Agency Mission

The Lancaster regional Palmetto College campus is a branch campus of the University of South Carolina Columbia. Lancaster has as its mission to provide higher education and intellectual leadership to its service area. At the heart of this mission is a teaching faculty of high quality dedicated to excellence in instruction, scholarship, public and professional service, and creative endeavor which enrich the classroom experience. The Lancaster regional Palmetto College campus offers a varied curriculum grounded in the liberal arts and focused on preparing students to continue their education in the University of South Carolina System and throughout life.

The Lancaster regional Palmetto College campus recruits students prepared to succeed in completing a baccalaureate -level education. While the institution does not offer remedial instruction, it is nonetheless able to admit most students who apply due to the close working relationship between students and faculty. The Lancaster regional Palmetto College campus was established to encourage higher education in the counties of Chester, Chesterfield, Fairfield, Kershaw, Lancaster, and York. The original design of the institution incorporated a flexibility that has allowed changes in institutional capability with increasing educational demands of constituents.

Through classroom and laboratory instruction delivered in a variety of face-to-face and distance learning formats and modalities, the institution awards the Associate in Arts and Associate in Science degrees and provides for the completion of selected bachelor's degrees on campus through cooperative agreements and delivery structures with other University of South Carolina System institutions. The Lancaster regional Palmetto College campus also provides general education and upper division coursework applicable to baccalaureate degree programs offered through colleges and universities nationwide. In addition to academic coursework, the mission of the campus includes noncredit courses, seminars, and workshops made available to the community for cultural enrichment and professional development.

The traditions of cultural diversity and freedom of thought are valued at the Lancaster regional Palmetto College campus. In a learning environment that develops respect for racial, geographical, intellectual, and economic diversity and an awareness of individual, societal, and global responsibilities, Lancaster promotes courses, activities, and attitudes which influence the life of the mind in men and women and instills in them a thirst to continue learning throughout life.

The Lancaster regional Palmetto College campus emphasizes the development of the whole person and especially seeks to foster in students the disciplines essential to an educated citizenry. Core competencies, including the ability to communicate through effective writing and articulate speech; computational and quantitative mastery; creative and critical thinking; and the duties of citizenship are strategically integrated within the curriculum. Classroom experiences, student activities, and physical education programs also provide opportunities for cultural enrichment, leadership development, intellectual growth and interpersonal relationships, all contributing to a sense of self -reliance and a joy of learning.

Agency Vision

In fulfilling the mission of the campus stated above in the USC Lancaster Mission Statement, we look to the tenets of the USC System statement for the overarching vision for our mission to our campus' service area. USC Lancaster aspires to be a leader among the university's Palmetto College campuses as a comprehensive learning center offering equal access to high -quality university programs and services. USC Lancaster must be a dynamic, forward -looking and proactive institution of higher learning that relates productively to its community and to the greater University of South Carolina. USC Lancaster seeks to continuously enhance its intellectual environment and expand access to its academic programs.

AGENCY'S DISCUSSION AND ANALYSIS

Physical Location and Description

University of South Carolina Lancaster (USCL) is a regional campus of the University of South Carolina (UofSC). We serve six counties in the central Piedmont: Lancaster, Chester, Chesterfield, Fairfield, Kershaw, and York. The northern side of our service area consists of the #3 and #4 fastest-growing counties in South Carolina.¹ In 2018 USCL opened a satellite campus in the town of Indian Land, SC to accommodate the increase in demand for classes north of the main campus.

USC Lancaster's Service Area

● USCL's Service Area

Source: Bing.com

Physically, USCL consists of three sites: The main campus is in the City of Lancaster, the Native American Studies Center is two miles south of the main campus in downtown Lancaster, and the Indian Land satellite campus is 18 miles north of the main campus.

The USCL main campus consists of eight buildings. Founders Hall, Hubbard Hall, and the Bradley Arts and Sciences Building are designed for instruction. Besides standard classrooms, there are three large lecture halls, two auditoriums, five instructional computer labs, an art studio and gallery, five science laboratories, and a nursing simulation laboratory. These three instructional buildings also house most of the faculty offices. Normally USCL also holds public events in those buildings, like theater performances, art gallery receptions, K-12 science fairs, and high school Honors Day.

