AGENCY'S DISCUSSION AND ANALYSIS

Excel, the first pillar of Winthrop University's strategic plan, *United in Excellence,* focuses on recognizing Winthrop's unique distinctiveness; broadening regional presence; elevating institutional prominence; and establishing prestigious institutes of excellence.

Winthrop University was recognized as one of Money Magazine's Best Colleges in America 2025. Recognition as one of the country's top colleges was based on graduation rates, cost of attendance, financial aid, alumni salaries and outcomes.

Fall 2025 saw Winthrop's highest enrollment since 2019. Several factors for the increase in enrollment include new innovative academic offerings, more competitive merit-based scholarship programs, a focus on student experiences though programs such as the new Honors College, and the multi-year tuition transparency initiative.

Winthrop University and Atrium Health, including its innovation district, The Pearl, and its Levine Children's Hospital, collaborated to expand educational opportunities for long-term pediatric patients while preparing future educators to teach in diverse, nontraditional settings. Winthrop Teaching Fellows and Levine Children's Hospital educators brought hands-on science, technology, engineering and math (STEM) lessons to hospitalized K-12 students.

In March 2026, Winthrop launched a new branding campaign, "Bring the You". The goal of the new branding was to create a bold, creative and unifying brand platform and strategy that heightens awareness of Winthrop with key audiences, elevates Winthrop's reputation in the higher education landscape, and sets the university apart from its competitors.

Winthrop University and the South Carolina Research Authority (SCRA) announced the launch of an innovation hub designed to accelerate investment and strengthen South Carolina's emerging technology ecosystem. The hubs are central regions for collaboration, resource sharing and support for high-potential tech companies. Winthrop's hub handles York, Chester and Lancaster counties.

Winthrop University Board of Trustees endorsed a plan to open a downtown instructional office in Fort Mill within the next year. The instructional site replicates several programs on Winthrop's main campus, including an early childhood laboratory school, Dual Enrollment program options, and advanced degree programs, certifications and industry engagements.

Educate, the second pillar of Winthrop University's strategic plan, *United in Excellence,* focuses on advancing comprehensive student intellectual development; providing high quality academic advising and mentoring; innovating forward-looking academic programs; re-envisioning the general education curriculum; and ensuring timely degree attainment.

Winthrop University offered several new degree programs in Fall 2025. Programs included B.S. in Artificial Intelligence, the first stand-alone undergraduate program in artificial intelligence in South Carolina; B.S. in Applied Software Engineering; B.A. in Game Design; and a B.S. in Financial Technology.

Winthrop University Board of Trustees approved the renaming of three degree programs, B.A. in Art History to B.A. in Art History and Museum Professions; B.A. in Integrated Marketing to B.A. in Public Relations and Advertising and B.S. in Human Development and Family Studies to B.S. in Human Development and Family

Sciences. The Board also approved new concentrations in the programs: B.P.S in Professional Studies with a concentration in Interdisciplinary Studies; B.A. in Music with concentrations in Choral Music Education and Instrumental Music Education; M.B.A. with a concentration in Financial Technology; B.S. in Business Administration with concentrations in Accounting and Financial Management, General Business and Business Analytics. B.S. in Exercise Science with concentrations in Exercise Science, Strength and Conditioning, and Pre-Allied Health.

A team of Winthrop University students earned a spot in the Southern Classic Finals of the 2025-26 CFA Institute Research Challenge. The CFA Institute Research Challenge is a prestigious global competition that gives students hands-on experience in financial analysis equity valuation, report writing and professional presentation before panels of finance industry experts. The team's advancement to the finals highlights the strength of Winthrop's experiential learning opportunities in Finance.

In the Spring, Winthrop launched the Center for the Environment, a university-wide initiative designed to accelerate interdisciplinary collaboration. Unlike a traditional unit, the center is deliberately distributed across campus. It spans faculty offices, outdoor learning laboratories and regional partnerships from Rock Hill to Charlotte, including a nearby community garden and the Piedmont Wetlands Project at Winthrop Lake.

