This bill adds Article 11 to Chapter 31, Title 23 to establish requirements for licensed dealers in conducting background checks for firearm sales and transfers. It requires a licensed dealer who initiates a criminal background check for a gun sale or transfer to proceed with the sale only in the case that either a favorable background check from the national clearinghouse has been received or that a 28 day period from the initiation of the background check has elapsed with no notification from the clearinghouse that the sale may not proceed. The bill also establishes criminal penalties for violations.