The Medford Library building also contains a computer lab, the Academic Success Center, and TRiO programs. Medford Library is an academic library that is open to the public. The librarians provide access to physical and digital media, teach students to conduct research using library resources, and host library-related events. There are computers in the library that members of the Lancaster community can use. The Academic Success Center (ASC) is a free tutoring lab and writing center where USCL students can develop their learning and writing skills. TRiO programs are federally funded programs designed to support students who face challenging circumstances. These include students who are first-generation college students, students with disabilities, and students from low-income households. Most USCL students qualify for TRiO services.

Starr Hall is dedicated to student services. This includes the Financial Aid Office, the Business Office, and Disability Accommodations, as well as Student Life, the bookstore, vending, and the Student Center.

USCL's main campus is the home of Gregory Family YMCA. In addition to cardio and weight training equipment, the YMCA has handball, racquetball, volleyball and tennis courts, and an indoor swimming

pool. The Carole Ray Dowling building contains an exercise science laboratory and a community room used for special events. The final building is dedicated to security and parking enforcement.

The Native American Studies Center (NASC), located downtown, is a top attraction in the Lancaster area. It consists of a large gallery, archaeological research spaces, and faculty offices. The gallery is open to the public. Normally the NASC hosts an in-person lunch-and-learn series that attracts tourists and locals alike to downtown Lancaster. NASC also hosts special events, like Native American Studies week and a Native American craft show during the City of Lancaster’s annual Christmas event.

Currently the Indian Land location is only used for classroom instruction. The location is expected to expand in the near future as both the Indian Land population and the demand for classes increases.

Academic Profile

The website Niche.com ranks universities based on several key criteria including academics, cost, facilities, and faculty credentials. For the past four years USCL has been ranked the #1 community college in South Carolina and has remained in the 97th percentile of community colleges across the United States.

USCL offers four associate degrees: Associate of Arts, Associate of Sciences, Associate of Science in Business, and Associate of Science in Criminal Justice. Students can remain on the Lancaster campus to earn baccalaureate degrees through USCL’s partnerships. USCL partners with the UofSC College of Nursing to offer a Bachelor of Science in Nursing (BSN) degree, which is ranked the #1 best RN program in South Carolina by RegisteredNursing.org. USCL is also a member of Palmetto College, a unit of UofSC. Palmetto College offers baccalaureate degree-completion programs online. Students who enroll in Fiscal Year 2020–2021

Palmetto College through USCL work towards a bachelor’s degree in one of 19 majors while benefiting from student services available on the Lancaster campus. USCL also participates in Palmetto Pathways, a program that allows qualified USCL students to transition to UofSC’s Columbia campus after one year.

State Agency Strategic Plan and Measures

A. Education, Training and Human Development

1.1. Attracting and Enrolling Students

As a state agency, USCL primarily works towards the statewide enterprise strategic objective of Education, Training, and Human Development. The objective states that we should strive to elevate the level of educational preparedness of South Carolinians. The first step we take towards this objective is to attract a student body that is representative of our service area. We schedule regular recruitment efforts throughout our service area and provide outstanding admissions and enrollment support to all students. One way we measure our success in recruitment is by counting the total number of applications for admission. In Fall 2020 we received 2583 applications, a 17.6% increase over the previous fall. We also count the total number of students who register for classes. This is called the *headcount*. In Fall 2020, our headcount was 1810, a 10.4% increase over the previous fall. Both measures provide strong evidence that we have been successful in attracting and enrolling students.

1.2. Student Retention

Our next step towards elevating the level of educational preparedness of South Carolinians is to retain registered students until they graduate or successfully transfer to a different university. The most recently calculated retention rate of first-time, full-time, degree-seeking freshmen reported by the SC Commission on Higher Education (CHE) is not from FY2020-2021. It shows the proportion of these freshmen retained from Fall 2018 to Fall 2019. The proportion was slightly less than we expected: 48.9% rather than the expected 53%.

