AGENCY'S DISCUSSION AND ANALYSIS

The University of South Carolina Union provides a high-quality, competitive higher education that enables students to thrive in a global, diverse, and constantly changing environment. By providing a varied curriculum, grounded in the Liberal Arts, USC Union emphasizes a close working relationship among students, faculty, staff, and the community that promotes self-reliance, freedom of thought and expression, productive citizenship, and critical thinking. Students at USC Union can obtain an Associate of Arts and an Associate of Science, in addition to having access to the baccalaureate degrees available through Palmetto College, the BSN program in partnership with USC Aiken, transfer pathways in early childhood, elementary, and middle-level education with USC Upstate, and transfer pathways in hospitality management, retailing with a concentration in fashion merchandising and digital innovation, retailing with a concentration in retail management, services management, tourism management, and sport and entertainment management with USC Columbia.

Strategic Priority 1: Grow Enrollments and Advance Student Success. This strategic priority is linked to five distinct goals:

1. Drive enrollment growth.
2. Promote teaching excellence.
3. Foster staff development.
4. Drive student success.
5. Empower diverse students, staff, and faculty.

The USC Union campus has made significant strides in enhancing enrollment, retention, and student success. In Fall 2025, enrollment stood at 1,627, showing an increase from the previous fall. Spring 2026 enrollment also increased from Spring of 2025 to 1,568. This growth can be attributed to a rise in traditional new freshmen and an increase in dual enrollment students, particularly at Gray Collegiate Academy and Clover High School, and due to a new partnership with Fountain Inn High School. Our retention rate from Fall 2023 to Fall 2024 reached 69.9%, an increase from 67.3% in the previous year. This ranks #2 among all the 4 PC Campuses and 16 Technical Colleges combined in South Carolina. In terms of success rate, for the Fall 2021 cohort, our success rate stands at 75.9%. This is up from 71.9% for the previous year and ranks #3 among all of the 4 PC Campuses and 16 Technical Colleges in South Carolina. Our graduation rate for the Fall 2021 cohort is 47.6%, an increase from 37.5%. This makes us the top performer in PC and among the 16 Technical Colleges in South Carolina.

We expect increases in enrollment, retention, and student success rates to continue. Enrollment for Fall 2026 is projected to rise further or remain steady due to several ongoing initiatives, despite the arrival of the nationwide enrollment cliff that begins to damage enrollments at many campuses. These include the expansion of dual enrollment partnerships, enhanced retention strategies focused on increasing the number of returning students, and growing athletics programs. Additionally, early college programs with Union County High School and Clinton High School continue to contribute to this growth. The early college program at Clinton High School began in Summer 2025, and Union County High School's program continues to attract a growing number of students. Both programs have been successful in drawing students to our campus to complete their AA/AS degrees. The relocation of our Laurens location to Clinton, SC, is expected to further support these efforts, and includes a new teaching kitchen built at the Laurens location to support the HTMT transfer pathway with USC Columbia, which is

expected to attract additional students. A new institution-wide marketing campaign has also been launched to further support enrollment growth.

Collaboration with other USC system institutions is also expected to play a key role in USC Union's continued growth. One notable initiative is our partnership with USC Aiken to offer the Bachelor of Science in Nursing (BSN) degree on the Union campus. In this program, students complete their pre-nursing prerequisites at USC Union, positioning themselves to submit a strong application for the upper-division nursing program. By staying in Union, students can finish their final two years of coursework, complete their clinical rotations locally, and even pursue employment within our service area if they prefer (which most graduates do). Additionally, our partnership with USC Upstate offers clear transfer pathways for undergraduates pursuing early childhood, elementary, or middle-level education. Students in this program can earn their associate degree at USC Union while fulfilling all necessary prerequisites to transfer directly to USC Upstate. They can then complete the remaining coursework for their bachelor's degree in one of these fields. This pathway is open to both dual-enrolled students, who can earn their associate degree upon high school graduation, and regularly enrolled USC Union students. Furthermore, this program aims to address teacher shortages in Union County, and the state in general, by allowing USC Upstate education students to complete their student teaching in local schools. We have also developed transfer pathways with the College of Hospitality, Retail, and Sport Management at USC Columbia. This partnership provides undergraduates interested in fields such as hospitality management, retail management (with a concentration in retail management, fashion merchandising, and digital innovation), services management, tourism management, or sport and entertainment management, a clear path to earn their associate degree at USC Union while fulfilling the prerequisites needed to transfer to USC Columbia. Upon earning their associate degree, students can seamlessly transfer to USC Columbia to complete their bachelor’s degree in one of these six fields. We have also developed a transfer pathway with USC Columbia's College of Pharmacy, which allows students to complete all prerequisite requirements for the BS in Pharmaceutical Sciences and the Pharm.D. program while attending USC Union. Through a partnership with the McNair Institute on Free Enterprise and Entrepreneurship, students at USC Union are able to complete all requirements for a minor in Entrepreneurship, which is awarded upon completion of their four-year degree at USC Columbia. We are currently working to establish several additional transfer pathways in social work, exercise science, and even more pathways in education. By offering clear academic pathways, increasing local opportunities for clinical and student teaching placements, developing internships, and expanding program offerings, we provide students with the support and resources they need to thrive academically and professionally.

While these initiatives have driven enrollment growth, our next priority is to sustain this progress by ensuring that students not only enroll but also thrive academically at USC Union. To achieve this, we have implemented a range of targeted strategies aimed at enhancing retention, improving graduation rates, and fostering overall student success. These include study abroad opportunities, global learning initiatives, support through the Student Academic Success Center, mental health services, food assistance, tuition assistance, promotion of Graduation with Leadership Distinction, funding for undergraduate research, enrichment of student life through campus activities and NJCAA athletics, and targeted interventions using artificial intelligence and other digital developments to discover students who need assistance. We have also developed a student retention fund, which will become available in Fall 2027, to assist students who may encounter financial constraints that would otherwise prevent them from completing their studies at USC Union.

