AGENCY NAME:	South Carolina Law Enforcement Division		
AGENCY CODE:	D100	SECTION:	062

AGENCY'S DISCUSSION AND ANALYSIS

Introduction:

The Division is recognized as an exemplary law enforcement agency that provides a valuable service to law enforcement agencies and State officials. The Division continues to lead in the effort to improve safety of people and property through coordination and management of manpower and technical assistance to local, state, and federal agencies in response to crime, counter terrorism, natural disasters, emergency situations, and other high-risk events. SLED has continued its effort to fully realize its vision of being the premier law enforcement agency in the State of South Carolina and to effectively and efficiently perform the numerous statutory roles and responsibilities provided in South Carolina law.

Since 2011, under Chief Keel's leadership, SLED has grown from just over 400 total employees to over 400 sworn agents and more than 800 total employees. This significant growth over the last 15 years highlights the trust that the General Assembly has in SLED and specifically Chief Keel. It also demonstrates the trust and reliance of our local law enforcement partners. They know when they reach out to SLED/Chief Keel for assistance, the agency will spare no resources to ensure they get the help they need.

Agency Discussion/Statistics:

During FY 2026, SLED prioritized its mission of assisting local, state and federal law enforcement by providing quality manpower and technical assistance with an emphasis on public safety.

A few specific measurable examples include bomb squad and counter terrorism dive unit requests, crime suppressions, and public/high risk event safety and security. The safety and security of many popular public events/sporting events and the South Carolina Port are driving factors in the ongoing prosperity and growth South Carolina has experienced in recent years.

In FY 26, the SLED Bomb Squad responded to 322 calls for service to include:

9	Improvised Explosive Devices
6	Suspicious Packages
18	Military Ordnance Recoveries
2	Post Blast Investigations
6	Explosive Disposals
8	Possession of Explosives
1	Possession of Illegal Fireworks
49	Special Weapons and Tactics (SWAT) Team Assists
20	Proactive Mass Transit Sweeps
31	Protective Sweeps - Dignitary/VIP
7	Bomb Threats
110	Protective Sweeps - Special Events
1	WMD Incident
11	Miscellaneous Incidents
43	Community Relations Events

During FY 26period, members of the CDU responded to 116 calls for service including:

13 Maritime WMD/RAD/Explosive Sweeps
4 Maritime Security Details
5 Maritime – Other
36 Maritime Response/ Land
45 Maritime Response/ Water
13 C-UAS System Deployments

In FY 26 SLED provided law enforcement support to 15 requests for crime suppressions, where 121 agents were utilized that worked a combined 1,332 hours.

SLED continues to provide manpower and assistance responding to three (3) natural disasters and three (3) missing persons incidents. These operations utilized 204 personnel which worked a combined 2,112 hours.

SLED coordinated with several universities, colleges, and local jurisdictions to provide manpower and technical assistance for sporting events in South Carolina. During this period SLED assisted with 34 sporting events which utilized 441 Agents who worked 5,111 hours. The events all concluded without major incident.

SLED coordinated with SC Bureau of Protective Services to provide law enforcement support for five (5) protests at the State House. These five (5) events utilized 46 Agents who worked a combined 368 hours. The protests all concluded without incident.

The Division continued to provide extensive investigative and technical assistance, upon request, and professional laboratory services to local, state, and federal criminal justice agencies. Services include but are not limited to field investigations of major felony crimes, child fatality investigations, special event assistance, protective services, behavioral science, regulatory services, DNA casework, drug analysis, and evidence control. These services improve the safety of people and property through timely, efficient, and quality manpower and technical assistance.

Regional Agents and Supervisors continue to work closely with Police Chiefs, Sheriffs, Federal Agents and Prosecutors, Solicitors, the Attorney General's Office, Coroners, and other officials to maintain relationships and ensure the highest quality of service. As a continuing result, there is a yearly increase in requests for SLEDs assistance. SLED's Regional Agents worked 639 cases with the Low Country working 184, the Midlands 177, the Piedmont 164 and the Pee Dee 114. Regional Agents investigated 45 Officer Involved Shootings, 131 deaths investigations (51 homicides and 55 in-custody deaths), 44 criminal sexual conducts, and 17 attempted murders.

The SLED Special Victims Unit opened 512 cases of which 316 were Department of Child Fatalities (DCF) cases. SVU conducted 122 forensic interviews.
- DCF received 469 reports of child fatalities from coroners (intakes). 166 intakes did not meet the statutory requirements for an investigation as a child fatality.
- DCF investigated 303 child fatalities and opened 299 child fatality cases. (3 of the cases involved multiples deaths but were classified as one incident/case number.)

SLED's Behavioral Science Unit (BSU) continues to be called upon to work threats across South Carolina. BSU received 270 requests for assistance, an 8% increase from the prior year of which 236 were for threat assessments. During FY 26 SLED was requested to investigate several cases for high profile individuals.

SLED was responsible for providing law enforcement support for 91 special events and frontline calls-for-service requests. These 91 requests utilized 960 Agents who worked a combined 12,592 hours. Some of the law enforcement support details.

SLED's Forensic Services Laboratory continues to see an increase in requests from local law enforcement. In FY 26 the Lab received 22,954 cases and completed 22,415. Those new case submissions included 79,747 items of evidence. The Lab completed analysis of 84,721 items during that period.

DNA Casework received 2,781 cases involving 18,942 items and completed 3,319 cases involving 21,213 items.

Drug Analysis received 14,001 cases involving 33,693 items and completed 12,506 cases involving 37,549.

In FY 26, the SLED Arson Investigations Unit received 139 requests for investigative assistance.

The national average clearance rate for Arson cases varies between 15-24%. In FY 2025-2026, the SLED Arson Investigations Unit clearance rate by arrest was 41%.

SLED 's Community Relations Unit serves as the liaison between the agency and the community. The unit has one Community Relations agent assigned to each region of the state. During FY 26, agents have worked diligently to strengthen partnerships with formal community organizations, faith-based groups, schools, and local government agencies. The unit also supports the Regional Investigation Offices with high profile investigations that may require community outreach and communication with community leaders.

SLED's Community Relations Unit actively supports its recruitment efforts by participating in career fairs and career day events to educate prospective candidates about career opportunities within the agency.

During FY 26, SLED's Fusion Center provided substantial assistance to local, state and federal law enforcement agencies. Chief Keel recognizes the vital role the Fusion Center plays for law enforcement nationwide. In FY 26 the Fusion Center received 16,845 requests for assistance, assisted with 481 missing persons cases, conducted 185 threat assessments, sent 389 advisories to law enforcement partners and conducted 1,472 personnel backgrounds. One specific area of significant growth under Chief Keels leadership is the role analysts play in the Fusion Center. During FY 26 analysts assisted with 10,334 cases.

In FY 26 SLED's fugitive team agents assisted in the arrest of 426 fugitives and recovered 123 guns, 3 with switch modifications.

SLED provided specialized assistance to local law enforcement on 222 SWAT missions, 343 aviation missions and 464 K9 tracking missions during FY 26.

SLED is a state and internationally accredited agency. When Chief Keel returned to SLED in 2011, Chief prioritized SLED regaining CALEA (The Commission on Law Enforcement Accreditation) accreditation, the gold standard in public safety accreditation internationally. Chief Keel remains a CALEA accreditation assessor, a position he has held since 1994. Chief Keel oversees the review and subsequent implementation of all SLED policies. SLED policies are evaluated and updated annually and go through a rigorous review process through Power DMS which is a policy, training and accreditation management system.

During FY 26 at Chiefs direction, SLED reviewed all policies with the goal of streamlining and making them more efficient. Ultimately, Chief strives to make policies easier to understand and in turn easier to implement and follow.

Below are some events that highlight employee engagement under Chief Keels leadership. He not only approves these events, but he also promotes them and participates. Also, included are internship events. We have a robust internship program that Chief Keel actively encourages and promotes.

08/19/2025: Employee Health Screening
08/19/2025: Fall Intern Day
09/12/2025: Open enrollment presentation
10/03/2025: Vaccine Clinic
10/07/2025: Intern Event: Tactical Ops
10/14/2025: Colonial Life presentation
11/06/2025: Mobile Mammography
12/05/2025: SLED Christmas Luncheon/Charity Drive
12/16/2025: Office Door Decorating Contest
01/05/2026: Intern Event: Mock Crime Scene
01/07/2026: Spring Intern Day
02/04/2026: Intern Event: Mock Polygraph & Forensic Art
02/12/2026: Intern Event: Polygraph
02/23/2026: Intern Event: Mock Crime Scene
03/11/2026: Intern Event: Resume Writing workshop
04/16/2026: Employee Appreciation Day
Auction
Benefits Fair
06/03/2026: Summer Intern Day
06/18/2026: Intern Event: Seahawk
06/23/2026: Retirement lunch & learn
06/29/2026: Intern Event: Mock Polygraph & Forensic Arts

During FY 26, SLED demonstrated sustained and measurable progress building SC CIC's capacity to analyze, protect, respond to, mitigate, and recover from cyber incidents affecting South Carolina's municipalities, counties, and private critical infrastructure.

The program expanded its reach significantly, adding 82 new member organizations. This growth directly advances the health, safety, and well-being of South Carolina citizens by extending no-cost cybersecurity services to a broader base of local governments and critical infrastructure entities, many of which are resource-constrained and would otherwise lack access to these protections.