One approach USCL takes to increasing retention is to create an academic support network for students. We maintain a low student-to-faculty ratio, thereby allowing students and faculty to have meaningful interactions. In FY2020-2021, the ratio was 14-to-1, better than the previous year’s ratio of 15-to-1. Beyond interacting with their instructors, USCL students also have access to the Academic Success Center (ASC). The ASC offers free tutoring from well-qualified staff as well as a Writing Center dedicated to developing students’ writing skills. During FY2020-2021 fewer students than expected sought help from the ASC. Although the reason for the decline isn’t known with certainty, there are several possible factors: The ASC only offered virtual tutoring, there was a tutor shortage as no new tutors were hired, and there was reduced availability of tutors. The director stated that the ASC will offer both in-person and virtual tutoring going forward and expects the number of students seeking assistance to increase. While the ASC is available to all students, TRiO programs are federally funded programs that support first-generation college students, students who come from low-income

AGENCY NAME:	University of South Carolina Lancaster		
AGENCY CODE:	H370	SECTION:	

households, and students with disabilities. In FY2020-2021 the USCL TRiO program was awarded a five-year grant in the amount of 1.6 million dollars. TRiO programs provide qualified students with academic support including tutoring and advisement. They also host community-building activities and events that allow students to support each other and support the Lancaster community. USCL students also have access to a wide range of support services, including disability accommodations and personal counselling.

USCL also works to increase retention by making education more affordable. One way we measure affordability is in the number of endowed scholarship funds held by the Educational Foundation of USC Lancaster. In FY2020-2021 the Educational Foundation had 159 endowed scholarship funds, an increase of three scholarship funds over the previous year. In total USCL awarded \$335,735.75 in scholarships to 319 unduplicated students. This is an increase from the previous year when \$217,499 was awarded to 176 unduplicated students. USCL’s Financial Aid Office hosts an annual Financial Literacy Week that consists of lectures and activities that are open to all USCL students. The student loan default rate is calculated using a three-year span for each cohort. The campus goal is to minimize the default rate. The most recently reported cohort began their loan period in 2018. Their default rate was 13%. This is a seven-percentage-point reduction from the 2017 cohort, who had a 20% default rate. USCL did not raise tuition during FY2020-2021. We expect that our efforts towards making education affordable for students in our service area, along with services and support we offer, will increase our retention rates in the upcoming years.

1.3. Student Success and Graduation

USCL uses the SC CHE definition of student success, which applies to *150% of program time*: For associate degrees 150% of program time is 3 years; for bachelor’s degrees it is 6 years. For each cohort of students, the *success rate* is calculated by counting the number of students who graduate or successfully transfer to a different institution within 150% of program time, as well as those who remain at the same institution the fall after 150% of program time. The total is divided by the size of the cohort. Like the retention rate, the most recently calculated success rate reported by the SC CHE is not from FY2020-2021. It is for the 2016 cohort, for whom 150% of program time ended in 2019. USCL attained a 66.4% success rate, exceeding our target of 65%.

The most recently reported graduation rate of first-time, full-time, degree-seeking undergraduates is also for the 2016 cohort. It was 20.1%, slightly higher than the average of 19.8% for public two-year institutions in South Carolina. In AY2020-2021 USCL awarded 135 associate degrees, lower than our target of 153 degrees. During the same year, USCL hired a new Dean of Academic and Student Affairs, and a new Director of Student Success and Retention. USCL also adopted Target X Retention, a program that allows USCL Student Success and Retention staff to track student progress in their programs, and to use a data-driven approach to improve student retention, success, and graduation rates.

2.1. Student Wellbeing, Citizenship, Advancement and Career Training

The statewide enterprise strategic objective of Education, Training and Human Development states that we should prepare South Carolinians to lead a healthy and productive life, including success in a job or career and in the community. To attain this goal, USCL faculty and staff hosted events and activities to engage students beyond the classroom.

With a focus on health and wellbeing, USCL students are encouraged to make use of the on-campus YMCA either by using membership benefits or by enrolling in physical education classes. During FY2020-2021, USCL's Counselling Services hosted three mental wellness workshops on mindfulness and stress-reduction. USCL's Student Life hosted a variety of community-building events. Eight were opportunities for students to network in a relaxed setting, such as painting events and coffee or ice cream socials. Seven events were aimed at good citizenship. They raised awareness of and increased student involvement in social matters. These included preparing care packages for troops overseas, blood drives, events to raise awareness of human trafficking and domestic violence, and a crime-prevention workshop. Nine events, hosted by a variety of USCL organizations, focused on US history and culture. TRiO Programs connected students with the community by hosting five drives for food, coats, and pet supplies that supported organizations like United Way and the local animal shelter.