Students from USC Union have studied in countries such as Costa Rica, Ireland, France, Spain, Guatemala, England, Italy, and Greece. In Summer 2026, a group of students traveled to New York City and participated in an art class focused on collections at major American museums. This course offered students the unique opportunity to study art in one of the world's most influential cultural and artistic centers, gaining firsthand exposure to renowned museums, galleries, and artistic traditions they might not otherwise experience. To further enrich global learning, USC Union again hosted the annual Latin American Film Festival, which showcased films and provided an interdisciplinary perspective. This initiative engaged students, faculty, and staff in screenings and discussions about the cultural themes and issues presented in the films. USC Union also participated in the Fulbright Community College Residency Program, hosting a Humphrey Fellow from Malawi. The fellow, a law enforcement professional, shared valuable cultural and professional insights with the USC Union community. In the classroom, faculty employ innovative methods like the TalkAbroad Program to immerse students in language learning through real conversations with native speakers, enhancing both language skills and cultural awareness.

There has also been a focused effort to enhance the impact of the Student Academic Success Center on campus. The Center remains dedicated to fostering strong connections with students, faculty, staff, and the community by offering tutoring services and organizing events that support both academic and professional development. Its goal is to enrich students' educational experiences through a variety of campus initiatives, including academic workshops and career-oriented programs. This year, the Center hosted eight workshops covering topics like time management and student success, attracting 84 attendees. In addition, the Center organized several events throughout the academic year, such as Blood Connection drives, Bantam Balance, Campus Spa, pumpkin decorating contest, Thanksgiving luncheon, job fairs, winter wellness, and First Generation College Day Celebration. USC Union is also a member of the First Generation Network, which shares data and ideas concerning how to further the goals of student support on campus. These initiatives collectively strive to enhance the overall educational experience for students at USC Union.

One of our primary goals at USC Union is to find innovative ways to support the mental well-being of our students, faculty, and staff. To that end, we offer the Student Assistance Program (SAP), which is available to all students, including both regular and dual enrollment students, regardless of their location, whether on campus, online, or at off-site high schools where we offer dual enrollment programs. SAP provides confidential, short-term counseling and personal consultations, free of charge, to address both personal and professional concerns. The program also offers work-life resources, including legal and financial consultations, online learning support, and various other services. In addition, we contracted with Uwill, a platform that provides immediate access to teletherapy, crisis intervention, and wellness programs through a secure online platform. Students can schedule sessions based on their preferences for therapist availability, specialty, gender, language, and ethnicity. In collaboration with the USC Psychological Services Center, USC Union also offers telehealth therapy, in-person therapy, and psychological assessments on campus. These services are provided at no cost to students, faculty, or staff, ensuring that mental health support is readily accessible and affordable for everyone on campus. USC Union also connects students that may need mental health support through an artificial intelligence chatbot, as requests for mental health assistance are sent through the bot to support staff on campus to then reach out to students with specific needs of assistance. To further promote

mental well-being, the campus organizes an annual event called Bantam Balance, held every September, which serves as a positive initiative to promote mental health awareness and suicide prevention. The event fosters a warm and welcoming environment where students feel encouraged to openly discuss mental health topics and connects them with various mental health resources available on campus, within the community, and at the national level. This year, students were also strongly encouraged to complete a series of online community education modules. These modules encompass four topics such as alcohol/drug awareness, sexual assault and prevention and mental health. In addition to mental health support, USC Union also provides for students in need of food and personal cleaning products. The Food Pantry on campus provides shelf-stable food and hygiene products for students free of charge. Dozens of students take advantage of this service each week of the academic year. The Food Pantry is funded by local charities, food donations, and internal campus funds, and is generally stocked by bookstore employees and student assistants. Also, a Fresh Food Pantry on campus provides free fresh food for students from a nearby farmer's market through a co-authored grant with RobinHood under the auspices of the South Carolina Physicians Care Charity, assuring 24 students every two weeks with free bags of fresh food, totaling approximately $10,000 for the academic year 24-25. This program continued with funding through the Fall of 2025. With the help of a grant, the campus also opened a Career Closet which provides students with free access to professional clothing for interviews, internships, and job-related events. It includes business attire, such as suits, blouses, slacks, skirts, and shoes, as well as a section for everyday clothing and coats. Alongside mental health and food support, USC Union recognizes the financial challenges that students may face in completing their education. To help alleviate these burdens, we offer a range of financial aid and scholarship programs designed to make higher education more accessible and affordable. The tuition rate at USC Union for resident students is $3,579 per semester, a rate consistent across all four Palmetto College campuses (Lancaster, Salkehatchie, Sumter, and Union). For students enrolled in four-year programs, the tuition rate increases to $5,199 per semester for resident students. This rate is lower than that of the nearest senior campus, USC Upstate ($5,604 per semester for residents), and the main campus in Columbia ($6,144 per semester for residents). Additionally, Union County and Laurens County residents have access to local scholarship opportunities provided through their respective counties. Union County offers scholarships that cover tuition and fees for in-county high school graduates who have achieved a minimum GPA of 3.0. Similarly, Laurens County has a parallel program that provides a scholarship for in-county high school graduates with a minimum GPA of 2.0. These scholarship programs not only foster educational opportunities for local students but also contribute to the overall growth and diversity of our student population.