Investment in personnel readiness was a clear priority for the Chief. Six cybersecurity analysts passed their examinations to earn the Certified CyberDefenders Level 2 credential, strengthening the technical depth of the team and ensuring that SC CIC personnel remain highly trained to meet the analytical and response demands placed on them. That readiness was validated externally when SC CIC participated in the Operation Tobacco Road Cyber Exercise in North Carolina, where the team earned two awards for performance. Success in a multi-state exercise environment reflects both individual analyst proficiency and the maturity of the program's response processes under realistic conditions.

The program's operational value was proven in a live incident when SC CIC responded to the compromise of South Carolina water facilities by a foreign threat actor. Beyond containing and remediating the immediate threat, the team conducted forensic analysis and shared the resulting intelligence with the Environmental Protection Agency and other facilities. This action extended protection well beyond the affected systems, helping other networks defend against the same adversary and demonstrating the full arc of the success criteria from response and mitigation through recovery and prevention.

To sustain and scale these capabilities, SC CIC's threat intelligence was expanded by implementing a new attack surface management platform and standing up an Indicator Sharing program. These additions improve the program's ability to identify exposures proactively and to distribute actionable intelligence to members, shifting the posture from reactive response toward earlier detection and prevention.

Finally, SC CIC's standing within the broader state cybersecurity community was recognized when it was chosen to lead the Posture and Readiness Pillar for the SC Cyber Ecosystem Plan. This leadership role positions the program to shape statewide readiness standards and reflects the confidence that partners across the ecosystem place in the Chief's direction of SC CIC.

Chief Keel prioritizes training and professional development opportunities from the top down. Every employee is offered the opportunity for growth and development. Chief ensures employees have access to the best training and equipment available with agent safety and safety of the public being the primary concern.

During FY 26, SLED began the statewide implementation of the newly established SC Safe Carry program. The initiative was created to address the public-education needs associated with South Carolina's 2024 constitutional-carry legislation and to provide firearm owners with accessible information about responsible ownership, lawful carry, and safe storage.

In 2024, the SC Constitutional Carry legislation mandated the implementation of the statewide SLED Free CWP Instructional Program, which provides free CWP courses in every South Carolina county based on public demand. The program was established in October 2024 and in just 3 months, SLED certified instructors hosted 302 courses with 2,330 attendees. In 2025 SLED certified instructors hosted 1,107 courses with over 8,000 attendees and in 2026 through August 1, SLED certified instructors hosted 670 courses with 4,863 attendees.

In 2025, SLED began the development and implementation of SLED's transition from the .40-caliber GLOCK platform with traditional iron sights to the 9mm GLOCK equipped with a red-dot optic. This

initiative included equipment evaluation, curriculum development, instructor preparation, and oversight of the agency-wide transition and qualification process.

The statistical results demonstrate a significant improvement in firearms performance. The average qualification score with the .40-caliber platform through April 30, 2025, was 90.16%, based on 661 qualification attempts, which included an average of 45 Agents that needed to requalify at least once. Following the transition, the average qualification score with the 9mm platform (no red dot) increased to 91.77% until red dot training began in the summer of 2025, based on 1,698 handgun qualification attempts. After the red dot transition training was completed, the average increased to 96.66% and has remained consistent at 95.77% in 2026 to date, based on 702 attempts. This represents an improvement of approximately 6.5 percentage points over the former platform.

The percentage of qualification attempts scoring below the 80% standard also decreased substantially, falling from 9.23% with the .40-caliber platform to 2.12% during the 2025 9mm transition period and 1.28% in 2026. This amounted to two agents needing a second attempt to pass, which equates to an approximately 86% reduction in requalification scores and ammunition use for those requalification's compared with the former platform.

The transition to the Axon Body-Worn Camera (BWC) platform represents a significant advancement in officer safety, investigative capabilities, evidence management, and public accountability. The AXON BWC has high-definition video, improved low-light recording, and superior audio capture that preserves critical evidence that may otherwise be lost. The Axon ecosystem streamlines evidence management through secure cloud-based storage and centralized digital evidence management. Investigators, prosecutors, and authorized personnel can quickly access, review, redact, and securely share evidence without relying on physical media or manual file transfers.

SLED has started the process of testing AI-enabled investigative intelligence software systems to significantly enhance the ability to identify, investigate, disrupt, and prosecute criminals involved in criminal investigations. AI-enabled technologies will serve as a force-multiplier, allowing investigators to process large volumes of information more efficiently, identify criminal patterns faster, and improve officer safety while supporting investigative objectives.

The South Carolina Center for School Safety and Targeted Violence, located in Gilbert, SC, has completed a "proof of concept" opening ahead of and during ongoing Phase I renovations. During this time, SLED Active Attack/Targeted Violence (AA/TV) Training personnel have provided training and logistical support for 149 classes and 3,340 students. Services provided have included hosting federal training for several states, hosting K9 certification training for officers from around the nation, and hosting/providing other advanced training for first responders and educators. Completion of Phase I renovations at the Center are estimated to be completed by November 30, 2026.

The SLED Active Attack and Targeted Violence (AA/TV) Training Unit is staffed with highly trained personnel who coordinate and provide year-round statewide AA/TV training opportunities for Law Enforcement personnel, Dispatchers, Firefighters, and EMS personnel as well as for businesses, healthcare facilities, churches, and schools. The AA/TV Training Unit provided a total of 461 classes to 24,486 personnel in FY2025-2026, at no cost to these personnel or their agencies, including the following topics:

- Active Shooter/Complex Coordinated Terrorist Attack (AS/CCTA) Training for Law Enforcement (57 classes, 7,807 personnel)
- AS/CCTA Training for Businesses, Healthcare Facilities, Churches, Schools, Buses/Bus Drivers (223 classes, 12,688 personnel)
- Stop the Bleed Training (145 classes, 2,362 personnel)
- Drills and Exercises (6 drills/exercises, 1,155 personnel)
- Behavioral and Mental Health (3 classes, 243 personnel)

During FY 26, the DNA Casework Department completed a total of 252 CSC with a Minor. Of the 252 cases completed, 223 of these cases included a CSC kit. Utilizing funds from the DNA Capacity Enhancement and Backlog Reduction (CEBR) grant, 203 cases were outsourced to a private vendor laboratory, and 20 cases were completed in-house. DNA profiles developed in 73 CSC with a Minor were entered into CODIS, 34 CODIS Hits resulted, which is a 47% CODIS Hit rate.

During the period of July 1, 2025 - June 30, 2026 (FY25-26), the DNA Casework Department completed a total of 275 Adult Sexual Assault Cases. Of the 275 adult cases completed, 68 cases included a CSC kit with Subject Type -Stranger. Utilizing funds from the DNA Capacity Enhancement and Backlog Reduction (CEBR) grant, 64 cases with Subject Type – Stranger were outsourced to a private vendor laboratory, and 4 cases with Subject Type – Stranger were completed in-house. DNA profiles developed in 37 of the cases were entered into CODIS, 20 CODIS Hits resulted, which is a 54% CODIS Hit rate.

For FY25-26, a total of 527 Sexual Assault cases were completed, which included both CSC with a Minor cases and Adult CSC cases with Subject Type - Stranger.

Over FY 2025-26, the SLED implied Consent Department successfully performed this changeover to include certification and replacement of 149 breath testing instruments at 105 sites and assisted with the process of retraining and recertifying the breath-testing operators throughout the state of South Carolina. Highlights of the project include the following:

- Worked with the South Carolina Criminal Justice Academy (SCCJA) to create a training video to recertify existing breath test operators on the new instrument. Production of the video was completed in September 2025.
- All forms and policies were updated and uploaded to the new instruments prior to deployment.
- The DMHost system which creates communication between the test sites and the server was upgraded and tested in February 2026. This allows for transmission of test results from the remote test sites.
- During the first phase of replacement, the Implied Consent department began removing one half of the existing breath testing devices across the state. The replacement process was communicated to law enforcement through customer notices. Each device removed from service was systematically replaced with a new INTOX DMT instrument, which received certification both in the SLED Laboratory and at its designated testing site before being put into service.

As of March 1, 2026, SCCJA training records showed that:

- 5,642 officers were assigned to the course
- 5,255 officers completed the course (93.1% completion rate)
- 119 officers failed the course (97.7% success rate)

- Officers who did not meet the deadline or did not pass the class were required to attend the in-person class at SCCJA after March 1, 2026.

On March 1, 2026, the transition to the new INTOX DMT instruments officially took place and the remaining Datamaster DMT instruments were taken out of service.

As of May 29, 2026, the installation of the INTOX DMT instruments was completed at all original sites throughout the state except for those currently under construction.
The instrument upgrades will assist the Implied Consent Department to continue to provide high quality and reliable testing results for impaired driving cases throughout the state.

During FY 26, SLED continued to make a significant impact on public safety through proactive enforcement and collaborative investigations. Statewide Narcotics Enforcement Teams seized illicit drugs with an estimated street value of $981,724,731.50.

The Alcohol Enforcement Teams completed 26,789 inspections and 10,515 Underage Cooperating Individual (UCI) compliance checks during FY 2025–2026.

During FY 2025–2026, the SLED Dogfighting Team recovered 476 dogs, arrested 54 individuals, obtained 150 felony dogfighting charges and 172 felony ill-treatment of animal's charges.

