of the
HOUSE OF REPRESENTATIVES
of the
STATE OF SOUTH CAROLINA

REGULAR SESSION BEGINNING TUESDAY, JANUARY 10, 2017

TUESDAY, MAY 8, 2018
(STATEWIDE SESSION)

Tuesday, May 8, 2018
(Statewide Session)

~~Indicates Matter Stricken~~

Indicates New Matter

The House assembled at 12:00 noon.

Deliberations were opened with prayer by Rev. Charles E. Seastrunk, Jr., as follows:

Our thought for today is from Psalm 62:6: “God alone is my rock and my salvations, my stronghold, so that I shall never be shaken.”

Let us pray. Blessed are You, O Lord, our God, ruler of the universe. You call all nations to walk in Your light and to seek Your ways of justice and peace. Bless these Representatives and staff as they continue to work for the people during these last days of Session. Fill them with Your spirit as they strive to make everything better. Bless, preserve, and protect our Nation, President, State, Governor, Speaker, staff, and all who put their hands to the plow to get things done. Heal the wounds, those seen and those hidden, of our brave warriors who suffer and sacrifice for our freedom. Lord, in Your mercy, hear our prayers. Amen.

Pursuant to Rule 6.3, the House of Representatives was led in the Pledge of Allegiance to the Flag of the United States of America by the SPEAKER.

After corrections to the Journal of the proceedings of Friday, the SPEAKER ordered it confirmed.

MOTION ADOPTED

Rep. GOVAN moved that when the House adjourns, it adjourn in memory of Delano Middleton, which was agreed to.

SILENT PRAYER

The House stood in silent prayer for the family and friends of Natasha Weston.

SILENT PRAYER

The House stood in silent prayer for Representative Robinson-Simpson.

/ SECTION 1. Chapter 33, Title 59 of the 1976 Code is amended by adding:

“Article 5

Dyslexia Screenings

Section 59-33-510. As used in this section:

(1) ‘Evidence-based reading instruction’ means reading, writing, and spelling instruction that employs direct instruction of systematic and cumulative content, with the sequence beginning with the easiest and most basic elements, and progressing methodically to more difficult material. Each step also must be based on steps already learned. Components of evidence-based reading instruction include instruction

TUESDAY, MAY 8, 2018

targeting phonemic awareness, phonics, fluency, vocabulary, and comprehension.

(2) ‘Dyslexia specific intervention’ means evidence-based, specialized reading, writing, and spelling instruction that is multisensory in nature, equipping students to simultaneously use multiple senses, such as vision, hearing, touch, and movement. Dyslexia specific intervention requires greater intensity, such as smaller groups, increased frequency of instruction, and individualized progression through steps, than typical evidence-based reading instruction.

(3) ‘Multi-tiered system of supports’ or ‘MTSS’ means an evidence-based model of schooling that uses data-based problem solving to integrate academic and behavioral instruction and intervention. The integrated academic and behavioral supports are delivered to students at varying intensities by means of multiple tiers based on student need. Need-driven decision making seeks to ensure that district resources reach the appropriate students at their schools at the appropriate levels to accelerate the performance of all students to fulfill the profile of the South Carolina Graduate.

(4) ‘Response to Intervention’ or ‘RTI’ means the process of providing high-quality instruction and intervention matched to student needs using learning rate over time and level of performance to make important instructional decisions. To ensure efficient use of resources, schools begin with the identification of trends and patterns using schoolwide data and grade level data. Students who need instructional intervention beyond what is provided universally for positive behavior or academic content areas are provided with targeted, supplemental interventions delivered individually or in small groups at increasing levels of intensity. RTI is a process that is driven by the use of a problem-solving model and is used for the purpose of revealing what works best for groups of students and individual students, regardless of placement.

(5) ‘Tiered instruction’ means instruction and intervention provided with increasing intensity in response to student needs. This instruction is typically provided in an RTI process depicted as a three-tier model. Data is collected at each tier and is used to measure the efficacy of the instruction and intervention so that meaningful decisions may be made about how instruction and intervention should be maintained and layered. Tier 1 is the foundation and consists of scientific, research-based core instructional and behavioral methodologies, practices, and supports designed for all students in the general curriculum. Tier 2 consists of supplemental, targeted instruction and

TUESDAY, MAY 8, 2018

interventions that are provided in addition to and in alignment with effective core instruction and behavioral supports to groups of targeted students who need additional instructional support, behavioral support, or both. Tier 3 consists of intensive instructional or behavioral interventions provided in addition to and in alignment with effective core instruction with the goal of increasing an individual student's rate of progress. Tier 3 interventions are developed for individual students using a problem-solving process. Students receiving Tier 3 level supports may or may not be eligible for specially designed instruction and related services in accordance with the Individuals with Disabilities Education Improvement Act.