USC Union actively supports students working towards achieving Graduation with Leadership Distinction (GLD), enriching their educational experiences by connecting classroom learning with real-world applications. By fulfilling GLD requirements, students integrate academic knowledge with practical skills, deepening their understanding and appreciation of their education. Presentations and e-portfolios are key components of the GLD program, enabling students to showcase their achievements and reflections to potential employers. This academic year, three students earned this distinction in research, with ongoing efforts to increase program awareness through targeted marketing strategies. These learning opportunities are also available to students who are not pursuing GLD. Faculty enhance the educational experience for these students, and the student body in general by incorporating hands-on learning activities into their courses. For example, pre-nursing students engage in practical exercises in technologically advanced nursing skills labs, while UNIV 101 students participate in community fundraising events for important causes. Through our partnership with the South Carolina Afterschool

Alliance, students also can contribute directly to local afterschool programs, fostering valuable skills while making a positive impact on the community. These hands-on experiences provide students with essential practical skills and the chance to create meaningful change in the local community.

USC Union is committed to fostering undergraduate research opportunities and provides annual summer research funding to deserving students and faculty members. This year, six students were awarded Palmetto Undergraduate Research Experience (PURE) grants, enabling them to explore diverse research areas and present their research at Discover USC, the University of South Carolina undergraduate research showcase. At that showcase, numerous USC Union faculty members also served as judges of student posters from throughout the system. Many PURE grants at USC Union focus on campus activities and engage the student body, as with recent research on the Dawkins House on campus, and with grants that involved student surveys on campus. By offering students the opportunity to engage in undergraduate research, USC Union contributes to the advancement of knowledge in various fields.

USC Union is fully committed to enhancing student life and strengthening our athletics program while providing unwavering support to all students. The campus boasts a strong Student Government Association and offers a variety of student clubs and organizations. This past academic year, students involved in student organizations traveled to academic sites in Pigeon Forge, partly funded through a car wash and bake sale on campus, and visited the Lowcountry. Throughout the year, USC Union hosts numerous events designed to enrich student life, including First-Generation College Celebration Day, Donuts with the Deans, Bantam Balance, Welcome Back Week, Finals Fest, various Lunch and Learns, film viewings, and more.

Our athletics program offers a wide range of sports, including men's soccer, baseball, softball, golf, and women's volleyball, all competing at the NJCAA level. In addition, we have club-level teams in bass fishing, women's soccer (transitioning to NJCAA in 2026-2027), cross country, e-sports, and rifle. USC Union places significant emphasis on fostering excellence both on and off the field. This year, our student-athletes have demonstrated remarkable dedication to academic success, as reflected in their team GPAs: men's soccer (3.319), baseball (3.123), softball (3.777), golf (3.290), women's volleyball (3.342), bass fishing (3.384), and women's soccer (3.304). The overall athletic department GPA for the year was 3.289. These impressive team GPAs highlight our campus's commitment to promoting academic excellence and ensuring the success of our student-athletes in their educational pursuits, including requirements related to study hours at the Student Academic Success Center and required in-person hours for class scheduling. Additionally, eighteen student-athletes were named Third Team Academic All-Americans (3.60 to 3.79 GPA), 13 student-athletes were named Second Team Academic All-Americans (3.80 to 3.99 GPA), and 12 student-athletes were named First Team Academic All-Americans (4.0 GPA on a 4.0 scale). Our student athletes have also earned well-deserved recognition for their athletic achievements. The softball team finished third in Region 10 this year, with three players named to the NJCAA Region 10 All-Tournament Team, two players receiving First Team All-Region awards, and three players earning Second Team All-Region honors. Ariana Evans was named Region 10 Player of the Year and was also named a Third Team All-American, becoming the first female in school history to receive this honor. June Heitman, a sophomore pitcher on the softball team, recorded her 26th career win, making her the winningest pitcher in USC Union program history. The softball team also traveled to Myrtle Beach, SC, for the Fastpitch Dreams Spring Classic Tournament, where they won six of eight games. Often, the softball team will park cars at Clemson University football games to earn funding for travel to such invitational events. The baseball team finished fourth in the Region 10

Conference. In the Region Tournament, they won two of four games, defeating USC Sumter and USC Lancaster before being eliminated on Day 2 of the tournament. The team finished with an overall record of 32-24 and a conference record of 11-14. In golf, Travis Gosnell finished in the top five in a tournament featuring more than 75 golfers. He also tied for fifth place at the Koala Classic Tournament and earned All-Tournament Team honors. The golf team hosted its first Bantams Invitational Golf Tournament at Lakeside Country Club, where Maddox Isbell finished second overall with a two-round score of 149. The men's soccer team finished as runner-up in the Region Tournament, ending the season with a 9-1-4 record while going undefeated during the regular season. Before conference play began, the team competed against NCAA Division I and Division II schools, defeating Erskine College's main team 3-1, tying Coker University's main team 2-2, and tying Bob Jones University's main team 0-0. Six players were named First Team All-Region, and one player received Honorable Mention honors. Pablo Verde and Max Manzelmann were both named Third Team All-Americans. Head Coach Marc Curlee was named Coach of the Year, and Max Manzelmann was named Region 10 Player of the Year. The women's volleyball team opened the season with a 3-2 victory over USC Salkehatchie. The team qualified for the Region Tournament but fell short against USC Sumter. Jileana Coreano earned First Team All-Region honors. In their inaugural season, the women's soccer team finished with a 2-5 record and made history by winning the first game in program history with a 4-0 victory. In bass fishing, Caleb Hudson won his first Pro Invitational, and five teams qualified for the National Championship. These accomplishments highlight the talent, dedication, and hard work of our student-athletes while reflecting the continued growth and success of USC Union Athletics. Their impact extends far beyond competition, as they are actively involved in serving the surrounding community. Throughout the year, our student-athletes, including many international student-athletes, volunteer as buddies for the Miracle League, providing encouragement and support to individuals with disabilities. They also participate in the Union County Christmas Parade and serve as volunteer coaches and referees at the YMCA, helping to teach and mentor young athletes. Through these service opportunities, our student-athletes demonstrate leadership, character, and a commitment to giving back. Their willingness to serve others reflects the values of USC Union and reinforces their role as positive ambassadors for our institution, both on campus and throughout the community.