Winthrop ranked 12th for return on investment among the 25 largest SC colleges and universities. Studies conducted by the US Department of Education's College Scorecard and Georgetown University's Center on Education and Workforce, looked at students' median earnings 6, 8 and 10 years after they enroll, each institutions' net price and the predominant degree offered.

Enrich, the third pillar of Winthrop University's strategic plan, *United in Excellence,* focuses on elevating the campus life experience; expanding experiential learning opportunities; boosting student retention and graduation rates; and elevating student well-being and the residential experience.

The US Department of Education awarded Winthrop a federal TRiO Student Support Services grant totaling $1.43 million to improve retention and graduation rates among low-income, first-generation students, and students with disabilities. TRiO offers individualized services including academic counseling, tutoring, financial literacy, career and internship readiness, and student leadership development.

Winthrop moved forward with plans for building a new 95,000 square foot residence hall that will house 400 students. The goal is for construction for the new four-story building to be completed by the end of 2027. The design features double room with pods of private restrooms in close proximity, as well as lounges, kitchens and study rooms.

The Lantern, a boutique hotel in downtown Rock Hill, employs students from the WinthropLIFE program. The Lantern's social mission is to provide meaningful career pathways for individuals with disabilities. WinthropLIFE program focuses on preparing students for competitive employment and independent living.

Winthrop's Fashion Club event, A Denim Day Fashion Show: From Runway to Reality, took the Gold Award in the National Association of Student Personnel Administrators competition. The fashion show held in conjunction with Sexual Assault Awareness Month, challenged victim-blaming narratives and promoted messages of consent, empowerment, and survivor support.

Engage, the fourth pillar of Winthrop University's strategic plan, *United in Excellence,* focuses on cultivating alumni for life; fostering strategic alliances and corporate partnerships; Winthrop's becoming the epicenter of community engagement and development; and bolstering fundraising for future growth.

Winthrop University announced a new partnership with Family Trust Federal Credit Union to support the J. Robert Bazemore Design Center, located at The Thread at Rock Hill's Knowledge Park. Family Trust will fund space in the university's new 5,000-square-foot interior design center. The space is equipped with modern classrooms, advanced technology, and direct exposure to real-world concepts.

Launched in Fall 2025, the Business and Leadership Dual Enrollment Program, between Winthrop and Rock Hill Schools, allows students to take courses in writing, economics, accounting, and more while simultaneously earning high school and college credit.

In the spring of 2026, Winthrop's College of Visual and Performing Arts and Department of Music partnered with the Charlotte Symphony Orchestra for a special performance in the newly renovated Byrnes Auditorium, made possible with support from the Springsteen Foundation, whose goal is to create greater access to the arts.

Winthrop's Richard W. Riley College of Education, Sport, and Human Sciences and WinthropLIFE assisted Impact Church in sponsoring the "Night to Shine" dance. Individuals with disabilities age 14+ are invited for a special evening with a red-carpet experience including limo rides, hair and makeup services, dinner, dancing and karaoke. Parents and caretakers were provided with a fun respite at Knowledge Perk.

Three faculty members from the Department of Management and Marketing collaborated with Keystone Substance Abuse Services to offer services for the agency through their classes. Joanna Jackson, department chair and assistant professor, ran a poverty simulation with her class which Keystone staff then adopted for its training purposes; assistant professor Larry Stevens and his class created a food pantry for Keystone's patients; and, professor Cara Peter's class conducted focus groups whose results were used to guide Keystone's strategic planning process.

Dr. Minne Mize, associate professor in education core and special education was named the 2025-26 Thompson Scholar. Dr. Mize created the Reading, Engagement and Academic Development Initiative (READI) to train undergraduates as literacy mentors to work with low-income students at Rock Hill Title I schools and to train graduate students to serve as supervisors. The Thompson Scholar program provides $5,000 award so faculty members can work on projects that help students and the community and strengthen the university's academic, intellectual and co-curricular life.