To increase students' productivity with the aim of future success in a career, USCL held several research-related events. During FY2020-2021, USCL's Research Club hosted continuous virtual events on multiple platforms that extended beyond the USCL campus to include faculty and students from other UofSC campuses. These included seventeen faculty presentations on research and scholarly spaces, eight workshops to prepare students for research, a series of 30-second research tips hosted by Medford Library staff, five student research presentation, and five presentations of Graduation with Leadership Distinction (GLD) e-Portfolios. A GLD e-Portfolio is a culmination of a project completed by a student in the GLD program. The Research Club also had a ten-part Instagram takeover series called A Day in the Life of a Professor with the goal of removing barriers to student research.

USCL students participate in the arts and athletics. During FY2020-2021, six USCL theater students earned awards in five categories through the South Carolina Speech and Theater College Festival. USCL is a member of the National Junior College Athletic Association (NJCAA). We have four NJCAA athletic teams: baseball, men's soccer, women's soccer, and women's volleyball. In FY2020-2021, the men's soccer team were the NJCAA Region 10 regular season and tournament champions. Thirty-two USCL student-athletes were awarded the NJCAA All-Academic honors, which is awarded to student-athletes who pass at least 12 credit hours with a grade point average (GPA) of 3.0 or higher while their sport is in season. For example, baseball competes in the spring and so their players are honored based on their spring semester coursework.

AGENCY NAME:	University of South Carolina Lancaster		
AGENCY CODE:	H370	SECTION:	

To aid in student success in a job or career, USCL hosts two career-oriented lecture series: Careers in Science and Careers in Business. These lecture series allow current students to make connections with people working in their chosen career. In FY2020-2021 there were ten career-oriented lectures. Four were given by former USCL students who are currently in advanced educational programs like pharmacy school. The remaining lectures were given by professionals in those careers. USCL also provides support services for students pursuing employment. USCL’s Career Services offers career coaching, help in writing resumes, and mock interviews. USCL’s Internship Director adopted Handshake, the leading career site for college students to access internship and job searches. In FY2020-2021, nineteen students were accepted to internship positions through this tool. USCL regularly partners with Arras Foundation, a Lancaster area service organization focused on community engagement and growth. During FY2020-2021 USCL and Arras Foundation created a collaborative summer internship program focused on diversity, equity, and inclusion in our community.

Although USCL is primarily a two-year college, our students can earn baccalaureate degrees through our partnerships with UofSC College of Nursing and Palmetto College. The Bachelor of Science in Nursing (BSN) degree offered through the College of Nursing currently accommodates up to 48 upper-level students. In AY2020-2021, 46 students were enrolled in this upper-level program. Lancaster students can enroll in any one of 19 degree-completion programs through Palmetto College. Two of these degrees, the Bachelor of Liberal Studies (BLS) and the Bachelor of Organizational Leadership (BOL), are accredited through Palmetto College. The other seventeen degrees are accredited through other UofSC campuses. In AY2020-2021, ninety-three Lancaster students were enrolled in the BLS and BOL programs.

USCL aims to develop the whole student. Outside of the classroom, students have access to activities that promote healthy lifestyles, make lasting connections with peers, make an impact on the community, and become experienced in research or their future career. Students also have the opportunity to advance academically, beyond an associate degree, without leaving Lancaster.

2.2 Outstanding Faculty

We strive to offer our students a first-rate education, which means hiring and retaining first-rate faculty and staff. In 2020, our faculty consisted of 52 full time faculty members, along with two deans who teach part time, and three retired faculty members who continue to teach full time. In 2020-2021 we celebrated Dr. Richard Vanhall, our longest-serving faculty member, who has been teaching at USCL for fifty years.

The normal teaching load for each faculty member is equivalent to 12 credit hours per semester. This is typically four courses but may vary slightly depending on the academic discipline. Faculty members who engage in scholarly research may request a workload reduction equivalent to a one-course reduction per year. To promote research, USCL has a budget of \$70,000 for the USCL Faculty and Staff Research and Productive Scholarship Award Program and for faculty travel to scholarly conferences.

