**Explanation of Fiscal Impact**

**Amended by House Education and Public Works K-12 Subcommittee on February 14, 2017**

**State Expenditure**

This amended bill creates a Seizure Safety in Schools Study Committee consisting of fourteen members. The committee will review information concerning the state of epilepsy awareness in public schools and basic training in seizure responses, among other information. Before January 31, 2018, the committee will make a report on its recommendations to the General Assembly, after which the committee must be dissolved. The amendment modifies the composition of the committee.

**Senate and House of Representatives.** This amended bill creates a study committee that includes two members from the Senate and two members from the House. The cost to the legislative bodies for each member per meeting is subsistence of \$195.53 and per diem of \$35 plus mileage on non-session days. These expenses will be managed within the budgets of the appointees' respective legislative bodies. Additionally, the staffing for this committee will be provided by the House and the Senate. Any additional work will be managed by the existing staff and within existing appropriations. Therefore, the amended bill does not have an

expenditure impact on the General Fund, Other Funds, or Federal Funds for the Senate or the House of Representatives.

**South Carolina Department of Education.** This amended bill creates a study committee that includes members from the South Carolina Department of Education. The expenses of the members will be managed within the agency's existing budget. Therefore, the amended bill does not have an expenditure impact on the General Fund, Other Funds, or Federal Funds for the South Carolina Department of Education.

**Department of Health and Environmental Control.** This amended bill creates a study committee that includes a member from the Department of Health and Environmental Control. We anticipate the expenses of this member will be managed within the agency's existing budget. Therefore, the amended bill is not expected to have an expenditure impact on the General Fund, Other Funds, or Federal Funds for the Department of Health and Environmental Control.

**Department of Labor, Licensing and Regulation.** This amended bill creates a study committee that includes members from the Department of Labor, Licensing, and Regulation. We anticipate the expenses of the members will be managed within the agency's existing budget. Therefore, the amended bill is not expected to have an expenditure impact on the General Fund, Other Funds, or Federal Funds for the Department of Labor, Licensing, and Regulation.