York County Natural Gas Authority has a new mascot thanks to four Winthrop University marketing students who created Glow the Firefly, who appears in the gas authority's customer communications as an inspiration to light the way with bright ideas.

Winthrop University alumnus James Kevin Gray's '99 song, "While I Breathe, I Hope" was voted on by the SC General Assembly as the state's official choral anthem. The inspiration for the song came from Gray's deep love for South Carolina: the mountains and foothills, the beauty of Charleston and the coast, the small towns, churches, people, and the generations of families who help shape the state.

Enhance, the fifth pillar of Winthrop University's strategic plan, *United in Excellence,* focuses on ensuring financial resilience; developing a next-gen campus; fostering a collective excellence; and forging strategic public-private partnerships.

Winthrop University reported a near record-level year of giving during the 2024-25 fiscal year. Donors gave $7,957,027 to the institution, a 73% increase in total giving over the 2023-24 fiscal year and established 23 new endowments with many alumni choosing to direct their charitable giving to programs where they have an interest or see value.

Winthrop University Board of Trustees set tuition, room and board rates, and some academic fees for the 2026-27 academic year. Tuition mitigation funds from the South Carolina Legislature ensured that students will see no increase in tuition for the academic year that begins in August 2026. Board members also agreed to reduce the cost of the MBA degree to align with other graduate online programs.

Winthrop University received the largest all-cash gift in its history, $2.5 million. The family of the late Virginia Bellune Collier ’30 made the gift in her honor. Collier had long held the dream of becoming a doctor, but due to the era in which she lived, Collier pivoted to teaching. Two million of the gift will go toward teacher education scholarships, preferably in STEM disciplines and $500,000 will fund a professorship in the College of Arts and Sciences.

Winthrop University Board of Trustees unanimously extended President Edward Serna’s contract for another 6 years. The board cited several of Serna’s accomplishments including, additional academic programs, increases in student enrollment, annual giving and a good financial standing.

Risk Assessment and Mitigation Strategies

A failure of Winthrop University to accomplish its mission and goals could negatively impact the student educational experience and potentially weaken the pool of qualified candidates who support the workforce of the State of South Carolina. Given that 88% of Winthrop undergraduates are from South Carolina and approximately 45% of Winthrop undergraduates are eligible for federal Pell grants, a diminished educational experience would negatively impact South Carolina’s historically underserved populations. These are the very citizens the State of South Carolina identifies as needing the most support to advance their education in order to compete for employment opportunities that provide a living wage.

The University employs mitigating strategies focused on enhancing operational efficiency, managing costs, sustaining effectiveness, emphasizing forward-thinking, and remaining current with education trends. These strategies are supported by the following efforts:

- The development and implementation of the strategic plan, United in Excellence, which serves as a blueprint for the university, outlining five pillars to **excel, educate, enrich, engage, and enhance** in order for Winthrop University to become a transformational institution providing an excellent and affordable education within a vibrant and inclusive community offering the gift of learning, the tools for lifelong learning, and the confidence born of a robust and disciplined learning experience.

- Winthrop University remains compliant with standards of its institutional accrediting body, the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). In December 2022, SACSCOC reaffirmed the University’s accreditation, with no request for additional reporting. Accreditation by SACSCOC signifies that the institution has a mission appropriate to higher education; has resources, programs, and services sufficient to accomplish and sustain its mission; maintains clearly specified educational objectives that are consistent with its mission and appropriate to the degrees offered; and assesses its achievement of stated objectives. The institution plans to submit its Fifth Year Interim Report and Impact Report of the Quality Enhancement Plan on Student Learning in 2028.

- Winthrop University retains program-specific accreditation with 22 accrediting bodies, thus ensuring the quality of its educational programs. The institution has traditionally sought and received national accreditation for degree programs that maintain programmatic accreditation standards.