As immigration enforcement priorities have increased at the national level, SLED expanded its support of the 287(g) Program. The Division currently has 129 Special Agents certified under the 287(g) Program. During FY 26, SLED's Immigration Unit assisted law enforcement agencies 490 times.

During FY 26 period, SLED's Interdiction Unit opened 610 investigations, resulting in the seizure of 2,096 pounds of marijuana, 83,563 grams of methamphetamine, 46,544 grams of THC-derived products, 6,249 grams of fentanyl, and 24,322 grams of cocaine.

The Human Trafficking Unit opened 19 investigations, including 12 sex trafficking cases, 4 labor trafficking cases, and 3 investigations involving both sex and labor trafficking. During the same period, the team responded to 326 human trafficking tips.

During FY 26, SLED implemented a quarterly salary review process that includes the Chief, Assistant Chief, and representatives from Budget and HR.

SLED requires the Chief Financial Officer to be a Certified Public Accountant or a Certified Internal Auditor. The CFO reviews expenditures, revenue, and cash on a routine basis and the Chief is briefed regularly.

SLED has developed a collaborative budget process that ensures all department heads submit their critical operating and personnel requests.

The budget office tracks actual vs. budgeted expenses monthly to identify variances and routinely meets with department heads to ensure any variances are addressed on a timely basis. In addition, departmental purchases must be reviewed and approved by the Budget office prior to submitting a shopping cart. The

budget office approves expenditure allocations, budget/fund adjustments, and new personnel positions/salary requests.

SLED is subject to annual financial, procurement and grant-related audits. No major findings have been reported.

During FY 26, SLED continued to manage state and federal grant-funded resources to ensure funds were used appropriately and supported the Division's mission.

During FY 26, SLED entered into a MOU with the United States Capitol Police (USCP) for providing dignitary protection to members of Congress while in South Carolina resulting in a reimbursement of $142,119.53 in salary and $51,748.56 in mileage.

Through continued financial oversight and planning, state and federal grant resources were used responsibly and prioritized toward the personnel, technology, training, and investigative capabilities needed to accomplish SLED's mission.

Division leadership regularly reviewed narcotics discretionary funds and expenditures to ensure they were necessary, properly documented, and connected to operational needs. These reviews helped maintain accountability and provided leadership with information needed to make decisions regarding future resource requirements.

SLED's State Administrative Agency (SAA) for Homeland Security (HS):

SLED's State Administrative Agency for Homeland Security Department administers grants received from the US Department of Homeland Security (DHS). The SAA is currently responsible for and/or is managing 288 Homeland Security sub-grants to law enforcement, fire, EMS, EOCs, emergency management agencies, as well as to churches, schools, governments, citizens' organizations, and other entities. This includes $64,648,545 under active financial and programmatic grant management across multiple grant programs to include: the Homeland Security Grant Program (HSGP/SHSP), the Nonprofit Security Grant Program (NSGP), the Emergency Management Program Grant (EMPG), the Emergency Operations Center Program (EOC), the Port Security Grant Program (PSGP), and the State and Local Cybersecurity Grant Program (SLCGP).

The SAA provides coordination of statewide Critical Infrastructure/Key Resources (CI/KR) services to schools, businesses, industries, and others; provides guidance and equipment to 37 statewide Regional Response Teams (SWAT, Bomb, HazMat (Hazardous Materials), RMAT (Regional Medical Assistance Teams), IMT (Incident Management Teams) and USAR (Urban Search and Rescue Teams); facilitates statewide Weapons of Mass Destruction (WMD)/Counterterrorism training to First Responders and others; and facilitates WMD Exercise delivery to the 37 statewide Regional Response Teams; supports statewide active shooter/active threat training to law enforcement, fire, EMS, schools, churches, and businesses. In addition, the SAA provides statewide Emergency Responder badging/credentialing coordination and oversight for over 44,000 first responders.

Over the reporting period, the SAA CIKR Section provided 101 assessments, covering a broad spectrum of mission critical sites. This included 70 judicial centers, encompassing 43 of South Carolina's (SC) 46 circuit courts, as well as three election registration offices, three emergency sectors, and two sites

supporting Department of Defense operations. Additional independent agency assessments were conducted for a major energy producing company, seven water and wastewater treatment facilities, four schools, three churches, seven VIP locations, and specialized assessments at a medical research facility. Collectively, these assessments provided a comprehensive view of statewide assets and enabled the prioritization of future mitigation efforts. CI/KR outreach continued to grow through direct engagement with an array of public and private sector partners. Engagements included eight Local Emergency Planning Committees (LEPCs), the SC Election Commission, Department of Agriculture, Seahawk, Department of Environmental Services, Department of Commerce, Volvo, Boeing, Lexington Hospital, a major chemical manufacturing facility, and the SC State House Complex through a tabletop exercise. Additional Consequence of Loss (CL) coordination efforts involved the South Carolina Adjutant General, U.S. Coast Guard, State Port Authority, and underwent specialized training with the U.S. Marshals Service. Specialized committee engagements such as the State-Owned Facility Security Upgrades Stakeholder, is an enduring effort addressing security upgrades at the SC Capitol Complex of which, SLED's CIKR Section is an active member.

The SAA also provides funding for and the key technical support/manning for the Statewide Radiological/Nuclear Detection Program. Approximately seventy (70) organizations across South Carolina are members of the program including: Federal partners include – FBI, DOE/RAP3, U.S. Marine Corps (Parris Island and Air Station Beaufort); State partners – DPS (SCHP & STP), 43rd CST, DES (DHEC), DNR, SC Ports Authority, SCEMD; Local partners – Charleston FD, North Charleston FD, Dorchester County SO, Easley PD, etc.; Universities – Clemson, University of South Carolina, Costal Carolina, Anderson University, and Francis Marion University; Colleges – Benedict; Airports – GSP. CAE, CHS, MYB. Program funded equipment has been distributed to approximately twenty-six (26) of these partner agencies. This program facilitates multiple activities to include calibration of sensors statewide and using them to ensure large- and small-scale events are safe from potential radiological threats (such as for Clemson, University of South Carolina, Costal Carolina, and Benedict home football games, etc.--screening approximately 1.7 million people & 10s of thousands of vehicles).

Conclusion:

Chief Keel has built a positive, results driven culture that focuses on fulfilling SLED's mission of assisting local, state, and federal law enforcement partners. Chief Keel is a relationship builder and recognizes it is vitally important to interact with Sheriffs, Chiefs, Prosecutors and Coroners.

Challenges:

