Pines. State Agencies, counties and the SERT also began planning future exercises for Catawba and Oconee Nuclear Stations and Vogtle Electric Generating Plant.
- Due to impact of COVID-19, SCEMD was only able to coordinate and present 42 training events for more than 1,435 personnel, and developed, coordinated and/or participated in 73 exercises involving more than 1,820 participants.
- Coordinated the State’s participation in the SC Earthquake Awareness Week and the “Great Southeast Shakeout” exercise which included 460,651 registered participants and an aggressive social media campaign focused on earthquake awareness.

State and Agency Response to Emergency Management Assistance Compact (EMAC) Requests

During FY 2019-2020, the State did not provide assistance to other states through the EMAC system.

Construction and Facilities Management

The Construction and Facilities Maintenance Office (CFMO) oversees 3.5 million square feet of buildings and over 16,000 acres, as well as a fully manned, equipped and functional fire department at the McCrady Training Center, with a combined State and Federal budget of over \$30 Million. During FY 2019-20, the CFMO completed renovations of the Florence Readiness Center for a State and Federal shared cost of over \$3.8 Million. The CFMO completed the designs for the renovation of the Sumter and Easley Readiness Centers with the estimated \$3.9 Million renovation of the Sumter Readiness Center scheduled to begin in Federal FY 2020. The CFMO completed over \$2 Million in repairs to the Marion, Mullins, Manning and Myrtle Beach Readiness Centers as a result of previous Act of Nature damage. The Agency began construction of female latrines at the Rock Hill and Saluda Readiness Centers with a cost of \$500,000, and began design for the addition of female latrines to the Newberry and Kingstree Readiness Centers with a construction date in FY21. The CFMO procured the design for two barracks replacements at McCrady Training Center and Clarks Hill Training Site at a cost of \$243,900 which will be bid for construction in FY21. Using the Army Corps of Engineers Builder, assessments were contracted at a cost of \$396,612. The CFMO continues to improve the sustainability of facilities and reduce energy usage. The installation of Advanced Metering was begun on 53 facilities to better monitor electricity, water and natural gas usage. In addition, the CFMO managed multiple service contracts and performed routine maintenance repairs to plumbing, electrical, site repairs and general facility work requests.

The Agency is preparing for the construction of new Readiness Centers on Joint Base Charleston and in Aiken with the design for the Joint Base Charleston Readiness Center slated to begin in 2020 and for the Aiken Readiness Center in 2022. The Aiken Readiness Center will be co-located with USC-Aiken.

The Agency’s efforts resulted in more efficient and sustainable facility operations, and enabled the Agency to provide effective services to Soldiers and their Families while also supporting the local civilian community. The SCARNG has a physical presence in 40 of the State’s 46 counties thereby maintaining its traditional community-based force where feasible and fiscally responsible. These locations include 64 Readiness Centers, 10 Field Maintenance Shops, two Army Aviation Support Facilities, a Combined Support Maintenance Shop, a Unit Training Equipment Site, a Major Training Center (McCrady Training Center) with one sub-training site (Clarks Hill Training Site), one Close-In Training Area, the SCNG Headquarters Complex, and the historic Olympia Armory.

Service Member and Family Care (SMFC)

SMFC’s mission is to posture, promote, and provide regionally accessible programs that support Comprehensive Soldier Fitness Dimensions and Employment to reduce stressors for Service Members and their families, enabling them to thrive personally and professionally.

Employment Services Program

Since October 2011, the Employment Services Program trained, connected with employers, and supported the State’s Service Members and their families. Through case management and strategic outreach, the Employment Services Program provides resources and direct support to assist in the successful transition into long-term civilian careers for the State’s Service Members, Veterans and Military Families.

