The Senate assembled at 12:00 Noon, the hour to which it stood adjourned, and was called to order by the PRESIDENT.

A quorum being present, the proceedings were opened with a devotion by the Chaplain as follows:

In I Chronicles we are reminded of those:
“...expressly named to render thanks to the Lord, for his steadfast love endures forever.” (I Chronicles 16:41b)

Join me, and bow while we pray:
Holy Lord, speaking of endurance -- as the writer of I Chronicles does -- we cannot help but think of each of these Senators here at this point of this Legislative Session. How much each of them and their creative staff members have indeed endured this year, dear God and how much they still have remaining on their collective “to do” lists here in this place. By Your Spirit’s grace, O God, bless and strengthen each of these servants and allow them to use their gifts and their talents wisely and well for the benefit of everyone in South Carolina. We pray this in Your loving name, dear Lord. Amen.

The PRESIDENT called for Petitions, Memorials, Presentments of Grand Juries and such like papers.

SECTION 2.  (A) Of the funds appropriated above in Section 1, Item (4) to the Commission on Higher Education for Out of State Veteran Tuition Reimbursement - Colleges, the Office of State Treasurer is directed to establish a fund, separate and distinct from the general fund and all other funds, entitled the College and University Out of State Veteran Tuition Differential Reimbursement Fund. Any funds appropriated in this act for this purpose must be deposited into the fund and interest accrued by the fund must remain in the fund.

(B) The purpose of the fund is to reimburse public institutions of higher learning, as defined in Section 59-103-5 of the 1976 Code, for revenue loss resulting from the provisions of Section 59-112-50(C). By March 1, 2016, a public institution of higher learning seeking a reimbursement from this fund must submit an application to the Commission on Higher Education to receive a reimbursement from the fund. The total reimbursement to a public institution may not exceed the difference between the amount the institution would have charged but for Section 59-112-50(C), and the amount the institution actually charged. The Commission on Higher Education may require any proof it determines necessary to verify the veracity of the application.

(C) By June 15, 2016, the Commission on Higher Education must distribute the funds to those institutions that have applied pursuant to subsection (B). In the event that the total requested and verified
reimbursements exceed the amount in the fund, the distribution to each
public institution shall be reduced pro rata based on the institution’s
amount of verified reimbursements compared to the total amount of
verified reimbursements of all institutions.

SECTION 3. Of the funds appropriated above in Section 1 to
institutions of higher learning entitled “Maintenance: Critical Care and
Repair (1:1 Match)”, each institution shall use the amount appropriated
only for critical repair and related maintenance and/or other critical
equipment and systems repair and maintenance that are necessary for the
safe and efficient operation of an institution’s physical plant in its
support of the institution’s educational purpose.

Funds must not be used for new construction and may only be utilized
by an institution to the extent the funds are matched by the institution for
necessary repair and maintenance projects generally.

Matching funds exclude supplemental, capital reserve, lottery, or
non-recurring state funds appropriated to an institution either in the
current fiscal year or from a prior fiscal year for repair and maintenance
or maintenance projects.

Prior to the utilization of these funds, institutions must certify to the
Commission on Higher Education, in a manner it prescribes, the extent
to which they have met this requirement, including the sources of funds
utilized to meet this requirement.

Not later than 120 days after the close of the fiscal year, the
Commission on Higher Education shall report to the Chairman of the
Senate Finance Committee and the Chairman of the House Ways and
Means Committee regarding the utilization of this provision.

Funds not expended in the prior fiscal year may be carried forward
into the current fiscal year and utilized for the same purpose, subject to
the same matching requirement.

SECTION 4. Funds appropriated above in Section 1, Item (79) to
the Department of Transportation shall be used to fund the Orangeburg
District Office Building Renovation, Clarendon County Maintenance

SECTION 2. (A) Of the funds appropriated above in Section 1, Item (4) to the Commission on Higher Education for Out of State Veteran Tuition Reimbursement - Colleges, the Office of State Treasurer is directed to establish a fund, separate and distinct from the general fund and all other funds, entitled the College and University Out of State Veteran Tuition Differential Reimbursement Fund. Any funds appropriated in this act for this purpose must be deposited into the fund and interest accrued by the fund must remain in the fund.