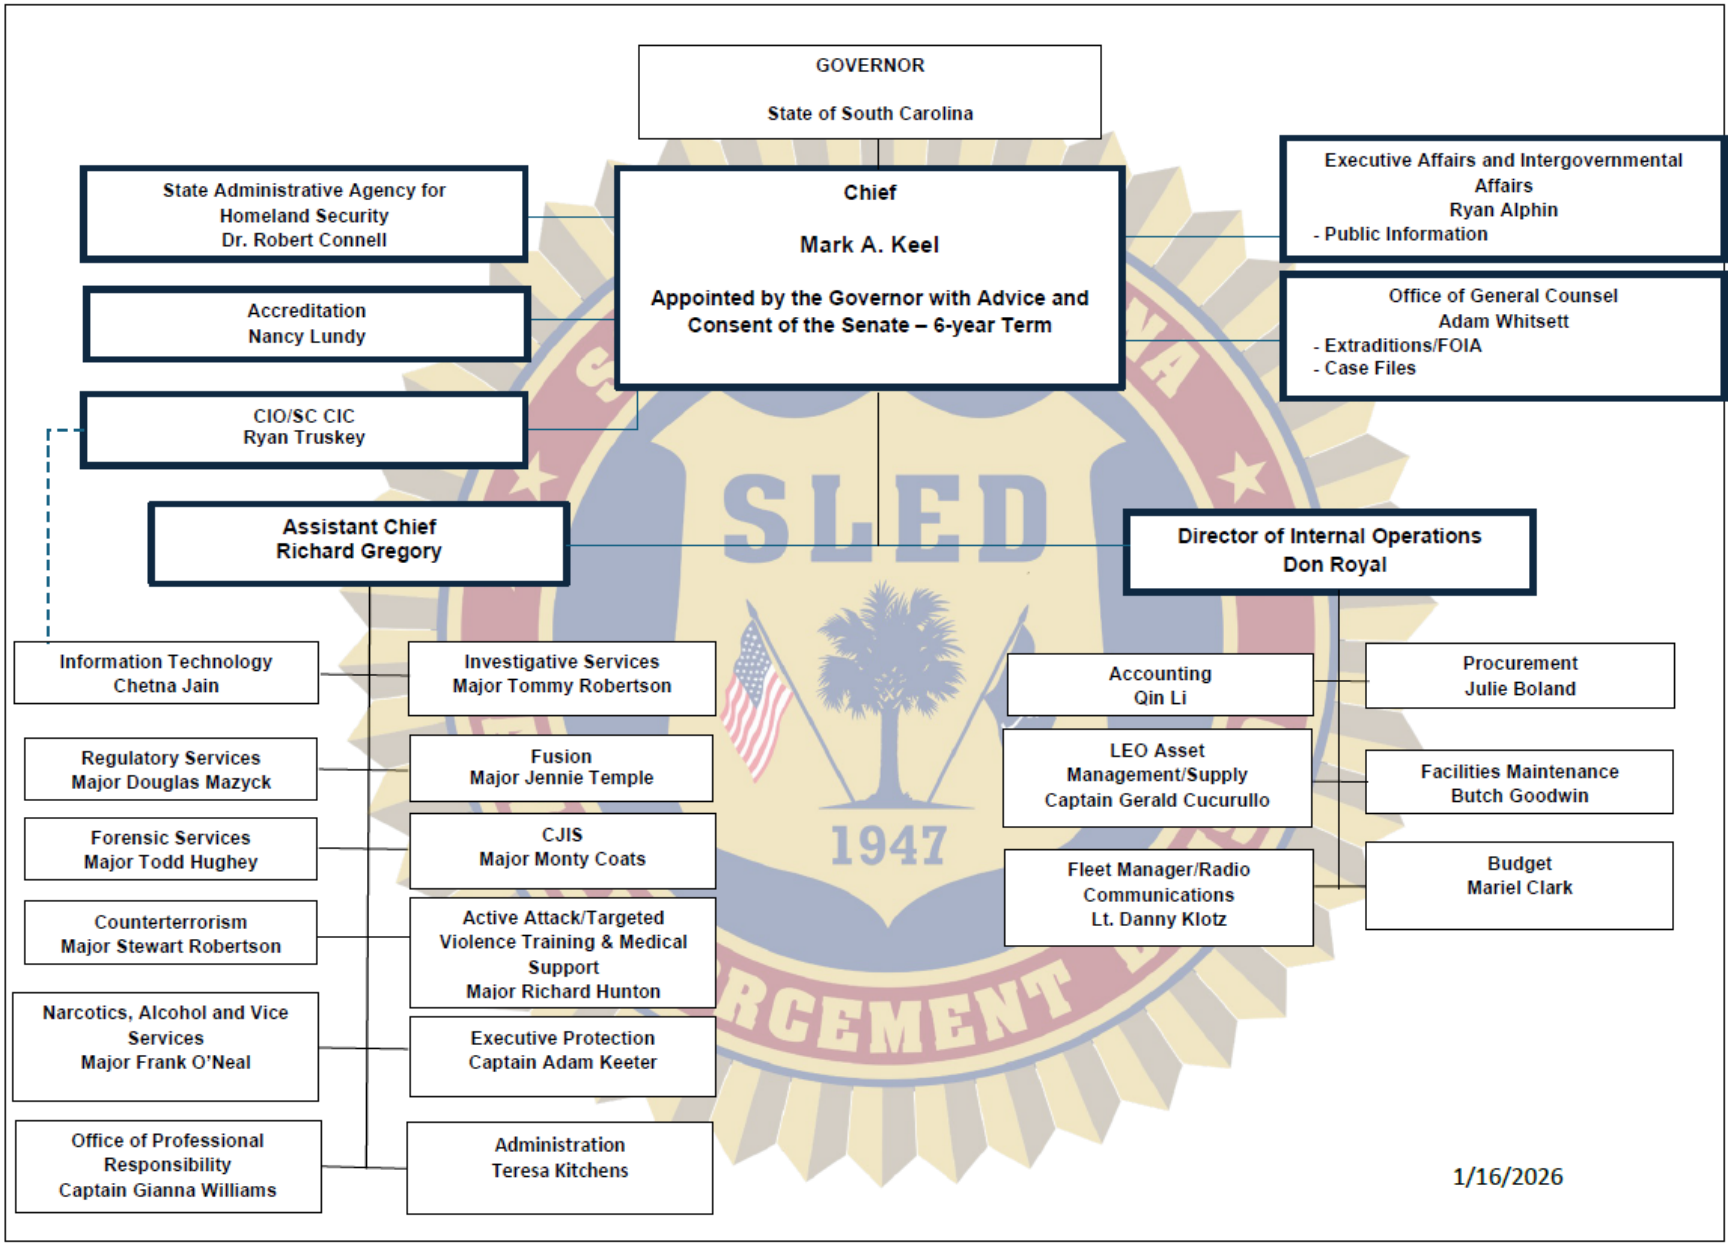

SLED's primary challenge is the need for additional manpower and resources to meet the ever-expanding need for SLED's services throughout the state of South Carolina. In addition, violent crime continues to be a major challenge in South Carolina. In the current budget, SLED received additional sworn personnel in an attempt to meet the increased demand.

Risk Assessment and Mitigation Strategies:

The safety, integrity, and security of statewide public resources, infrastructure, data, and citizens in South Carolina would be adversely affected if SLED were not provided the necessary manpower and resources to meet the ever-growing law enforcement and public safety needs in South Carolina.

AGENCY NAME:	South Carolina Law Enforcement Division (SLED)		
	D100	SECTION:	062

AGENCY ORGANIZATIONAL CHART

2026

Reorganization and Compliance

as submitted for the Accountability Report by:

D100 - GOVERNOR'S OFFICE - SLED

Primary Contact

First Name	Last Name	Role/Title	Email Address	Phone
Ryan	Alphin	Executive Affairs Director	ralphin@sled.sc.gov	803-331-5431

Secondary Contact

Agency Mission	Adopted in:	2016

The primary mission of SLED is to provide quality manpower and technical assistance to all law enforcement agencies in South Carolina to ensure that every citizen in the State of South Carolina is afforded an equal level of law enforcement service. SLED is also tasked with protecting and preserving the safety, integrity, and security of South Carolina's citizens and all statewide public resources, infrastructure, and data. SLED also conducts timely, thorough, and professional criminal investigations on behalf of the State of South Carolina along with many other statutory roles and responsibilities.

Agency Vision	Adopted in:	2016

SLED seeks to be the premier law enforcement agency in the State of South Carolina so as to ensure every citizen in South Carolina is provided an equal level of law enforcement services.

Recommendations for reorganization requiring legislative change:

None

Agency intentions for other major reorganization to divisions, departments, or programs to allow the agency to operate more effectively and efficiently in the succeeding fiscal year:

During FY 2026, Chief Keel moved Dr. Robert Connell, the State Administrative Agency for Homeland Security, directly under his command.

Significant events related to the agency that occurred in FY2026

Description of Event	Start	End	Agency Measures Impacted	Other Impacts
The Missing Person Information Center transitioned to a new statewide notification platform, Everbridge. The first statewide test was March 25, 2026. This process started when H 3340 was ratified and signed by the Governor in May 2023.	March	June	Ensure investigations are initiated in a timely manner (<48 hours)	

The SLED Forensic Services Laboratory set a goal of completing analysis of 400 active stranger and minor sexual assault kits during the fiscal year. During the period of July 1, 2025 - June 30, 2026 (FY25-26), the DNA Casework Department completed a total of 252 CSC with a Minor. Of the 252 cases completed, 223 of these cases included a CSC kit. Utilizing funds from the DNA Capacity Enhancement and Backlog Reduction (CEBR) grant, 203 cases were outsourced to a private vendor laboratory, and 20 cases were completed in-house. DNA profiles developed in 73 CSC with a Minor were entered into CODIS, 34 CODIS Hits resulted, which is a 47% CODIS Hit rate. During the period of July 1, 2025 - June 30, 2026 (FY25-26), the DNA Casework Department completed a total of 275 Adult Sexual Assault Cases. Of the 275 adult cases completed, 68 cases included a CSC kit with Subject Type - Stranger. Utilizing funds from the DNA Capacity Enhancement and Backlog Reduction (CEBR) grant, 64 cases with Subject Type – Stranger were outsourced to a private vendor laboratory, and 4 cases with Subject Type – Stranger were completed in-house. DNA profiles developed in 37 of the cases were entered into CODIS, 20 CODIS Hits resulted, which is a 54% CODIS Hit rate. For FY25-26, a total of 527 Sexual Assault cases were completed, which included both CSC with a Minor cases and Adult CSC cases with Subject Type - Stranger.	July	June	Reduce turn-around time for DNA Analysis of Criminal Sexual Assault Cases	
On March 23, 2026, the SLED Fusion Center issued an Amber Alert for two children. A few hours later, thanks in large part to relationships and ALPR technology, they were rescued in Georgia.	March	March	Ensure investigations are initiated in a timely manner (<48 hours)	
During FY 2025-26 the SLED Implied Consent Department transitioned to the new Intox DMT Breath Testing Instrument. The implementation of this project began in August 2025 with the development of the INTOX DMT Training video for all new police officers as well as current certified breath test operators. This video was completed through the SCCJA and assigned to all officers in October 2025. The department worked to update all forms and polices and updated the DMH Host server system enabling data downloads from the new instrument by November 2025. The department began certifying and installing instruments at one half of the breath testing sites throughout the state. This required and in lab calibration followed by an on-site certification of each of the instruments. On March 1, 2026, the installed Intox DMT instruments were put into service and the remaining Datamaster DMT instruments were taken out of service. Over the next several months, the installation of the remaining sites took place with the last install occurring at Williamsburg County on May 26, 2026. Since completion of the project in May, the department has added three new sites and military base installation at Fort Jackson. The department installed and 146 instruments at 104 sites throughout the state and all deadlines and milestones were met successfully.	August	May	Ensure investigations are initiated in a timely manner (<48 hours)	

