Thank You for keeping us safe and giving us the power, the love, and the understanding in serving the people of this State. Bless our defenders of freedom and first responders as they protect us. Amend the bill, as and if amended, Section 40-33-34, as contained in SECTION 2, by adding an appropriately lettered subsection to read:

/ ( ) (1) For purposes of this subsection:

(a) 'Telemedicine' has the same meaning as provided in Section 40-47-20(52).

(b) 'Unprofessional conduct' has the same meaning as provided in Section 40-33-20(64).

(2) An APRN may perform medical acts via telemedicine pursuant to a practice agreement as defined in Section 40-33-20(45).

(3) An APRN who establishes a nurse-patient relationship solely by means of telemedicine shall adhere to the same standard of care as a licensee employing more traditional in-person medical care. Failure to conform to the appropriate standard of care is considered unprofessional conduct and may be subject to enforcement by the board.

(4) An APRN may not establish a nurse-patient relationship by means of telemedicine for the purpose of prescribing medication when an in-person physical examination is necessary for diagnosis.

WEDNESDAY, MAY 2, 2018

(5) An APRN who establishes a nurse-patient relationship solely by means of telemedicine only may prescribe within a practice setting fully in compliance with this chapter and during an encounter in which threshold information necessary to make an accurate diagnosis is obtained in a medical history interview conducted by the prescribing licensee; provided, however, that Schedule II-V prescriptions are only permitted pursuant to a practice agreement as defined in Section 40-33-20(45) and nothing in this item may be construed to authorize the prescribing of medications via telemedicine that otherwise are restricted by the limitations in Section 40-47-37(C)(6).

(6) An APRN who establishes a nurse-patient relationship solely by means of telemedicine shall generate and maintain medical records for each patient using those telemedicine services in compliance with any applicable state and federal laws, rules, and regulations, including the provisions of this chapter, the Health Insurance Portability and Accountability Act (HIPAA), and the Health Information Technology for Economic and Clinical Health Act (HITECH). These records must be accessible to other practitioners and to the patient in a timely fashion when lawfully requested by the patient or his lawfully designated representative.

(7) The provisions of this subsection may not be construed to allow an APRN to perform services beyond the scope of what is authorized by Title 40, Chapter 33 and Title 40, Chapter 47.” /

Amend the bill further, by adding appropriately numbered SECTIONS at the end to read:

/ SECTION \_\_\_\_ . Section 40-47-935 of the 1976 Code is amended to read:

WEDNESDAY, MAY 2, 2018

(B) A physician assistant is an agent of his or her supervising physician in the performance of all practice related activities including, but not limited to, the ordering of diagnostic, therapeutic, and other medical services.”

/ 33. (DHHS: Defunding Planned Parenthood) The Department of Health and Human Services may not accept federal funds for family planning. None of the state funds appropriated for family planning may be expended to directly or indirectly subsidize abortion services or procedures or administrative functions and none of the funds appropriated herein may be paid or granted to an organization that provides abortion services. An otherwise qualified organization may not be disqualified from receipt of these funds because of its affiliation with an organization that provides abortion services, provided that the affiliated organization that provides abortion services is independent of the qualified organization. An independent affiliate that provides abortion services must be separately incorporated from any organization that receives these funds. An organization that provides abortion services where the life of the mother is at risk and the termination of the pregnancy is incidental to the lifesaving intervention is excepted from the above restriction on state family planning funds and may receive state family planning funds, provided that the physician shall act in accordance with the standard of care to preserve both the life of the mother and the life of the pre-born child. /

/(GP: Net energy metering) (A) The General Assembly finds:

(1) the General Assembly passed Act 236 of 2014 to promote the establishment of a reliable, efficient, and diversified portfolio of distributed energy resources for the State; and

(2) Act 236 of 2014 successfully resulted in the rapid development and expansion of the solar power marketplace in this State; and

(3) it is necessary to preserve the important role of the emerging solar industry as it becomes sustainable, without subsidies, in our diversifying energy market; and

(4) the Public Service Commission approved in Order 2015-194 a settlement agreement that provides for a 1:1 kilowatt hour ("kWh") crediting rate ("1:1 Rate") whereby each kWh of electricity produced by a customer-generator is credited at the full retail rate.

(B) In the current fiscal year and from the funds appropriated and/or authorized to the Public Service Commission, for purposes of Chapter 40, Title 58 of the 1976 Code, an electrical utility shall make net energy metering available to customer-generators on a first-come, first-served basis, according to the rights accorded customer-generators by Commission Order 2015-194 until the total nameplate generating

The study committee specifically shall investigate, examine, and develop appropriate recommendations addressing:

(a) ratemaking methodologies, cost allocations, and rate designs for all retail electric customers in South Carolina;

(b) strategies for ensuring the fairest allocation of system costs and benefits related to renewable energy resources and Act 236 of 2014 between consumers, including consumers who either do or do not utilize distributed energy resources;

(c) strategies to build upon the successful deployment of renewable energy generating capacity through the South Carolina Distributed Resource Act and to continue enabling market-driven, private investment in distributed energy resources across the State by reducing regulatory and administrative burdens to customer installation and utilization of onsite distributed energy resources;

(d) the current status of the progress and implementation of Act 236 of 2014 and strategies to enhance the act's progress and success; and

(e) job retention and growth in the renewable energy industry.