- Employment Services - Resume writing, interview skills, job fairs and hiring events, job search and direct placement services, workforce development, higher education and industry-specific training, connections to other relevant programs and veteran service providers.
- Employer Outreach - Job fairs and hiring announcements/events, military-specific training for HR staff and hiring managers, direct referrals based on employer qualifications, opportunities to connect with military job seekers through general HR, and industry-specific training and workshops.
- Operation Palmetto Employment - SC’s Military Employment Initiative, supported by the Office of the Governor, serves military job seekers and family members from all branches.
- Outcomes:
 - SCNG Unemployment Rate - October 2011 - 16% | July 2020 - <3%
 - National Veteran Unemployment Rate - 3.1% | SC Veteran Unemployment Rate - 3.3%
 - 739 jobs placed from 1 Oct 2019 – 30 Jul 2020 | 739 Jobs X \$33,000 average income = \$24,387,000 generated for the State’s economy
 - 1,790 Business and Community Partners
 - 26 Annual Veteran Career and Resource Fairs

Resilience, Risk Reduction, and Suicide Prevention Program (R3SP)

R3SP integrates, educates and promotes resiliency by synchronizing Soldier, Airman and Family care systems and services in order to posture and promote consistent Resilience, Suicide Prevention, Sexual Assault Prevention and Response, and Substance Abuse Programs for Service Members and their Families, while maintaining a capability to quickly respond to emergent care needs.

- The Resilience, Risk Reduction (R3) Program had a 95% fill rate for Master Resilience Trainers (MRT) with a fully qualified MRT placed in 57 out of 60 reportable units statewide. The State remains in the top 10 in the nation for MRT fills. This year, 5 Soldiers went to MRT School. R3SP hosted a Resilient Leader Course certifying those Soldiers as Resilience Training Assistants.
- The Suicide Prevention Program (SPP) remains amongst in the top of the nation for Applied Suicide Intervention Skills Training. SPP was selected to pilot the START program in FY20. START is an on-line training tool for Service Members, their families, and our community partners in how to start a conversation about suicide prevention. The SPP continues to build community relationships and state partnerships to help provide services for Service members and their families.
- In the Sexual Assault Prevention and Response (SAPR) program, the SCNG has a 90% fill for unit Victim Advocates (VA) with 3 new VAs certified and 14 re-credentialed. The SAPR program hosted three refresher trainings and a Domestic Violence Awareness Victims Panel with the Richland County Sheriff’s Office. The SAPR office conducted 11 Case Management Review briefings with the Adjutant General, managed 10 unrestricted sexual assault cases, and closed 4 cases.
- The Substance Abuse Program (SAP) provides case management, risk mitigation and targeted prevention training for substance use and high risk areas presented on the Unit Risk Inventories (URI) for each unit. SC’s SAP is ranked among the top in the nation for URIs completed and Soldiers trained. As a result, SC was selected to pilot the URI v3 for all of the ARNG in FY20. In addition, SC piloted the Commander’s Risk Reduction Dashboard in FY20 and will be the ARNG pilot for the Commander’s Risk Reduction Toolbox in FY21. The SC SAP team successfully case managed over 50 new referrals this FY, to include 35 rehabilitation completions. The SAP now has the ability to conduct substance use assessments in-house at no cost to the Soldier utilizing the SASSI Institute. This will allow the SAP to

AGENCY NAME:	Office of the Adjutant General		
AGENCY CODE:	E240	SECTION:	100

accurately address the specific stressors that lead to substance use, make relevant referrals, and increase the number of successful completions which will improve retention and reduce high risk behaviors. The team was also able to advocate for a Soldier to receive inpatient care through Fort Gordon which opened up an additional resource for Soldiers needing inpatient care.

Behavioral Health Program

The Behavioral Health Program provides counseling, assessment and referrals in supporting the health needs of the SCNG. The program provides a stable, cohesive and regionally-accessible psychological health program that strives to decrease high risk behaviors and promote healthy decision making choices in SCNG Service Members, Family Members and Retirees.

The Directors of Psychological Health (DPH), in conjunction with the Military and Family Life Counselors, provide case management and assessment for Service Members and their Families who are experiencing life stressors or psychological health challenges.

During this period, the Behavioral Health Specialists Program reached over 15,842 Service Members, Family Members and retirees. This total included 3,557 new staff consultations, 5,033 follow-ups, 2,538 outsider referrals, and 4,714 information and referral consultations. Additionally the Behavioral Health Specialists worked 302 case managements (individual Service Members), 18,084 outreach efforts, and 1 Duty-To-Warn.