The SLED Drug Analysis Department has assisted SLED Narcotics and multiple other law enforcement agencies with drug seizures from retail warehouses and storefronts selling Tetrahydrocannabinol (THC) products throughout the state. On December 9th, 2025, the Drug Analysis Department assisted SLED Narcotics and the DEA with operation Ganjapreneur. This case was conducted at nine warehouses throughout the Columbia area and there was at least one drug chemist on-site during each raid to assist with product identification and questions that arose during the seizure of product. The department had previously conducted analysis of multiple seizures from undercover buys at these locations to establish probable cause for the raids. The department was then tasked with analysis of all seized products from the warehouses. Over 1500 different products were identified and tested by the SLED Drug Analysis laboratory from the 9 warehouses. With the assistance of the DEA DOMEX group, a spreadsheet of tested retail products was developed with product images and testing results. This list will soon be published to all law enforcement agencies through the iLAB portal and these materials if seized will not require additional laboratory testing.	December	June	Ensure investigations are initiated in a timely manner (<48 hours)	
On March 28, 2026, agents from the SLED Immigration Enforcement Unit, in coordination with local, federal, and other state law enforcement personnel, executed six simultaneous search warrants in Jasper County, Colleton County, and Hampton County related to a cockfighting ring. Agents had been investigating the ring for over one year by conducting surveillance, identifying potential suspects and interviewing informants. On the day of the raid, agents interrupted an active cockfight at one of the locations and many of the participants/spectators fled into a nearby wooded area. As a result of the operation, four individuals were charged with Conspiracy to Commit Cockfighting and Conspiracy to Commit Gambling. An additional 26 individuals were administratively arrested by ICE/ERO for being illegally present in the United States.	March	March	Ensure investigations are initiated in a timely manner (<48 hours)	

On May 13, 2026, agents from SLED narcotics conducted a joint operation with detectives from the Greenwood County Sheriff's Office, resulting in the arrest of Daveon Antonio Butler and Darrell Shornrecon Phillips, and the seizure of more than 5 pounds of fentanyl (22,680 pills), 6 pounds of methamphetamine, 2 electric pill presses, 5 firearms, and other drugs. Search warrants were executed at 4 locations in Greenwood County and 1 location in Abbeville County. Both Butler and Phillips were taken into custody, after both tried to evade capture by fleeing in separate vehicles. Both suspects ended up causing collisions before their capture. After wrecking, Phillips ran on foot before being taken into custody after being apprehended by a Greenwood County K9. At the time of his arrest, Butler was out on 2 separate circuit court bonds for drug and firearms charges, as well as resisting arrest.	May	May	Ensure investigations are initiated in a timely manner (<48 hours)	
On October 16, 2025, the SLED Dogfighting Unit executed a search warrant at the residence of Christopher Corbitt in Orangeburg County. Agents were initially searching for evidence of dogfighting but knew that Corbitt was known to frequently sell narcotics in Orangeburg, Barnwell, and Lexington Counties. As a result of the operation, agents located 542 grams of meth, 24 grams of cocaine, 240 grams of fentanyl powder, a quantity of THC vape cartridges, 5 oxycodone pills, 2 handguns, an electronic currency counting machine, and $21,321 in cash. Agents rescued 24 dogs from the property and located evidence of dogfighting including a slat mill and two break sticks. Chris Corbitt was arrested and charged with Ill Treatment of Animals, Dogfighting, Trafficking Fentanyl, Trafficking Meth, Trafficking Cocaine, Possession of a Weapon During a Violent Crime, and Possession of a Schedule II Controlled Substance.	October	October	Ensure investigations are initiated in a timely manner (<48 hours)	

Special Agents with the SLED VICE Human Trafficking Unit worked a complex State Grand Jury investigation. The case was predicated upon investigating sex trafficking organizations, drug trafficking organizations, domestic and international gangs, firearms offenses, and general crimes that have been plaguing the Tri-County (Charleston, Berkeley, and Dorchester counties). The investigation began in December of 2024 and originated in the investigation and initial take-down of the illegally operated nightclub known as The Alamo in Charleston County in May of 2025. That operation resulted in a tremendous number of arrests, identification of a human sex trafficking/prostitution operation, victim rescues that included minors, identification and seizure of illicit substances and firearms, and the identification of a Red Notice homicide suspect. This location and the follow-up operation of the sister club owned by the same people, La Bamba/La Fogata yielded similar results. The proceeds illegally obtained from the operation of these clubs directly provided proceeds to the Mexican Cartel identified as Los Zetas. These cases continued to evolve through FY 26 and were formally indicted by the State Grand Jury in August 2026.	July	June	Ensure investigations are initiated in a timely manner (<48 hours)	
SLED was requested to investigate a shooting that resulted in a death that occurred on October 4, 2025 on the campus of South Carolina State University. The investigation is still ongoing however several arrests have been made in relation to carrying firearms on school property.	October	June	Ensure investigations are initiated in a timely manner (<48 hours)	
SLED's State Administrative Agency (SAA) for Homeland Security (HS) Department administers grants received from the US Department of Homeland Security (DHS). The SAA is currently responsible for and/or is managing 288 Homeland Security sub-grants to law enforcement, fire, EMS, EOCs, emergency management agencies, as well as to churches, schools, governments, citizens' organizations, and other entities. This includes $64,648,545 under active financial and programmatic grant management across multiple grant programs to include: the Homeland Security Grant Program (HSGP/SHSP), the Nonprofit Security Grant Program (NSGP), the Emergency Management Program Grant (EMPG), the Emergency Operations Center Program (EOC), the Port Security Grant Program (PSGP), and the State and Local Cybersecurity Grant Program (SLCGP).	July	June	Develop/update plans to address the risk (i.e. Homeland Security Strategic Plan, Terrorism Operations Plan (TOP))	

Is the agency in compliance with S.C. Code Ann. § 2-1-220, which requires submission of certain reports to the Legislative Services Agency for publication online and the State Library? (See also S.C. Code Ann. § 60-2-20).	Yes
Reason agency is out of compliance: (if applicable)	
Is the agency in compliance with various requirements to transfer its records, including electronic ones, to the Department of Archives and History? See the Public Records Act (S.C. Code Ann. § 30-1-10 through 30-1-180) and the South Carolina Uniform Electronic Transactions Act (S.C. Code Ann. § 26-6-10 through 26-10-210).	Yes
Does the law allow the agency to promulgate regulations?	Yes
Law number(s) which gives the agency the authority to promulgate regulations:	**16-8-330; 17-1-40; 17-22-90; 22-9-200; 23-3-40; 23-3-130; 23-3-420; 23-3-640; 23-3-680; 23-3-690; 23-3-1100; 23-3-1200; 40-18-30; 40-53-50; 43-35-595; 50-21-114; 54-17-70; 56-5-2590; 61-2-60; 63-7-1220; 63-11-1940**
Has the agency promulgated any regulations?	Yes
Is the agency in compliance with S.C. Code Ann. § 1-23-120 (J), which requires an agency to conduct a formal review of its regulations every five years?	Yes
(End of Reorganization and Compliance Section)	

Strategic Plan Results

as submitted for the Accountability Report by:

D100 - GOVERNOR'S OFFICE - SLED

FY2026

Goal 1 In an effort to protect the safety, integrity, and security of statewide public resources, infrastructure, data, and citizens; SLED will be responsible for the investigation of organized criminal activities or state-federal interstate criminal activities, all general criminal investigations, arson investigation and emergency event management pertaining to explosive devices.

Goal 2 In an effort to protect the safety, integrity, and security of statewide public resources, infrastructure, data, and citizens; SLED will maintain and operate a statewide comprehensive forensic sciences laboratory.

Goal 3 In an effort to protect the safety, integrity, and security of statewide public resources, infrastructure, data, and citizens; SLED will provide covert investigation of illegal activities pertaining to and the interdiction of narcotics and other illicit substances.

Goal 4 In an effort to protect the safety, integrity, and security of statewide public resources, infrastructure, data, and citizens; SLED will operate and maintain a central, statewide criminal justice data base and data communication system and will collaborate with other agencies in an effort to be more effective, efficient, and innovative.

Goal 5 In an effort to protect the safety, integrity, and security of statewide public resources, infrastructure, data, and citizens; SLED will maintain and operate highly specialized, tactical response law enforcement units within SLED and provide the coordination of counter terrorism efforts, including preparation against, preparation for, response to, and crisis management of acts of terrorism, in or affecting the state of South Carolina.

Goal 6 Provide regulation enforcement and inspections and quality customer service to the citizens of South Carolina for the areas SLED is tasked with regulating.

FY2027

D100 - GOVERNOR'S OFFICE - SLED

Goal 1 In an effort to protect the safety, integrity, and security of statewide public resources, infrastructure, data, and citizens; SLED will be responsible for the investigation of organized criminal activities or state-federal interstate criminal activities, all general criminal investigations, arson investigation and emergency event management pertaining to explosive devices.

Goal 2 In an effort to protect the safety, integrity, and security of statewide public resources, infrastructure, data, and citizens; SLED will maintain and operate a statewide comprehensive forensic sciences laboratory.

Goal 3 In an effort to protect the safety, integrity, and security of statewide public resources, infrastructure, data, and citizens; SLED will provide covert investigation of illegal activities pertaining to and the interdiction of narcotics and other illicit substances.

Goal 4 In an effort to protect the safety, integrity, and security of statewide public resources, infrastructure, data, and citizens; SLED will operate and maintain a central, statewide criminal justice data base and data communication system and will collaborate with other agencies in an effort to be more effective, efficient, and innovative.