(6) 'Problem-solving model' means a problem-solving method used to match instructional resources to educational need. The problem-solving model uses data to define the problem, establish performance goals, develop intervention plans, monitor progress, and evaluate outcomes.

(7) Universal screening process (USP) means the process a district employs to screen all students who may be experiencing academic and/or social-emotional difficulties. The screening tools and the process must be based on approval and guidelines provided by the department, which must include screening tools that must be administered at no cost to the district.

Section 59-33-520. (A)(1) The State Department of Education shall establish and provide training and support for a statewide MTSS framework that must contain a common data-based problem-solving model, on-going student assessment, and a layered continuum of supports using evidence-based practices. As part of the assessment, a universal screening process must be used to identify students who may be at risk of experiencing academic difficulties in reading, math, or writing, and who also may be at risk of experiencing difficulties in social-emotional development.

(2) Beginning with the 2019-2020 School Year, to the extent funding is provided or that approved screening tools are available at no cost, a local school district shall use the universal screening process to screen each student in the district who is in kindergarten through first grade three times each school year and as needed in second grade as outlined in the district's universal screening procedures, and any other student as required by the department, for reading difficulties, including dyslexia, and the need for intervention.

TUESDAY, MAY 8, 2018

(3) In addition to screening required by this subsection, screening also may be requested for a student by his parent or guardian, teacher, counselor, or school psychologist.

(B) The district, following the universal screening procedures it conducted, shall convene a school-based team to analyze screening data and progress monitoring data to assist teachers in planning and implementing appropriate instruction and evidence-based interventions for all students who, based on the screening, are at risk of experiencing academic difficulties, including those students who exhibit the characteristics of dyslexia, as provided by the department. Guidance may include suggestions of tiered interventions, dyslexia specific interventions, academic and social-emotional supports, and supplemental technology as appropriate for the student's access to assistive technology.

(C) If the RTI process conducted by the district indicates that a student is at risk for experiencing academic difficulties, including dyslexia, the district shall:

- (1) notify the parent or legal guardian of the student;
- (2) provide the parent or legal guardian of the student with information and resource material so that they may assist and support learning for their child;
- (3) provide the student with tiered, evidence-based intervention as defined in Section 59-33-510; and
- (4) monitor and evaluate the effectiveness of the intervention and the student's progress.

Section 59-33-530. The department shall provide appropriate professional development training and resources for all educators in the area of MTSS and the identification of, and evidence-based intervention methods for, students who are at risk of experiencing academic difficulties, including students with dyslexia.

Section 59-33-540. The State Board of Education shall create a reporting template and guidelines for districts and charter schools to complete the template. School districts and charter school authorizers shall complete the template and provide the compiled results to the department annually by June thirtieth, commencing June 30, 2020. The department shall provide the compiled information to the State Board of Education, State Superintendent of Education, and the Chairs of the House Education and Public Works Committee and Senate Education Committee by July thirty-first of each year commencing July 31, 2020. The template must include the following:

- (1) identification of the screening tool used;

TUESDAY, MAY 8, 2018

(2) the type and amount of professional development specifically applicable to reading difficulties including, but not limited to, dyslexia and other related disorders that is provided to faculty and staff;

(3) the number of students screened and the number who were identified as having reading difficulties including, but not limited to, dyslexia and who required intervention, and the interventions employed by the school; and

(4) longitudinal data reported by grade that separately identifies academic growth for students who are identified as having reading difficulties including, but not limited to, dyslexia and provided intervention services, and students who do not receive services. Individual students must not be identified.

