Explanation of Fiscal Impact

State Expenditure

Senate Bill 339 amends Chapter 115, Title 44, the "Physicians' Patient Records Act," by adding Section 44-115-160 to require that mammogram providers supply each patient with a report that includes patient-specific information about breast density and provides conspicuous notice when a mammogram shows the presence of dense tissue. The bill provides the specific language to be included in such a notice.

Public Employee Benefit Authority. The Authority reports that this bill would have no expenditure impact on the State Health Plan, the General Fund, Federal Funds, or Other Funds. The bill requires the mammogram provider to issue the reports.

Department of Health and Environmental Control. The Department reports that this bill would have no expenditure impact on the General Fund, Federal Funds, or Other Funds.