To ensure academic success, USC Union has two committees dedicated to retention and success efforts. The first committee is the Academic Intervention Committee, which aims to provide early intervention across campus units to support students who are facing academic challenges. This proactive approach ensures that students in poor academic standing have access to the necessary resources to succeed academically. The second committee, known as the Student Care and Outreach Team (CARE), consists of faculty and staff members who offer individual attention and resources to students of concern, including those exhibiting self-injurious or erratic behaviors. These committees play a vital role in fostering a supportive environment and promoting the retention and success of our students. We also launched the First-Year Academic Recovery Program, which provides targeted intervention and coaching for first-year students who are placed on academic probation. This program is particularly important because a student's first year is often the most critical period for establishing the academic habits and support systems needed for long-term success, and students who struggle early are at the highest risk of not returning for a second year. By intervening quickly with personalized coaching, engaged advisors, and discovering the need for quick intervention often with AI bot Champion, we aim to help these students get back on track academically, stay enrolled, and ultimately persist to degree completion.

At Union, our ongoing efforts to expand faculty and academic offerings are essential to achieving our institutional goals. This year, we have launched several faculty searches and successfully hired two new full-time faculty members for the 2026-2027 academic year. These new hires include an Instructor of Biology and Instructor of Computer Science. In addition, we have welcomed new adjunct instructors across various disciplines. These new faculty and adjunct members bring valuable expertise, enhancing the breadth and depth of academic opportunities for our students. In terms of staffing, we have strategically expanded our team to support the growing needs of our campus. Three new permanent staff positions have been added, including two administrative assistants and one admissions counselor. Additionally, we have hired six temporary staff members to fill essential roles, including an office assistant, strength and conditioning coordinator, ESOL tutor, assistant baseball coach, women's head soccer coach, and one maintenance staff. To support staff development and shared governance, our campus participated in Palmetto College Campuses Staff Senate this year.

Full-time faculty at USC Union carry a standard teaching load of 12 credit hours per semester. Faculty members may also request course reductions to engage in scholarly activities throughout the academic year, with support from both the campus and Palmetto College. USC Union offers financial assistance to faculty members for attending conferences, both nationally and internationally, thereby enhancing their expertise and enriching classroom experiences. These opportunities often involve collaborative research with students, frequently supported by grants such as the PURE Program. The Research Club plays a vital role in fostering collaboration between faculty and students, organizing events that showcase scholarly pursuits within the campus community. This year, events included students presenting their research at Discover USC, several lunch and learns, and field trips. These events promote intellectual engagement and encourage the exchange of ideas among members of the academic community. In the fall of 2025, USC Union organized and hosted the first Palmetto College Research Poster Symposium for faculty across the four Palmetto College Campuses. Faculty development at USC Union is further supported through a variety of workshops, webinars, and training sessions designed to enhance pedagogical skills and offer crucial support for faculty in their teaching endeavors. Faculty have access to grants from Palmetto College and USC Columbia, which provide funding for research, professional development, and the adoption of innovative teaching practices. Local initiatives, including a comprehensive faculty orientation and advisor training program, equip faculty with the tools and knowledge needed to excel in their roles. These initiatives ensure that faculty are well-prepared to effectively support student learning and engagement.

As mentioned, our faculty actively contribute to research excellence by maintaining a consistent level of productivity in their scholarly endeavors, even with substantial teaching and service responsibilities. We collect data on scholarly productivity for the calendar year. Regarding scholarly productivity, during the 2025 calendar year, the faculty at USC Union documented their scholarly achievements, which encompassed the following: 31 publications, 43 presentations, 25 creative works, 14 funded grants, 50 reviews of scholarly works, 15 scholarly editor roles, 9 professional consultations, and 5 media consultations. The Union campus will continue to allocate resources to facilitate faculty travel for presenting their research ($40,000 budget for AY 2025-2026).

Strategic Priority 2: Deliver World-Class Experiences for Students, Internal Colleagues and External Partners. This strategic priority is linked to three distinct goals:

1. Optimize services and processes.
2. Promote organizational and financial health.

3. Enhance giving/fundraising efforts across PC campuses.

The FY26 ending fund balance was $926,636, which was below the budgeted target of $1,250,000. The variance was primarily attributable to unanticipated expenditures: including departmental transfers, one-time planning costs, maintenance expenses, and program operating deficits. The campus will work towards a 3-month average expenses reserve fund over the next 3 budget years, with an estimated fund balance of $1,125,000 at the end of FY27.

To improve accessibility for students enrolled in our degree programs, both locally and across Palmetto College, the Union campus has undertaken a series of significant infrastructure enhancements during the 2025–2026 academic year. In 2025, the Main Building underwent significant upgrades, including a new HVAC system, remodeled restrooms with ADA accessibility, new flooring, interior painting, elevator upgrades, and fire alarm upgrades. Within existing campus infrastructure, we have also developed a new and larger Student Academic Success Center, a specific Student Government Association suite, and a free book and book lending library. The first phase of the Laurens location renovation included the construction of a kitchen lab, an ADA-accessible bathroom remodel, and new boat storage and meeting space for the Bass Fishing team. In 2026, the upgrades included the first phase of the baseball complex, which features a new restroom facility, ADA-compliant sidewalks, and paved ADA parking; upgrades to the Jonesville Gym's boys' and girls' locker rooms, athletic weight room, and restrooms to meet ADA compliance; a complete roof replacement at both the Jonesville Gym and Student Services building (ongoing); and interior upgrades to the Art Studio building (ongoing). In 2027, the second phase of the Laurens location renovation will add two new classrooms, a student lounge, a professor suite, a student weight room, a gaming team room, and new HVAC and fire alarm systems. The second phase of the baseball complex will include a press box with a canteen and coaches' office, field sprinklers and new sod, spectator stands, a new backstop, and a warning track in the outfield.

