This bill will have no expenditure or revenue impact on the General Fund or Federal Funds. The expenditure and revenue impact on Other Funds is undetermined. This statement is updated to include a response from the Department of Labor, Licensing, and Regulation.

Explanation of Fiscal Impact

Introduced on January 11, 2017

State Expenditure

This bill authorizes the Board of Barber Examiners (board) to issue mobile barbershop permits, establish permit requirements, and provide for regulation of mobile barbershops. A representative of the board must conduct an inspection of the mobile barbershop and find it satisfactory before the board issues a permit.

Department of Labor, Licensing, and Regulation. The department is unable to project the demand for mobile barbershop permits and, consequently, the level of activity required to inspect and permit them. Therefore, the expenditure impact on Other Funds is undetermined. There would be no impact on the General Fund or Federal Funds.

State Revenue

Department of Labor, Licensing, and Regulation. Revenue would be generated from permitting fees established by regulation and set at a level to support the program. As this is a new program, the demand for mobile barbershop permits and the necessary fee are unknown.

Therefore, the revenue impact on Other Funds is undetermined. There would be no revenue impact on the General Fund or Federal Funds.