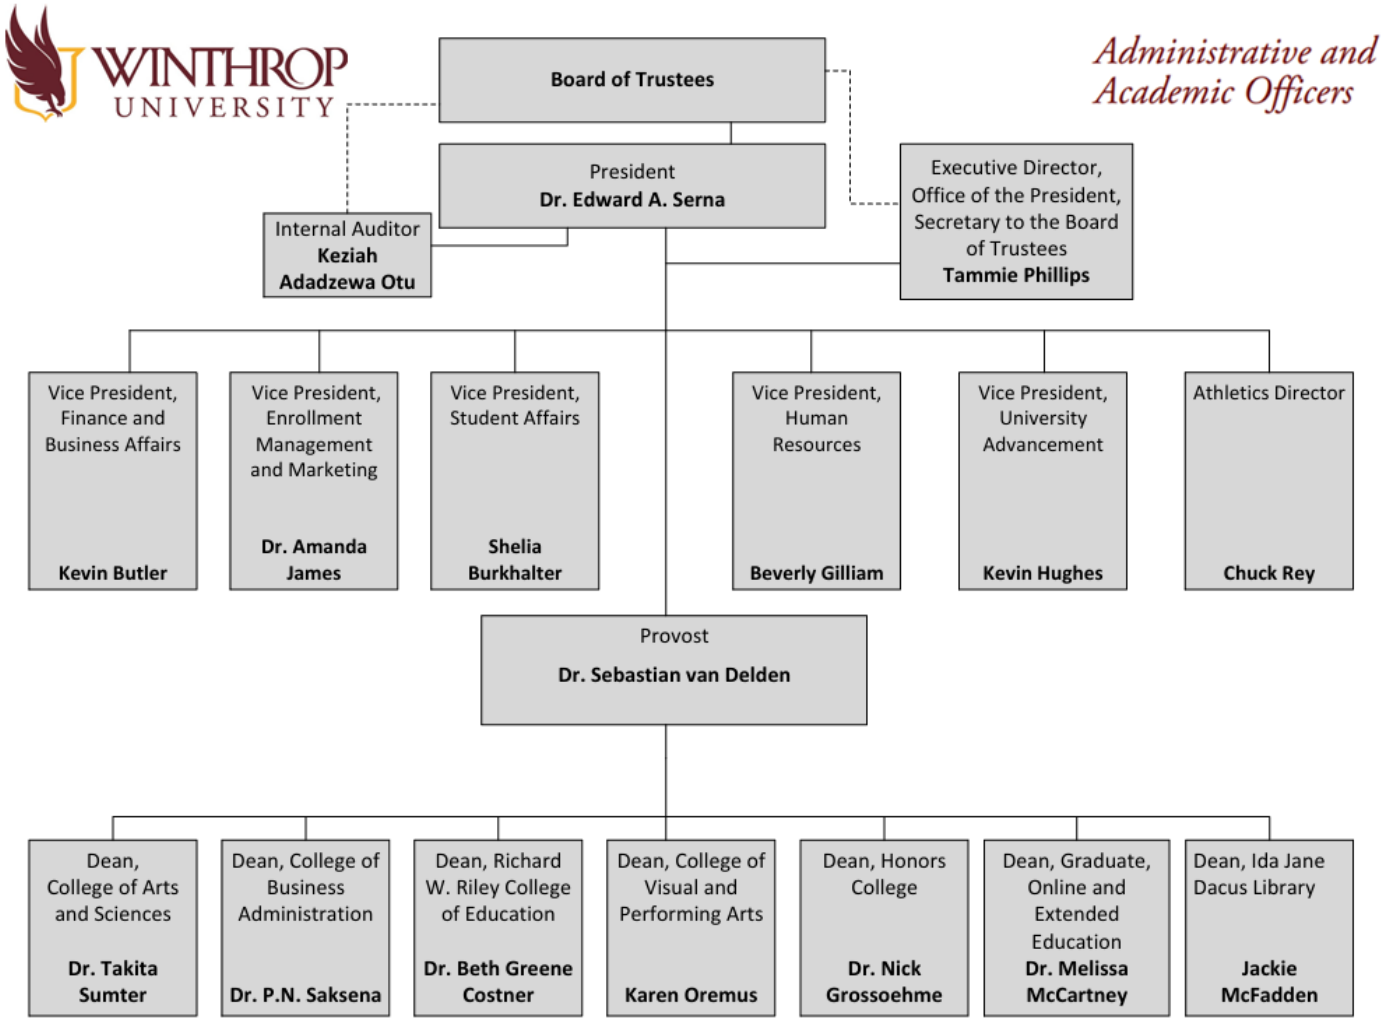

Supportive actions by the State that could help to mitigate a negative impact on the student educational experience include:

- Restore the proportion of state appropriations to Winthrop University to pre-2008 recession levels. This action would enable Winthrop to minimize fiscal impact upon students relative to tuition, fees, room, and board, thereby supporting Winthrop's goals to increase access, degree attainment, and inclusive excellence in learning experiences for all students.

- Fully fund salary increases for state employees. Cost of living increases that are mandated by the General Assembly but not fully funded create significant challenges in balancing the institution's budget. The increased budgetary strain on the University has the potential to impact the quality of the student educational experience.

- Reduce institutional labor costs by eliminating reporting obligations that involve redundancy across state agencies.

Agency Mission | **Adopted in:** **2024**

Winthrop University is a comprehensive public university that challenges undergraduate and graduate students of talent, ambition, and intellectual curiosity, equipping them to embrace and lead a world in transition by providing residential and online learning experiences and instilling critical thinking skills empowering them to create the future.

Founded in 1886, Winthrop University provides personalized and challenging undergraduate, graduate and professional education programs of national caliber within a context dedicated to public service to the nation and to the State of South Carolina. Building on its 19th century origins as a former women's college, Winthrop is a four-year, top-ranked, mid-sized public regional comprehensive institution serving residential and online students. Located in the heart of the Carolinas, the university recruits South Carolina's outstanding students as well as highly qualified students from beyond the state. Winthrop prides itself on being an institution of choice for all students who believe they can thrive in a relationship-rich educational environment found in a smaller campus setting that emphasizes student success, community and belonging, engaged learning, as well as leadership and service.