Goal 5 In an effort to protect the safety, integrity, and security of statewide public resources, infrastructure, data, and citizens; SLED will maintain and operate highly specialized, tactical response law enforcement units within SLED and provide the coordination of counter terrorism efforts, including preparation against, preparation for, response to, and crisis management of acts of terrorism, in or affecting the state of South Carolina.

Goal 6 Provide regulation enforcement and inspections and quality customer service to the citizens of South Carolina for the areas SLED is tasked with regulating.

Perf. Measure Number	Description	Base	Target	Value Type	Desired Outcome	Time Applicable	Calculation Method	Data Source	Data Location	Stakeholder Need Satisfied	Primary Stakeholder	State Funded Program Number Responsible	Notes
1.1	**Conduct thorough and timely investigations of criminal activity, including arson investigations across the State**								**State Objective:**	**Maintaining Safety, Integrity and Security**			
1.1.1	Ensure investigations are initiated in a timely manner (<48 hours)	48	48	Ratio	Equal to or less than	State Fiscal Year (July 1 - June 30).	count of hours from request to assignment of case.	Employee Logs	Investigation Stats	Public Safety	Citizens of South Carolina	1001.010100.000	
1.1.2	Participate in federal task force investigations as needed	100%	100%	Percent	Maintain range	State Fiscal Year (July 1 - June 30).	# of requests for participation fulfilled/total # of requests for participation	Employee Logs	Employee Logs	Public Safety	Citizens of South Carolina and Law Enforcement Partners	1000.450100.000	
1.1.3	Maintain arson case closure rate better than the national average	25%	40%	Percent	Maintain range	State Fiscal Year (July 1 - June 30).	Total # of Arson cases arrests were made/Total # of Arson cases	Employee Logs	Arson Statistics	Public Safety	Citizens of South Carolina and Law Enforcement Partners	1003.400000.000	
1.2	**Provide emergency event management for functions and events across the State of South Carolina.**								**State Objective:**	**Maintaining Safety, Integrity and Security**			
1.2.1	Work with federal, state, and local law enforcement across the state on various security details such as Memorial Bike Week, Cooper River Bridge Run, Darlington Race, College Football Games, Elections, etc.	140	150	Count	Complete	State Fiscal Year (July 1 - June 30).	Number of events	SLED Special Events Calendar/Case Logs	SLED Special Events Calendar/Case Logs	Public Safety	Citizens of South Carolina and Law Enforcement Partners	1003.400000.000	

Perf. Measure Number	Description	Base	Target	Value Type	Desired Outcome	Time Applicable	Calculation Method	Data Source	Data Location	Stakeholder Need Satisfied	Primary Stakeholder	State Funded Program Number Responsible	Notes
1.2.2	Coordinate, support, plan, and respond to the SC Emergency Management division for all-hazard planning for critical incidents, natural or man-made disasters, and planned events in concurrence with the SC Emergency Operations Plan (EOP). Provide personnel to the ESF-13 cell during exercises and activation of the SC Emergency Operations center (SEOC).	12	12	Count	Complete	State Fiscal Year (July 1 - June 30).	Number of events	SLED Special Events Calendar/Case Logs	SLED Special Events Calendar/Case Logs	Public Safety and Preparedness	Citizens of South Carolina and Law Enforcement Partners	1003.400000.000	
2.1	**Evaluate Forensic Laboratory processes to assist with back log and turn-around time reduction to better meet the needs of our customers**								**State Objective:**	**Government and Citizens**			
2.1.1	Reduce Turnaround time for violent crime cases in Firearms	100	100	Acceptable Range	Maintain range	State Fiscal Year (July 1 - June 30).	Average Turn-around time for violent crimes cases	Monthly Lab Reports	Forensic Lab Statistics	Public Safety	Citizens of South Carolina and Law Enforcement Partners	1000.100100.000	
2.1.2	Improve timeliness of Officer Involved Shooting Forensic Reports	36	25	Acceptable Range	Maintain range	State Fiscal Year (July 1 - June 30).	Average Turn-around time calculated from the time evidence is submitted until the time the last report is completed	Monthly Lab Reports	Forensic Lab Statistics	Public Safety	Citizens of South Carolina and Law Enforcement Partners	1000.100100.000	
2.1.3	Reduce turn-around time for DNA Analysis of Criminal Sexual Assault Cases	365	150	Acceptable Range	Maintain range	State Fiscal Year (July 1 - June 30).	Average Turn-around time calculated from the time evidence is submitted until the time the last report is completed	Monthly Lab Reports	Forensic Lab Statistics	Public Safety	Citizens of South Carolina and Law Enforcement Partners	1000.100100.000	
2.1.4	Reduce backlog of GSR Cases	1,875	1,000	Ratio	Maintain range	State Fiscal Year (July 1 - June 30).	Case Backlog calculated from Total Number of GSR Cases older than 30 days	Monthly Lab Reports	Forensic Lab Statistics	Public Safety	Citizens of South Carolina and Law Enforcement Partners	1000.100100.000	
3.1	**Reduce underage drinking and the illegal sale of alcohol within the State**								**State Objective:**	**Maintaining Safety, Integrity and Security**			
3.1.1	Increase number of Alcohol Administrative Inspections	13,413	14,000	Count	equal to or greater than	State Fiscal Year (July 1 - June 30).	Number of Administrative Inspections Conducted	Employee Logs	VICE Statistics	Public Safety	Citizens of South Carolina	1000.450100.000	
3.1.2	Increase number of Underage Alcohol Purchase Attempts	5,528	6,000	Count	equal to or greater than	State Fiscal Year (July 1 - June 30).	Number of Underage Alcohol Purchase Attempts made	Employee Logs	VICE Statistics	Public Safety	Citizens of South Carolina	1000.450100.000	

Perf. Measure Number	Description	Base	Target	Value Type	Desired Outcome	Time Applicable	Calculation Method	Data Source	Data Location	Stakeholder Need Satisfied	Primary Stakeholder	State Funded Program Number Responsible	Notes
3.2	**Reduce access to opioids and illegal drugs within the State**								**State Objective:**	**Maintaining Safety, Integrity and Security**			
3.2.1	Maintain the number of prescription drug takeback events	2	2	Count	Equal to or greater than	State Fiscal Year (July 1 - June 30).	Number of Prescription Drug Take Back Events	Employee Logs	VICE Statistics	Public Safety	Citizens of South Carolina and Law Enforcement Partners	1000.450100.000	
3.2.2	Collaborate with federal, state and local partners on opioid taskforce - Participate in 100% of statewide taskforce meetings per year	100%	100%	Percent Complete	Complete	State Fiscal Year (July 1 - June 30).	Number of stakeholder meetings per year.	Employee Logs	VICE Statistics	Public Safety	Citizens of South Carolina and Law Enforcement Partners	1000.450100.000	
4.1	**Enhance the accuracy, completeness, and timeliness of criminal history information and law enforcement information**								**State Objective:**	**Government and Citizens**			
4.1.1	Work with law enforcement agencies to send arrest information to SLED within 3 business days	90%	90%	Percent	equal to or greater than	State Fiscal Year (July 1 - June 30).	# of arrests for which information is sent to SLED within 3 days / total # of arrests	Monthly FBI Fingerprint Statistics	Monthly FBI Fingerprint statistics	Public Safety	Citizens of South Carolina and Law Enforcement Partners	1000.350100.000	
4.1.2	Improve the percentage of arrests that have dispositions	79%	79%	Percent	equal to or greater than	State Fiscal Year (July 1 - June 30).	# of arrests that have dispositions attached / total # of arrests	Criminal History Repository	Criminal History Repository	Public Safety	Citizens of South Carolina and Law Enforcement Partners	1000.350100.000	
4.1.3	Increase the number of law enforcement agencies that replicate information to SCIEx on a daily basis	142	160	Count	equal to or greater than	State Fiscal Year (July 1 - June 30).	Count of agencies that have daily activity	Monthly SCIEx Records - Readily Available	Monthly SCIEx Records - Readily Available	Public Safety	Law Enforcement Partners	1000.350100.000	
4.1.4	Increase the number of agencies with access to GangNet	173	177	Count	equal to or greater than	State Fiscal Year (July 1 - June 30).	Number of agencies that have active accounts	GangNet records	GangNet records	Public Safety	Law Enforcement Partners	1000.350100.000	
4.2	**Secure funding and personnel resources to support all links from SLED criminal justice data base and data communication switches to all local and federal agencies that need access to SLEDs system**								**State Objective:**	**Government and Citizens**			
4.2.1	Increase the number of law enforcement users with access to the SCIIC Bulletin	2,985	3,050	Count	Maintain range	State Fiscal Year (July 1 - June 30).	Number of recipients	Monthly SCIIC statistics	Monthly SCIIC statistics	Public Safety and Awareness	Law Enforcement Partners	1000.350100.000	
4.2.2	Increase the number of other criminal justice, critical infrastructure/private sector, and public safety users with access to the SCIIC Bulletin	434	440	Count	Maintain range	State Fiscal Year (July 1 - June 30).	Number of recipients	Monthly SCIIC statistics	Monthly SCIIC statistics	Public Safety and Awareness	Law Enforcement and Partners	1000.350100.000	
4.2.3	Increase the number of requests supported by the SCIIC	16,500	16,500	Count	Maintain range	State Fiscal Year (July 1 - June 30).	Number of requests supported	Monthly SCIIC statistics	Monthly SCIIC statistics	Public Safety	Law Enforcement Partners	1000.350100.000	

