**Fiscal Impact Summary**

This bill is not expected to affect General Fund insurance premium tax revenue in FY2016-17 or any fiscal year through FY2026-27. Since the BEA has already incorporated the revenue transfer into its annual revenue estimate and will continue to do so in the future, this bill will not affect General Fund insurance tax revenue estimates.

**Explanation of Fiscal Impact**

**State Expenditure**

This bill would continue to be administered by the South Carolina Department of Insurance. The Department of Insurance would continue to administer revenue transfers to the South Carolina Forestry Commission pursuant to Act 155 of 2013. There will be no impact on the General Fund, Federal Funds, or Other Funds. The department can administer the legislative changes with existing resources.

**State Revenue**

Currently, pursuant to Act 155 of 2013, Section 38-7-20(B) permits the transfer of two and one-quarter percent of General Fund insurance premium tax revenue to the South Carolina Forestry Commission. The transferred funds are used by the Forestry Commission for firefighting, firefighting replacement equipment, and forest industry economic enhancement. The remaining insurance premium tax revenue remains in the General Fund. Additionally, this transfer does not affect the amount of revenue to be allocated to local fire departments.

Since the passage of Act 155 of 2013, the Board of Economic Advisors (BEA) has recognized the transfer of a portion of General Fund insurance premium tax revenue to the S.C. Forestry Commission in its official General Fund revenue forecast each year. The transfer will amount to an estimated \$3,304,679 in FY2016-17. This revenue transfer is scheduled to cease July 1, 2017. This bill would extend the sunset date of the revenue transfer from through June 30, 2017 to June 30, 2027. The current transfer of revenues would remain in effect for an additional ten fiscal years through June 30, 2027. Since the BEA has already incorporated the revenue transfer into its revenue estimate and will continue to do so in the future, this bill would not affect the BEA's General Fund insurance premium tax revenue forecast in future fiscal years,