In an exceptionally beautiful location in burgeoning Rock Hill, South Carolina, Winthrop combines instructional innovation and contemporary infrastructure amid historic facilities where students acquire and develop knowledge, skills, capabilities and values that enrich their lives and prepare them for professional careers, continuing education, and advanced degrees. To support them, Winthrop prides itself on a diverse and able faculty and staff who are effective teachers, scholars, researchers, practitioners, creative artists, and steadfast advocates for students.

To meet today’s growing and emerging job markets, Winthrop grants bachelor’s, master’s, and specialist degrees and certificates in a variety of modalities across the College of Arts and Sciences, the College of Business and Technology, the Richard W. Riley College of Education, Sport, and Human Sciences, the College of Visual and Performing Arts, and the School of Graduate, Continuing, and Online Education.

Close relationships among faculty and students, experiential learning, robust undergraduate research, championship athletics, genuine respect for others, and the unwavering pursuit of excellence are hallmarks of the distinctive Winthrop experience.

Nationwide trends of a tight job market, high unemployment rates, and declining graduate school enrollment were reflected in Winthrop's Career Outcome Rate. While it did not meet the internal target, it exceeded the national average of 85% for Masters-granting institutions in the Southeast.
3.1	**Craft a campus life experience at Winthrop that offers a rich tapestry of events, social opportunities, and cultural activities.**									**State Objective:**	**Education, Training, and Human Development**			