AGENCY NAME:	University of South Carolina Lancaster		
AGENCY CODE:	H370	SECTION:	

Both students and the university benefit from a faculty member’s scholarly research: the faculty member and the university gain recognition by outside professional organizations; the faculty member may be awarded external funding by way of grants; and students experience cutting-edge advances in the faculty member’s area of research. At USCL faculty engage students in research through the Research Club and UofSC-sponsored grants, such as the Magellan grant program. Students may earn one or both graduation honors: Graduation with Leadership Distinction and the Undergraduate Research Award. During FY2020-2021, USCL faculty disseminated their scholarship through 32 publications, 62 presentations, and 71 creative works. They were awarded 25 grants, mentored 19 students in research, and participated in 100 other scholarly activities, including peer-review of scholarly work and professional consultations.

During FY2020-2021, Professor of Exercise Science, Dr. Sarah Sellhorst, was awarded the inaugural South Carolina Academy of Science Two-Year Institution Teacher of the Year Award. Professor of Chemistry, Dr. Li Cai, was awarded the Palmetto College Denise R. Shaw Excellence in Scholarship Award. The UofSC Office of the Vice President for Research hosts the RISE grant program, a competitive program that funds faculty research and scholarly activities during the summer months. In FY2020-2021 four USCL faculty members were awarded RISE grants in the areas of Chemistry, Philosophy, Physics, and Native American Studies.

B. Public Infrastructure and Economic Development

3.1. Financial Stability and Community Partnerships

Besides education, USCL also contributes to the statewide enterprise objective of Public Infrastructure and Economic Development. The objective states, in part, that we should build a world-class and safe public infrastructure to enhance the quality of life of our citizens. One way we achieve this goal is to strengthen the campus’ financial condition. We measure this in two ways. The first is to consider the USCL reserve-fund carry-forward amount. Our target is to increase this reserve so that we maintain an amount equal to or greater than three months of our operating cost. During FY2020-2021 USCL increased the reserve fund by 42% to \$3,770,203, far exceeding our stated target. Another measure we use is the expenses-to-budget ratio. This shows the relative size of the total expenses incurred compared to the total budget resources. A small ratio is desirable. In FY2020-2021 our expenses-to-budget ratio was 91.1%, far lower than the projected 103.6%. Our Budget Manager explained that we saved on travel and utilities, and improved collections to reduce bad debt expense.

During the November 2020 election, Lancaster County voters approved a referendum that included \$1 million to construct a safe crosswalk across Highway 9 that will connect USCL with the community, and an additional \$1 million to the USCL Educational Foundation for facility and infrastructure enhancements to expand the Bachelor of Science in Nursing (BSN) program at USCL.

USCL also worked to improve both its physical and technical infrastructure. USCL began renovating Starr Hall, the building that holds student services and Student Life, installed a new solarium system for

AGENCY NAME:	University of South Carolina Lancaster		
AGENCY CODE:	H370	SECTION:	

the YMCA natatorium, and repaved parking lots. USCL’s Information Technology department upgraded student usage computers as well as classroom media computers, projectors, and media switches. Seven classrooms now have full digital capability. Faculty were provided with laptop or tablet computers, webcams and Zoom in order to conduct classes and communicate with students virtually. They upgraded internet access on campus. Wireless internet access was expanded to the two main outdoor areas on campus to allow students to work on assignments while social distancing.