Family Programs

The Family Programs Office currently offers four programs geographically dispersed within the State: Soldier & Family Readiness Specialist (formerly Family Readiness Support Assistance), Airman and Family Program, Family Assistance Specialist (FAS), Child and Youth Programs (C&YP), Personal Financial Counselor (PFC) Program, and the Military One Source (MOS) Program. Family Programs assisted Survivor Outreach Services with Gold and Blue Star Mothers, and the SCNG Retirement Section with three Retiree Briefings. The Family Programs Office conducted two Back-to-School Bashes (one in partnership with Ft. Jackson’s Army Community Services), two Pre-Command Course briefings with break-out sessions for the Spouses, and the Christmas Cheer Program for low income military families. Unfortunately, the Program was unable to conduct “Month of the Military Child” and “Month of the Military Spouse” events due to COVID-19.

- Before transitioning to SFRS, the FRSA Team focused on maintaining continuity and stability of Family Readiness Groups (FRG) as units underwent changes in leadership and volunteers. The FRSA Team conducted 101 FRG training events, and trained 184 personnel in the Commander’s, Military Points of Contact’s and FRG’s roles; worked with FRG Leaders and community partners to host 6 fundraising events; and had a total of 6,232 volunteer hours.
- The Airman and Family Program Manager (AFPM) and Key Spouse Volunteer (KSV) Teams assisted in maintaining Family Readiness for SCANG families by working with leadership and volunteers. They provided programs and services to assist Commanders in identifying, assessing and preventing Airmen and Family Readiness related challenges from impeding efforts to enable development and sustainment of ready, resilient Airmen and their families, maintain Wing cohesion, and strengthen operational readiness. The AFPM and KSV Teams supported 2 Yellow Ribbon Events, 16 departure and homecoming ceremonies, and 2 base-wide Family Days (Christmas and April).
- Before transitioning to SFRS, the FAS Team linked Service Members and their families to referral and resource information to include Tricare, Veterans Affairs, Crisis Intervention, Financial, Legal and Community Referral Services. The FAS Team closed 788 cases, conducted outreach to 9,816 Service Members and their Families, networked with community resource agencies, and supported 712 military & community related events.
- The PFC Program provides budget/financial planning, money management techniques, credit score improvement counseling, retirement & estate planning, saving & investing, tax planning, student loan/tuition assistance guidance, consumer awareness, financial planning for deployment, youth financial education and blended retirement system training for Service Members and their families. PFC conducted outreach to 283 Service Members and provided financial counseling to 507 Service Members.

Employer Support of the Guard and Reserve (ESGR)

ESGR is a DoD program that develops and promotes supportive work environments for Service Members in the Reserve Components through outreach, recognition, and educational opportunities that increase awareness of applicable laws. It also provides assistance in resolving conflicts between the Service Members

AGENCY NAME:	Office of the Adjutant General		
AGENCY CODE:	E240	SECTION:	100

and their employers. ESGR works to create a culture in which all State employers value their employee's military service resulting in less stress on Service Members and their families.

Year to date, ESGR volunteers have influenced 558 employers and 3,489 Service Members serving in the Reserve Components in South Carolina. 89 employers were nominated for Patriot Awards, and 15 "Above and Beyond" Awards and 3 "Pro Patria" Awards will be virtually presented and shipped to employers in September. ESGR Ombudsmen mediated 17 formal cases, and handled 48 informal USERRA inquiries. Committee members logged 1,705 volunteer hours. This year is the final year of the second three-year term for the State Chairman, Mr. Eli Wishart; Ms. Jennifer Harding will become the State Chairman effective 01 October 2020.

South Carolina Military Museum

During FY19- 20, the S.C. Military Museum continued its mission of honoring this State's citizen-soldiers and its martial tradition from 1670 to present day global operations. On January 18th, 2020, the Museum hosted an event recognizing the 75th Anniversary of the Battle of the Bulge. Featuring Governor Henry McMaster as the keynote speaker, the event included a special exhibit of this pivotal WWII battle, re-enactors representing Allied and Axis forces, and S.C. WWII Veterans signing autographs. For the second straight year, the Museum partnered with the U.S. Marine Corps Reserve and the Blue Knights M.C. (Police) to host the state's largest Toys for Tots charity drive. The Museum also continued to enhance its collection of authentic military artifacts, and its staff worked closely with the S.C. Air National Guard to overhaul and enhance its "Swamp Fox" exhibit. In recognition of the 300 year anniversary of its birth, the Museum developed and produced of a documentary chronicling the history of the S.C. National Guard.

