Explanation of Fiscal Impact

State Expenditure

This bill adds Section 40-7-355 requiring the Department of Labor, Licensing and Regulation (LLR) to regulate and inspect mobile barbershops. The bill authorizes LLR to charge permit and renewal fees and to set fees by regulation.

The department is not able to estimate regulation and inspection expenditures or the amount of revenue that might be earned as this is a new enterprise and the number of permit applicants is not yet known. However, the department will set fees in an amount sufficient to offset operating expenses. There will be no expenditure impact on the General Fund or Federal Funds.