This year, USC Union has engaged in a variety of fundraising and development efforts and events aimed at enhancing student support services, campus development, and institutional sustainability. The first half of the 60th Anniversary celebration focused on the rollout of the institution’s 10-year Master Plan, community engagement events, and Athletic Month activities. The second half of 2025 shifted toward initiatives that directly supported students and the community, including the Food Pantry, Clothes Closet, Donor Appreciation efforts, and community outreach programs. Our partnership with the Council on Aging has significantly strengthened the Food Pantry by providing a wider variety of food items for students. In addition, community members and longtime supporters established several endowed scholarships, further expanding opportunities for student success. Give4Garnet Day was also a success, generating support from new donors and benefiting from a generous matching gift from a private donor. Fundraising efforts continue for the next phase of the Dawkins House restoration project in partnership with Preservation South Carolina. This phase includes improving House layout with fully stable rooms, electrical wiring, plumbing, HVAC, painting, and finishing. Upon completion, ownership of the property will be transferred to the Union Laurens Commission for Higher Education. As a result, ongoing fundraising initiatives, including outreach to state legislators, donor solicitations, grant opportunities, and community engagement, remain a top priority. To date, excluding state funding, $243,500 has been raised through the generosity of both new and longtime supporters.

Strategic Priority 3: Impact Education Attainment and Workforce Readiness. This strategic priority is linked to three distinct goals:

1. Impact our communities.
2. Increase transfer and pipeline partnerships.
3. Expand workforce-focused credentials.

During the 2025–2026 academic year, USC Union continued to demonstrate its strong commitment to expanding college access and academic opportunity for high school students across the state. By maintaining and growing its dual enrollment partnerships, the campus plays a vital role in helping students accelerate their educational journey and reduce the cost of earning a college degree.

In Fall 2025, USC Union partnered with 17 high schools to offer dual enrollment opportunities, serving 1,352 students. This number remained strong in Spring 2026, with a total enrollment of 1,301 students. These figures reflect the institution's sustained outreach and responsiveness to community needs.

Notably, two students earned their associate degrees from USC Union concurrently with their high school diplomas, a testament to the program's rigor, accessibility, and effectiveness. These students are entering the next stage of their education with a two-year head start, saving time and money while gaining valuable academic experience.

USC Union also took a significant step forward in broadening Early College access by launching the development of a formal Early College Program in partnership with Clinton High School. This initiative began in Summer 2025 with 20 students in the first cohort and 34 in the second cohort. At the same time, USC Union continues to actively promote its Early College Program at Union County High School, reinforcing its dedication to building long-term pipelines for student success. Students in these programs can earn a general Associate of Arts or Associate of Science degree or follow a specialized track in Education or Nursing.

These efforts not only benefit individual students but also support South Carolina's broader goals for workforce development, college attainment, and educational equity. By offering high-quality, affordable college coursework to high school students, and associated internships, USC Union is preparing the next generation of leaders, professionals, and community contributors, strengthening both local communities and the state as a whole.

USC Union has also increased the number of students pursuing baccalaureate degrees through both the Palmetto College and our BSN partnership with USC Aiken. In 2025-2026, 54 students were enrolled in the Bachelor of Liberal Studies (BLS), Bachelor of Organizational Leadership (BOL) programs via Palmetto College, reflecting growing interest in degree completion pathways that support workforce advancement. Additionally, 31 students were enrolled in the pre-nursing track as part of the BSN partnership with USC Aiken, which prepares students for high-demand roles in healthcare, as specifically vital profession due to current South Carolina demographics. These increases directly contribute to raising educational attainment in the region while equipping students with the skills and credentials needed for career readiness in key industries.

USC Union continues to expand its partnerships with the community and local industry to enhance student support, workforce development, and regional engagement. The campus continues to support the community by making its facilities available for various events and activities. This includes providing space for elections, hosting meetings for community organizations and local industries, and offering

areas for trainings and workshops. These include the bi-annual job fair near campus and working with SC Humanities on programming for the 250th national anniversary, held at a conference in Union in June of 2026.