Perf. Measure Number	Description	Base	Target	Actual	Value Type	Desired Outcome	Time Applicable	Calculation Method	Data Source	Data Location	Stakeholder Need Satisfied	Primary Stakeholder	State Funded Program Number Responsible	Notes
3.1.1	Student satisfaction with support services	94%	97%	92%	Percent	Equal to or greater than	State Fiscal Year	Percentage of 2025-26 graduating seniors who report being satisfied or very satisfied with overall student services	Graduating Senior Survey	Institutional Research	Student success	Current and prospective students	5500.000000.000	The target was not met. The area of greatest student dissatisfaction overall, as well as the area with the largest decline in satisfaction over the prior year, is residence hall facilities. Steps are underway to secure funding to build a new residence hall and renovate existing historical structures.
3.2	**Implement initiatives at Winthrop to support student retention and graduation, providing a consistent and supportive learning journey from enrollment to graduation.**									**State Objective:**	**Education, Training, and Human Development**			
3.2.1	Retention Rate of first-time, full-time freshmen cohort who were enrolled as of the retention census date in the previous fall	74%	75%	74%	Percent	Equal to or greater than	Other	Percentage of the fall 2024 cohort of first-time, full-time freshmen who were enrolled as of the retention census date of fall 2025	Institutional data files	Institutional Research	Student success and financial sustainability of the agency	Students	5500.000000.000	The target was not met. However, the retention rate of 74.1% slightly improved from the prior year's 73.8% and represented Winthrop's highest retention rate in the past seven years.
4.1	**Instill a lifelong connection and commitment amongst Winthrop alumni, transforming them into active participants and contributors to the university's vision.**									**State Objective:**	**Education, Training, and Human Development**			
4.1.1	Alumni giving rate	5%	6%	5%	Percent	Equal to or greater than	State Fiscal Year	Number of alumni donors in the fiscal year divided by total number of alumni	Institutional data files	Office of Alumni Relations	Student access to higher education, financial sustainability of the institution	Current and prospective students, parents, employees	5500.000000.000	The target was not met. Spiking inflation and increased cost of living likely contributed to fewer alumni having the means to donate.
5.1	**Elevate Winthrop's financial health by diversifying revenue sources, optimizing resource allocation, and making strategic investments.**									**State Objective:**	**Education, Training, and Human Development**			
5.1.1	Total endowment assets	$78M	$82M	$84M	Dollar Amount	Equal to or greater than	State Fiscal Year	The amount of gross investments of endowments for Winthrop and the Winthrop Foundation	IPEDS Finance	Office of Finance & Business	Student access to higher education, financial sustainability of the institution	Current and prospective students, parents, employees	5500.000000.000	The target was met.
5.2	**Elevate Winthrop's physical and digital landscape into a cutting-edge, advanced, and integrated cohesive environment.**									**State Objective:**	**Education, Training, and Human Development**			
5.2.1	Expenditures on facilities	$27M	$16M	$26K	Dollar Amount	Equal to or greater than	State Fiscal Year	Expenses related to maintaining and improving facilities, as reported to IPEDS	IPEDS Finance	Office of Finance & Business	Health, safety, productivity, satisfaction	Current and prospective students, parents, employees	5500.000000.000 and 6000.000000.000	The target was met.