South Carolina Youth ChalleNGe Academy

The South Carolina Youth ChalleNGe Academy (SCYCA) is a community-based, quasi-military structured educational program that operates the Youth Challenge and Job Challenge Programs.

The Youth ChalleNGe Program leads, trains, and mentors at-risk youth (ages 16-18) to assist them in becoming productive and successful citizens. The Program has two cycles per year (January and July) and can currently accept up to 150 youth per cycle. During FY 19-20, Youth ChalleNGge graduated 125 cadets who earned 19 GEDs. Since its inception in 1998, the Program has graduated 4,800 cadets with 1,726 earning their GED.

The Job ChalleNGe Program is a follow-on program for selected Youth ChalleNGe Program graduates to provide hands-on job skills training through college trade courses. Job ChalleNGe currently partners with Midlands Technical College under a DOD/NGB grant and has two cycles per year (January and July). During FY 19-20, the Program graduated 42 cadets. Since inception, 9 classes and 215 graduates have completed the Program.

STARBASE Swamp Fox

STARBASE Swamp Fox, located at McEntire Joint National Guard Base in Eastover, SC, is a DoD-sponsored Science, Technology, Engineering, and Math (STEM) program for 5th grade students. In school year 2019-2020, the program was set to reach an all-time high attendance of over 1,600 students until schools were closed in March due to the COVID-19 pandemic. In spite of the closure, the program had 1,184 students attend during the shortened school year. STARBASE Swamp Fox was re-certified as a fully compliant program in May 2020 with no findings noted during the evaluation. This STEM program annually services students in the State's greater Midlands area including 8 public school districts, 2 parochial schools and 2 independent schools. Designed to augment, enhance and reinforce a number of the State's educational math and science standards, the program uses a child-friendly, hands-on/minds-on approach, and serves as a catalyst for encouraging students in STEM subjects and future career options. The program is recognized by DoD STARBASE as a Level II program as it also conducts a STEM club for 6th graders at Southeast Middle School. STARBASE is 100% federally funded and the cost per student this past year was \$270 for the 5-day academic period. Since inception in 2003, STARBASE Swamp Fox has provided STEM enrichment educational classes for 15,523 SC elementary students.

South Carolina Army National Guard

The SCARNG's mission is to generate mission ready units able to fulfill both its Federal and State missions; specifically its three main competencies are emergency preparedness/homeland defense, quality Soldier and Family support systems, and innovative technological application. The SCARNG's goal is to ensure relevance through the adaptation of its force structure to meet the challenges of the 21st century.

AGENCY NAME:	Office of the Adjutant General		
AGENCY CODE:	E240	SECTION:	100

Approximately 16% of the SCARNG was engaged worldwide in 12 different countries to include South Korea, Afghanistan, Kuwait, Egypt, Qatar, Germany, Poland, Romania, Bosnia-Herzegovina, Kosovo, Honduras, and various CONUS based missions such as the National Capital Region and the South West Border Mission. The 1221st and 124th Engineer Companies deployed to U.S. Central Command (CENTCOM) in support of Operation Inherent Resolve; the 351st Aviation Support Battalion deployed a detachment to Kosovo; the 264th, 265th, 267th & 268th Engineer Fire Fighting Teams deployed to Romania; and Company C, 2-238th Aviation Battalion deployed to Afghanistan in support of Operation Freedom Sentinel. The 751st Combat Service Support Battalion; Company B, 198th Expeditionary Signal Battalion; Company C, 4-118th Combined Arms Battalion and the 1980th Acquisition Team deployed to CENTOM in support of Operation Spartan Shield. Headquarters and Headquarters Battery, 678th Air Defense Artillery Brigade deployed to U.S. European Command (EUCOM) in support of the European Defense Initiative. The 263rd Army Air and Missile Defense Command and 678th Air Defense Artillery Brigade continued to support the National Capital Region.