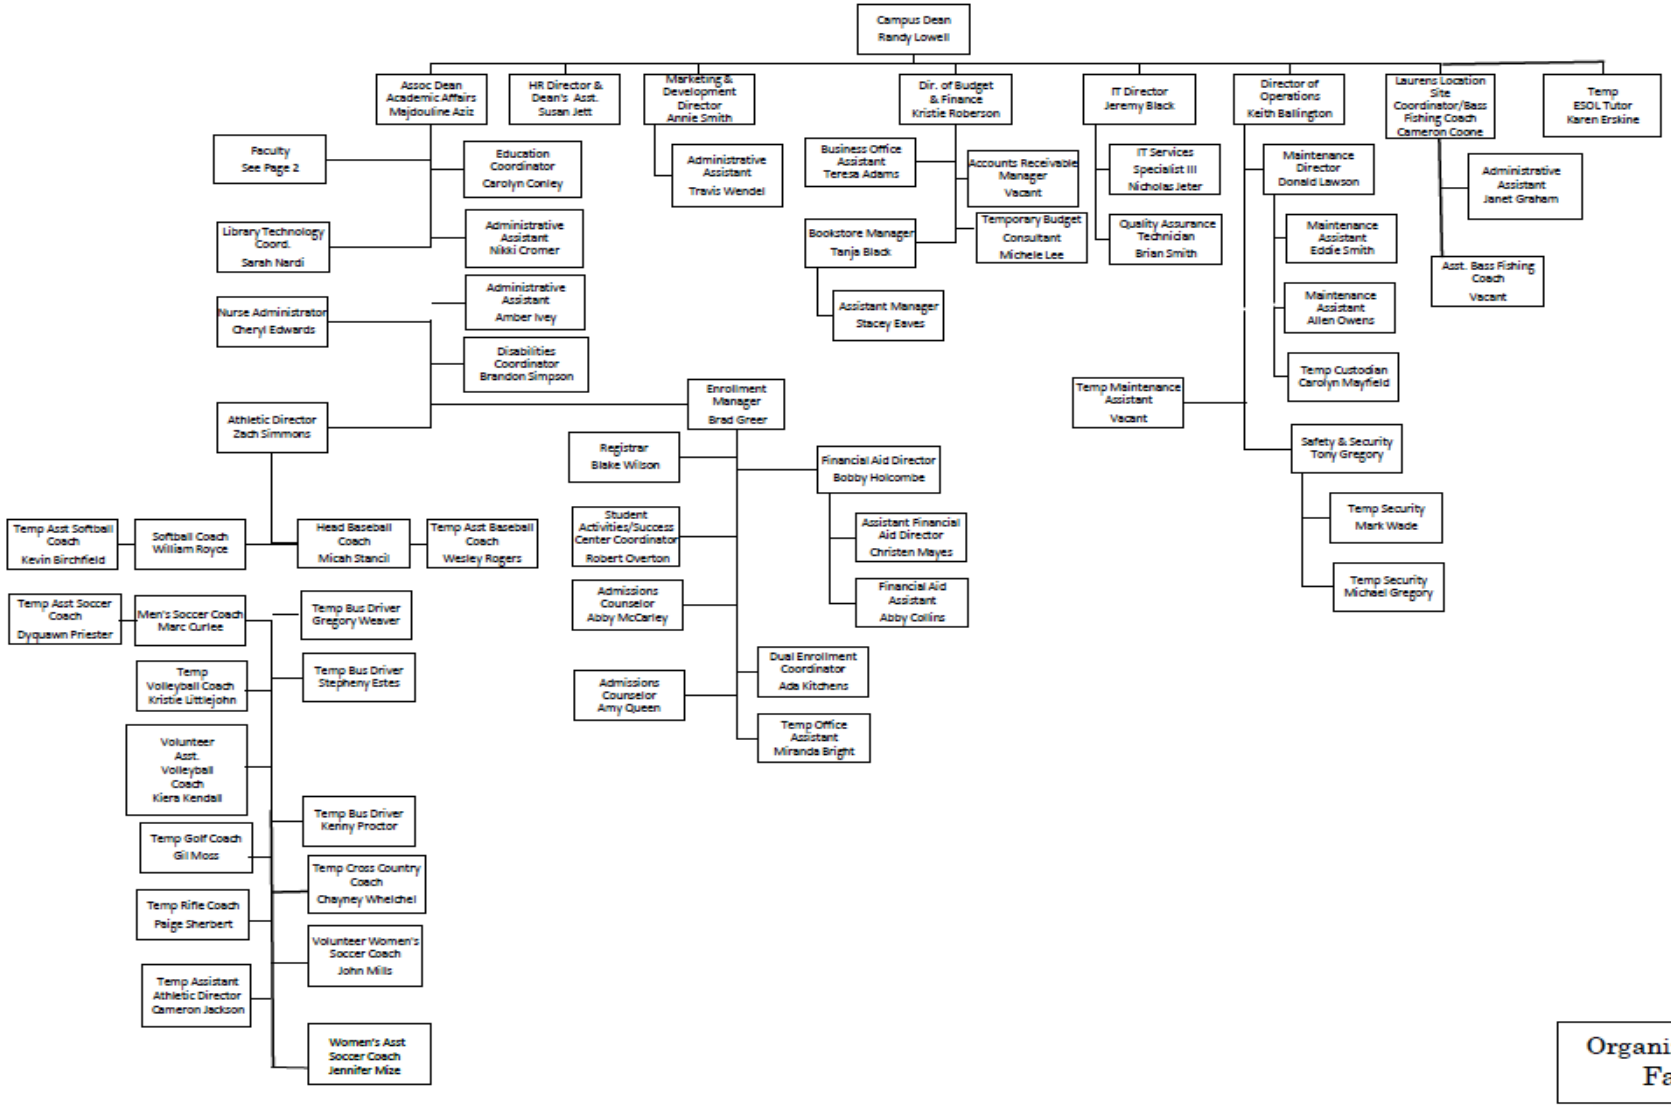

Risk Assessment and Mitigation Strategies

Risk assessment is an integral part of our long- and short-term institutional planning process. It is crucial for us to continue providing our services as not doing so would have a negative impact on the statewide objective of enhancing the educational preparedness of South Carolinians. USC Union offers affordable opportunities for high-quality education, particularly benefiting those who are economically disadvantaged within our service area. Failing to achieve our goals would further disadvantage these individuals. Furthermore, our partnership with USC Aiken in delivering their Bachelor of Science in Nursing program at USC Union plays a vital role in providing high-quality nursing care for our region. By training nurses who choose to remain in the area, we contribute to the overall health and well-being of our service area. Failing to accomplish our goals in this regard would have adverse effects on the community's healthcare services. To mitigate the potential negative impacts, it may be necessary for our agency to seek state funding for the general operating funds budget. Additionally, increasing the allocation for dual enrollment tuition for high school students and enhancing the availability of state scholarship funds could help address these challenges. We propose that the General Assembly consider taking the following actions to address these potential issues:

1. Increase the allocation of funds to the general operating budget.
2. Enhance the revenue provided for dual credit students.
3. Increase the availability of state scholarship funds.

