Explanation of Fiscal Impact

State Expenditure

This bill creates the Supporting and Strengthening Families Act which would allow parents and persons with legal custody of a child to delegate caregiving authority to an adult for a period not to exceed one year. The bill gives the attorney-in-fact the same rights, duties, and responsibilities that are exercised by the parent of a child with the exceptions of the consent to marriage or adoption of the child, the performance or inducement of an abortion on or for the child, enlistment in the armed forces, major nonemergency medical and surgical treatment, and the termination of parental rights to the minor child.

The Department of Social Services and the Department of Administration indicate there is no expenditure impact to the General Fund, Federal Funds, or Other Funds.