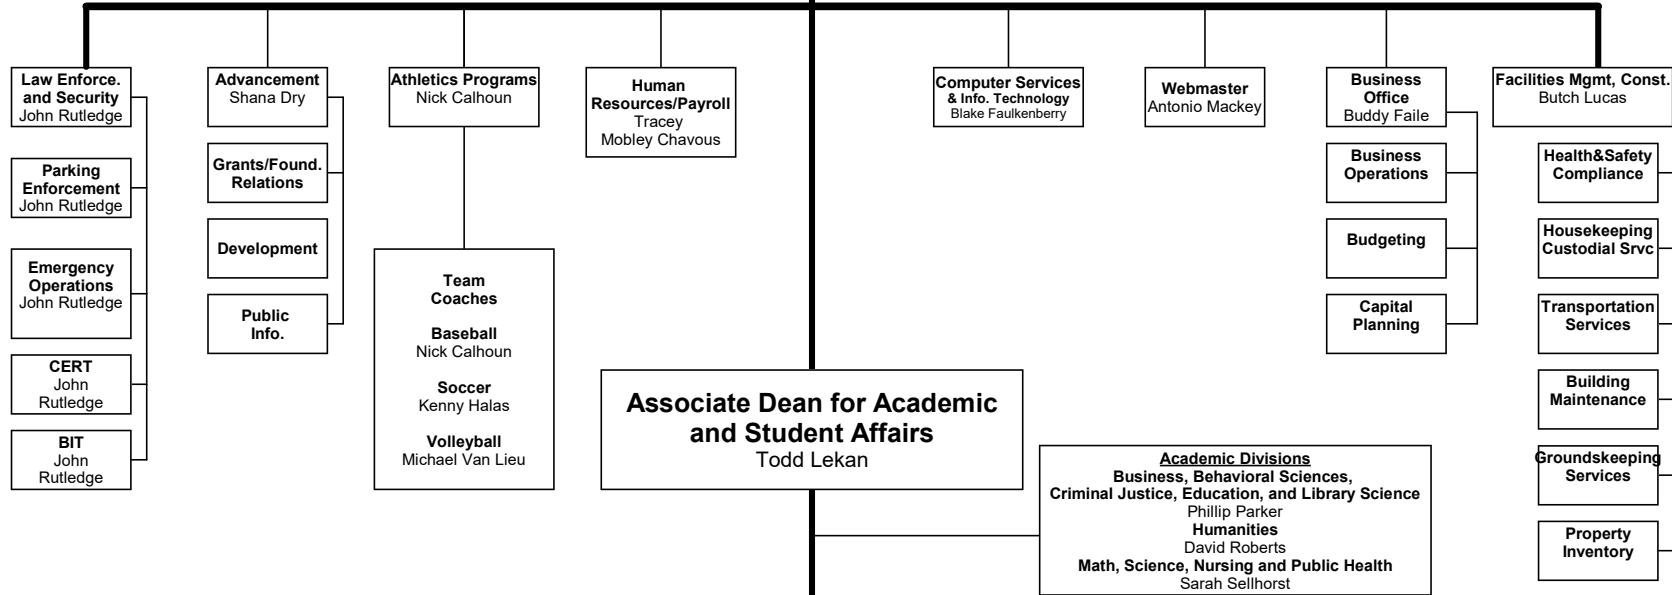

The statewide enterprise objective also states that we should promote the state in global competitiveness as a location for business, investment, talent, innovation, and visitors. Through the Native American Studies Center (NASC), USCL contributes significantly to the City of Lancaster’s downtown revitalization plan, which continues to be successful in attracting visitors, new businesses, and new investments to the Lancaster area. The NASC hosts a lunch-and-learn series, an artist-in-residence program, art gallery receptions, an archaeology lab, and arts and crafts shows that are open to the public. The staff also participate in city events, such as Scarecrows on Main in October and Christmas in the City in December, both intended to draw shoppers and tourists to downtown Lancaster. The NASC brings students of all ages downtown through K-12 field trips and USCL classes. Due to the pandemic, the NASC’s physical location was closed during FY2020-2021. However, they continued to hold events via Zoom and interact with the public via social media platforms. In the spring the NASC accepted a few visitors by appointment. The NASC held five events and series during FY2020-2021: The Brent Burgin Lunch-and-Learn series, Native American Studies Week, Columbus Controversy Panel and Discussion, Traditional Catawba Online Art Series, and presentations by Alex Osborn the Artist-in-Residence. In total, the NASC had 1592 visitors in person and by Zoom. The NASC Assistant Director stated that they were able to develop an entirely new distant group of patrons who otherwise would not have been able to visit the NASC in person.

Summary

University of South Carolina Lancaster is vital to the education of South Carolinians in our service area. We provide accessible and affordable higher education led by staff and faculty who are experts in their fields. Beyond the classroom, we strive to develop the whole person through co-curricular and extracurricular activities. As an institution and as individuals, we work to enhance our community socially and economically. It is clear that members of our service area value our work: our enrollments are increasing steadily, and our finances are growing with them. We’re also recognized by external reviewers as the #1 ranked community college in South Carolina, one of the top community colleges in the United States, and, in partnership with UofSC, providers of the #1 ranked RN program in South Carolina.