By implementing these measures, we can better ensure the continued success and positive impact of USC Union on our community.

Agency Mission

Adopted in: **2023**

The Union regional Palmetto College campus is a branch campus of the University of South Carolina Columbia. Union has as its mission to provide higher education and intellectual leadership, contributing to the primary mission of the University of South Carolina System so stated as “outstanding education, research, creative activity, community engagement, and service that drives community and economic impact or the benefit of the state, nation, and world.” At the heart of this mission is a teaching faculty of high quality dedicated to excellence in instruction, scholarship, public and professional service, and creative endeavor which enrich the classroom experience. The Union regional Palmetto College campus offers a varied curriculum grounded in the liberal arts and focused on preparing students to continue their education in the University of South Carolina System and throughout life.

The Union regional Palmetto College campus recruits students prepared to succeed in completing a baccalaureate- level education. While the institution does not offer remedial instruction, it is nonetheless able to admit most students who apply due to the close working relationship between students and faculty. The original design of the institution incorporated a flexibility that has allowed changes in institutional capability with increasing educational demands of constituents.

Through classroom and laboratory instruction delivered in a variety of face-to-face and distance learning formats and modalities, the institution awards the Associate in Arts and Associate in Science degrees and provides for the completion of selected bachelor’s degrees on campus through cooperative agreements and delivery structures with other University of South Carolina System institutions. The Union regional Palmetto College campus also provides general education and upper division coursework applicable to baccalaureate degree programs offered through colleges and universities nationwide. In addition to academic coursework, the mission of the campus includes noncredit courses, seminars, and workshops made available to the community for cultural enrichment and professional development.

The traditions of cultural diversity and freedom of thought are valued at the Union regional Palmetto College campus. In a learning environment that develops respect for racial, geographical, intellectual, and economic diversity and an awareness of individual, societal, and global responsibilities, Union promotes courses, activities, and attitudes that instill in students a thirst to continue learning throughout life.

The Union regional Palmetto College campus emphasizes the development of the whole person and especially seeks to foster in students the disciplines essential to an educated citizenry. Core competencies, including the ability to communicate through effective writing and articulate speech; computational and quantitative mastery; creative and critical thinking; and the duties of citizenship are strategically integrated within the curriculum. Classroom experiences, student activities, and physical education programs also provide opportunities for cultural enrichment, leadership development, intellectual growth and interpersonal relationships, all contributing to a sense of self-reliance and a joy of learning.

Agency Vision	Adopted in:	N/A
NA		

Recommendations for reorganization requiring legislative change:
None

Agency intentions for other major reorganization to divisions, departments, or programs to allow the agency to operate more effectively and efficiently in the succeeding fiscal year:
None

Significant events related to the agency that occurred in FY2026

Description of Event	Start	End	Agency Measures Impacted	Other Impacts
As part of a grant, USC Union offered free fresh food bags to a limited number of students.	August	December	Increase retention of first-time, full-time, degree seeking freshman	Increase partnerships with the community and local employers and industry.
Study away trip to New York City.	May	June	Number of campus events dedicated to fostering a diverse and inclusive campus climate	
USC Union hosted Upcountry Literary Festival	April	April	Continue to make campus facilities available to the community and participate in and host community events, as conditions allow	

USC Union gained approval to offer full degree at Clinton High School.	October	June	Maintain a healthy number of dual enrollment relationships with high schools	
USC Union gained approved to offer full degree at Lake Wylie High School.	March	June	Maintain a healthy number of dual enrollment relationships with high schools	
4 faculty and 6 students were awarded Palmetto Undergraduate Research Experience (PURE) grants.	May	June	Provide opportunities for faculty and students to showcase their scholarly and creative works to the campus community	
Winter Term Session: Held late December through mid-January to afford students more course offerings and make up credits if needed.	December	January	Increase retention of first-time, full-time, degree seeking freshman	
Continued the First-Year Freshman Academic Recovery Program	July	June	Increase retention of first-time, full-time, degree seeking freshman	
Hosted one Humphrey Fellow from Malawi to share with campus/community their work and culture.	February	February	Number of campus events dedicated to fostering a diverse and inclusive campus climate	
Hosted First Generation College Celebration Day.	November	November	Increase retention of first-time, full-time, degree seeking freshman	

3 students graduated with leadership distinction.	May	May	Continue to offer and promote to students the opportunity to earn Graduation with Leadership Distinction and engage faculty in supporting students in their efforts to complete those requirements	
Students participated Community Education Courses.	August	June	Increase retention of first-time, full-time, degree seeking freshman	
Students participated in the Community College Survey of Student Engagement.	April	May	Increase retention of first-time, full-time, degree seeking freshman	
USC Union hosted Scholar-Donor Lunch	October	October	Attract a highly qualified, appropriately sized and diverse student body	
USC Union hosted Guidance Counselor Lunch	September	September	Continue to make campus facilities available to the community and participate in and host community events, as conditions allow	
USC Union hosted financial aid and scholarship workshops across the state.	August	June	Attract a highly qualified, appropriately sized and diverse student body	

USC Union hosted college application days across the state.	August	June	Attract a highly qualified, appropriately sized and diverse student body	
Began searches for two FTE faculty (CSCE, BIOL) to begin 2026-2027.	August	June	Increase number of full-time faculty on campus available to serve students	
New FTE Spanish Instructor.	August	June	Increase number of full-time faculty on campus available to serve students	
Three FTE staff hired (two administrative assistants and one admissions counselor).	August	June	Increase the number of full-time staff on campus available to serve students	
Hired six temporary staff (office assistant, ESOL instructor, strength and conditioning coordinator, assistant baseball coach, women's head soccer coach, maintenance).	August	June	Increase retention of first-time, full-time, degree seeking freshman	
Partnership with Preservation SC to restore Dawkin's House on campus.	August	June	Continue to make campus facilities available to the community and participate in and host community events, as conditions allow	Increase partnerships with the community and local employers and industry.

