Fiscal Impact Summary

This bill, as updated, is not expected to affect General Fund insurance premium tax revenue in FY2016-17, but is expected to reduce General Fund insurance premium tax revenue by an estimated \$3,555,000 in FY2017-18. This bill, as amended, is expected to increase Other Fund revenue by an estimated \$3,555,000 in FY2017-18. This bill, as amended, would not affect Federal Fund revenue.

Explanation of Fiscal Impact

State Expenditure

This bill, as updated, would continue to be administered by the South Carolina Department of Insurance. The Department of Insurance would continue to administer revenue transfers to the appropriate accounts as specified in the bill. There will be no impact on the General Fund, Federal Funds, or Other Funds. The department can administer the legislative changes with existing resources.

State Revenue

Section 1. Currently, pursuant to Act 155 of 2013, Section 38-7-20(B) permits the transfer of two and one-quarter percent of General Fund insurance premium tax revenue to the South Carolina Forestry Commission. The transferred funds are used by the Forestry Commission for firefighting, firefighting replacement equipment, and forest industry economic enhancement. The remaining insurance premium tax revenue remains in the General Fund. Additionally, this transfer does not affect the amount of revenue to be allocated to local fire departments.

Since the passage of Act 155 of 2013, the Board of Economic Advisors (BEA) has recognized the transfer of a portion of General Fund insurance premium tax revenue to the S.C. Forestry Commission in its official General Fund revenue forecast each year. The transfer will amount to an estimated \$3,304,679 in FY2016-17. This revenue transfer is scheduled to cease July 1, 2017, at which time, the BEA will no longer set aside insurance premium tax revenue to be transferred to the South Carolina Forestry Commission after FY2016-17.

This bill, as updated, would extend the sunset date of the revenue transfer from through June 30, 2017 to June 30, 2022. The current transfer of revenues would remain in effect for an additional five fiscal years through June 30, 2022. The transfer of two and one-quarter percent of insurance premium taxes will still occur; however, because the provisions of the amended bill first apply to the transfer of insurance premium tax revenue in FY2017-18, the transfer will amount to an estimated \$3,555,000 in FY2017-18. Since the BEA had planned for the transfer of insurance premium tax revenue to cease after June 30, 2017, this amended bill would cause a reduction in General Fund insurance premium tax revenue of an estimated \$3,555,000 in FY2017-18. There would also be a concomitant increase of \$3,555,000 in Other Fund revenue in FY2017-18.

Section 2. This act takes effect upon approval by the Governor.