Perf. Measure Number	Description	Base	Target	Value Type	Desired Outcome	Time Applicable	Calculation Method	Data Source	Data Location	Stakeholder Need Satisfied	Primary Stakeholder	State Funded Program Number Responsible	Notes
4.3	**To protect critical infrastructure in the State from the effects and consequences of significant cyber events that could pose a risk to the citizens of South Carolina**								**State Objective: Government and Citizens**				
4.3.1	Perform an Annual Threat Hazard, Risk & Capability Assessment & Risk Reduction Planning Process	100%	100%	Percent Complete	Complete	State Fiscal Year (July 1 - June 30).	Percent of planning process complete by June 30.	SC CIC Data	SC CIC Data	Public Safety and Preparedness	Citizens of South Carolina and Law Enforcement Partners	1002.150000.000	
4.3.2	Enhance economic development prospects by insuring a safe cyber posture from which companies can operate - number of organizations participating in SC CIC	100	100	Count	Equal to or greater than	State Fiscal Year (July 1 - June 30).	Percent of planning process complete by June 30.	SC CIC Data	SC CIC Data	Public Safety	Citizens of South Carolina and the Business Community	1002.150000.000	
5.1	**Coordinate state investigative services and counter-terrorism support for local and federal law enforcement partners**								**State Objective: Maintaining Safety, Integrity and Security**				
5.1.1	Provide and participate in explosive and/or hazardous materials related training for bomb techs at the federal, state and local levels as measured by training hours completed.	3,000	3,500	Count	equal to or greater than	State Fiscal Year (July 1 - June 30).	# of EOD Training/Responses	EOD Statistics - Hours of training and number of agents	EOD Statistics	Public Safety	Citizens of South Carolina and Law Enforcement Partners	1003.400000.000	
5.1.2	Remain response ready for assistance by the Aviation Unit - total aviation missions	328	300	Count	Maintain range	State Fiscal Year (July 1 - June 30).	Number of Responses	Counter Terrorism Statistics	Counter Terrorism Statistics	Public Safety	Citizens of South Carolina and Law Enforcement Partners	1003.400000.000	
5.1.3	Remain response ready for assistance by the Maritime Unit as requested - total maritime requests	30	30	Count	Maintain range	State Fiscal Year (July 1 - June 30).	Number of Responses	Counter Terrorism Statistics	Counter Terrorism Statistics	Public Safety	Citizens of South Carolina and Law Enforcement Partners	1003.400000.000	
5.1.4	Remain response ready for assistance by the Tracking Team as requested - total tracking calls	500	500	Count	Maintain range	State Fiscal Year (July 1 - June 30).	Number of Responses	Counter Terrorism Statistics	Counter Terrorism Statistics	Public Safety	Citizens of South Carolina and Law Enforcement Partners	1003.400000.000	
5.1.5	Remain response ready for assistance by the SWAT Team as requested - total SWAT requests	100	100	Count	Maintain range	State Fiscal Year (July 1 - June 30).	Number of Responses	Counter Terrorism Statistics	Counter Terrorism Statistics	Public Safety	Citizens of South Carolina and Law Enforcement Partners	1003.400000.000	
5.1.6	Provide support to US Department of Energy (DOE) by planning, coordinating or executing armed escorts of special nuclear material through South Carolina	25	15	Count	Complete	State Fiscal Year (July 1 - June 30).	Number of events	SLED/CTO/PSEM Case Logs	SLED/CTO/PSEM Case Logs	Public Safety	US Department of Energy (DOE)	1003.400000.000	
5.2	**Perform an Annual Threat Hazard, Risk & Capability Assessment & Risk Reduction Planning Process**								**State Objective: Maintaining Safety, Integrity and Security**				

Perf. Measure Number	Description	Base	Target	Value Type	Desired Outcome	Time Applicable	Calculation Method	Data Source	Data Location	Stakeholder Need Satisfied	Primary Stakeholder	State Funded Program Number Responsible	Notes
5.2.1	Identify threats, hazards, vulnerabilities, and consequences (via risk assessments/exercises)	100%	100%	Percent	Complete	State Fiscal Year (July 1 - June 30).	Percent completion of compliance (Yes = 100%)	SLED, Office of Homeland Security or FEMA Region IV Records	SLED, Office of Homeland Security or FEMA Region IV	Public Safety and Preparedness	Citizens of South Carolina and Law Enforcement Partners	1001.250000.000	
5.2.2	Conduct counter terrorism exercises on the 37 Homeland Security Teams (WMD Bomb/SWAT/HazMat, IMT, RMAT, US&R, CSAR) teams to determine capability gaps	37	37	Count	Complete	State Fiscal Year (July 1 - June 30).	# of teams for which exercises were accomplished as planned and AARs completed.	Assessment/exercise rosters	SLED, Office of Homeland Security	Public Safety and Preparedness	Citizens of South Carolina and Law Enforcement Partners	1001.250000.000	
5.2.3	Develop/update plans to address the risk (i.e. Homeland Security Strategic Plan, Terrorism Operations Plan (TOP))	100%	100%	Percent	Complete	State Fiscal Year (July 1 - June 30).	# of Documents updated annually as needed/ total # of documents	SLED, Office of Homeland Security records	SLED, Office of Homeland Security	Public Safety and Preparedness	Citizens of South Carolina and Law Enforcement Partners	1001.250000.000	
5.2.4	Increase the number of Individuals and Law Enforcement Officers Trained in Active Shooter Response	150,000	175,000	Count	equal to or greater than	State Fiscal Year (July 1 - June 30).	Number of Individuals Trained	Class Rosters	SLED, Office of Homeland Security	Public Safety and Preparedness	Citizens of South Carolina and Law Enforcement Partners	1001.250000.000	
5.2.5	Sign a lease and begin renovations on the Center for School Safety and Targeted Violence	0%	100%	Percent complete	Complete	State Fiscal Year	Percent completion of compliance (Yes = 100%)	Administration	Administration	Public Safety and Preparedness	Citizens of South Carolina and Law Enforcement Partners	1001.250000.000	
5.3	**Build Key Capabilities to Reduce the Risk of Terrorism, Manmade and Natural Hazards**								**State Objective:**	**Maintaining Safety, Integrity and Security**			
5.3.1	Coordinate, build, support, and sustain the 32 Homeland Security core capabilities (to include WMD Bomb/SWAT/HazMat, IMT, RMAT, US&R, CSAR Teams; CI/KR protection; Cyber Security; Active Shooter, Credentialing, and CCTA) as measured by projects completed.	140	145	Count	Complete	State Fiscal Year (July 1 - June 30).	Please review after selecting measure (Original: Obtained needed funding ($4 million) from the federal government)	SLED, Office of Homeland Security records	SLED, Office of Homeland Security	Public Safety	Citizens of South Carolina and Law Enforcement Partners	1001.250000.000	

Perf. Measure Number	Description	Base	Target	Value Type	Desired Outcome	Time Applicable	Calculation Method	Data Source	Data Location	Stakeholder Need Satisfied	Primary Stakeholder	State Funded Program Number Responsible	Notes
5.3.2	Enhance the DHS cyber monitoring program by adding cyber liaison officers, high availability capabilities, and growing the number of local government and CIKR partners. Provide continuity of critical monitoring capabilities and ease of access into the program for additional entities, strengthening the security posture of each entity and enhancing the overall cybersecurity of critical state resources.	120	125	Count	Complete	State Fiscal Year (July 1 - June 30).	Number of CIKR partners	SLED Cyber Security	SLED Cyber Security	Public Safety	Citizens of South Carolina, Local Government and Business Community	1001.250000.000	
6.1	**Improve customer service in Regulatory through user friendly technology, automation and wait-time reduction**								**State Objective: Government and Citizens**				
6.1.1	Reduce turn around time in processing concealed Weapons Permits (CWP) to 90 days or less.	90	90	Acceptable Range	Maintain range	State Fiscal Year (July 1 - June 30).	Average number of days in processing concealed Weapons Permits (CWP)	Easy Path	Easy Path	Customer Service	Citizens of South Carolina	1000.200500.000	
6.1.2	NICS revocations per year	30	30	Count	Complete	State Fiscal Year (July 1 - June 30).	Total number of NICS revocations per year (mental health, drug prohibitor, indictment, bond, court ordered restrictions, etc.)	CWP Records	CWP Records	Public Safety	Citizens of South Carolina and Law Enforcement Partners	1000.200500.000	
6.2	**Improve record reporting to the NICS indices**								**State Objective: Government and Citizens**				
6.2.1	Improve reporting to assist Firearm Sale Denials including mental health adjudications within SC	300	500	Count	Complete	State Fiscal Year (July 1 - June 30).	Total number of instate denials.	Firearms Records	Firearms Records	Public Safety	Citizens of South Carolina and Law Enforcement Partners	1000.200500.000	
6.2.2	Ensure all qualified positive controlled substance tests from the lab are entered into NICS	2,000	2,000	Count	Equal to or less than	State Fiscal Year (July 1 - June 30).	Total number of substances entered	Firearms Records	Firearms Records	Public Safety	Citizens of South Carolina and Law Enforcement Partners	1000.200500.000

