Fiscal Impact Summary

This bill will have no expenditure impact on the General Fund, Other Funds, or Federal Funds, as an increase in the allowable value of nonprofit raffle prizes will not significantly impact the number of raffles registered with the Secretary of State or materially alter the Department of Revenue’s responsibilities.

Explanation of Fiscal Impact

Introduced on January 9, 2018

State Expenditure

This bill increases the total value of raffle prize or prizes offered by nonprofit organizations for charitable purposes to a maximum of \$950. Additionally, the purchase of a raffle ticket may be a maximum of \$300. Currently, the value of the prize or prizes associated with raffles operated by nonprofit organizations may not exceed \$500, and the price for a raffle ticket may not exceed \$100.

Secretary of State. Nonprofit organizations operating raffles for charitable purposes with prizes above \$500 are required to register with the Secretary of State. This bill amends this threshold amount to \$950. The office indicates that an increase in prize value will not impact the number of raffle registrations submitted to the office. Thus, this bill does not have an expenditure impact on the General Fund, Federal Funds, or Other Funds.

Department of Revenue (DOR). This bill increases the total value of prizes offered for nonprofit raffles. DOR indicates that prizes above \$600 are subject to withholding currently,

therefore increasing the prize value will not impact agency procedures. As such, this bill will not have an expenditure impact on the General Fund, Other Funds, or Federal Funds.