During Hurricane Dorian, approximately 1,903 Soldiers supported evacuation and security operations along the State's coastline. Task Force 218th prepositioned over 100 high water vehicles in case of severe flooding. Six Debris Teams supported SLED and one Debris Team was used post-storm to access Pawleys Island. Beginning 17 March 2020, the SCNG began support of COVID-19 response operations. The SCNG has mobilized 620 Soldiers on State Active Duty, 502f, and ADOS orders in support of the response. The missions included supporting the Oliver Gospel Mission, Harvest Hope Food Banks (Columbia; Greenville; Florence), Golden Harvest Food Banks (N. Augusta/Aiken), Anderson Food Bank, PPE distribution to all 46 Counties, alternate care facility planning, S.A.F.E. mask assembly, medical support to Kirkland, Allendale, Lee, Evans, Tyger River and MacDougall Correctional Institutes, COVID-19 testing site support to MUSC/PRISMA/DHEC (All Regions), Horry County School Food Distribution, and hospital support to MUSC Marion, McLeod Seacoast, Tidelands Georgetown and Waccamaw, Conway Medical and MUSC Florence. In June 2020, elements of the 51st Military Police Battalion, 122nd Engineer Battalion, 1-178th Field Artillery Battalion, and 2-263rd Air Defense Artillery Battalion mobilized in response to civil unrest in Columbia and Charleston. TF Palmetto (446 Soldiers from the 1-118th Infantry Battalion) mobilized and deployed to Washington, DC during the civil unrest in the National Capital Region.

During FY19-20, the SCNG Governor's Counterdrug Task Force partnered with Federal, State and local Law Enforcement to support investigations resulting in the seizure of drugs, currency, weapons and vehicles totaling \$77,646,550.40. The Task Force supported Law Enforcement Agencies with management of required equipment, technical and digital support, communications support and preparation of various operational and financial reports and briefings. The Task Force provided assistance with telephonic and digital information exploitation, link analysis, document exploitation, commodity-financial analysis, and case construction to agencies including the FBI; DEA; 15th Circuit Court Drug Enforcement Unit; SLED; United States Postal Inspection and the Greenville, Richland, Lexington, and Charleston County Sheriff's Offices. The Task Force provided domestic cannabis suppression and eradication operation support to SLED, as well as reconnaissance and observation of airspace, maritime or surface areas to Law Enforcement Agencies in support of investigations of illegal drug activities, drug trafficking and transportation. During this FY, the Task Force became participants in the Department of Justice asset forfeiture program receiving more than \$25,000 which will be used to conduct Law Enforcement Officer training and investigative support. The Task Force continues to work to increase operations in drug awareness and intervention in South Carolina by building a Civil Operations Drug Demand Program for FY21, specifically in support of the Governor's Opioid Emergency Response Team, and with Department of Alcohol and Other Drug Abuse Services, eventually positioning Civil Operations personnel to support in High Intensity Drug Traffic Areas counties in order to support Community Based Organizations within those identified counties conducting drug reduction and intervention programs.

The SCARNG continues to work closely with the SC Forestry Commission to increase capability and capacity for conducting Aerial Wildfire Fighting operations. Continued development of this partnership to develop in both skill and size is paramount with forecasted increases in wildland fires over the next 3-5 years.

The State Army Aviation Office continues to develop the National Guard's organic Small Unmanned Aerial System (SUAS), the Raven, in a Domestic Operations (DOMOPS) environment through a week-long course that provides classroom and field training to provide current Raven Operators training to operate organically in a DOMOPS environment. This course is available to National Guard Soldiers who have completed the SUAS Operator Course, are assigned to a unit with authorized SUAS, and are selected by their unit Commander to be a unit DOMOPS operator. This capability will allow the SCARNG to conduct damage assessment, reconnaissance and aerial assessment at a much lower cost than a manned, rotary-wing platform.