Section 59-33-550. (A) There is created a Learning Disorders Task Force for the purpose of working with the department in matters relating to reading disorders to include, but not be limited to, dyslexia. The State Superintendent of Education shall convene the first meeting at which time a chair shall be elect by the task force. The task force is composed of nine members as follows:

(1) an education specialist in school psychology appointed by the State Superintendent of Education, for a term of three years;

(2) a representative from the South Carolina branch of the International Dyslexia Association, appointed by the president of the association for a term of three years;

(3) a special education teacher with an understanding of reading difficulties including, but not limited to, dyslexia, appointed by the State Superintendent of Education for a term of three years;

(4) a primary school teacher, appointed by the State Superintendent of Education for a term of three years;

(5) a middle school teacher, appointed by the State Superintendent of Education for a term of three years;

(6) a high school teacher, appointed by the State Superintendent of Education for a term of three years;

(7) a parent of a child with dyslexia, appointed by the State Superintendent of Education for a term of three years;

(8) a certified school speech pathologist, appointed by the State Superintendent of Education for a term of three years; and

(9) a member in good standing of the South Carolina Optometric Physicians Association, appointed by that association's board of directors for a term of three years.

(B) Initially, the members representing subsections (1), (3), (5), (7), and (9) shall serve terms of five years or until their successors are

TUESDAY, MAY 8, 2018

appointed and qualified. At the end of the first appointment term for these members, new appointments shall serve terms of three years or until their successors are appointed and qualified. All appointments must be provided to the State Superintendent of Education by July 1, 2018. The terms of the members shall commence July 1, 2018.

(C) A vacancy must be filled in the same manner of the original appointment for the unexpired portion of the term. A member may be appointed to successive terms.

(D) The members of the task force shall serve without compensation, mileage, per diem, or subsistence allowances.

(E) The task force shall meet at least quarterly. A quorum consists of a majority of the membership of the council.

(F) The task force shall coordinate with the department and the South Carolina branch of the International Dyslexia Association in the identification of universal screening tools to be used pursuant to Section 59-33-520, and collaborate with the department in the creation of the reporting guidelines required by Section 59-33-540.”

S. 302--AMENDED AND ORDERED TO THIRD READING

The following Bill was taken up:

S. 302 -- Senators Sheheen and Bennett: A BILL TO AMEND SECTION 59-29-80(A) OF THE 1976 CODE, RELATING TO PHYSICAL EDUCATION INSTRUCTION IN PUBLIC SCHOOLS, TO PROVIDE THAT MARCHING BAND INSTRUCTION BASED ON THE SOUTH CAROLINA ACADEMIC STANDARDS FOR THE VISUAL AND PERFORMING ARTS MUST BE CONSIDERED THE EQUIVALENT OF PHYSICAL EDUCATION INSTRUCTION.

Rep. FRY proposed the following Amendment No. 7 to S. 302 (COUNCIL\SA\302C002.DKA.SA18), which was adopted:

Amend the bill, as and if amended, by adding appropriately numbered SECTIONS to read:

/ SECTION __.A. Section 59-32-20 of the 1976 Code is amended to read:

“Section 59-32-20. (A) Before August 1, 1988, the board, through the department, shall select or develop an instructional unit with separate components addressing the subjects of reproductive health education, family life education, pregnancy prevention education, and sexually transmitted diseases and make the instructional unit available to local school districts. The board, through the department, also shall make available information about other programs developed by other states upon request of a local school district.

(B) In addition to the provisions of subsection (A), before September 1, 2015, the board, through the department, shall select or develop instructional units in sexual abuse and assault awareness and prevention, with separate units appropriate for each age level from four-year-old kindergarten through twelfth grade.

(C) Before August 1, 2018, and through the cyclical review process, the board shall include instruction on prescription opioid abuse prevention, with an emphasis on the prescription drug epidemic and the connection between opioid abuse and addiction to other drugs, such as heroin, in the health standards. In addition, the board shall make available to districts a list of instructional materials that meet state standards. Districts shall continue to adopt or develop curriculum locally.”

TUESDAY, MAY 8, 2018

B. This SECTION takes effect upon approval by the Governor and is applicable beginning with the 2018-2019 School Year.

SECTION __. Article 1, Chapter 103, Title 59 of the 1976 Code is amended by adding:

"Section 59-103-155. Any public or private institution of higher education in the State from which a student may earn a degree in a health care profession that allows the person to prescribe controlled substances listed in Schedules II, III, and IV in the State shall require for those programs that students complete coursework on the prescription and monitoring of Schedule II, III, and IV controlled substances, including coursework on the prescription of Schedule II controlled substances to treat or manage pain, and strategies that can be employed to recognize signs of and reduce the likelihood of patient addiction. These institutions of higher education shall coordinate with the state's Commission on Higher Education, Board of Medical Examiners, Board of Dentistry, and Board of Nursing to develop the curriculum." /
