Fiscal Impact Summary

This bill as amended will have no expenditure or revenue impact on the General Fund, Other Funds, or Federal Funds, as the bill does not materially or fiscally alter the Department of Revenue’s responsibilities.

Explanation of Fiscal Impact

Amended by Senate Judiciary on April 19, 2018

State Expenditure

This amended bill requires businesses within 300 feet of a school to obtain a statement of affirmation from the local school board or other governing body in order to apply for a license for on-premises consumption of alcoholic liquor. Currently, a license can be granted for a place of business within 300 feet of a church or playground given that an applicant provides a statement from the decision-making body of a church or the owner of a playground stating that it does not object to the issuance of the license sought. This bill requires an applicant to provide a statement from a school board, the governing board of a charter school, or governing authorities of a private school to affirmatively state that they do not object to such issuances of licensure.

This bill permits the Department of Revenue (DOR) to issue permits for on-premises consumption of alcoholic liquor for facilities within 300 feet of a school, church, or playground when a statement of affirmation from the school, church, or playground is provided by an applicant. DOR currently issues such permits for facilities within 300 feet of churches and playgrounds when appropriate approval is provided. DOR indicates that this bill does not

fiscally or materially alter the responsibilities of the department. As such, this bill will have no expenditure impact on the General Fund, Other Funds, or Federal Funds.

State Revenue

DOR collects a license fee for each permit issued for on-premises consumption of alcoholic liquor. The department indicates that this bill is not expected to significantly increase the revenue collected from the aforementioned license fees. Thus, the bill will have no revenue impact on the General Fund, Other Funds, or Federal Funds.