Partnership with SC Farmer's Market in Union to distribute fresh food bags to students.	August	December	Increase retention of first-time, full-time, degree seeking freshman	Increase partnerships with the community and local employers and industry.
Continued participation in First Gen Network.	August	June	Increase retention of first-time, full-time, degree seeking freshman	
Continued participation in SC Network.	August	June	Increase partnerships with the community and local employers and industry	Attract a highly qualified, appropriately sized and diverse student body. Increase retention of first-time, full-time, degree seeking freshman.
Continued participation in Greenville School of Medicine P3 program.	August	June	Increase partnerships with the community and local employers and industry	Increase retention of first-time, full-time, degree seeking freshman.

Hosted two job fairs.	August	June	Continue to make campus facilities available to the community and participate in and host community events, as conditions allow	Attract a highly qualified, appropriately sized and diverse student body. Increase retention of first-time, full-time, degree seeking freshman.
Champion AI Bot (Champion AI Bot is a co-institution AI Bot hosted by USC-Union and USC-Sumter. The AI Bot is loaded with training that includes vast information about the campuses, with each student tagged to only receive information about their individual campus. The AI Bot allows for greater tracking of student surveys about campus life, which, in turn, allow for changes to be made on campus to fulfil any student needs. As well, Champion sends messages to campus organizers of the AI Bot, for Union, when students message the AI Bot with statements that signify risk, either to academic life or student safety.	August	June	Increase retention of first-time, full-time, degree seeking freshman	Attract a highly qualified, appropriately sized and diverse student body

Continued Athlete Workshops. Each Fall, the campus hosts four workshops to support Student Athlete mental health. In November of 2025 four workshops were scheduled, and three were held as one speaker had to back out at the last minute. The three workshops focused on Drug Prevention, Domestic Violence Prevention, and Gambling Addiction.	November	November	Number of campus events dedicated to fostering a diverse and inclusive campus climate	
Latin American Film Festival. Each Fall, the campus hosts four film festival presentations from faculty. These involve four other faculty members speaking on four separate films during Lunch and Learns with students, staff, and faculty.	September	October	Number of campus events dedicated to fostering a diverse and inclusive campus climate	
Organized and Hosted the PC Social and First Research Poster Presentations. USC Union hosted the annual Palmetto College Social. For the first year, the PC Social involved a Faculty Research Conference involving Poster Presentations from faculty from each PC campus.	October	October	Provide opportunities for faculty and students to showcase their scholarly and creative works to the campus community	

Hosted the Union County SC Humanities Festival in June of 2026. With SC Humanities, USC Union co-sponsored the Union County SC Humanities Festival in June of 2026. This Festival involved presentations on state and local history, events for community engagement including workshops and children's activities, and linked with state and federal goals of promoting the 250th anniversary of the Declaration of Independence.	June	June	Provide opportunities for faculty and students to showcase their scholarly and creative works to the campus community	Increase partnerships with the community and local employers and industry.
USC Union offered computer basics courses to the public.	October	December	Continue to make campus facilities available to the community and participate in and host community events, as conditions allow	
USC Union, in partnership with USC Columbia's College of Information and Communication, offered AI basics courses.	March	April	Continue to make campus facilities available to the community and participate in and host community events, as conditions allow	
Is the agency in compliance with S.C. Code Ann. § 2-1-220, which requires submission of certain reports to the Legislative Services Agency for publication online and the State Library? (See also S.C. Code Ann. § 60-2-20).				Yes

Reason agency is out of compliance: (if applicable)	
Is the agency in compliance with various requirements to transfer its records, including electronic ones, to the Department of Archives and History? See the Public Records Act (S.C. Code Ann. § 30-1-10 through 30-1-180) and the South Carolina Uniform Electronic Transactions Act (S.C. Code Ann. § 26-6-10 through 26-10-210).	Yes
Does the law allow the agency to promulgate regulations?	No
Law number(s) which gives the agency the authority to promulgate regulations:	
Has the agency promulgated any regulations?	No
Is the agency in compliance with S.C. Code Ann. § 1-23-120 (J), which requires an agency to conduct a formal review of its regulations every five years?	Yes
(End of Reorganization and Compliance Section)	

FY2026

Strategic Plan Results

as submitted for the Accountability Report by:

H400 - UNIVERSITY OF SOUTH CAROLINA - UNION

Goal 1 Grow enrollments and advance student success

Goal 2 Deliver world-class experiences for students, internal colleagues and external partners

Goal 3 Impact education attainment and workforce readiness

Perf. Measure Number	Description	Base	Target	Actual	Value Type	Desired Outcome	Time Applicable	Calculation Method	Data Source	Data Location	Stakeholder Need Satisfied	Primary Stakeholder	State Funded Program Number Responsible	Notes
1.1	**Drive enrollment growth**										**State Objective: Education, Training, and Human Development**			
1.1.1	Attract a highly qualified, appropriately sized and diverse student body	1,355	1,400	1,627	Count	Equal to or greater than	Other	Actual number of enrolled students.