The 43rd Civil Support Team (CST) provides Defense Support to Civil Authorities (DSCA) support in the event of an incident involving or potentially involving weapons of mass destruction and Chemical, Biological, Radiological, and Nuclear assistance to Federal, State, and local law enforcement agencies throughout the State. The 43rd CST conducted a total of 54 missions in FY20 to include 2,235 sweeps, 37 planned missions, 7 assist missions, 10 WMD responses, and provided support to 37 Agencies to include the FBI; SLED; U.S. Coast Guard; Customs and Border Protection; United States Secret Service; Bureau of Protective Services; SC Department of Natural Resources; Charleston, Myrtle Beach, North Myrtle Beach, Greenville, Anderson, Clemson University and University of South Carolina Law Enforcement and Fire Departments.

The South Carolina Helicopter Aquatic Rescue Team (SC-HART) operates as a collaborative effort between the State Urban Search and Rescue Task Force (SC-TF1), SCEMD and SCARNG aviation units based at McEntire JNGB. Its capabilities include land and water-based hoist operations with military aircrews and civilian rescue technicians. SC-HART responds to requests for helicopter rescue capabilities on a nationwide basis. SC-HART is trained to respond to swift water, open water, confined area, urban structure, and mountain condition search and rescue for both ambulatory and non-ambulatory emergencies. In FY19-20, elements from SC-HART conducted operations in response to four emergency calls in Oconee & Pickens counties.

South Carolina Air National Guard

The 169th Fighter Wing operates the 2,400+ acre McEntire JNGB in Eastover which has been the home of the SCANG since its founding in 1946. During 2019, the SCANG honed its warfighting skills in a multi-national exercise in Sweden supporting European allies, participated in joint training in Germany, and assisted in building U.S. Air Force facilities in the Pacific Air Force’s theater of operations. Approximately 160 Airmen deployed across Southwest Asia over the year.

In support of its State mission, McEntire JNGB and the 169th Fighter Wing played a critical role in the response to the COVID-19 emergency. McEntire was a logistical hub for the reception, sorting and delivery of emergency medical supplies throughout the State. Medical Airmen deployed to prisons, hospitals and testing sites throughout the state to assist the citizens of South Carolina. SCANG personnel continued to train with the SCEMD, staying ready to assist the citizens of South Carolina in response to disasters.

The 169th Fighter Wing is the U.S. Air Force’s premier fighter wing and provides Combatant Commanders with world-class combat capability to meet the nation’s needs for contingency and general war requirements. The 169th Fighter Wing’s Federal mission is accomplished by employing conventional munitions in the Destruction/Suppression of Enemy Air Defenses (DEAD/SEAD). The 169th Fighter Wing provides continual support of the Aerospace Control Alert Mission, defending east coast air space in support of North American Aerospace Defense Command (NORAD). Additionally, the Wing provides the Governor with defense assistance to the State’s homeland security office, and disaster preparation and response support for DSCA activities

South Carolina State Guard

The South Carolina State Guard (SCSG) is an all-volunteer State military force which provides support to civil authorities during times of disaster or other emergencies. In addition to general support personnel, these assets include land, water and equestrian NASAR Search & Rescue teams; Law Enforcement augmentation teams; medical support teams; Civil Engineering teams; and Judge Advocate General teams.

In 2019, the SCSG provided a total of 51,103 volunteer service hours while training for disaster response missions and providing personnel to support the South Carolina Joint Operations Center, two County EOCs, as well as personnel for general support missions. The State Guard JAGs provided legal support to the SC National Guard at four Soldier Readiness Process events and conducted two free wills clinics. The State Guard Engineer Detachment supported the SCARNG by providing building inspections and Civil Engineer reports on requested armories and other facilities. In support of COVID-19 missions in Berkeley, Charleston and Richland Counties, the SC State Guard set up tents and equipment, provided traffic control at local COVID-19 testing sites and assisted in the planning of field hospital sites. From 24 March - 30 June 2020, the State Guard Engineer Detachment provided 852 volunteer service hours working with SCEMD and SCDHEC to conduct building inspections and provide Civil Engineer reports on bringing facilities back online and/or converting facilities for medical use for possible COVID-19 response missions.

During FY 19-20, the SCSG conducted two Search & Rescue missions, supported the Cooper River Bridge Run, and five city or county festivals/community events. The SCSG Honor Unit conducted 28 Honor Guard missions for Military Funerals, and conducted seven Honor Guard missions for Veterans events.