§ 59-125-310	State	Statute	Winthrop University Facilities Revenue Bond Act. The General Assembly finds that it is desirable to provide continuing and general statutory authority for Winthrop University to incur debt for, among other things, the purposes of providing funds to acquire, construct, renovate, and equip certain revenue-producing auxiliary facilities, which debt is secured by a pledge of the revenues derived from the operation of some or all of the facilities. Winthrop University has demonstrated need for additional funds to provide for acquisition, construction, renovation, and equipping of these facilities. These facilities are needed to replace or renovate aging facilities and to provide additional facilities all to the end that the educational environment at Winthrop University will be enhanced for the benefit of present and potential students at Winthrop University. Consideration has been given to this need and to the methods of funding it. It has been determined to be in the best interests of the people of this State to authorize Winthrop University to acquire, construct, renovate, and equip additional facilities and to incur indebtedness for these purposes which is payable from the revenues derived from the operation of these facilities to the extent and under the conditions provided for in this article. § 59-125-330	State	Statute	Acquisition and improvement of facilities. The trustees are authorized to acquire additional facilities and to improve and renovate existing facilities to the extent they determine to be necessary, and the proceeds of bonds authorized by this article are made available for that purpose. The trustees also are authorized to refund bonds that may from time to time be outstanding pursuant to this article by exchange or otherwise.	Requires a service	Improve Facilities	No Change
§ 59-125-340	State	Statute	Authority to bond. Upon receiving the approval of the State Fiscal Accountability Authority or Department of Administration, as appropriate, and upon review by the Joint Bond Review Committee, the trustees may from time to time borrow such sums as may be necessary to accomplish the purpose of this article and to evidence these borrowings by bonds issued pursuant to this article in such aggregate principal amount as they determine, except that notwithstanding any other provisions of this article, there may not be outstanding at any time bonds issued pursuant to this article in excess of twenty-five million dollars.	Funding agency deliverable(s)		No Change
§ 59-125-350	State	Statute	Securement of repayment. Bonds issued pursuant to this article must be payable from the revenues or the net revenues derived by Winthrop from these facilities as designated by the trustees with respect to the bonds. The trustees may abandon the use of any portion of the facilities or sell or dispose of any portion of the facilities upon receipt of a written recommendation by the chief financial officer of Winthrop to the effect that the action shall not adversely affect the ability of Winthrop to discharge its obligations to the holders of bonds issued pursuant to this article and upon the further conditions as prescribed in the resolution of the trustees providing for the issuance of bonds. The bonds issued pursuant to this article may be further secured by the additional pledges of other revenues or fees of Winthrop as it may be authorized to grant pursuant to other laws of this State. § 59-125-360	State	Statute	Faith and credit of State. The faith and credit of the State may not be pledged for the payment of the principal and interest of the bonds, and there must be on the face of each bond a statement plainly worded to that effect. Neither the trustees nor any other person signing the bonds is personally liable for them.	Funding agency deliverable(s)		No Change
§ 59-125-370	State	Statute	Tenor, terms, and conditions of bonds. In order to avail themselves of the authorizations set forth in this article, the trustees shall adopt resolutions providing for the issuance of bonds of Winthrop, within the limitations mentioned in this article which must prescribe the tenor, terms, and conditions of the bonds. The bonds must be issued as serial or term bonds, maturing in equal or unequal amounts, at such times and on such occasions as the trustees determine. The last maturing bonds of any issue must be expressed to mature not later than fifty years from their date, and the first maturing bonds of any issue, issued pursuant to this article, falls due within five years from their date. They must bear such rates of interest, payable on such occasion as the trustees prescribe, and the bonds must be in such denominations, payable in such medium of payment, and at such place as such resolutions prescribe. All bonds may be issued with a provision permitting their redemption on any interest payment date before their respective maturities. Bonds made subject to redemption before their stated maturities may contain a provision requiring the payment of a premium for the privilege of exercising the right of redemption in such amount or amounts as the trustees prescribe in the resolutions authorizing their issuance. All bonds that are subject to redemption must contain a statement to that effect on the face of each bond. The resolutions authorizing their issuance must contain provisions specifying the manner of call and the notice of call that must be given.	Funding agency deliverable(s)		No Change

§ 59-125-400	State	Statute	Form of bonds. The bonds and coupons, if any, attached to the bonds, are executed manually or by facsimile in the name of Winthrop in the manner and by persons as the trustees from time to time determine, and the seal of Winthrop must be affixed to or impressed or reproduced on each bond. Any coupons attached to the bonds must be authenticated by the facsimile signature of one or more of the persons signing the bonds. The bonds, in the discretion of the trustees, may be registerable as to principal and interest on books kept for them by or on behalf of Winthrop, including by a corporate registrar. The delivery of the executed bonds is valid notwithstanding changes in officers or in the seal occurring after the execution. Notwithstanding the foregoing, the bonds, in the discretion of the trustees, may be issued as fully registered noncertificated book-entry securities.	Funding agency deliverable(s)		No Change