(B) The purpose of the fund is to reimburse public institutions of higher learning, as defined in Section 59-103-5 of the 1976 Code, for revenue loss resulting from the provisions of Section 59-112-50(C). By March 1, 2016, a public institution of higher learning seeking a reimbursement from this fund must submit an application to the Commission on Higher Education to receive a reimbursement from the fund. The total reimbursement to a public institution may not exceed the difference between the amount the institution would have charged but for Section 59-112-50(C), and the amount the institution actually charged. The Commission on Higher Education may require any proof it determines necessary to verify the veracity of the application.

(C) By June 15, 2016, the Commission on Higher Education must distribute the funds to those institutions that have applied pursuant to subsection (B). In the event that the total requested and verified reimbursements exceed the amount in the fund, the distribution to each public institution shall be reduced pro rata based on the institution’s amount of verified reimbursements compared to the total amount of verified reimbursements of all institutions.

SECTION 3. Of the funds appropriated above in Section 1 to institutions of higher learning entitled “Maintenance: Critical Care and Repair (1:1 Match)”, each institution shall use the amount appropriated only for critical repair and related maintenance and/or other critical equipment and systems repair and maintenance that are necessary for the safe and efficient operation of an institution’s physical plant in its support of the institution’s educational purpose.

Funds must not be used for new construction and may only be utilized by an institution to the extent the funds are matched by the institution for necessary repair and maintenance projects generally.
Matching funds exclude supplemental, capital reserve, lottery, or non-recurring state funds appropriated to an institution either in the current fiscal year or from a prior fiscal year for repair and maintenance or maintenance projects.

Prior to the utilization of these funds, institutions must certify to the Commission on Higher Education, in a manner it prescribes, the extent to which they have met this requirement, including the sources of funds utilized to meet this requirement.

Not later than 120 days after the close of the fiscal year, the Commission on Higher Education shall report to the Chairman of the Senate Finance Committee and the Chairman of the House Ways and Means Committee regarding the utilization of this provision.

Funds not expended in the prior fiscal year may be carried forward into the current fiscal year and utilized for the same purpose, subject to the same matching requirement.

SECTION 4. Funds appropriated above in Section 1, Item (79) to the Department of Transportation shall be used to fund the Orangeburg District Office Building Renovation, Clarendon County Maintenance Complex Construction, SHEP Greenville/Spartanburg Office Construction, and Lexington Maintenance Complex Construction.

SECTION 5. The Comptroller General shall post the appropriations contained in SECTION 1 of this joint resolution as provided in Section 11-11-320(D) of the 1976 Code. Unexpended funds appropriated pursuant to SECTION 1 of this joint resolution may be carried forward to succeeding fiscal years and expended for the same purposes.

SECTION 6. This joint resolution takes effect thirty days after the completion of the 2014-2015 Fiscal Year in accordance with the provisions of Section 36(B)(3)(a), Article III, Constitution of South Carolina, 1895, and Section 11-11-320(D)(1) of the 1976 Code.

**AMENDMENT FAILED CARRIED OVER**

The Senate proceeded to a consideration of the Bill.

Senator SHEHEEN proposed the following amendment (3266R001.EB.VAS), which failed:

Amend the bill, as and if amended, page 1, line 29, by inserting:

/ Section 15-82-5. By adopting this chapter, the General Assembly is codifying the South Carolina common law relating to landowner liability and the attractive nuisance doctrine. Specifically, a portion of the language codified in this chapter comes from the South Carolina Supreme Court case *Henson v. International Paper Company*, 374 S.C. 375, 650 S.E.2d 74 (2007). As it did in the *Henson* case, the South Carolina Supreme Court has traditionally and consistently upheld the principles the General Assembly now codifies. Because of the Court’s prior rulings on these matters and the doctrine of *stare decisis*, codification of these common law principles appears to be superfluous. In addition, there is no indication the South Carolina Supreme Court is poised to adopt the Restatement (Third) of Torts relating to landowner

[SJ] 60
liability as the Supreme Court of Nevada did in *Foster v. Costco Wholesale Corp.*, 291 P.3d 150, 128 Nev. Adv. Op. 71 (2012). Despite the lack of need to codify these common law provisions, the General Assembly is within its right to do so. Accordingly, by adopting the ‘Trespasser Responsibility Act’ the General Assembly is providing direction and clarity, albeit unnecessarily, to the courts of this State on the issues of land owner liability and the doctrine of attractive nuisance./