Cyber Initiatives

The SCARNG leverages its cybersecurity capabilities through multiple State and Federal cybersecurity initiatives. Through collaborative training and exercises, the SCARNG built relationships, trust and synergies in improving cybersecurity practices and resiliency across the State and with Federal agencies. The SCARNG provided direct support to eight cyber incidents within the State, including support to seven State/local government offices and one military installation.

- **Cyber Threat Analysis and Information Sharing.** The SCARNG and its partners, including Naval Information Warfare Center Atlantic, Dominion Energy, SC Ports Authority, SC State Guard, and academia, are focused on capabilities to collect, analyze and disseminate Cyber threat information. This partnership enables the promoting of the exchange of cybersecurity ideas and information. The SCARNG is a formal member of the SLED's SC Critical Infrastructure Cybersecurity Task Force (SC-CIC) which is a collaborative effort between government, Critical Infrastructure and Key Resources (CIKR), academia and private industry cybersecurity professionals designed to enhance the cyber infrastructure security posture in the State.
- **Cyber Partnership Endeavors.** The SCARNG partnered with the U.S. Army Cyber Institute at West Point, SC Ports Authority, and City of Charleston as part of exercise Jack Voltaic 3.0 (JV3.0). JV3.0 fosters collaboration between DoD, Federal, State, local governments and corporate partners to better understand dependencies and interdependencies of a wide-spread cyber-attack in a large urban area in order to build a repeatable cyber security framework. In addition, JV3.0 exercises the authorities and capabilities of deploying the National Guard to defend the Nation by leveraging military cyber capabilities in domestic response to cyber incidents. As an extension of JV3.0, the SCARNG participated in the exercise Jack Pandemus which explores a scenario based on disruptions to gas pipelines, electrical power generation, and healthcare delivery caused by cyber incidents, and measures incident response during ongoing pandemic response.
- **Support to the SC Elections Commission.** The SCARNG participated in the planning and will participate in the DHS-hosted SC Elections Table Top Exercise. Additionally the SCARNG is ready to support cyber incident response actions as required.
- **Developing Partnerships.** The SCARNG partnered with new organizations to assist in the development of future projects. Due to Active Duty Cyber Protection Teams being engaged in real world missions, the SCARNG advised the 3rd Infantry Division's key leadership on methods to incorporate cybersecurity planning and scenarios within larger exercises. The SCARNG also provided requirements input for a Department of Energy Electronic Warfare Range for use during joint exercises between Federal and State Agencies.

State Partnership Program between the Republic of Colombia and South Carolina

The State Partnership Program (SPP) provides a unique opportunity for South Carolinians to learn from and mentor the SCNG's partner, the Republic of Colombia. Since 2012, the SPP has provided opportunities for SCNG members to engage with Colombians and assist in improving an array of processes, systems, and techniques, tactics, and procedures. The partnership looks for opportunities to support U.S. Southern Command's Theater Campaign Strategy while establishing lasting relationships of trust and friendship from the beginning of career timelines. Since 2016, SCNG members assisted the Colombians in planning the transformation of their military to a post-conflict regional security force that supports the U.S. security objectives. The SPP continues encourage Colombian relationships with various SC civilian institutions including cadet exchanges with The Citadel and with the University of South Carolina for conditions-based maintenance. The SPP brings over \$300,000 per year into the State and provides opportunities to keep the SCNG ready and relevant with an average of 30 engagements each year in an ever-changing global military environment. The SPP supports USARSOUTH initiatives including the 263rd Army Air and Missile Defense Command's Integrated Air Defense support capability and the 169th Fighter Wing's expertise in Air Sovereignty missions. Future focus includes exploring additional avenues to support the professionalization of the Colombian NCO Corps through the 218th Leadership Regiment's Regional Training Institute. This past year, the SCNG SPP executed 12 events prior to COVID 19 restrictions and supported Exercise Together Forward 2019 via the 1st Battalion, 118th Infantry enduring staff and 3 platoon rotations. SCNG received significant return on investment from a readiness standpoint as well as deepened relationships with tactical units in the Columbian Military. As the SPP moves forward through the restrictions of COVID 19, we are maximizing relationships through virtual meetings and online forums.