(2) The study committee must be composed of the following members:

**RECORD FOR VOTING**

I voted against Amendment 25A on H. 4950 because it targeted only one institution that performs abortion. It was established that not one tax dollar is spent on abortion at Planned Parenthood. Other institutions perform abortions and receive public money. These institutions were not mentioned. I believe that if you are under conviction, you do not practice partiality. If abortion is wrong at one place, it is wrong at any place.

(1) 'Imprudent' or 'imprudence' includes, but is not limited to, lack of caution, care, or diligence as determined by the Public Service Commission in regard to any action or decision taken by the utility or one acting on its behalf including, but not limited to, its officers, board, agents, employees, contractors, subcontractors, consultants affecting the project, or any other person acting on behalf of or for the utility affecting the project. Imprudent or imprudence includes, but does not require, a finding of negligence, carelessness, or recklessness.

Imprudence on behalf of any contractor, subcontractor, agent, or person hired to construct a plant or perform any action or service on behalf of the utility must be attributed to the utility.

Imprudence includes, but is not limited to, any one or more of the following:

(a) failure to timely disclose and provide to the commission or the Office of Regulatory Staff any report, study, analysis, or written communication material to a particular project prepared by a third party engaged or caused to be engaged by the utility and furnished to the utility which relates to the management, supervision, or oversight of the project, the budgeted costs of the project, the performance of contractors or subcontractors on the project, or the scheduled completion date of the project;

(b) inappropriate or poor management or oversight decisions in the construction of the project including, but not limited to, failure to keep knowledgeable utility management or supervisory personnel on the project site to ensure proper supervision and oversight of the project and its construction; and

(c) any other fact, factor, or relationship which indicates the lack of prudence as defined in this item as determined by the commission.

(2) 'Prudent', 'prudence', or 'prudency' means a high standard of caution, care, and diligence in regard to any action or decision taken by the utility or one acting on its behalf including, but not limited to, its officers, board, agents, employees, contractors, subcontractors, consultants affecting the project, or any other person acting on behalf of

or for the utility affecting the project.

To the extent a utility enters a contract with a third party that delegates some or all decision-making authority related to the project, the utility retains the burden of establishing the prudence of specific items of cost or specific third-party decisions.

'Prudent', 'prudence', or 'prudency' also requires that any action or decision be made in a timely manner.

In determining whether any action or decision was prudent, the commission shall consider, including, but not limited to:

(a) whether the utility acts in a timely manner, with any passage of time which results in increased costs or expense prior to the utility acting or making the decision weighing against a finding of prudency;

(b) whether prior actions or decisions by the utility were imprudent and such imprudent actions led to a decision by the utility that could otherwise be prudent. Such circumstances weigh against a finding of prudency; and

(c) any other relevant factors, including commission of a fraudulent act, which are deemed not to be prudent.

As used in subitem (c), 'fraud' includes, in addition to its normal legal connotation, concealment, omission, misrepresentation, or nondisclosure of a material fact in any proceeding or filing before the commission or Office of Regulatory Staff. Proceedings and filings to which the provisions of this paragraph apply include, but are not limited to, rate or revised rate filings, responsive filings, motions, pleadings, briefs, memoranda, document requests, and other communications before the commission or Office of Regulatory Staff.

(B) The costs associated with the implementation of this proviso must be from the funds appropriated to the Office of Regulatory Staff. /

Amend the bill, as and if amended, Part IB, Section 11, COMMISSION ON HIGHER EDUCATION, page 339, after line 35, by adding an appropriately numbered paragraph to read:

1 (CHE: Prohibition of Discriminatory Practices) (A) In the current fiscal year and from the funds appropriated to the Commission on Higher Education, the commission shall print and distribute to all South Carolina public colleges and universities the definition of anti-Semitism.

(B) For purposes of this proviso, the term "definition of anti-Semitism" includes:

(1) a certain perception of Jews, which may be expressed as hatred toward Jews. Rhetorical and physical manifestations of anti-Semitism are directed toward Jewish or non-Jewish individuals and/or their property, toward Jewish community institutions and religious facilities;

(2) calling for, aiding, or justifying the killing or harming of Jews;

(3) making mendacious, dehumanizing, demonizing, or stereotypical allegations about Jews as such or the power of Jews as a collective;

(4) accusing Jews as a people of being responsible for real or imagined wrongdoing committed by a single Jewish person or group, the state of Israel, or

even for acts committed by non-Jews;

(5) accusing the Jews as a people, or Israel as a state, of inventing or exaggerating the Holocaust;

(6) accusing Jewish citizens of being more loyal to Israel, or to the alleged priorities of Jews worldwide, than to the interest of their own nations;

(7) using the symbols and images associated with classic anti-Semitism to characterize Israel or Israelis;

(8) drawing comparisons of contemporary Israeli policy to that of the Nazis;

(9) blaming Israel for all inter-religious or political tensions;

(10) applying double standards by requiring of it a behavior not expected or demanded of any other democratic nation;

(11) multilateral organizations focusing on Israel only for

peace or human rights investigations; and

(12) denying the Jewish people their right to self-determination, and denying Israel the right to exist, provided, however, that criticism of Israel similar to that leveled against any other country cannot be regarded as anti-Semitic.

(C) South Carolina public colleges and universities shall take into consideration the definition of anti-Semitism for purposes of determining whether the alleged practice was motivated by anti-Semitic intent when reviewing, investigating, or deciding whether there has been a violation of a college or university policy prohibiting discriminatory practices on the basis of religion.

(D) Nothing in this proviso may be construed to diminish or infringe upon any right protected under the First Amendment to the Constitution of the United States or Section 2, Article I of the South Carolina Constitution, 1895. /