Also authorizes the SLED Chief to conduct hearings and to deny this privilege should any constable use his pistol in a manner inconsistent with accepted law enforcement procedures as determined by the Chief.	Not related to agency deliverable	Allows SLED to include dispositions and other NICS prohibitors for firearms transactions.	No Change
22-9-200	State	Statute	Requires the Chief of SLED to promulgate rules and regulations necessary to implement the provisions of §§ 22-9-180 to 22-9-210.	Not related to agency deliverable		No Change
23-11-110	State	Statute	Requires SLED to make a search of local, state, and federal fingerprint files for any criminal record of all Sheriffs in this State.	Requires a manner of delivery		No Change

Law number	Jurisdiction	Type	Description	Purpose the law serves:	Notes:	Changes made during FY2026
23-1-230	State	Statute	Creates the First Responders Advisory Committee and establishes that the SLED Chief is a member of this committee. Also requires SLED to provide clerical and related assistance to the committee.	Board, commission, or committee on which someone from our agency must/may serve		No Change
23-1-240	State	Statute	Grants SLED the authority to receive data recorded by a body-worn camera for any legitimate law enforcement purpose.	Requires a manner of delivery		No Change
23-1-60	State	Statute	Establishes that the Governor may appoint additional deputies, constables, security guards, and detectives as is deemed necessary to assist in the detection of crime and the enforcement of the criminal laws and requires that SLED prescribe the training for these individuals.	Requires a manner of delivery		No Change
23-1-65	State	Statute	States that all individuals seeking to be state constables must pay an application fee of $50.00 to SLED and requires that SLED remit these fees to the State Treasurer to be credited to the general fund on a quarterly basis.	Distribute funding to another entity		No Change
23-23-30	State	Statute	Establishes the South Carolina Law Enforcement Training Council and indicates that the Chief of SLED is a member of this council.	Distribute funding to another entity		No Change
23-25-20	State	Statute	Establishes the South Carolina Law Enforcement Officers Hall of Fame Advisory Committee and indicates that the Chief of SLED is an ex officio member of this committee.	Board, commission, or committee on which someone from our agency must/may serve		No Change
23-3-10	State	Statute	Establishes the South Carolina Law Enforcement Division, sets the parameters for appointment of the Chief, and authorizes the commissioning of the agents and officers of the division.	Not related to agency deliverable		No Change
23-3-1010	State	Statute	Approves and ratifies the National Child Prevention Act of 1993 and implements the National Crime Prevention and Privacy Compact, 42 U.S.C. Section 14616. Establishes SLED as the repository for criminal history records for the purposes of the compact and requires SLED to do all things necessary and incidental to carry out the compact.	Requires a service		No Change

Law number	Jurisdiction	Type	Description	Purpose the law serves:	Notes:	Changes made during FY2026
23-3-110	State	Statute	Establishes a statewide criminal information and communication system department within SLED.	Not related to agency deliverable		No Change
23-3-1100	State	Statute	Requires SLED to promulgate regulations for implementation of a process whereby the lawfulness of a prisoner's presence in the United States can be determined and sets forth a process for handling such individuals who are not lawfully in the United States.	Not related to agency deliverable		No Change
23-31-1020	State	Statute	Requires the Chief of SLED and the Judicial Department to develop procedures for the collection and submission of information of persons who have been adjudicated as a mental defective or who have been committed to a mental institution. Requires courts to submit certain information to SLED in this regard and requires SLED to submit certain information gathered in this regard to the National Instant Criminal Background Check System (NICS).	Requires a service		No Change
23-31-1040	State	Statute	Prohibits individuals who have been adjudicated a mental defective or who have been committed to a mental institution from possessing firearms or ammunition. Mandates that law enforcement confiscate firearms and ammunition possessed in violation of this law, and authorizes SLED to keep any seized firearm or ammunition for use by SLED's forensic laboratory.	Not related to agency deliverable		No Change
23-3-115	State	Statute	Authorizes and requires SLED to charge and collect fees for criminal records searches, and sets forth the distribution parameters for such funds.	Funding agency deliverable(s)	Establishes SLED as the repository for criminal history records for the purposes of the compact and requires SLED to do all things necessary and incidental to carry out the compact.	No Change
23-3-120	State	Statute	Requires all law enforcement agencies and court officials to report all criminal data and related information to SLED's Central Record Repository. Also requires the submission of fingerprints to SLED.	Requires a manner of delivery		No Change

Law number	Jurisdiction	Type	Description	Purpose the law serves:	Notes:	Changes made during FY2026
23-3-1200	State	Statute	Establishes that SLED is the statewide, central repository for log information submitted pursuant to South Carolina law in order to monitor the sales and purchases of nonprescription drugs containing ephedrine, pseudoephedrine, or phenylpropanolamine. Requires SLED to maintain the information and sets forth the requirements of the data collection system, fees, and confidentiality of this information. Requires SLED to promulgate regulations necessary to comply with this law.	Requires a service		No Change
23-31-215	State	Statute	Requires that SLED issue concealed weapons permits upon the satisfaction of certain conditions, including payment of the fee. Also requires that SLED conduct local, state, and federal fingerprint review of all applicants; that SLED maintain certain lists regarding such permits. Requires that SLED provide a CWP permit training course in every county.	Requires a service	Requires SLED to make appropriate NICS entries for firearms prohibitions and conduct CWP training in every county.	Amended.
23-31-216	State	Statute	Authorizes SLED to collect, retain, expend, and carry forward all fees associated with the concealable weapon applications, renewals, and the replacement of a permit.	Funding agency deliverable(s)		No Change
23-3-130	State	Statute	Authorizes SLED to determine the information and methodology for compliance with 23-3-120 and to promulgate rules and regulations to carry out such.	Requires a manner of delivery		No Change
23-3-1300	State	Statute	Mandates that SLED create and operate a statewide sexual assault kit tracking system.	Requires a service		No Change
23-31-320	State	Statute	Requires any manufacturer of machine guns or military firearms licensed pursuant to the provisions of 18 U. S. C. Section 921 et seq., to furnish SLED the serial numbers of all machine guns or military firearms manufactured by it within thirty days of such manufacture and sets forth the penalties for noncompliance.	Not related to agency deliverable	Operate the statewide prescription drug repository.	No Change

Law number	Jurisdiction	Type	Description	Purpose the law serves:	Notes:	Changes made during FY2026
23-31-330	State	Statute	Requires every person permitted to possess a machine gun, sawed-off shotgun or sawed-off rifle to file a sworn application with SLED and requires SLED to file this application in its office and to register such information in a book or index and issue the person a card regarding such.	Not related to agency deliverable	Issue Concealed Weapons Permits upon favorable background checks.	No Change
23-31-360	State	Statute	Requires manufacturing firms licensed by the federal government to furnish SLED the serial numbers of all machine guns or military firearms manufactured by the firm within 30 days upon certain penalties.	Not related to agency deliverable		No Change
23-3-1400	State	Statute	Establishes the "Blue Alert Program" within SLED and sets forth the guidelines and procedures for the administration of such.	Not related to agency deliverable		No Change
23-3-15(A)	State	Statute	Sets forth the general authority of SLED. The South Carolina Law Enforcement Division has specific and exclusive jurisdiction and authority statewide, on behalf of the State, for the investigation of organized criminal activities or combined state-federal interstate criminal activities, all general criminal investigations, arson investigation and emergency event management pertaining to explosive devices.(2) the maintenance and operation of a statewide comprehensive forensic sciences laboratory; (3) covert investigation of illegal activities pertaining to and the interdiction of narcotics and other illicit substances; (4) operation and maintenance of a central, statewide criminal justice data base and data communication system; (5) establishment and operation of highly specialized, tactical response law enforcement units within the division; (6) operation and regulation of state polygraph examination services; (7) law enforcement, regulation enforcement, and inspections under Title 61; (8) the coordination of counter terrorism efforts, including prevention against, preparation for, response to, and crisis management of acts of terrorism, in or affecting this State; coordination of federal grants associated with homeland security; creation of councils appropriate to its mission; and service as the Governor's representative to the United States Department of Homeland Security; and (9) other activities not inconsistent with the mission of the division or otherwise proscribed by law.	Requires a service	Create and operate tracking system.	No Change

Law number	Jurisdiction	Type	Description	Purpose the law serves:	Notes:	Changes made during FY2026
23-3-15(C)	State	Statute	Sets forth SLED's responsibility for the enforcement of all criminal laws, misdemeanors, and felonies, and civil laws, the violation of which may result in a fine or other penalty being assessed against the violator, which laws were enforced by law enforcement personnel employed by and under the jurisdiction of the Alcoholic Beverage Control Commission. These civil and criminal laws also include regulations and ordinances pertinent thereto. The duties, functions, and powers of these law enforcement personnel are devolved upon the South Carolina Law Enforcement Division and the law enforcement personnel of this agency on the effective date of this section shall perform their duties and functions under the auspices of the division and shall become a part of the South Carolina Law Enforcement Division in the manner provided by law.	Not related to agency deliverable		No Change
23-3-150	State	Statute	Authorizes SLED to accept, on behalf of the State, and use in the establishment, expansion and improvement of the system, funds in the nature of grants or appropriations from the State, the United States, or any agency thereof, and may contract with any public agency for use of the system in the furtherance of effective law enforcement.	Requires a manner of delivery		No Change
23-3-160	State	Statute	Requires law enforcement agencies to investigate accidents involving the injury or death of a person under the age of 21 where there is cause to believe that a beverage containing alcohol was consumed prior to the accident to determine the circumstances under which the beverage was obtained and requires SLED to assist in whatever capacity is necessary to fully complete the inquiry.	Requires a manner of delivery		No Change
